This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH. CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the District may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to the LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents may be submitted electronically if requested by LEA and CONTRACTOR has the systems in place to generate the requested documents. The LEA may designate forms for use by CONTRACTOR when submitting invoices. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the ISA or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and the name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31<sup>st</sup> after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

#### **58. RIGHT TO WITHHOLD PAYMENT**

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is

withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code Section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

## **59. PAYMENT FROM OUTSIDE AGENCIES**

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned class during all instructional time. The LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay

The LEA shall not pay for services provided on days that a student’s attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student’s attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

#### *NONPUBLIC AGENCY STAFF ABSENCE*

When CONTRACTOR is a nonpublic agency and CONTRACTOR’s service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR’s service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not “bank” or “carry over” make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make up.

#### *NONPUBLIC AGENCY STUDENT ABSENCE*

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student’s absence. The LEA shall not be responsible for the payment of services when a student is absent.

All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

## **62. RATE SCHEDULE**

The attached rate schedule (Exhibit A) limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 310-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

**SUBJECT:** **APPROVE LICENSE AND SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ADVANCEMENT VIA INDIVIDUAL DETERMINATION (AVID) TO PROVIDE SUPPORT AND TRAINING FOR THE IMPLEMENTATION AND EVALUATION OF THE AVID PROGRAM AT NICOLAS JUNIOR HIGH SCHOOL FROM JULY 1, 2015 THROUGH JUNE 30, 2016**

Background: Advancement Via Individual Determination (AVID) is a college readiness system for elementary through higher education that is designed to increase schoolwide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change. The AVID Agreement was administered through the Orange County Department of Education and has now shifted to the District. Nicolas Junior High School is the Fullerton School District school that will benefit from these services and has been participating in AVID for the past nine years.

Rationale: Although AVID serves all students, the AVID elective focuses on the least served students in the academic middle. The formula is that if the school raises expectations of students and, with the AVID support system in place, they will rise to the challenge. AVID is partnered with Pathways to Hope International University.

Funding: Cost is not to exceed \$8,288 for participating school site to be paid from the Unrestricted General Fund.

Recommendation: Approve License and Service Agreement between Fullerton School District and Advancement Via Individual Determination (AVID) to provide support and training for the implementation and evaluation of the AVID Program at Nicolas Junior High School from July 1, 2015 through June 30, 2016.

## **Article III. Licenses and Proprietary Rights**

### 3.1 Copyright License:

Subject to Client's performance of all the provisions of this Agreement, AVID Center hereby grants to Client a non-transferable license, without the right to sublicense, to distribute, reproduce, and display the AVID Materials and the AVID Methodologies solely to implement AVID Elementary and/or AVID Secondary, or AVID for Higher Education as ordered on Quote(s), during the period listed in the corresponding Exhibit, and for no other purpose.

(a) Client may distribute, reproduce, and display the AVID Materials only to appropriate staff and students of the AVID Member Sites listed in Quote(s), for the sole purpose of implementing the specified AVID service or product at the AVID Member Sites and for no other purpose. Client will not permit any of the AVID Materials or AVID Methodologies to be used by anyone other than the AVID Member Sites.

(b) Further, Client will only distribute, display, photocopy, reproduce or otherwise duplicate, those AVID Materials and AVID Methodologies corresponding to the specific AVID service or product listed for each AVID Member Site in Quote(s). (For example, if Quote(s) specifies both AVID Elementary and AVID Secondary membership at ABC School Site, but only specifies AVID Elementary membership at XYZ School Site, Client will not distribute, display, photocopy, reproduce, duplicate, or otherwise make available the AVID Secondary Materials and Methodologies to XYZ School Site).

(c) Client and any AVID Member Sites will not distribute, display, photocopy, reproduce or otherwise duplicate, all or any part of the AVID Materials or AVID Methodologies to anyone other than the AVID Member Sites without AVID Center's prior written consent.

(d) Should Client wish to make any of the AVID Materials or AVID Methodologies accessible to its AVID Member Sites through the Internet, it will do so on a password-protected website, and it will ensure that only appropriate staff and students of the AVID Member Sites are allowed access to the website.

(e) Should Client wish to make electronic versions of any of the AVID Materials or AVID Methodologies available for download by its AVID Member Sites, it will ensure that only appropriate staff and students of the AVID Member Sites are allowed access to those materials, and it will require that those staff and students agree not to distribute, reproduce, display, or transfer those materials to anyone other than appropriate staff and students of the AVID Member Sites before downloading those materials.

(f) Client and any AVID Member Sites shall not modify or otherwise alter the AVID Materials or AVID Methodologies in any way, or create or distribute any derivative works of the AVID Methodologies or the AVID Materials in any way. Client also agrees not to use or adopt the AVID Methodologies or AVID Materials with respect to any educational or other program except solely to implement AVID under the provisions of this Agreement.

Client and any AVID Member Sites acknowledge that they do not have the right to sell, sublicense, transfer, or lease any of the AVID Materials or AVID Methodologies to any person or entity.

- 3.2 Trademark License: Subject to Client's performance of all the provisions of this Agreement, AVID Center hereby grants to Client during the Term a non-exclusive, non-transferable, indivisible license, without the right to sublicense, to use the AVID trademarks (collectively "AVID Trademarks"), (a) only as they are incorporated in the AVID Materials, and (b) only on advertising flyers and written promotional materials created by Client or the AVID Member Sites listed in Quote(s) in order to promote and implement AVID at those AVID Member Sites. Client agrees that it will use its best efforts to use the AVID Trademarks in a professional manner in order to preserve and enhance AVID Center's substantial goodwill associated with the AVID Trademarks. Client agrees that it or its AVID Member Sites will not use any of the AVID Trademarks as a corporate or business entity name, as a fictitious business name or as a trade name, and will not use any name in such capacity that is confusingly similar to the AVID Trademarks. Client further acknowledges and agrees that it and its AVID Member Sites cannot modify or otherwise alter any of the AVID Trademarks or use any other designs or logos in conjunction with its use of the AVID Trademarks. Client cannot use the AVID Trademarks for any educational or other program other than to implement AVID at the Member Sites listed in Quote(s) consistent with the above license. Client and its AVID Member Sites will always use the proprietary symbol ® immediately adjacent to the respective AVID Trademarks as noted above with respect to their use of the AVID Trademarks. If Client or its Member Sites desire to use or place the AVID Trademarks on any products, things, or other merchandising items in order to promote AVID, it must first seek and obtain permission from AVID Center by completing AVID Center's Request to Use AVID Center Trademark Form and complying with any of AVID Center's conditions for approval. Any such additional uses of the AVID Trademarks approved by AVID Center shall also be subject to the terms of this license and the other provisions of this Article III.
- 3.3 Rights Reserved: Notwithstanding anything to the contrary in this Agreement, all rights not specifically granted in this Agreement to Client shall be reserved and remain always with AVID Center.
- 3.4 Proprietary Rights: The parties agree that AVID Center shall solely own and have exclusive worldwide right, title and interest in and to the AVID Trademarks, AVID Materials and AVID Methodologies, to all modifications, enhancements and derivative works thereof, and to all United States and worldwide trademarks, service marks, trade names, trade dress, logos, copyrights, rights of authorship, moral rights, patents, know-how, trade secrets and all other intellectual and industrial property rights related thereto ("Intellectual Property Rights"). Client shall not challenge, contest or otherwise impair AVID Center's ownership of the AVID Trademarks, AVID Materials or AVID Methodologies, or any of AVID Center's applications or registrations thereof, or the validity or enforceability of AVID Center's Intellectual Property Rights related thereto. Client also agrees not to submit any applications or otherwise attempt to register for itself or others any of the AVID Trademarks, AVID Materials or AVID Methodologies.
- 3.5 Enforcement: The parties agree that except to the limited extent expressly set forth in Paragraphs 3.1 and 3.2 above, AVID Center will be irreparably harmed and money damages would be inadequate compensation to AVID Center in the event Client breaches any material provision of Article III. Accordingly, all of the provisions of this Agreement shall be specifically enforceable by injunctive and other relief against Client without the requirement to post a bond, in addition to any other remedies available to AVID Center, for Client's breach of any provision of this Agreement.

