

LAGUNA ROAD

ELEMENTARY SCHOOL

Dear Incoming 6th Grade Students and Families,

The 6th grade teachers are excited to be part of your education journey, including your final year of elementary school. We look forward to teaching you many new things during the upcoming new school year and helping you prepare for the transition to junior high school. We are often asked what supplies are needed to start 6th grade. If you would like to donate supplies, we have compiled a list of suggested materials 6th grade students may find useful in our classrooms. Your student will be given basic supplies regardless of whether you choose to donate or not. However, if you do decide to donate materials, please have your student bring any supplies on the first day of school and write his/her initials on any personal items. We are looking forward to a great year! We know we will have fun learning and growing together.

The Laguna Road 6th Grade Team,
Mrs. Lee - Mrs. Pellizzari - Mr. Yousling
