Dear Parents and Community Members,

The SSC is required to serve as the school community representative body for determining the focus of the school's academic instructional program and its related funds. The purpose of the SSC is to review, revise and approve the Single Plan for Student Achievement, which is a comprehensive plan designed to improve the effectiveness of the school program. SSC meets a minimum of four times per school year. SSC meetings are planned from 3:30 - 4:30pm by Zoom until further notice. Our elected members serve for a total of two years. The SSC team will meet on the following dates: **October 27th, January 19th, March 16, and May 11th.**

Thanks to everyone nominated and everyone who voted. These are the members of Golden Hill's School Site Council for the 2020-21 school year:
