

Name: _____

Homeroom: _____

This year, NJHS members are required to earn 15 hours of volunteer service. You can refer to the PowerSchool Learning - Middle School Activities for up to date information about volunteer opportunities. You will also be expected to find opportunities on your own as you work to earn service hours. At each meeting, we will share information about opportunities that come up.

Prior to each meeting, please list the total number of hours you have earned so far each month.