- 3.6 Proprietary Notices: Client agrees not to remove, alter or otherwise render illegible any trademark, copyright or other proprietary right notices or other identifying marks from the AVID Materials or any permitted copies thereof.
- 3.7 Infringement: Client agrees to notify AVID Center of any conduct or actions on the part of third parties of which it becomes aware that might be deemed an infringement or other violation of AVID Center's rights in the AVID Trademarks, AVID Materials or AVID Methodologies. In such event, AVID Center shall have the sole right to bring an action for infringement or other appropriate action with respect thereto. AVID Center shall exclusively control the prosecution and settlement of any such action. Client agrees to fully cooperate with AVID Center in any such action and provide AVID Center with all information and assistance reasonably requested by AVID Center.
- 3.8 Compliance with Laws: Client agrees that the AVID Trademarks, AVID Materials and AVID Methodologies will be used in accordance with all applicable laws and regulations and in compliance with any regulatory or governmental agency that has jurisdiction over Client and its educational programs.
- 3.9 Sole Source: AVID Center affirms that it is the sole source of the AVID College Readiness System to which competition is precluded due to the existence of a patent, copyright, secret process, or monopoly. AVID Center's sole source development includes intellectual property - copyrights and trademarks - in the AVID Materials, licensing for reproduction of student activity sheets associated with the curriculum, technical assistance, training to teachers and administrators, and coordination of the AVID College Readiness System through consultation, data collection and certification processes.

#### **Article IV. Compensation**

- 4.1 Quotes--Invoicing and Payment: During the Term of this Agreement, Client may request Quote(s) for AVID services and/or products. Client indicates its acceptance of a Quote by signing the respective Quote or issuing a Purchase Order in the amount of the Quote. Should Client issue Purchase Order(s) for such Quote(s), the terms and conditions of this Agreement shall control for all Purchase Orders; no terms and conditions on Purchase Orders will apply to any part of this Agreement. AVID Center will invoice Client according to the terms listed in the accepted Quote(s).

#### **Article V. Status of Parties**

5.1 Independent Contractors:

AVID Center and Client are independent contractors and their relationship is that of a licensor and licensee. This Agreement is not intended to create a relationship of employment, agency, partnership, joint venture, or similar arrangement between the parties. Neither party shall have any power or authority to bind or commit the other party in any respect, contractually or otherwise. In no event shall either party, or any of its respective officers, agents, or employees, be considered the officers, agents, or employees of the other party.

**Article VI. Authority**

6.1 AVID Center Warranty: AVID Center warrants that the person signing this Agreement is authorized to enter into this Agreement on behalf of the non-profit AVID Center and to bind AVID Center to perform all of its obligations under this Agreement.

6.2 Client Warranty: Client warrants that it has obtained all necessary approvals and taken all necessary steps to enter into this Agreement. The person signing on behalf of Client warrants that he or she has the authority to enter into this Agreement on behalf of Client and to bind Client to perform all of its obligations under this Agreement.

**Article VII. Termination**

7.1 Termination for Cause: Subject to the last sentence of this Paragraph 7.1, either party has the right to terminate this Agreement at any time if the other party is in material breach of any warranty, term, condition or covenant of this Agreement and (i) fails to cure that breach within thirty (30) days of receiving notice from the non-breaching party which specifies such material breach and demands cure thereof, or (ii) fails to provide the non-breaching party assurance that the breach will be cured within a longer period of time which is acceptable to the non-breaching party. In the case of a breach by Client that is not cured as described above, AVID Center shall have the right to terminate Client's right to conduct all or part of an AVID product or service at one or more specific AVID Member Sites, by giving written notice to Client of the sites so terminated, without terminating this Agreement with respect to the other products or services at the particular AVID Member Site and/or other AVID Member Site(s) subject to this Agreement. Any termination under this Paragraph 7.1 will become effective automatically upon expiration of the cure period in the absence of a cure or mutually agreed-upon resolution. Notwithstanding the foregoing, any material breach by Client, which is further defined as a breach of any of the provisions of Article III, shall be deemed non-curable and AVID Center shall have the right to immediately terminate this Agreement upon such material breach by Client.

7.2 Termination for Convenience: Notwithstanding Paragraph 7.1 above, either party may terminate this Agreement upon thirty (30) days prior written notice to the other party.

- 7.3 Cessation of Use: Upon termination or expiration of this Agreement: (a) the licenses in Article III shall automatically terminate and revert to AVID Center, (b) Client shall thereafter immediately discontinue AVID in all of its school sites, and cease using the AVID Materials, AVID Methodologies or the AVID Trademarks in any way, and (c) Client shall pay any unpaid balances to AVID Center and remain liable for its obligations or other actions that accrued or occurred prior to the termination date.
- 7.4 Cumulative Remedies: All rights and remedies conferred herein shall be cumulative and in addition to all of the rights and remedies available to each party at law, equity or otherwise. In addition, Sections 3.3, 3.4, 3.5, 3.6, 4.1, and all of the provisions of Articles VII and VIII shall survive the termination or expiration of this Agreement.

### **Article VIII. General Provisions**

- 8.1 Governing Law and Venue: If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, then (i) if Client is the party initiating that action (e.g., as plaintiff), this Agreement shall be interpreted under California law, the action shall be submitted to the exclusive jurisdiction of the applicable court in San Diego, California, and venue for the action shall be San Diego, California; and (ii) if AVID is the party initiating the action (e.g., as plaintiff), this Agreement shall be interpreted under the law of the State in which Client is located, the action shall be submitted to the exclusive jurisdiction of the applicable court in the city and State where Client is located and venue for the action shall be that city and State.
- 8.2 Entire Agreement: All Quotes, Exhibits, and other addenda to this Agreement are fully incorporated herein. This Agreement, including all addenda, constitutes the entire agreement between the parties regarding this subject matter hereof and supersedes all prior oral or written agreements or understandings regarding this subject matter. This Agreement can only be amended by a written document signed by both parties.
- 8.3 Limitation of Liability: NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, WHETHER FORESEEABLE OR NOT, THAT ARE IN ANY WAY RELATED TO THIS AGREEMENT, THE BREACH THEREOF, THE USE OR THE INABILITY TO USE THE AVID COLLEGE READINESS SYSTEM SERVICES AND PRODUCTS, THE RESULTS GENERATED FROM THE USE OF THE AVID COLLEGE READINESS SYSTEM SERVICES AND PRODUCTS, LOSS OF GOODWILL OR PROFITS AND/OR FROM ANY OTHER CAUSE WHATSOEVER.
- 8.4 Force Majeure: Neither party shall have any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by force majeure, meaning any act of God, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of Government, act of public enemy, or other cause of similar or dissimilar nature beyond its control.
- 8.5 Severability: If any provision of this Agreement is judicially determined to be invalid, void or unenforceable, the remaining provisions shall remain in full force and effect.

