Dear Richman Family,

Welcome to the 2023-24 school year. I am truly honored to continue leading the Richman school community. Over the last six years, we have accomplished so much in such a short amount of time. This year, I am very much looking forward to working together to create programs that will engage, motivate, and provide experience for lifelong success!

Whether you are returning to Richman from your summer break, or if you are new to our area and school, we are pleased to welcome you to our community of learners. Though this school year is forecast to be different from any other, I know that, together, we will continue our tradition of providing a rigorous education to our students and quality service to our families.

Our staff and teachers have been busy making preparations over the past several weeks, and we are thrilled and excited to kick off another great school year. We are dedicated to helping your children reach their fullest academic potential, and we look forward to working with our families to provide the high-quality education that your children deserve.

Richman Elementary is a gem of a school that is known for its outstanding STEAM program, its innovative staff and its supportive parents and community. This year will be no exception; I am certain with your support Richman will continue to prosper and shine! We are fortunate at Richman to be a 1:1 iPad school TK- 6th grade which puts us above the rest in providing an exceptional education for your child. Every student at Richman will receive an iPad, headphones, school supplies, and curriculum to be successful during the school year.

The foundation for student success is based on a partnership between students, staff, and parents. Active parent participation is very important. I ask all of our families to help me in three small ways. First, show your appreciation to our wonderful teachers and staff whenever you can. Second, make the commitment to become involved in at least ONE activity or event this school year. Multiple studies show that the more committed parents are to their child's school, the higher achieving their children become. Over the next few weeks, I will be reaching out to our families, explaining more about how you can become involved and continue to enrich our community. And lastly, join the PTA and add your voice to this powerful student advocacy group. The teachers and I are all members of this organization and your support of PTA supports us.

With your support, we can build on the last six years' successes to take Richman School to the next level. Remember my door is always open and I value your input.

This handbook will provide you with the general information about Richman School however, please feel free to contact the school at any time if you have any questions or concerns.

We Believe in You!

VOLUNTEERS/VISITORS

We are appreciative of those who are able to donate their time and energy to volunteer in our school. Parent contributions in the classrooms directly benefit the students. If you are interested in volunteering at Richman please contact the Richman Front Office for an application and guidelines.

LOST AND FOUND

In the event your child loses an article of clothing, lunch box or school materials, please look in our "Lost and Found" barrel located in front of the school office. We suggest that you write your student's name on all of their belongings (sweaters, jackets, lunch boxes, notebooks, folders, etc.) for easy identification.

office. If your child has bumped their head you will receive a phone call and paperwork will be sent home with.

A school district nurse is on call for emergencies, and is only available at Richman School on Tuesdays.

If a student is to (1) take any medication at school, or (2) have restricted activity, a doctor's note is required. Forms for dispensing medication are available in the office. **At NO time are students allowed to carry medication with them.** This includes aspirin and cough drops. **Any changes in a student's medication must be submitted on a new form for dispensing medication and must be signed by the student's doctor and submitted to the office.**

Screening for vision and hearing is conducted for all students at designated grade levels. Growth and Development films are shown to fifth and sixth grade boys and girls in the Spring with written parent consent. A film on HIV/AIDS is also shown to sixth grade students with written parent consent.

BIKES

Please be reminded that **children under 18 are required to wear bicycle helmets while riding their bike.** Students in grades 4, 5 and 6 may ride a bicycle to school. Bikes are to be licensed and locked in the bicycle racks located south of the school office. While on school grounds, students must walk their bicycles and avoid walking or riding through the parking lot area. The school is not responsible for damaged or stolen bicycles.

PLEASE BE REMINDED THAT SKATEBOARDS, ROLLER SKATES, ROLLER BLADES, AND SCOOTERS OR MOTOR SCOOTERS ARE NOT PERMITTED AT SCHOOL AT ANY TIME. Shoes with "heel wheels" may only be worn without the wheels during school hours.

