Welcome to Pacific Drive Elementary School

Pacific Drive Mission Statement

Pacific Drive fosters collaborative experiences where all students are inspired to reach their full potential as contributing members of a changing society through 21st Century Learning.

Principal's Message

Welcome to the 2024-25 school year!

It is a privilege for me to introduce myself as the new principal of Pacific Drive Elementary School. After 7 years in the Fullerton School District, I'm honored to have found a home here at Pacific Drive and look forward to getting to know students and their families. I'm excited to announce that our Assistant Principal, Mrs. Maria Rojo, will be returning for another year at Pacific Drive. We value her knowledge and expertise and we are both excited to continue to serve the students, families and staff at Pacific Drive.

I have had the opportunity to meet some of our amazing Pacific Drive students and families at the end of last school year and am very eager to continue to meet more of you. I can tell that Pacific Drive has a thriving, vibrant and involved community and am excited to be a part of that. If you are interested in becoming more involved with our Dolphin Community, please don't hesitate to stop by and speak to me or Mrs. Rojo about how to join our PTA.

I'm also excited to announce that Pacific Drive will now be a part of the Community Schools Program. As part of our Community Schools Partnership Program, our goal is to gather the voices of all of our staff, students, and family members to ensure we have your thoughts and ideas in supporting the needs of students, staff, and families within this program. A survey will be forthcoming as we want to hear from you about what you would like to see happening for your students and community.

I want to welcome you all to please stop by and say hello or ask any questions you may have about the upcoming school year. I value your input and communication and look forward to trying to continue to make Pacific Drive a safe and welcoming place for your student/s to learn and grow. If we can work together to give our Pacific Drive students the opportunity to "Explore, Create and Innovate," I know we can see tremendous growth in more ways than one!

A friendly reminder that the first day of school for students is Monday August 12th. Class starts promptly at 8:15 am. You can find the bell schedule for this school year on our website should you have more questions. Thank you!

Sincerely,
John Leonard
Principal

ALL ABOUT PACIFIC DRIVE

Pacific Drive School is a place where students, staff, families and the community work together to maximize the learning potential of all students. The school staff focuses on providing a rigorous and engaging learning environment where every child experiences success.

Parents are encouraged to become an active part of their child's education. This can be done by participating in the Parent Teacher Association (PTA), School Site Council (SSC), English Learner Advisory Committee (ELAC) as well as the classroom and school volunteer program.

We offer support services for students that require additional assistance. Identified students may receive one or several of the services described in this handbook. If your child is experiencing difficulties, please make an appointment with your child's teacher to discuss your child's academic and behavior concerns.

The following pages include policies and procedures for our school. Students are expected to follow these guidelines throughout the school year. We trust that students will complete high quality work, cooperate, and show respect towards all. Parents are an important part of the school community. We invite and encourage families to take an active role in your child's education.

GENERAL INFORMATION

Arrival/Departure

Students may not arrive at school before 7:30 a.m. as there is no adult supervision. They must go directly home when dismissed unless otherwise directed to do so by the school staff or unless they are a part of an after school program. Children should not wait at the playground equipment area as there is no adult supervision available after school. Gates will re-open at 2:35 p.m. (**12:05 p.m. (K) Wednesdays. Please refer to the schedule for additional grade-level dismissal times**) following the dismissal bell. On days when students are picked up from school (especially on rainy days), parents should not park cars in the parking lot, honk the horn or motion children to the car. Please drive through the curved loading zone to pick up your child. Please make pick up arrangements with your child(ren) before school since our office phone is used for emergencies only.

Please DO NOT use the staff parking lot to drop off children. Use the loading zone provided for you. DO NOT PARK OR LEAVE YOUR VEHICLE UNATTENDED IN LOADING ZONE as this is illegal and citations will be issued on a random basis by law enforcement officials. Also, do not double park in the loading zone and motion your child to come to you as this is extremely dangerous to have your child walk or run in between the cars.