- 8.6 Attorney Fees: In the event a dispute arises regarding this Agreement and a legal proceeding is brought by either party, each party shall be responsible for paying their own attorney fees regardless of the outcome or resolution of the dispute.
- 8.7 Assignment: Client acknowledges that the favorable terms of this Agreement were granted solely to Client, and that the substitution of any party by Client would destroy the intent of the parties. Accordingly, Client shall have no right to assign, delegate, transfer or otherwise encumber this Agreement or any portion thereof without AVID Center's prior written consent, which can be withheld in its sole discretion.
- 8.8 Notice: All notices, requests or other communications under this Agreement shall be in writing, and shall be sent to the designated representatives of the parties at the addresses set forth below in Quote(s), and shall be deemed to have been duly given on the date of service if sent by facsimile or electronic mail, or on the day following service if sent by overnight air courier service with next day delivery and with written confirmation of delivery, or five (5) days after mailing if sent by first class, registered or certified mail, return receipt requested. - 8.11 Facsimile and Electronic Signatures: The parties hereto (i) each agree to permit the use, from time to time and where appropriate under the circumstances, of signatures sent via facsimile or electronically in a .pdf file or other digital format in order to expedite the transaction(s) contemplated by this Agreement; (ii) each intend to be bound by its respective signature sent by that party via facsimile or electronically in a .pdf file or other digital format; (iii) are each aware that the other, and the other's agents and employees, will rely on signature pages sent via facsimile or electronically in a .pdf file or other digital format; and (iv) each acknowledge such reliance and waive any defenses to the enforcement of this Agreement or of other documents effecting the transactions contemplated by this Agreement based on the signature page being a facsimile, .pdf copy or other digital format. The parties covenant to each other that each time they send a signature page via facsimile or electronically in a .pdf file or other digital format; they will in a timely manner send the other party the countersigned signature page(s).

## Article II. Term of Exhibit

2.1 Term: The parties agree that this Exhibit shall be in effect from July 1, 2015 to June 30, 2016 unless earlier terminated as provided for in the Standard Terms and Conditions ("Term").

## Article III. Client Responsibilities

3.1 AVID Secondary Methodology: Client agrees to implement AVID according to AVID guidelines and teaching methodologies (collectively "AVID Methodologies") set forth in the AVID publications, guidebooks, and materials (collectively "AVID Materials") or otherwise established by AVID Center, as the same may be modified and/or updated by AVID from time to time at AVID's discretion. Client will implement the AVID Methodologies in the AVID elective class and in academic subject area classes. Client is responsible for each of its AVID Member Sites' compliance with this Exhibit.

3.2 AVID Secondary Student Selection: Client agrees to select students for AVID in accordance with the selection criteria established in the AVID Eleven Essentials. 3.3 AVID Secondary Staff Training: Client agrees to provide, at its expense, ongoing training for site coordinators and AVID site teams at AVID Member Sites.

3.4 AVID Summer Institute: Client agrees to ensure that each secondary site in their initial year of implementing AVID Secondary will send a minimum of eight (8) participants (unless AVID agrees to a lesser number on the Quote) to an AVID Summer Institute. The AVID District Director Secondary attends at no additional cost and shall not be included in the minimum number of participants required per site team. AVID Center recommends sending a site team that includes the principal, counselor, AVID coordinator, and core subject area teachers. AVID Center recommends AVID Member Sites implementing the second year of the Secondary program send teams of at least five (5) members and encourages AVID Member Sites to continue to send teams to its Summer Institute in subsequent years to maintain and enhance the quality of AVID at their sites. The AVID Summer Institute registration pricing is listed on the Quote. Client understands that travel, lodging, per diem costs and any other costs are not included in the price of the registration.

**SUBJECT:** **APPROVE AMENDMENT #1 OF THE INTERNET NETWORK SUPPORT SERVICES AGREEMENT WITH ORANGE COUNTY SUPERINTENDENT OF SCHOOLS/ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) EXTENDING THE CURRENT AGREEMENT BY ONE YEAR (AGREEMENT NUMBER 40344) BEGINNING JULY 1, 2015 THROUGH JUNE 30, 2016**

Background: Fullerton School District (FSD) contracts with Orange County Department of Education (OCDE) to provide Internet service. This Agreement addresses access to the Internet through OCDE to the K-12 High Speed Network. The Fullerton School District signed an annual agreement for this service.

Rationale: This Amendment extends the current contract by one year that terminates the end of the fiscal year ending June 30, 2016.

Funding: The annual cost of this service is covered in the State budget so there is no charge to FSD. To date the District has never been charged for this service. If this item is removed from the State budget, the Fullerton School District could eventually be charged for Internet access. This amount would be a metered rate and would be paid from the Unrestricted General Fund.

Recommendation: Approve Amendment #1 of the Internet Network Support Services Agreement with the Orange County Superintendent of Schools/Orange County Department of Education (OCDE) extending the current Agreement by one year (Agreement Number 40344) beginning July 1, 2015 through June 30 2016.

DISCUSSION/ACTION ITEM

**DATE:** March 10, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **APPROVE THE DISTRICT'S SECOND INTERIM FINANCIAL REPORT WITH A POSITIVE CERTIFICATION. PER STATE GUIDELINES, A POSITIVE CERTIFICATION INDICATES THAT, BASED UPON CURRENT PROJECTIONS, THE DISTRICT WILL MEET ITS FINANCIAL OBLIGATIONS IN THE CURRENT AND SUBSEQUENT TWO FISCAL YEARS**

Background: The Second Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through January 31 and the projected budget for the fiscal year for all District funds. A three-year projection for the General Fund is also included. The complete Second Interim Report in the required State format, along with a descriptive narrative and comparative financial projections, is included for the Board's review.

Rationale: The District is required by Education Code to submit periodic financial reports to its oversight bodies. In order to judge a district's financial stability, these reports also include a three-year projection for the General Fund. The District is required to certify its financial outlook as Positive, Qualified, or Negative.

Funding: The District is projecting a 20.51% General Fund Unrestricted Reserve as of June 30, 2017, which is in excess of the State-required 3%.

Recommendation: Approve the District's Second Interim Financial Report with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District will meet its financial obligations in the current and subsequent two fiscal years.