DRESS CODE

For safety reasons, students may not wear open-toed shoes, crocs, or shoes with high heels (more than 1"). Students may not wear any clothing, dress or grooming style that denotes affiliation with a gang or a tagging group. Examples include: long T-shirts, baseball caps, baggy pants, oversized clothing, hanging belts, and hair nets. Students are not to wear makeup or jewelry to school.

Richman requires students to dress appropriately for school. The daily clothing/attire should be conducive to an educational environment and should not be disruptive of school operations. **In cases of questionable clothing choices, the school administration reserves the right to determine the appropriateness of the student's attire.** The following serves as a reference to appropriate clothing while at school:

All students must come to school dressed appropriately for all activities that will occur during the school day including P.E.

1. An article of clothing is prohibited if it contains wording or images that are obscene, libelous, or incites substantial disruption at school.
2. Clothing promoting drugs, alcohol, guns, or tobacco products or that includes sexual images or innuendo is not permitted.
3. Clothing should be clean and in good repair.
4. Pants must be worn at the waist and must fit the waist without a belt. Visible undergarments are not acceptable. Belts must be appropriate to a student's waist size with plain belt buckles. No excessively long belts are allowed. **Jeans with tears/rips can only be from the knee down.**
5. Clothing must entirely cover the front and back of the student. No bare-midriff, halter, off-the-shoulder or shoulder straps that are narrower than 1".
6. Clothing that is too revealing (i.e. low-cut tops, short shorts, or clothing which allows undergarments to show) is not allowed.

7. Students are only allowed to wear hoods and hats while outside for sun protection. They must remove hoods and hats anytime they are indoors.
8. Closed-toe shoes must be worn at all times on campus. Soft-soled shoes, slippers, slides, flip-flops, or any open toe shoes are not permitted. No Crocs or Crocs-like shoes are allowed.
9. Pocket chains (such as those that might be used to hold a wallet or keys) are not allowed.
10. Styles of clothing (jackets, shirts, hats, lettered belt or belt buckles, “sagging,” make-up, hair, etc.) which symbolize affiliation (as identified by the Fullerton Police Department) with negative youth groups are not allowed. No Raiders jerseys or hats.
11. Pajamas bottoms are not permitted. Except on designated spirit days.
12. Shorts and skirts must pass the “hand-rule,” meaning they must be longer than the student's hands when resting at their sides. Additionally, holes and/or rips in pants must also pass the “hand-rule.”
13. Students may not display writing or drawing on their bodies.
14. For safety reasons, long and/or acrylic finger nails are not allowed.
15. All students must come to school with proper attention to personal hygiene.

Richman staff members may use their discretion in deciding if a student’s dress is inappropriate. Any time a staff member believes a student’s clothing is inappropriate or causing a disruption, the student will be referred to the office where an administrator will make the decision. Students will be required to change into school-supplied garments and will have their original clothing returned at the end of the school day. Repeated dress code violations may result in progressive disciplinary consequences.

HAT POLICY

Students are allowed to wear hats to school in an effort to protect them from UV rays and other sun related conditions (SB 310). The Richman School hat policy is intended for outdoor use only as “sun protection.” Hats are to be worn properly, forward facing and need to be removed when entering a building. Hats must meet all other dress policy requirements regarding displays of appropriate illustration, language and symbols. Due to the potential spread of head lice, hats may not be shared.

ABSENCES

When your child returns to school after an absence, a note must be sent with him/her, or you may call the school office to report the reason for the absence at 714-447-7745. If a student is absent for three or more days, a doctor's note is required to excuse the absence. Please give the following information: child’s name, your name and the reason for the absence. **Our school office hours are 7:30 a.m. to 4:00 p.m.**

Teachers will work with students in making up missed work. If the student is able to complete written work, homework can be arranged. **Please allow a day for preparation.**

TARDIES

Students are expected to be in their seats in the classroom at 8:00 am. Excused tardies are only

considered for doctor's visits and visits to Operation School Bell. All other tardies are considered unexcused. **All students arriving tardy must check in at the school office before entering their classroom.**

TRUANCIES

Unexcused absences or excessive absences affect the student's education and increase the chances for failure. If attendance does not improve immediately after verbal and written communication a formal petition with the Fullerton School Attendance Review Board (SARB) will be filed.

