School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Principal, Maple Elementary

About Our School

Having rich traditions dating back to 1924, Maple School is the oldest school in the Fullerton School District, located in the southeast corner of the city of Fullerton in the County of Orange. The enrollment for the 2019-2020 school year is 446. Maple School serves students in Grades PK-6, and is one of 20 schools in the Fullerton School District. Ninety-two percent (92%) of our students are Hispanic/Latino, 4% are White, 1.5% are Black/African-American, and 1.5% are Asian. Eighty-nine percent (89%) of Maple students qualify for Free-or-Reduced Lunch. The education program at Maple includes 12 regular classroom teachers, a Music Teacher, a Resource Specialist, a Speech and Language teacher, an RTI Intervention Teacher, and a Physical Education Teacher. We also staff a part-time School Psychologist and Mental Health Therapist Intern. All certificated staff are NCLB qualified, the majority have master's degrees or higher, with supplemental credentials in mathematics, reading, and/or technology. State Preschool, Transitional Kindergarten, and Intensive Language Intervention services are also offered at Maple.

In the 1960's, Maple School closed for more than 2 decades as a result of mandatory integration, and students were bused to neighboring schools away from their neighbors and friends. After long debates and intense community pressure, Maple School was modernized and reopened in stages, beginning in 2000, to once again represent the hardworking and proud community surrounding the school. This very special community, which fosters intergenerational and community partnerships, was named a Title 1 Academic Achieving School in 2011.

Maple Elementary prepares students to meet the rigor of the Common Core and Next Generation Science State Standards (NGSS) by actively engaging our students through project-based learning and 24-hour access to their iPads through our VIP Plus Program. Currently, all students at Maple have their own iPad issued to them at the beginning of the school year, and all students Grades TK-6 take them home each night. Students at Maple receive personalized instruction, designed to meet their specific needs, in all areas through our Balanced Literacy Program (Reading and Writing Workshop), Cognitively Guided Instruction (CGI), and our implementation of the Next Generation Science Standards.

In addition to the complex intervention scaffolds we personalize for student success, Maple School hosts the only chapter of the National Elementary Honor Society in the Fullerton School District.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017—18	School 2018—19	School 2019—20	District 2019—20
With Full Credential	15	15	15	522
Without Full Credential	0	0	0	1
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Acacia Elementary School has 21 classrooms, a library media center, a computer lab and a multi-purpose room. The main campus was built in 1957. Additions were constructed in 1960 and 1965. Two portable classrooms were added in 1988 and two more were added in 1997 and another in 2013. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2018-19 the District spent \$30 on Deferred Maintenance. For the 2019-20 school year the District budgeted \$36,145 for Deferred Maintenance expenditures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	43.0%	42.0%	59.0%	58.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	38.0%	36.0%	51.0%	51.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/23/2020

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2018—19)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	205	199	97.07%	2.93%	42.21%
Male	109	107	98.17%	1.83%	42.06%
Female	96	92	95.83%	4.17%	42.39%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian					
Filipino					
Hispanic or Latino	194	189	97.42%	2.58%	41.80%
Native Hawaiian or Pacific Islander					
White	--	--	--	--	
Two or More Races	--	--	--	--	
Socioeconomically Disadvantaged	192	188	97.92%	2.08%	43.62%
English Learners	113	108	95.58%	4.42%	42.59%
Students with Disabilities	28	26	92.86%	7.14%	19.23%
Students Receiving Migrant Education Services					
Foster Youth	--	--	--	--	
Homeless	11	11	100.00%	0.00%	27.27%

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Maple School engages Title 1 parents in meaningful interactions with the school in order to support a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school does the following:

- Maple communicates with parents and the community through its website, weekly Blackboard Connect messages, and through students' take-home folders. All teachers at Maple communicate openly and often with parents through Class Dojo.
- Quarterly English Language Advisory Committee (ELAC) parent meetings are held to keep parents informed and discuss ways in which parents can help students improve English language development and academic achievement.
- Back to School Night is held annually in August to inform parents about the year's academic program and student expectations.
- Parent Conferences are scheduled two times per school year in the fall and in the spring with every parent of every student.
- Each trimester, Maple recognizes students and parents for academic achievement, outstanding attendance, and character development.
- Service Learning Projects are required for students in National Elementary Honor Society, Mustang Ladies, and Student Council.
- Maple celebrates our community's culture with three schoolwide community events each year: Dia de los Muertos Cultural Celebration on November 1, Lunar New Year in February, and Cinco de Mayo cultural celebration on May 5. Teachers are trained on culturally relevant and responsive education and implement culturally-relevant classroom lessons continually.
- Concerts, musicals, plays, and recitals celebrate our students' accomplishments in the performing arts! Families and community members are always invited to attend these celebrations!
- Intergenerational Community Partnerships flourish at Maple through the Leon Owens Foundation, Maple Alumni Committee, PTA, Maple Church, Soroptimists, Fullerton Rotary, Fullerton Police and Fire Department, Fullerton Parks and Recreation, PROJECT CONNECT, OC GRIP, Orange County District Attorney's Office, Albertsons/Vons/Pavilions, Giving Children Hope, SOLIDARITY, St. Jude Hospital, OC United, Marshall B. Ketchum University/Southern California College of Optometry, LOVE Fullerton, Fullerton College, and Cal State University Fullerton.

State Priority: Pupil Engagement

Last updated: 1/23/2020

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015—16	District 2015—16	State 2015—16
Dropout Rate	--	--	9.70%
Graduation Rate	--	--	83.80%

Indicator	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
Dropout Rate	--	--	--	--	9.10%	9.60%
Graduation Rate	--	--	--	--	82.70%	83.00%

Dropout/Graduation Rate (Four-Year Cohort Rate) Chart

For the formula to calculate the 2016-17 and 2017-18 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

School Safety Plan (School Year 2019—20)

A comprehensive school safety plan was developed and approved prior to March 1, 2000 in compliance with Education Code Sections 33126, 35256, and 32286 as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA and School Site Council. Status reports and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council on March 1. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council has brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources and time lines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.

Approved and Reviewed by staff: January 6, 2020
