Dear Beechwood Community,

Welcome to the 2024-2025 school year! We hope everyone had a memorable summer filled with fun and relaxation. As we embark on this new academic journey together, we are thrilled to welcome back our returning students and families while extending a warm welcome to our new members of the Bobcat family. It has been great to see so many faces during our meet and greet and orientations.

At Beechwood School, we work together to ensure that each student receives a rigorous and balanced educational program in a caring environment where intercultural understanding and respect are valued. Our mission is that all children will develop critical skills that will allow them to effectively communicate, collaborate with peers, investigate and solve problems, and achieve their full academic and creative potential.

We are proud to provide a safe and reliable environment for learning for our students. We have been recognized, once again, as a Platinum PBIS school where we provide a positive school climate and culture through our PBIS implementation system. Together, we will continue to cultivate a learning environment where every individual feels valued and supported.

Thank you to our parent groups, PTSA and Foundation, who go above and beyond to provide additional support for our students and staff. We can't wait to continue the work and walk alongside each other. Thank you, in advance, for the support.

We can't wait to see all our families and Bobcats on August 12, 2024!

Sincerely,

Hannah Lim
Principal, Beechwood School