EMERGENCY INFORMATION

It is very important that the school has current addresses and phone numbers filed in the office for emergencies. The following must be current:

1. Parent(s) or guardian(s) names
2. Complete and up-to-date address
3. Home phone and parent(s) work phone numbers (**connected and working**)
4. Emergency phone numbers (**connected and working**)
5. Relatives/friends that can be contacted when parents are unavailable.
6. Medical alert information
7. Authorized person(s) to pick up child
8. Any restraining/court orders

HOMEWORK POLICY

Homework is a regular school activity. Homework programs encourage parents to read to their child and/or encourage the student to read at least 20 minutes daily

Students are responsible for completing their homework assignments and turning them in to their teachers on time. They should listen carefully to instructions, get needed materials, and schedule needed time. Students are responsible for the proper care of books and materials. Parents are encouraged to monitor assignment books on a daily basis.

Parents are responsible for providing an environment in which work can be completed. They are encouraged to help with scheduling time, finding a quiet workspace, and reinforcing good habits. Parents should contact the teacher whenever there are questions about homework. They should encourage students to complete homework assignments carefully and neatly.

Homework is an extension of classroom learning experiences. Each assignment, while requiring effort and thought, should be successfully completed by the student. Assignments may include drill, problem-solving, research, practice or discovery experiences. Homework may include projects to work on over a long period of time or daily assignments. It is a tool to reinforce and extend student learning. These activities serve as an important link between home and school.

Daily time allotments for homework will approximately be:

Primary - 20-30 minutes

Upper - 45-60 minutes

SCHOOL RULES

All Richman students have the right to an encouraging and safe learning experience. Any student who

chooses to hurt others, damage school property, or the property of others, or who interferes with the learning of others, will be given appropriate intervention and/or consequences and parents will be notified.

Richman is a PBIS (Positive Behaviors Intervention & Systems) school which seeks to reduce or eliminate poor behavior school wide through the encouragement of positive behaviors. PBIS decreases office discipline referrals, increases instructional time, and improves student achievement. This intentional focus on positive reinforcement is creating and maintaining a positive school climate for the students and teachers. Our focus is on three specific expectations: Be Kind, Be Safe, and Be Responsible.

Students can also earn PBIS Rewards points by demonstrating positive behaviors. These points can be used to purchase reward items from the Racer Store.

Any student or employee who is found to have engaged in sexual harassment shall be subject to disciplinary action. Students and staff are to immediately report incidents of sexual harassment to the principal, principal's designee, or school counselor. A copy of these rules and procedures for reporting charges of sexual harassment may be obtained from the school office or from the school district office. The Superintendent or designee shall ensure that students receive age-appropriate information related to sexual harassment.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's academic status or progress;
2. Submission to or rejection of the conduct by an individual is used as the basis for academic decisions affecting the individual;

Other types of conduct which constitute sexual harassment may include, but are not limited to, verbal abuse of a sexual nature; sexually degrading or suggestive words; unwelcome sexual propositions, gestures or drawings; and/or blocking normal movement with the intent to convey a sexual connotation, such that it impedes routine activity.

A student who feels that he/she has been sexually harassed should report such incidents to the school site principal or principal's designee, or to the school nurse or psychologist immediately.

The site principal or designee shall use the definitions in this policy as a point of reference for determining student consequences for such behavior, bearing in mind the severity of the harassment and whether it is a first-time offense or repeated behavior. Further, in determining whether the alleged conduct constitutes unlawful harassment, the totality of the circumstances, the nature of the harassment, and the context in which the alleged incidents occurred will be investigated by the principal or the principal's designee and reported to the office of Child Welfare and Attendance. Allegations of sexual harassment by an employee should be immediately reported to the appropriate personnel administrator.

Consequences

The Governing Board considers unlawful harassment to be a major offense which may result in disciplinary action up to and including expulsion of an offending student enrolled in grades 4 through 8, inclusive.
