

NICOLAS AFTER SCHOOL HOMEWORK-----

General Information

Homework Club is a free service offered to our Nicolas students. It is held from 3:10 pm-4:10pm, Monday, Tuesday, Thursday, and Friday (tardy academy).

Homework Club Rules and Guidelines

Students who go to Homework Club should be staying for the entire hour. Please do not pick up your students early from Homework Club, as they may not receive a stamp (credit) if they are picked up early. Students who check in to Homework Club and leave of their own accord to 'hang out' elsewhere will receive a consequence. Students must be picked up from the Homework Club by 4:10 pm at the latest.

Students should bring homework to the Homework Club. Students without homework or a library book to read should not be in the Homework Club. Students who are not working are a distraction to others and will be removed and may receive a consequence. Repeat offenders may lose the privilege of attending.
