# WHAT IS THE POWERSCHOOL PARENT PORTAL?

The parent portal is an online portal accessible anywhere on the web where parents can log in and see all of their children in one place . . . their grades, assignments, scores, attendance, schedules, and state test results for each school.

If you have one student in elementary school and one in middle school, you will see both students as long as they are attached to your account.

**Parents - Do you need assistance in setting up your PowerSchool account? Contact the school office or email [ps\\_portalsupport@myfsd.org](mailto:ps_portalsupport@myfsd.org) with your student's name, grade level and school. Please do not submit a support ticket. You can access your student's State Testing scores for ELPAC, CAASPP, and CAST, attendance, junior high Progress Reports, and Report Cards. If you click on "Forgot Username or Password", please make sure you use the *same email address* that is tied to your account. Check your SPAM folder if you don't see the email response from our PowerSchool server.**

Parent Portal Accounts are set up through the school office. If you have multiple students within the district, you can have ONE school add all students to your account.

There is also a mobile app available (not all items are available on the app like PDF reports).

Listed below are the username and password for you to be able to log in to PowerSchool and access your attendance records, grades, ELPAC score reports, and more.

Please be aware that information regarding assignments and grades will only be available if your teacher is using the PowerTeacher gradebook program. For those teachers using the PowerTeacher gradebook program, some have chosen to post all grades for all assignments online, while others are using it only to submit final grades at the end of each grading period. What grades you are able to access will be determined by what your teacher has chosen to do and how recently the teacher has updated his or her gradebook.

**COMING SOON!**

FSD is working to implement new features to help parents:

- You will be able to REPORT YOUR STUDENT'S ATTENDANCE through the parent portal account instead of having to call the school office.
- You will have ONE account to access not only all data for your student(s) but also to complete the Annual Information Review (AIR). No more SNAPcode letters and separate account!

# READY TO SET UP YOUR ACCOUNT?

**CALL THE SCHOOL OFFICE**

You can also send an email to [ps\\_portalsupport@myfsd.org](mailto:ps_portalsupport@myfsd.org) providing your current email address on record and the student's name, grade level and school. If you have multiple students, you can send all in one email.