Absences

At Pacific Drive, it is our goal to have all students at school, on time and ready to learn each day. Fullerton School District Board Policy states that parents/guardians should contact the school to verify a student's absence during the first day of the absence from school or class. Absences that are not verified within 5 school days of the absence should be classified as unexcused absences and reported as such to the Superintendent or designee and if appropriate to the School Attendance Review Board. There are several ways to report a student's absence:

1. Have your child bring a note to the office upon return to school stating the reason for the absence.
2. Email our office at office_pacific@myfsd.org
3. Call our office at (714) 447-7735. If you leave a message, be sure to state the reason for the absence.

Attendance Policy

Students receive the best education possible when they are on time and in attendance every day. We ask for your cooperation in seeing that your child attends school each day he/she is physically able. Each absence means an important lesson missed. Attendance Recovery Credit can be earned by attending Saturday School (SSOAR) and counts towards perfect attendance awards. Please try to schedule family trips during school holidays and appointments as late in the day as possible to ensure student attendance

Absences

- All Absences, including absences due to illnesses, injury or quarantine, are recorded and must be verified by the student's guardian, or doctor.
- An explanation from the guardian is requested via telephone call, in person, or written note in **ALL** cases of absences.
- We would appreciate a phone call to school no later than the morning of the absence.
- If your child has a morning appointment, please check in through the front office. This will count as the student being present for the day.
- If you have an emergency that must take you and your family out of town please notify the school office to sign an Independent Study Contract.
 - ❖ SARB notices will be sent to parents or guardians when excessive absences and tardies are recorded.

Tardiness

One of our goals at Pacific Drive is to begin instruction promptly each day. It is absolutely necessary to have all students seated in class by 8:15 A.M. in order to instill responsibility for promptness in each student, the following guidelines are in place:

1. Students who are not seated when the bell rings must check in tardy at the office before attending class.
2. A note must be sent with the student explaining any reason for a tardy. Only illness, doctor/dental appointment, or family emergency will be excused.
3. Any student tardy three times or more than 30 minutes will be considered truant.

Truancies

Unexcused absences or excessive absences affect the student's education and increase the chances for failure. If attendance does not improve immediately after verbal and written communication a formal petition with the Fullerton School Attendance Review Board (SARB) will be filed.

Saturday School (SSOAR)

In the event your child misses school, Saturday School dates will be announced as they become available.

Academic Honesty

Dishonesty, cheating, or plagiarism involves an attempt by a student to show a level of knowledge or skill that does not reflect his/her own learning. Consequences for breach of academic honesty will include: no credit on assignment or test, notification of parents, lowered citizenship grade, and progressive discipline as necessary.

Bikes and Wheeled Transportation

Please be reminded that children under 18 are required to wear bicycle helmets while riding. Students in grades 4, 5, and 6 may ride a bicycle to school. Bikes are to be locked in the bicycle racks located in front of Room 34 west of the school office. Everyone must WALK their bicycles while on school grounds and avoid going through the parking lot area. The school is not responsible for damaged or stolen bicycles.

Please be reminded that skateboards, roller skates, roller blades, and scooters or motor scooters are not permitted at school at any time. Shoes with “wheels” may only be worn without the wheels during school hours.

Birthdays

We realize that birthdays are exciting times for children. However, it is the school policy that you do NOT bring sweets such as cookies or cupcakes to share when he/she has a birthday due to other students having allergies, etc. In order to develop good nutritional habits, we would prefer that you help us celebrate your child's birthday in another way. If you so choose, we would like to suggest that you instead bring a colorful pencil for each classmate or donate a book in your child's name to his/her classroom library or to our school library. If you do choose to provide an item for each classmate, we ask that you contact the teacher at least one week prior to make arrangements.

Campus Hours

Supervision is available 30 minutes before the students' start time. Students should arrive no earlier than 7:45 A.M for breakfast and no later than 8:00 A.M. Our goal is for students to be in their seats ready to learn at 8:15 A.M. bell. For the students' safety, please do not drop off or send your child to school any earlier than the designated times. *We ask that students not arrive before 7:45 am since there is no supervision available.* After school, the playground is closed and students should proceed directly home or to a supervised program.

