Canvas

Canvas is our Learning Management System (LMS). Here you will find the agenda, important links, and turn in assignments. You will be able to find all instructions and resources for assignments.

Blackboard

Blackboard is a tool for reminders, pictures, and communication. Parents/students can text me through the app.

Math Assignments

Homework- daily; considered practice and does NOT COUNT toward the class grade; MARKED as complete or incomplete in PowerSchool (**no late HW will be accepted**)

Tasks/Projects- completed in class; may be individual, partner, or group

Skills Tests- quizzes based on categories found in the column on the left; can be retaken if grade is below a 3 (85%)

Summative Assessments- given during the middle/end of module; may NOT BE RETAKEN

Office Hours

Thursday @ Lunch

- Ask clarifying questions
- Get help
- Turn in late work
- Retake a Skills Test
- Talk to Ms. Yi

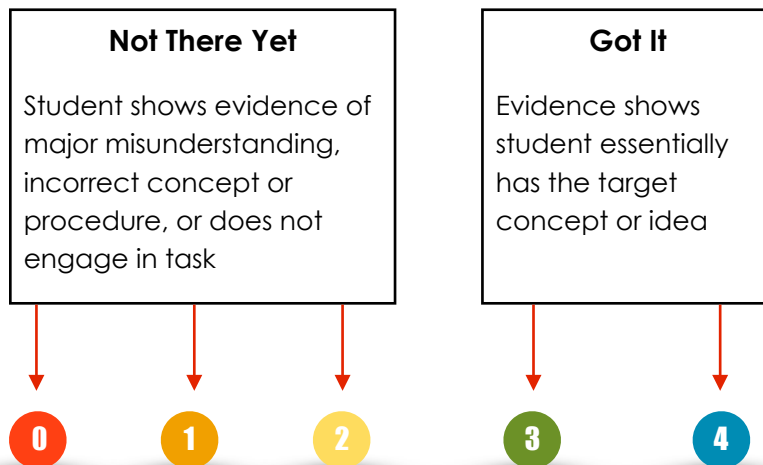

Late Work Policy

- Up to 1 week late: drop one grade
- Up to 2 weeks late: drop two grades
- Assignments turned in past 14 days late will not be accepted.

Grading

Grades will be available on PowerSchool. Students and parents have separate logins. Please see the office for your login information.

Math assignments will be scored using a 4-point rubric based on the [CA Common Core State Standards](#).

Math Retakes

Skills Quizzes are the only math assignments that may be retaken. Each student has the opportunity to retake **8 skills quizzes each trimester**; the retake score will replace the old score if it is higher. Retakes will happen two times a month.

To sign up for a retake, fill out a google form entry by end of day Wednesday with the quiz you want to retake and the week you're retaking.

Other Information

In this course, we will cover all of the 7th grade math standards. For extension math practice, check Canvas.
