

Spelling Homework

Dear students,

It is your responsibility to learn your weekly spelling words. I will no longer require you to turn in written spelling homework (you may if you want to), as long as you are getting good grades on your spelling tests. Below are some suggestions of ways you can practice your words:

- Write your words 3 times each in printing or cursive
- ABC order
- Spelling Stairs
- Write stories or poems using your words
- Take a practice test with a parent or other adult
- Study with a friend or parent
- Spelling City- You may now find your weekly spelling list on spellingcity.com. Make sure you look at the "3rd Grade GATE" list. You can access Spelling City from your iPad or from your home computer. A link is available through our classroom website.
- Bodily-kinesthetic
- Your choice

**Boys and girls, please know that if your spelling test grades drop, I will require you to turn in daily spelling practice homework.
