

Virtual/Distance Learning Choice Form
2021-2022 School Year

Dear FSD Families:

We are looking forward to the upcoming school year and are offering 3 learning modules for the 2021-2022 School year. **You only need to complete this form if you want your child to enroll in 100% Virtual/Distance Learning or the MyFSD Academy Homeschool.**

100% Virtual/Distance Learning for the 2021-2022 school year

*Students will be included in on-campus events at their current school (or assigned school if moving to junior high), and they will stay enrolled at that school site for the 2021-2022 school year. The Distance Learning teacher will most likely not be a teacher from their school.

*Students may only change from virtual to on-site or from on-site to virtual at the semester/trimester, and may only change if there is room in the desired program. If there is not space in the online program, the student would need to remain on campus. If there is not space at your site for on campus learning, a space will be found at another site.

*This choice is being made now so the district can plan for the correct number of teachers at each site and for the virtual program. Any changes to this choice before the school year begins will need to be approved by the site administration based on space available.

MYFSD Academy Homeschool

The MyFSD Academy is a homeschool program that is hosted at Rolling Hills and Orangethorpe Elementary Schools for K-6 and at Nicolas Junior High School (7th grade only in 21-22). The parent is the main teacher in this online program with a lot of independent work for students, with some on-campus and online instruction. Individual plans are created with teachers, parents, and students. More information can be found by clicking [here](#) or by visiting the MyFSD Academy tab under the schools section of the district website.

This form must be completed and turned in by May 7th.
