English Learner Roadmap

This policy is intended to provide guidance to districts on welcoming, understanding, and educating the diverse population of students who are English learners attending California public schools.

Our Progress

So far, this is what we have done:

- Worked with a consultant.
- Compared other EL Master Plans that are considered exemplary examples.
- Added more information to certain sections our our current draft.
- The ELD Committee will continue to update all sections by dividing the work.
- The committee will make recommendations.
- We will meet on February 29 and April 25.