**Subject:** Second Interim Report

The District's Second Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

### **Background**

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

### **Financial Reports Included—Second Interim Report to Board**

The following reports are provided in this document:

- Second Interim Budget Projections (showing the First Interim Budget and the revised Second Interim Budget)
- Second Interim State Report (SACS format)
- Multi-year Projections
- Cash Flow Projections
- State Criteria and Standards

Year-to-date financial statements reflect actual financial results from the District's accounting system which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

### **Current Year Budget**

At Second Interim, the District updates its First Interim Budget (approved by the Board of Trustees on December 9, 2014) to reflect current financial projections.

There were no major changes made to the 2014-15 budget from First to Second Interim. All adjustments were routine in nature.

**Routine Second Interim Budget Adjustments:** The District has reviewed all of its programs, cost centers, and accounts, and has adjusted its Second Interim budget projection to reflect the following:

- At Second Interim, the District reviews all revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially different from budget projections, revenues will be recalculated based upon updated ADA projections. Second-month enrollment totaled 13,686, 147 less than second-month enrollment for the 2013-14 school year. In the case of declining enrollment, the State “holds harmless” a District for the first year, allowing the District to claim the (higher) prior year ADA for apportionment funding. Therefore, the District is still using a flat (no change in ADA) enrollment projection in the Second Interim budget. The effect of the declining enrollment is reflected in the 2015-16 projection (discussed further below).
- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that encroach on the General Fund updated to current projections and encroachment accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

At the First Interim Budget, the District projected an Unrestricted General Fund net decrease for the 2014-15 fiscal year of \$1,201,708. After all of the above adjustments, the 2014-15 updated Second Interim Budget reflects a net decrease of \$950,729. This is a favorable variance amounting to \$250,979.

The revised ending unrestricted fund balance is projected at \$24,259,802, or 19.98% of the General Fund expenditures. This amount is \$20,617,249 above the State-required 3% reserve.

### **Multi-Year Projections**

The most important element of the Second Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District’s choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District’s three-year projection.

The following discusses the most significant items in the three-year projection:

**LCFF:** The District is utilizing the Department of Finance’s estimated COLAs and LCFF Funding Rate percentages.

FSD is currently reporting a 52.42% Unduplicated Percentage of enrollment. The percentage not projected to be materially different in the subsequent two years.

**ADA:** Based upon the 2014-15 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 150 in 2015-16. There is currently no change projected for 2016-17.

**Mandated Cost Revenues:** The Governor has proposed a second payment to be made to all districts meant to buy down prior year mandated cost claims owed to the districts. This results in a one-time increase to unrestricted State revenues of \$2,405,000 to be added to the District's 2015-16 budget. The District has set aside \$1,510,980 for Common Core instructional materials.

**Employee Compensation:** The 2015-16 projection is adjusted for the elimination of the 2% one-time, off-salary bonus granted and paid in 2014-15. Additionally, the 2015-16 budget includes a 1% compensation increase for all employees. This increase is contingent upon the State budget for 2015-16 (anticipated to be passed before June 30, 2015) including an increase to the Local Control Funding Formula which utilizes an implementation gap funding rate of at least 15%. If this gap funding rate is not achieved, the increase to salaries will not be granted. However, bargaining is not closed for the 2015-16 school year, so further adjustments to employee compensation may occur.

Also in 2015-16, the budget projection includes \$915,000 for projected increases in STRS and PERS rates to be paid by the District. An additional \$1,060,000 is added in 2016-17.

**Increase in Routine Repair and Maintenance (RRM) Encroachment:** In 2015-16, the District will be required to return to the pre-flexibility standard of spending at least 3% of General Fund expenses on RRM. This will result in the District increasing encroachment to and expenditures from this resource by approximately \$1.2 million. This has been added to the 2015-16 projection.

## Ending Fund Balances

Taking into account all of these changes to the three-year projection, the District projects a net decrease in the current year and an increase in the two subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending fund balance percents are as follows:

June 30, 2015	19.98%
June 30, 2016	20.62%
June 30, 2017	20.51%

## Certification

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the school district **will** meet its financial obligations for the current fiscal year and subsequent two fiscal years.

## Conclusion

The Second Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.

**5. CRITERION: Salaries and Benefits**

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the current fiscal year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

**S8. Status of Labor Agreements**

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

CONSENT ITEM

**DATE:** April 14, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

Clinic Attendance	\$ 56.50/per hour

Rationale: Nonpublic Agency services are utilized when the District does not have the ability to have staff in the area of service. While we are able to provide most services within, it is sometimes necessary to contract outside for certain specialized services.

Funding: Total cost of contract is not to exceed \$5,000 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve/Ratify Nonpublic Agency (NPA) master contract between Fullerton School District and Autism Spectrum Consultants for contracted services effective March 12, 2015 through June 30, 2015.

**CONTRACT NUMBER:**

**LEA: FULLERTON SCHOOL DISTRICT**

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:  
AUTISM SPECTRUM CONSULTANTS**

**NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT**

**AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS**

**1. MASTER CONTRACT**

This Master Contract is entered into this 12<sup>th</sup> day of Marth, 2015, between the FULLERTON SCHOOL DISTRICT (hereinafter referred to as "District" or local educational agency "LEA") and AUTISM SPECTRUM CONSULTANTS (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent.

**2. CERTIFICATIONS AND LICENSES**

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

### **3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS**

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

### **4. TERM OF MASTER CONTRACT**

The term of this Master Contract shall be from March 12, 2015 to June 30, 2015 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2015. In the event a Master Contract is not renegotiated by June 30<sup>th</sup>, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2015.

## **5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION**

This Master Contract includes each Individual Services Agreement, which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

## **6. INDIVIDUAL SERVICES AGREEMENT**

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH. CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the

CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the District may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When the CONTRACTOR is a nonpublic agency, the CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by the LEA if provided by an individual who was an employee of the LEA within the three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by the LEA.

## **20. NON-DISCRIMINATION**

CONTRACTOR shall not unlawfully discriminate on the basis of race, religion, sex, national origin, age, sexual orientation, disability or any other classification protected by federal or state law, in employment or operation of its programs.

LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA

student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA and CONTRACTOR agree otherwise in writing.

THIS IS FURTHER SUPPORTED BY SECTION 30 OF THE MASTER CONTRACT. IF THE PREFERENCE IS TO REQUIRE A BCBA, THE REDLINE LANGUAGE NEEDS TO BE REVISED.]** It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

Such requirements will be provided in writing to CONTRACTOR prior to entering into an ISA for a LEA student. Failure to maintain adherence to staff qualification requirements shall constitute sufficient cause for contract termination. (California Education Code sections 56366(a)(2)(B)(i) and (ii).) If an LEA student is enrolled in the nonpublic school pursuant to a lawfully executed agreement between the LEA and parent, it shall be the responsibility of the LEA to notify CONTRACTOR in writing (1) when or whether an IEP meeting will be held, (2) whether placement in the nonpublic school should be documented as part of an IEP, and (3) the start date and, if known, the end date for services to be provided by CONTRACTOR to LEA student.

The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between the LEA and parent, the LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent or another adult with educational decision-making rights.

