**Grade
Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

About Our School

Golden Hill Elementary School teachers and staff are committed to helping students achieve success through high-quality educational programs as well as enrichment activities. Many of the programs, events, and activities at Golden Hill Elementary School reflect our focus on the Arts. We engage all learners in an arts-infused education that encompasses both visual and performing arts across all content areas.

Golden Hill students "Dream Big!" More than anything, we want our students to:

D – Delight in learning through expert instruction in Common Core, the consistent utilization of best practices and academic achievement.

R – Respect themselves, each other, staff, and other adults and be held accountable through the consistent implementation of positive behavior strategies.

E – Engage in 21st century learning every day (communicating, collaborating, being creative, and thinking critically) including the use of technology.

A – Applaud artistic accomplishments through the fine arts, including music, theater, visual arts, and dance.

M – Maximize their learning by working together with peers, staff, parents and the community.

At Golden Hill Elementary School, we are continuing to implement the California Common Core State Standards (CCSS) and the Next Generation Science Standards (NGSS). Teachers embed 21st century learning skills into instruction and our school is able to offer an iPad and an art journal for every student. Golden Hill is fortunate to have a very involved and supportive parent

community. Together, we are able to provide the best education possible for our students.

School Description and Mission Statement (School Year 2023–24)

Golden Hill Elementary School is located in the northern section of Fullerton and is one of 20 school sites in the Fullerton School District. The community is built on a hill that was once covered in mustard seed and as the sun rose each morning, the mustard seed glistened gold under the sun's rays. When the school was built, it was named Golden Hill for that very reason.

We serve students in Transitional - kindergarten through 6th grade, and our programs include Gifted and Talented Education and Special Day Classes for students with Autism. Golden Hill utilizes the Positive Behavioral Interventions & Supports program, and our students are responsible, respectful, and safe both on and off campus.

At Golden Hill Elementary School, our mission is to foster independent thinking in both a creative and challenging environment. By providing a diversified curriculum and learning environment for bright and talented

students, we seek to offer preparation for the next levels of education.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Golden Hill School for Creative & Performing Arts has 26 classrooms, a library media center, and a multi-purpose room. The main campus was built in 1951. Additions were constructed in 1952 and 1960. Eight portables were added between 1963 and 1997. Another portable was added in 2000. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2022-23, the District spent \$0 on Deferred Maintenance. For the 2023-24 school year, the District budgeted \$5 for Deferred Maintenance expenditures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	59%	60%	48%	49%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

At Golden Hill Elementary School, our parent community is very supportive and involved in their children's education. We invite all parents to become involved in our school in any way they are able, whether it is assisting in a classroom, serving on a committee, or attending a school event. Team Golden Hill is a joint venture comprising members of the Parent-Teacher-Association and the Golden Hill Education Foundation (GHEF), who help to raise funds to assist the school in providing high quality programs and activities for students. We believe that by working together as a school and community, our students will make great strides in their education and development.

Golden Hill has several active parent groups that meet on a regular basis to discuss school safety, budget, student achievement results, and relevant programs for our students. Parents and stakeholders are invited to volunteer and assist classroom teachers on a regular basis and collaborate to host many school-wide and community events held each year. These include the annual Harvest Festival, Fun Run, Family Movie Night, parent-student dances, parent-night out, and ArtsFest (a school-wide celebration of the arts).

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2022–23)

School Safety Plan (School Year 2023–24)

A comprehensive school safety plan was developed and approved in compliance with Education Code Sections 33126, 35256, and 32286 as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA and School Site Council. Status reports and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council on January 13. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council have brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources and time lines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.

Safety plan was approved on January 17, 2024

Reviewed with staff on January 8, 2024