Closed Campus

In order to ensure the safety of our students and to maximize morning instructional time, Pacific Drive School will continue its closed campus policy. Any parents, volunteers and other school visitors having business must enter through the office and sign-in before going onto the school

campus. Students are expected to go home following dismissal unless directed to stay by school personnel.

Secure Campus Policy:

The safety of our students is our highest priority, and our Secure Campus Policy provides a consistent way to aid in keeping away people who may present a danger to our students. Therefore, all visitors to the school must electronically sign in at the office using the Raptor system. See below for more information. In addition, **all students will enter onto campus using the breezeway entrance. The breezeway gate will close at 8:15 A.M. Students entering campus after 8:15 A.M.** will check in at the office and receive a late pass. Parents will need to say goodbye at the welcome gates and will not be allowed to wait in line with their student without a pass.

During the first **day** of school, parents will be able to escort students on campus. Beginning August 13th, parent goodbyes will take place at the front gate, and all parent visitors will need to sign in at the office.

Volunteers/Visitors:

We appreciate parents and relatives who are able to donate their time and energy to volunteer at Pacific Drive. Volunteers include those who help in the classroom, supervise before and after school, assist with the loading zone area and with our lunch time exercise program. Please contact the school office, or your child's teacher if you are able to volunteer. All visitors must enter through the office and be cleared through the RAPTOR system.

RAPTOR

Safety of our students is our highest priority. Therefore, we will be utilizing the Raptor visitor registration system to track visitors and volunteers while keeping away people who present a danger to students and staff members. When you arrive at the office to check-in, you will be asked to present a valid state issued ID for entering into the RAPTOR system. The system has the ability to provide alerts on people who may jeopardize the safety of those on campus. Once the ID has been scanned, the system will quickly print a visitor badge that includes a photo, the name of the visitor, time and date. We feel certain this will help us keep our campus a little safer, and ask for your cooperation in presenting your valid state issued ID when checking in at the school.

Cell Phones

[Fullerton Digital Policy](#)

If necessary, students may carry a cell phone in their backpack for use outside of school hours. Cell phones must be turned off, powered down, and put away at all times while on campus. The school is not responsible for lost or damaged cell phones. Phones within eyesight of a school official will be confiscated, and parents/guardians will be required to pick up the phone from the office. Phones left on will result in an infraction. If a student needs to use a phone during school hours, they must report to the office and use the office phone.

- *First offense:* Phone will be confiscated and given back to the student at the end of the day
- *Second offense:* Phone will be confiscated and given back only when a parent comes to pick it up from the front office.
- *Third offense:* Phone will be confiscated and a parent meeting will be held with the principal or assistant principal.

Clothing and Grooming

Clothing and grooming should reflect the combined attitudes and high expectations of Pacific Drive students, parents, and faculty for an academic learning environment. Appropriate dress and grooming in preparation for the school day has a positive effect on each student's attitude toward school. Clothing and/or fake long nails that is distracting or inappropriate for a learning environment will not be allowed. Please review your child's clothing throughout the year to account for growth and body changes.

Repeated dress code violations will result in progressive discipline as necessary. Students are encouraged to wear Spirit Wear on Wednesdays.

Early Release from School

In the event that a child must be picked up during school hours, an authorized adult listed on the child's emergency card must first come to the office to sign the student out. Please note that the school office staff will only release students to their parents or adults listed on the emergency card. Adults picking up students will be asked to show current California Identification in order to ensure the student is being released to the appropriate adult.

Please note that school is dismissed early on Wednesday: **12:05 (TK & K); 12:10 (1st-3rd); and 12:25 (4th-6th)**. Therefore, we ask you to do your best to make doctor, dentist and other needed appointments on Wednesday afternoons.

Emergency Card Information

It is imperative that in case of an emergency, the parents of the student or an authorized adult be reached. For this reason, every effort should be made to keep the office informed of any changes in address or telephone numbers. The names and telephone numbers of friends, relatives, and babysitters provided through AIR Registration also need to be kept current.

Health

A school district nurse is on call for emergencies.

