Successful Kids

Dear Prospective Fullerton School District Performance Academy Families,

Fullerton School District (FSD) appreciates your interest in our new Performance Academy Sports Program, which kicked off this Fall 2024! We are excited to share important information about FSD's Performance Academy, the first of its kind offered by a public (non-charter) school.

We have a great cohort group that we have started with, and while there is limited capacity in this program this school year, we may be able to accept more students into the program for the 2025-2026 school year. The spots will be filled on a first come, first served basis of qualified applicants.

The steps for interest and additional information are listed below.

- **Step 1:** Complete the FSD Intent Form Application/Waitlist
 - Link - <https://www.fullertonsd.org/PerformanceAcademy>.
 - Please note, completing this form does not constitute acceptance or enrollment in the Performance Academy, unless you are an existing PA student attending Parks or Rolling Hills and have communicated your interest in returning to the program.
- **Step 2:** Complete the Delta Sports registration **OR** other sports/dance academy registration.
- **Step 3:** Submit your proof of registration to a Sports Academy to maria_diaz@myfsd.org
- **Step 4:** If out of district complete an Inter District Transfer request with your district of residence by 2/14/25. If you are a Fullerton School District family complete an Intra District Request by 2/14/25.
 - Student Support Services will review the application to determine eligibility for Non-FSD students. Approval may be based on the availability of space within the provider's caseload and the ability to provide required services in compliance with applicable Education Code and non-discrimination policies.
- **Step 4:** Upon receipt of letter of acceptance to the FSD Performance Academy, you will receive an email requesting you to complete the online registration along with completing the FSD Performance Academy Contract Agreement.

FSD is excited to offer this new Performance Academy and work with your students. Should you have any questions about the Performance Academy, please do not hesitate to reach out to our Educational Services team at 714-447-7709. Additional information and resources can be found at <https://www.fullertonsd.org/PerformanceAcademy>.

We look forward to supporting your students and their academic and athletic success.

Sincerely,

Dr. Adaina Brown, Assistant Superintendent