#### **43. STATE MEAL MANDATE**

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. this Agreement, the excess cost shall be charged to and collected from the Contractor. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. 14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

**SUBJECT:** **APPROVE/RATIFY AGREEMENT WITH AVCOGAS PROPANE SALES & SERVICES FOR PROPANE SUPPLY AND DISPENSING EQUIPMENT LEASE, EFFECTIVE MAY 12, 2015 THROUGH MAY 12, 2020**

Background: The District recently added 16 propane-fueled buses to its transportation fleet. The District has not utilized propane before; therefore, it needs to provide this fuel efficiently and economically to the fleet.

Rationale: District staff explored various options for fueling the buses, including using existing commercial propane gas stations, and installing our own tanks. AvcoGas covers the cost of the fuel tanks and pumping equipment and charges a minimal rental fee. The District will pay for the installation costs of safety bollards at the rate of \$175 per bollard. The price of the fuel is set at AvcoGas Propane Sales & Services' cost, plus 50 cents per gallon. The per-gallon cost may be increased once a year by the greater of the Consumer Price Index (CPI) or 3%.

Funding: The cost to the District is \$75 per month for the lease. The funding source is the General Fund.

Destruction of Property. Destruction, whole or partial, or damage to the equipment does not relieve you from the duty to pay rent. You shall pay us for any loss or destruction of the equipment.

Ownership/Use. The leased equipment shall at all times remain our property. You will protect and defend, at your own cost and expense, our ownership against all claims, liens and processes. You may not remove them from the premises where they were installed.

Liability & Indemnity. You waive any right to recover from us, our officers, employees, attorneys or agents for any loss or damage (including consequential loss) resulting from your negligent act or omission, except for our gross or willful misconduct. By using the fuel delivery systems you acknowledge you know how to use them and assume the risk of injury or death when doing so. You will indemnify us from all liability not due to our own negligence or gross negligence arising from the actual or alleged use, operation, delivery or transportation of the equipment of LP gas. You shall, at your own expense, reimburse us for all our attorneys fees and costs actually incurred in defending any claims which may be brought against us in the proportion that your fault exceeded ours. For example, if you were found 80% at fault and we were 10%, you would reimburse 89% of our attorneys fees and costs.

Attorneys Fees and Costs-Time. Should any legal proceeding be instituted by us to recover any moneys due or to become due hereunder and/or for possession of any Collateral, or a bankruptcy case be filed, you shall pay all expenses incurred by us in exercising or attempting to exercise our rights, powers and remedies herein conferred or now or hereafter existing at law or in equity or in collecting or attempting to collect money due or to become due or to become due under this agreement, including reasonable attorney's fees and costs. Time is of the essence of this agreement.

Venue-Entire Agreement-Amendment. Any dispute regarding this agreement shall be governed in accordance with California law at Los Angeles, Los Angeles County, California and at no other place. This constitutes the entire agreement of the parties and supersedes all prior discussions, arrangements, negotiations, and other communications. This agreement may be amended only by the express provisions of a writing specifically referring to this Agreement and signed by the parties.

Average Delivered Cost. For purposes of this Agreement, Average Delivered Cost shall be defined as Avcogas' fuel cost plus applicable freight/insurance labor maintenance, delivery expenses, hazardous material license fees and applicable city, state, county, and federal agency permits.

**SUBJECT:** **AWARD A CONTRACT TO KYA SERVICES, LLC, PURSUANT TO THE STATE OF CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) CONTRACT NUMBER 4-14-72-0057A, FOR THE PURCHASE OF FLOORING AND ASSOCIATED SERVICES AS NEEDED THROUGHOUT THE DISTRICT**

Background: Ongoing efforts to maintain existing facilities and protect the health and safety of students, staff, and the public include the need for periodic flooring replacement. High quality flooring and associated services are available through an existing California Multiple Award Schedules (CMAS) contract awarded by the California Department of General Services (DGS) to KYA Services LLC. The pricing represents the very best price available for materials. The contract allows for continuity of service and application. It also provides a variety of materials and integrated matting systems.

The recommended CMAS contract is based on some or all of the products and prices from General Services Administration (GSA) Schedule No. GS-27F-0504H. Public Contract Code Section 10298 specifically authorizes local agencies to contract with suppliers who are awarded CMAS contracts without further competitive bidding. District staff advises that it is in the best interest of the District to award a contract to KYA Services, LLC, based upon staff's determination that the pricing for the flooring and associated services is fair, reasonable, and competitive and meets all the needs of the District.

Rationale: When required by school sites and other departments, flooring and associated services would be purchased under the terms and conditions of CMAS Contract Number 4-14-72-0057A.

Funding: Funding source is Routine Restricted Maintenance.

Recommendation: Award a contract to KYA Services, LLC, pursuant to the State of California Multiple Award Schedules (CMAS) Contract Number 4-14-72-0057A, for the purchase of flooring and associated services as needed throughout the District.

**SUBJECT:** APPROVE/RATIFY THE PURCHASE OF TECHNOLOGY EQUIPMENT AND PERIPHERALS DISTRICTWIDE BY THE FULLERTON SCHOOL DISTRICT FROM MAGNOLIA SCHOOL DISTRICT'S PIGGYBACKABLE BID MSIT3, #I-23-2014/15, AWARDED TO CDW GOVERNMENT, LLC

Background: Throughout the course of a school year it is typical for school sites and various District offices to purchase technology equipment such as LCD projectors, document cameras, and flat screen televisions, to name a few items. Effective January 1, 2015, pursuant to Public Contract Code Section 20111(a), the bid limit for purchases of equipment is \$86,000. In January of 2015, Magnolia School District prepared and awarded a new competitive bid to CDW Government LLC, at their regular Board meeting on February 19, 2015. The initial term of the contract is for one year, renewable for up to five years at the District's discretion. Staff has reviewed the contract and has determined that it is a cost-effective means of purchasing technology equipment and peripherals for the Fullerton School District.

Public Contract Code Section 20118 provides authority for the governing board of a school district to purchase from another public agency without going to bid if the board determines it to be in the best interest of said district to utilize a bid from another public agency.

Rationale: Pursuant to Section 20118 of the Public Contract Code, the Board of Trustees of the Fullerton School District determines it is in the best interest of the District to purchase technology equipment and peripherals from Magnolia Elementary School District's Project No. MSIT3, #I-23-2014/15, awarded to CDW Government LCC.

Funding: Purchases will be funded from various programs and site budgets as appropriate.

Recommendation: Approve/Ratify the purchase of technology equipment and peripherals Districtwide by the Fullerton School District from Magnolia School District's Piggybackable Bid MSIT3, #I-23-2014/15, awarded to CDW Government, LLC.

**SUBJECT:** APPROVE DECLARATION OF NEED FOR FULLY QUALIFIED EDUCATORS FOR THE 2015/2016 SCHOOL YEAR

Background: As of 1996, a “Declaration of Need for Fully Qualified Educators” must be completed and adopted yearly based on the anticipated need for the subsequent school year. This Declaration must be Board adopted and submitted to the Commission on Teacher Credentialing before any alternate credentials may be processed.

