FULLERTON SCHOOL DISTRICT

Seven Schools Named to Educational Results Partnership Honor Roll

(Fullerton, CA) – Fullerton School District today announced that seven of its schools have been named to the 2019-2020 Educational Results Partnership Honor Roll for their high achievement in student success. The program, sponsored by the Campaign for Business and Education Excellence (CBEE), is part of a national effort to identify higher-performing schools and districts that are improving student outcomes. Acacia, Beechwood, Robert C. Fisler, and Laguna Road Schools were recognized at the Scholar Level and D. Russel Parks Junior High, Fern Drive, and Rolling Hills Schools were recognized at the Star level. These seven FSD schools are of the 2,568 public schools in California and 241 schools in Orange County to be recognized.

The Honor Roll is developed by Educational Results Partnership (ERP), a nonprofit organization that applies data science to help improve student outcomes and career readiness. ERP maintains the nation's largest database on student achievement and utilizes this data to identify higher-performing schools and districts. Schools that receive the ERP Honor Roll distinction have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time, and a reduction in achievement gaps among student populations.

“Fullerton School District is honored to have seven schools recognized by educational and business leaders as ERP Honor Roll Schools,” said Dr. Robert Coghlan, Assistant Superintendent of Business Services. “We are continually striving to increase academic achievement and improve educational outcomes for all of our students. Our teachers and administrators are fully committed and we are thrilled to see their hard work and dedication produce such positive results.”

The ERP Honor Roll is the only school recognition program in California based solely on objective achievement data where schools don't know they've earned the honor until they are notified. ERP focuses on improving educational equity and promoting career readiness for all students, regardless of their family income, background or ZIP code. “

Fullerton School District is located in northern Orange County, California and serves over 12,100 students in grades TK – 8th. The Fullerton School District includes 20 schools, 15 elementary schools, two K-8th grade schools, and three middle schools. The mission of the Fullerton School District is to

work collaboratively with the community to provide an innovative, high-quality educational program for all students in a safe learning environment. The District motto, “*Great Schools - Successful Kids*” exemplifies the belief that all students will achieve academic excellence, acquire interpersonal skills, and develop technological expertise to contribute as productive citizens in a democratic society.
