- We reviewed the Emergency Organization Chart.
  - Teachers who are not listed on chart are assumed to be with the children during this time.
  - We will be taking time sometime during the spring to run through the procedure and do a full scale drill. Teachers will be more thoroughly trained.
- We reviewed the Safe School Action Plan
  - It covers Bully Prevention, Baseline Data, PBIS, etc.
  - Our school doesn't have many extreme behavior issues (i.e. suspension), but PBIS is still a system we are continuing to get in place for the behavior issues that we do have.
- We did a survey at the beginning of the year asking kids how they felt about their school. We were one of the highest rated schools for student satisfaction and enjoyment of school. We will do another class survey at the beginning of the year.
  - Student concerns with Mrs. Faur are done in writing.
- Positive communication – assemblies, awards, etc.
- We are still looking at ways to improve attendance – we are talking about incentives.
