

REVISED BOARD POLICY

FULLERTON SCHOOL DISTRICT

COMMUNITY RELATIONS

Policy No.: 1260

Educational Foundations

Board Adopted: March 24, 1992

Revised: March 9, 1999

Revised: May 12, 2009

The Board of Trustees recognizes the importance of community support of District programs, including voluntary financial contributions, to assist the District in achieving its goals for student learning.

The Board of Trustees desires to work collaboratively with educational foundations in determining the purposes for which funds may be used to meet the changing needs of the District and its students. The Board of Trustees recognizes that educational foundations are separate legal entities, independent of the District. However, foundations are encouraged to provide regular reports to the Board of Trustees on the status of their work and to communicate ways that the District can help support activities of educational foundations.

With the consent of the Superintendent or designee, educational foundations, as appropriate, may use the District's name, a school's name, or any logo attributable to a school or the District.

The Board of Trustees supports any foundation allocations that provide educational opportunities.