If a student is to (1) take any medication at school, or (2) have restricted activity, a doctor's note is required. Forms for dispensing medication are available in the office. **At NO time are students allowed to carry medication.** This includes over the counter remedies such as cough

drops, pain relievers, etc. **Any changes in a student's medication must be submitted on a new form for dispensing medication and must be signed by the student's doctor and submitted to the office.**

Growth and development films are presented to fifth grade girls and sixth grade boys in the Spring with written parent consent.

Homework Policy

Homework shall be a regular school activity. Homework will:

- encourage students to practice needed skills
- develop independent study habits and responsible attitudes
- enrich, extend, and enhance school experiences

Students are responsible for completing the assignments and turning them in to their teachers. They should listen carefully to instructions, get needed materials, and schedule needed time. Students are responsible for the proper care of books and materials that are taken home.

Parents are responsible for providing an environment in which work can be completed. They are encouraged to help with scheduling time, finding a quiet workspace, and reinforcing good work habits. Parents should contact the teacher whenever there are questions about homework. They should check the work to see it is completed neatly and ready to turn in.

HOME/SCHOOL COMMUNICATION

Pacific Drive teachers and staff are deeply committed to parent involvement as an essential part of schooling. We take every effort to provide timely and accurate information in regards to both academic progress and information on school events.

Teacher Communication

Every teacher has an online communication tool such as SeeSaw, Remind, Class Dojo, Google Classroom, etc. By signing up with your child's teacher, you can receive updates on your child's progress, behavior, and class activities in a timely manner.

Report Cards and Conferences

Report cards are issued three times during the school year. Parent conferences will be scheduled twice during the year. You will receive notification prior to conference times. Feel free to contact your child's teacher at any time throughout the year if you have a question or concern regarding his/her progress.

School Events

School events and important dates are communicated with parents using various channels. We use social media as well as school dashboards, including Facebook, Instagram, Seesaw,

Peach Jar, Blackboard, and our website (pacific.fullertonsd.org). Please follow us on all social media platforms to ensure that updates and flyers can be received.

FOOD SERVICES

- Students are encouraged to eat a nutritional lunch. School breakfast and lunch is served daily in the cafeteria and includes a balanced meal of an entrée, fruit and/or vegetable, and choice of 1% white milk or fat-free chocolate milk.
- A lunch menu is available on the district website.

Breakfast and Lunch

Breakfast hours are from 7:45 A.M. to 8:00 A.M. Your child is welcome to bring lunch.

Lunch/Snacks

Pacific Drive Elementary School encourages a healthy lifestyle. We hope to inspire this lifestyle by encouraging healthy snacks, breakfast and lunch.

We support the following:

- Encouraging students to bring healthy snacks
- No soda or carbonated drinks (as required by the State of California)
- No candy, gum, or hot seasoning.

Lunch Rules

- Walk into the eating area quietly
- Each student should memorize his or her personal lunch number
- Listen to lunch supervisors
- Use appropriate table manners
- Lunch and snacks (K-6) must be eaten at the lunch tables
- No sharing food
- If a student has no lunch, the cafeteria staff will provide an emergency lunch.
- Classes will not be interrupted for lunch deliveries; parents can drop off lunches at the table in front of the office
- Students sit at assigned tables, raise hands, throw away all trash in the area, wait to be dismissed, and WALK to the playground.

Lunch Drop-off

Student lunches dropped off in the school office will remain in the office until the student picks it up during their lunch time. Please make sure the lunch has the name of the student and teacher. Please help us with lunch deliveries by making prior arrangements with your child.

POSITIVE BEHAVIOR AND INTERVENTION SUPPORTS (P.B.I.S.)

At Pacific Drive Elementary School we have high expectations for student conduct. We are a P.B.I.S. school. P.B.I.S. is a program that helps promote a positive school culture by having clear expectations for student behavior to enhance their learning experience. Our expectation is that students are safe, responsible, respectful and ready to learn. In addition to clear expectations, we provide interventions to guide students to make positive choices. Students also have the opportunity to earn P.B.I.S. rewards and recognition when they make good choices.

Personal Property