The Fullerton School District has the following general needs that may be met through the emergency credential process:

- Classroom teachers to meet authorization for instruction to limited English proficient students per Williams Lawsuit in schools ranked in deciles 1-3.
- All core academic subject teachers to become NCLB compliant.
- Filling preschool, special education positions for which a specialist credential is required.
- Filling special education positions to allow these educators time to meet new requirements for special authorizations.
- Filling junior high positions for which qualified teachers are difficult to find, including but not limited to foreign language, science, math, English language learners.
- Obtaining certification for those teachers, who, because of scheduling needs, teach one or two periods outside their credentialed area, i.e., five periods of language arts and one period of physical education.
- Filling positions with teachers from out of state or private schools to allow these educators additional time to complete California credentialing requirements.

Rationale: The Board of Trustees is required to adopt the “Declaration of Need for Fully Qualified Educators” at a public meeting certifying that there may be an insufficient number of certificated persons who meet the District’s specific employment criteria for identified positions. The completed Declaration is filed with the Commission on Teacher Credentialing and permits the District to obtain short-term certifications as needed during the school year.

Funding: Not applicable.

Recommendation: Approve Declaration of Need for Fully Qualified Educators for the 2015/2016 school year.

**SUBJECT:** APPROVE INCREASE TO HOME TO SCHOOL TRANSPORTATION BUS PASS PRICES BEGINNING WITH THE 2015/2016 SCHOOL YEAR

Background: The District is currently transporting 650 students for home to school transportation. Families pay fees for this service as follows:

- Special Education students (transportation services included in the student's Individual Education Plan [I.E.P.], so no charge to the family): 304 students
- Students qualifying under National Free and Reduced Lunch program (no charge to family): 178 students
- Regular education students paying for bus pass: 168 students
- Rates charged to families who purchase bus passes vary depending on number of children transported, choice of round-trip/one-way trip, and annual or semester pass.

Average total fees collected each year (last three years) is \$36,000.

Rationale: The cost for bus passes has not been increased since the 2007/2008 school year. In order to offset increases in District costs, staff is recommending an increase in prices as detailed on the attached chart. Increases are approximately 5%. Staff has conducted a survey of surrounding school districts, and the proposed prices are comparable with those districts.

Funding: The transportation program is a cost of the General Fund. Fees collected from families offset District expense.

Recommendation: Approve increase to home to school transportation bus pass prices beginning with the 2015/2016 school year.

**SUBJECT:** APPROVE SCHOOL GROUNDS AND PARK FACILITIES JOINT USE AGREEMENT WITH THE CITY OF FULLERTON, EFFECTIVE JUNE 1, 2015 THROUGH JUNE 30, 2016, AUTOMATICALLY RENEWABLE EACH JULY 1

Background: The District has enjoyed a mutually beneficial relationship with the City of Fullerton for many years in the joint use of school grounds and park facilities. The responsibilities of each party are outlined in the attached Joint Use Agreement.

Rationale: The agreement has expired and needs to be renewed. District and City staff have worked together over several months to update the agreement. Major provisions of the agreement remain the same. Minor administrative/procedural updates have been made to the document.

All sites are jointly used by the District and the City. Time available for use is specified in the agreement. The City maintains specified athletic fields at Beechwood, Commonwealth, Fern Dive, Golden Hill, Hermosa, Ladera Vista, Laguna Road, Maple, Nicolas, Pacific Drive, Parks, Richman, and Woodcrest Schools (13 sites).

Cost to the District is calculated based on a formula which incorporates all City costs of maintenance, as well as water costs. The District and City will share in costs of major capital improvements such as fencing.

The length of the agreement is one year. The agreement automatically renews each year, unless either party terminates with 30 days' notice.

Funding: The maximum cost to the District is \$135,000 a year. Costs are paid from the General Fund.

Recommendation: Approve school grounds and park facilities joint use agreement with the City of Fullerton, effective June 1, 2015 through June 30, 2016, automatically renewable each July 1.

Background: The Boys & Girls Clubs of Fullerton has operated an after school program at Commonwealth School since approximately 2002. **DATE:** May 12, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig Choi Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**PREPARED BY:** Kathryn Ikola, Coordinator, Child Welfare and Attendance

**SUBJECT:** **APPROVE SERVICES AGREEMENT AND SUPPLEMENT #1 TO THE SERVICES AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND INFOSNAP FOR ONLINE REGISTRATION EFFECTIVE FOR THE UPCOMING 2015/2016 AND 2016/2017 SCHOOL YEARS**

Background: Fullerton School District has investigated electronic online registration that would streamline the enrollment process and facilitate updating student information. InfoSnap rose to the top as a leading provider of cloud-based registration management solutions, designed specifically for Pre K-12 independent, charter, and public schools. InfoSnap was founded in 2000 and serves a client base of 650+ Pre K-12 clients around the world, including San Marino Unified, Manhattan Beach Unified, San Luis Coastal Unified, Livermore Unified, and Antelope Valley Union High School District.

Parents would be able to electronically enroll new students, as well as annually update student information. Data would be stored in a cloud environment that allows for pre-populated forms to be automatically provided for parents to update or approve. InfoSnap would integrate with the District's PowerSchool Student Information System providing a seamless exchange of information between the two systems.

Rationale: Online access to registering students and updating information makes it more convenient for parents/guardians and is a cost savings for the District with regards to clerical time and photocopying expenses.

Funding: Cost not to exceed \$49,450 for Year 1 (which includes a one-time set-up fee of \$17,200), and \$32,250 for Year 2. General Fund (01).

Recommendation: Approve Services Agreement and Supplement #1 to the Services Agreement between Fullerton School District and InfoSnap for online registration effective for the upcoming 2015/2016 and 2016/2017 school years.

1. **SERVICES.** We will provide you with services identified on one or more Supplements to this Agreement. These are called "Service(s)". Unless otherwise agreed, Services are provided on a subscription basis, commonly known as "software as a service." By utilizing such Services, you acquire no ownership or license rights to the Services; all such rights belong exclusively to us.
2. **ACCEPTING SERVICES.** In order for us to create your Services, you agree to respond promptly to our requests for information. We will notify you when a Service is ready for you to review and test. You will review and test promptly and either accept the Service or notify us of any changes you desire. We will make changes consistent with the Service as described in the Supplement. Once you accept the Service, it will be made available to your constituents and persons they authorize ("End Users") and you ("Live Services"). Once Live Services commence, you are deemed to have accepted the Service. If delivery of a Service is delayed because of your failure to respond, review or test promptly, you agree you will nevertheless make payments when due under this Agreement.
3. **Compliance.** You represent and warrant that your use of our Services and the specifications and instructions for those services that you provide us will comply with all applicable laws and regulations. Minor adjustments/enhancements are anticipated at time of rollover and are built into the price set forth in the Supplement.
  - b. **Payment.** You will pay us when specified in the Supplement(s), or, if no date is specified, within 30 days after we invoice you. Any delay in commencement of Live Services due to your failure to promptly respond, review and test does not relieve you of your payment obligation. Any late payment will bear interest at 1.5% per month, or the highest rate allowed by law, whichever is less, until you pay us. If you don't pay on time, we can stop all Services on 10 days' written notice. You will be responsible for all reasonable collection expenses, including attorney's fees.
5. **PRIVACY AND SECURITY.** In performing the Services, InfoSnap may collect certain personal information on Institution's behalf from End Users ("Personal Information"). 6. **SUPPORT AND TRAINING.** We will give you an online tutorial, online help documentation and provide you and Users reasonable telephone support during our normal business hours. If we provide on-site support or training, you will pay us \$1,500 per day per person and reimburse reasonable travel expenses. We can also identify you as a customer, demonstrate your solution and use your Marks in conjunction therewith. No other rights or interest in the Marks are granted or conveyed.

