Dear Parents and Community Members,

The SSC is required to serve as the school community representative body for determining the focus of the school's academic instructional program and its related funds. The purpose of the SSC is to review, revise and approve the Single Plan for Student Achievement, which is a comprehensive plan designed to improve the effectiveness of the school program. SSC meets a minimum of four times per school year. SSC meetings are planned at 3:30 - 4:30pm in the Principal's Office. Our elected members serve for a total of two years.

Thanks to everyone nominated and everyone who voted. These are the members of Golden Hill's School Site Council for the 2018-19 school year:
