

MyCONNECT ACADEMY

Dear MyConnect Academy Families,

Welcome to the 2023-2024 school year! The MyConnect Academy Staff and I are excited to welcome everyone back to campus for what is sure to be a wonderful school year! Ms. Genesis Melendrez, our fabulous Assistant Principal, and I are incredibly proud to be leading this program and we look forward to all of the great things we will accomplish together.

Through MyConnect, we pride ourselves on being able to provide either a virtual learning platform or a homeschool program that meets the needs of our students. Through the virtual learning platform, teachers provide innovative ways to make learning relevant and meaningful for our students. We believe in creating safe learning environments to ensure that students' academic and social-emotional needs are met. In our homeschool learning environment, students have the opportunity to access grade level curriculum at their own pace, with both the support of teachers through virtual and in-person learning opportunities as well as the support from guardians in their home. Our goal with the homeschool program is to provide students with the freedom to continue their education in a format that serves them best.

I strongly believe that MyConnect has a program to best fit the needs of students learning from home. I am confident that with our collective effort and dedication, we will achieve great things this year and beyond. I look forward to working alongside you as we continue to support one another, and make our program a place where everyone can thrive.

Please feel free to reach out should you have any questions or concerns. I can be reached at (714)447-2862 or lindy_mcnutt@myfsd.org.

Sincerely,

Lindy McNutt
