Why Join the PTA and the Acacia Elementary School Foundation?

Each PTA and Foundation membership helps to support valuable programs at our school. The Acacia PTA focuses on community events and school spirit. While PTA sponsored events are enjoyed by the entire Acacia Community, PTA events are historically self-funded and do not have a fundraising component. With each PTA membership, participating families will receive valuable coupons, discounts, and will help to support national and statewide child advocacy.

The Acacia Elementary School Foundation, a 501(c)3 non-profit corporation, is the primary fundraising entity to help support critical programs at Acacia, which historically have been funded by the state but are in jeopardy due to the budget crisis. These programs include, but are not limited to our PE program, 21st Century Learning, Field Trips/Assemblies and various other important programs at our school. Without your support, these programs would not exist at Acacia. There are currently over 600 elementary school foundations in California and eight in our district alone.

All Acacia Elementary School Foundation memberships and donations are tax deductible. As a 501(c)3, the Foundation also qualifies for Employer Donation Matching Programs.

With your continued support, The Acacia Partnership can continue to provide vital financial support to our school, enhancing our children's education.

SUPPORT OUR PANDAS

Our membership drive campaign is built on friendship and community. For every donation made to The Acacia Partnership a "Partnership Panda Pal" will be placed on the school fence with the contributing family's name. These characters will link together to represent our community approach to supporting our wonderful school.

Last year, 55% of our Acacia families joined the Acacia Partnership. This year our goal is for at least 60% of our Acacia families to join. With 325 families contributing just \$24.00 for 10 months, we can exceed our membership fundraising goal of **\$75,000**. Think of what we could do with 100% participation! Don't miss the chance to make a difference for our children. Every student at Acacia benefits from the programs supported by The Acacia Partnership.

Please consider joining now at the suggested levels or at any level that suits your family.

Acacia PTA: Annual one-time membership fee of \$10.00 per person.

Acacia Elementary School Foundation
Membership Donation:
\$240.00 One-time tax deductible donation OR
\$24.00 Monthly tax deductible donation for 10 months

If 325 Families give \$240 one-time or monthly, that is \$78,000 for our children!

*Donations from family, friends, and neighbors are a great way to achieve your family membership.

MAKE AN INVESTMENT IN OUR KIDS
