## TEACHERS ARE LIFE-LONG LEARNERS; LET US HELP YOU FIND A COLLABORATOR

### MISSION & VISION

Teachers Helping Teachers (THT) is designed by Fullerton School District teachers for Fullerton School District Teachers. THT is a hub for an exchange of ideas between teachers. Teachers can ask for time to work with their peers and colleagues on a variety of current district initiatives and practices. THT is open to all teachers who want to focus on a particular instructional strategy, practice, or philosophy.

### WHY IS THIS FOR ME?

*"Meet at convenient agreed upon time that works for all of you."*

*"Builds on your strength and passion."*

*"Set a professional goal for yourself in any area of interest with a colleague and collaborator."*

*"Reflect on our practice with another professional."*

If you would like to work with a like-minded FSD educator, please email your THT liaison listed below by grade level.
