

**Fullerton School District
Parks Junior High School
Math 7 Honors Contract
2022 - 2023**

Students in Math 7 Honors will demonstrate:

1. Personal standards of academic excellence
2. Organization and timely completion of quality work
3. Active and productive involvement in class
4. Ability to work independently and in groups
5. Use of higher order thinking skills – analysis, syntheses and evaluation
6. Creative and original problem-solving skills
7. Commitment to learning
8. Regular attendance

Homework Standards:

Students will be assigned homework on a regular basis. It is expected that students in Math 7 Honors will complete all homework assignments and turn them in when they are due. Assignments are to be completed with the highest degree of quality.

Grades:

Grades are weighted: 80% Assessments Category
 20% Homework/Classwork/Participation Category

Students in Math 7 Honors are required to maintain a minimum of a “C-” grade in their final quarter grade and in each of the categories listed above. If their final quarter or any category grade falls below 70%, the parent(s) and student will be required to meet with the teacher to discuss the student’s Math 7 Honors placement. Students earning a “D” or an “F” in their final quarter grade could be moved to Math 7.

It is important that each student does his/her best since the final quarter grades are used for placement into Algebra 1 for eighth grade. Students must maintain a cumulative letter grade average of B (80%) or higher for the year, based on final quarter grades for each of the four quarters, for placement in Algebra 1. Students with a cumulative letter grade below 80% will be placed into Math 8 in eighth grade.

Student Contract

Student Name _____ Grade Level _____

The student agrees to:

1. Spend the necessary amount of time to meet the criterion listed above.
2. Have a personal commitment to high quality work.
3. Meet the specific course expectations of the teacher.

Student Signature

Date

The parent/guardian agrees to support the student so he/she will be successful in Math 7 Honors.