10. **CONTENT.** You warrant, represent and agree that:
  - a. **Infringement.** No information or forms you give us to use will infringe on any copyright, trademark or other right of anyone else.

This Supplement # 1 is a part of the Services Agreement (“Services Agreement”) between InfoSnap, Inc. (“InfoSnap” or “we”) and Fullerton School District (“District” or “you”).

Date: April 10, 2015

### 1. SERVICES. We will provide you with the following Services:

- a. **Online processes.** We will provide you with and host an online process for registration/enrollment of new students and re-registration/re-enrollment of returning students (“registration”) to be completed for each student once annually.
- b. **Online forms.** We will create online forms (“Submittable forms”) for your registration process. These forms will enable Users to enter and/or edit online, via InfoSnap, relevant information you currently collect on your forms. We may also utilize forms or other documents which can be viewed and printed as part of the online process, and where required, provided to others for manual completion offline, e.g., Medical Forms which need to be signed by a doctor, Handbook which is viewable online by a family, etc. (“Supplemental forms”). You are responsible for providing these documents for inclusion in your solution in all Supported Languages.
- c. **Supported language(s).** We will support an English version of your online form, navigation and on screen instructions, and family communication templates, for viewing by families. We will additionally support Spanish and Korean languages in the Localization model, see Fullerton School District **Exhibit A**.
- d. **Required fields and Read-Only Fields.** Users can be required to complete certain data fields, as specified by you as part of the set-up process. Users can be prevented from changing selected data that you require them to see, but not change (see 3 below).
- e. **Printing and instructions.** Completed Submittable forms can be printed by Users for their records. Forms can contain instructions you provide us as part of the set up process (see 3 below).
- f. **Customer Portal.** Your authorized administrators at individual schools and at the District office will have online access to a Customer Portal, hosted by InfoSnap, that will allow them to:
  - Utilize Roster Management tools (see 2b);
  - Manage online form submissions and run reports of data submitted during the Online Processes;
  - Print information submitted online by Users; and
  - Review, edit and approve submitted data (see 2f).

We can provide an initial group training session for administrators and we will train someone from your District to support administrators using the Customer Portal.

- g. **Payment Management Service.** See **Exhibit B** attached hereto.

### 2. REGISTRATION PROCESS.

- a. **Export.** You will create an export from your Database of student and family biographical information that conforms to a data format we will provide you. This export may occur at multiple times during the registration season. All students will need to be stored in your Database prior to export;
- b. **Roster.** You will use the Roster Management tools provided in the Customer Portal to upload and manage

your student and family biographical information. The Roster information will be used to: (a) pre-populate your online registration solution with the student and family biographical information; and (b) create a registration Invitation to be sent to the student’s family either via email or printed hardcopy, which advises them of the online registration process and their unique access PIN (Snapcode);

- c. **Family process.** Following the instructions contained in the student’s registration Invitation, families will access your online registration process, edit online their current biographical data (as exported from your Database), and then submit the edited data to you;
- d. **Change Report.** We will provide a change report that will include the student’s name, parents’ names, those fields that have been modified, as well as the new values, the old values and the date they were modified;
- e. **Polish.** You will be able to “polish” the information provided online by the Users as follows:
  - Convert names, etc. to proper case;
  - Conform phone numbers to a standard format;
  - Conform email and postal addresses to a standard format; and
  - Make manual changes on the fly.
- f. **Administrative Review.** Using the Customer Portal, authorized administrators at individual schools in your District will be able to review, edit and approve data that has been submitted online by families.

### 3. DATA MANAGEMENT – PowerSchool.

- a. Pearson offers the PowerSchool API (Application Programming Interface) to facilitate reading data from the PowerSchool Student Information System and writing data to PowerSchool SIS. We have a dedicated User Interface designed for PowerSchool’s API, and that enables on-demand data exchange, which you may utilize. See Fullerton School District **Exhibit C**. Alternately, if you prefer file-based data delivery to PowerSchool via .csv or TAB-delimited files (using the appropriate PowerSchool import and export procedures, e.g. Quick import and/or AutoComm), we will support this method. You will notify us of your elected data delivery method during the initial implementation of your Online Process. A transition from file-based data delivery to API-based delivery, or vice versa, will be activated at the first rollover of your solution after you notify us of your intention to use the alternate delivery methodology.
- b. **Single Sign On.** InfoSnap and PowerSchool have developed Single Sign On which enables families to access their InfoSnap registration for students through the Parental Portal. Note: PowerSchool version 7.6.1 or higher is required along with an SSL certificate for the Parent Portal which you utilize and support.

### 4. YOUR ADDITIONAL RESPONSIBILITIES

- a. **Hyperlink.** You will create a hyperlink from your website to our website for Users to access our online services.
- b. **Set up.** You will complete our set-up questionnaire and interview process.
- c. **Forms.** You will provide us with copies of your Submittable and Supplemental forms in either high quality PDF or Microsoft Word format.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. ## 9. **Additional Client Obligations.**

In addition to the specific obligations set forth above, Client will take such other reasonable actions as Paradigm may request to facilitate Paradigm's provision of services under this Agreement.

## 10. **Fees and Payment Terms.**

a. **Fees for LEA Billing Services.** The LEA Billing Services fee for claims submitted by Paradigm or originating during the Term of the Agreement will be equal to a sliding scale percentage of the gross amount paid to Client by DHCS (without including DHCS administrative deductions or holdbacks) ("DHCS Reimbursement") in each Fiscal Year or part of a Fiscal Year in which payment for such claims is paid to Client according to the following schedule:

15% of gross amounts paid to Client, up to \$500,000

12% of gross amounts paid to Client, from \$500,001 to \$1 million

10% of gross amounts paid to Client, above \$1 million

For purposes of computing the DHCS Reimbursement for any Fiscal Year, all payments will be deemed to fall within the Fiscal Year in which payment is received by Client, regardless when the claim originates or is submitted by Paradigm to DHCS for payment. Nothing in this Paragraph shall constitute a limitation or waiver of Paradigm's entitlement to receive fees based on the foregoing schedule even after termination of the Agreement. Paradigm will invoice Client monthly based on payment received by Client from DHCS.

b. **Fees for CRCS Services.** The fee for each Fiscal Year for which CRCS services are rendered will be equal to the lesser of: (i) \$100 per employee or contractor used in the final calculation of "Net Total Personnel Costs" as reported on Worksheets A and B, or (ii) \$8,500. Paradigm will invoice Client for CRCS services on an annual basis.

### c. **Fees for MAA Billing Services.**

(1) **MAA Program Consulting Services.** The fee for MAA Program Consulting Services will be \$1,000 per month. Paradigm will invoice Client on a monthly basis during the Term of the Agreement.

