

Transitional Kindergarten Homework

- Please read to your child nightly.
- Optional monthly choice boards will be given to students beginning in October. (See sample below)

OCTOBER 			
Below are 16 fun ideas for an after-school adventure. See how many you can complete in a month with your family! Whatever you complete can be turned in on the last Wednesday of the month in your Sunset Lane Folder.			
Retell the story of the Three Bears	Make 3 circular pumpkins	Practice counting 1-10	Draw your family
Think creatively, draw a square and turn it into something.	Practice taking turns playing a game with your family.	Count the number of rectangular doors in your house.	Read a story and point to the front and back covers of the book.
Write your name with proper capitalization.	Count the letters in your name.	Draw 3 black spiders.	Sing the ABC song.
Draw a triangular piece of pizza with 3 toppings.	Say the letters in your name 3 times.	Draw a picture of the rainbow with the correct colors.	Point to and count 10 items in your house.

- YouTube Channels which are fun for TK kids.
 - Super Simple Songs
 - AlphaFriends
