

Homework

tips for Scholars

1. Finish your homework completely, neatly, and on time.
2. Put forth 110% effort into doing your homework.
3. Turn in your all homework on (or before) the due date.
4. Review your homework. Double check your work.
5. Work on your homework before being asked. Take initiative!
6. Take your time on your homework, but manage your time wisely and prioritize assignments (DO first what's DUE first.)
7. Begin your assignments the day you receive them.
8. Read and follow the directions on your homework carefully.
9. Do your homework with your own mind.
10. Spend your homework time wisely and stay focused and on task.
11. Ask questions about your homework if you do not understand something.
12. Keep your homework in a safe place.
13. Persevere if a question is hard.
14. Learn from your homework.
15. Part of doing homework is **STUDYING** for tests and quizzes.
