OPEN SESSION

The Board returned to Open Session at 4:40 p.m. Moved by Ellen Ballard, seconded by Kevin Bass and carried unanimously that the student be expelled from all the schools and programs of the District for the semester in which the act occurred and for the following semester. Due to the nature of the act, the presence of the student causes a continuing danger to the physical safety of the student or others. The student may apply for readmission on or after June 13, 2003. Moved by Ellen Ballard, seconded by Kevin Bass and carried unanimously that pursuant to California Education Code section 48916, a rehabilitation plan be developed by the superintendent or designee and recommended to the student and the student's parents for completion during the period of expulsion. Readmission to the District at the end of the expulsion period will be contingent upon satisfactory completion of the rehabilitation plan. the period of the suspended expulsion as determined by the superintendent or designee. Return to school on probationary status is contingent upon the development of a written contract or agreement that details the required behavior to fulfill the terms of the probation. Violation of school rules as described in the contract will reinstate the expulsion order. The student will not be readmitted until a contract or agreement is written and signed by the student, the parents/guardian, the principal, and the superintendent or designee. The principal of the school the student is assigned to is hereby authorized by the Board to immediately reinstate the expulsion order if the student violates the behavior contract.