(2) **MAA Invoice Preparation & Submission Services.** The fee for MAA Invoice Preparation & Submission Services each fiscal quarter during the Term of the Agreement will be an amount equal to \$45 multiplied by the sum of: (i) the number of time survey participants claimed on Client's MAA Invoice for that fiscal quarter, and (ii) the number of individuals identified as a direct charge in Client's MAA Invoice for that fiscal quarter. Paradigm will invoice Client quarterly based on MAA payments received by Client from DHCS.

(3) Under existing law, the foregoing MAA fee arrangement will allow Client to recover as MAA reimbursable costs fifty percent (50%) of any fees charged by Paradigm. Certain deviations from this fee structure may prevent Client from recovering these fees as allowable administrative expenses under the MAA reimbursement process.

**d. Substitution of Alternative Methodology and/or Fee Terms.** In the event that any LEA Billing, CRCS, or MAA fee arrangements, or and part thereof are or become inconsistent with applicable state or federal law, regulation, or court order, or that any time survey methodology other than Worker Log or RMTS is approved by DHCS for use by Client in determining the percentage of allowable costs for MAA reimbursement, Paradigm will on thirty (30) days written notice provide substitute fee arrangements and/or substitute time survey services consistent with applicable law regulation or court order. Any such substitute fee arrangements shall not increase the total amount Client would otherwise have been required to pay Paradigm for services under this Agreement.

**e. Late Fees.** Client will incur a late fee of two percent (2%) per month or any part thereof, or the maximum fee allowed by law, whichever is less, on any invoiced amount unpaid after sixty (60) days. The fees specified herein do not include taxes or similar surcharges, which are the sole responsibility of Client (excluding taxes on Paradigm's gross income).

## **11. Protection of Confidential Information.**

### **a. Definitions.**

(1) "**Client Confidential Information**" shall mean all information in whatever form provided by Client to Paradigm in connection with the services rendered under this Agreement that at the time of first receipt: (i) is clearly marked "confidential" or "proprietary;" (ii) constitutes protected health information, personal information, or student or pupil information, as defined by any federal or state law or regulation, including but not limited to the Family Education Rights Privacy Act (FERPA), 20 U.S.C. §1232g, et al., the Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. §1232h, the Children's Online Privacy Protection Act (COPPA), 15 U.S.C. §§6501-6506, and the California Education Code (including §49073.1); (iii) is governed by the terms of a Data Use Agreement (DUA) between Client and DHCS; (iv) is otherwise disclosed under circumstances of confidence; or (v) reasonably should be understood by the receiving party to be confidential. Without limiting the foregoing, Client Confidential Information shall include all Client student healthcare data and other student information, and all Medi-Cal data files received by Paradigm as Client's designated custodian. Confidential Information shall not include any information that is or becomes publicly known through no fault of Paradigm, is already known by Paradigm at the time of disclosure based on information received from a source other than Client, or is rightfully received or independently developed by Paradigm after disclosure.

(2) "**Paradigm Confidential Information**" shall mean all information in whatever form provided by Paradigm to Client in connection with the services rendered under this Agreement that, at the time of first receipt: (i) is clearly marked "confidential" or "proprietary;" (ii) is otherwise disclosed under circumstances of confidence; or (iii) reasonably should be understood by the receiving party to be confidential. Without limiting the foregoing, Paradigm's Confidential Information shall include all business, marketing, technical, financial, customer, supplier, or other information, data entry means, processed claiming data, instructions, management reports, data file specifications, instructional materials, algorithms, software, forms, boilerplate plans, technologies, know-how related to making eligibility determinations, and data and results derived from the foregoing, except to the extent such Confidential Information is set forth in this Agreement, which is a public record.

### **b. Protection of Confidential Information.**

(1) Each party shall use reasonable and appropriate measures to safeguard and keep confidential all Confidential Information of the other party and shall not disclose, use, or copy any Confidential Information except as necessary to perform its obligations hereunder. Such reasonable

and appropriate measures shall be no less than the measures taken by each to protect its own confidential information of a similar nature, but in any event no less than the measures governing protection, maintenance, disclosure, retention and destruction of Confidential Information subject to the terms of any DUA between Client and DHCS and any applicable federal or state law or regulation.

(2) Paradigm represents that all its employees who work with Confidential Information provided by Client under this Agreement: (i) have received regular training in data security procedures and federal and state law and regulations applicable thereto; (ii) have reviewed Paradigm's written data security policies and procedures; and (iii) have signed an agreement to be bound by the confidentiality terms contained in this Agreement.

(3) Each party may disclose Confidential Information of the other party to its responsible employees and independent contractors to the extent permitted by law and provided that such employees and independent contractors: (i) have a need to access such Confidential Information for purposes of fulfilling the party's obligations hereunder; (ii) have been informed of the confidentiality provisions of this Agreement; and (iii) have agreed in writing to be bound by such provisions to the same extent as the parties. Each party shall be responsible for any breach of the confidentiality provisions of this Agreement by its employees and independent contractors.

(4) Paradigm will timely report to Client any misuse or unauthorized disclosure of student information or other Confidential Information in accordance with all applicable federal and state laws and regulations.

**c. Ownership and Use of Client Confidential Information.** Client Confidential Information provided to Paradigm under this Agreement continues to be the property of, and under the control of, Client, and will not be used for any purpose other than the requirements of this Agreement. Without limiting the foregoing, Paradigm will not use personally identifiable student information for commercial or advertising purposes.

**d. Review and Correction.** Client represents that it maintains a procedure by which parents, legal guardians, and eligible students can review student records and correct erroneous information; Paradigm does not interact directly with parents, guardians or students, but will cooperate with Client as necessary to allow for the review and correction of student records.

**e. Retention of Client's Confidential Information.** Paradigm certifies that it will only retain Client's Confidential Information for as long a period as is reasonably necessary to fulfill its obligations under this Agreement, including compliance with DHCS audit requirements, and applicable federal and state laws and regulations. At the end of such compliance period, Paradigm will notify Client and, at Client's direction, will either destroy or return the Client Confidential Information.

**f. Lawful Disclosure.** This Paragraph shall not be construed as prohibiting either party from disclosing the other's Confidential Information to the extent required by law, regulation, or court order, provided such party notifies the other party promptly after becoming aware of such obligation and permits the other party to seek a protective order or otherwise to challenge or limit such required disclosure within the time permitted by law.

**g. Statutory Compliance.** The parties acknowledge that, notwithstanding any other provision of this Agreement, Client has taken reasonable and appropriate steps to ensure that Paradigm's current practices with respect to Client Confidential Information comply with FERPA requirements, and Client remains legally responsible for any FERPA violations that may occur in the course of Paradigm's performance of services under this Agreement. The parties also acknowledge that they

have made best efforts to ensure that this Agreement complies with the requirements of California Education Code §49073.1.

**h. Continuing Obligations.** The obligations contained in this Section, “Protection of Confidential Information,” shall survive for a period of twenty (20) years after the expiration or termination of this Agreement.

## ***12. Accuracy of Information.***

**a. Client Efforts.** Client will make reasonable efforts to insure that the information supplied to Paradigm hereunder shall be true, complete, and accurate in all respects. Client assumes sole responsibility, and Paradigm shall have no liability, for the truth, completeness, and accuracy of all information supplied to Paradigm.

**b. Paradigm Efforts.**

(1) Paradigm shall make reasonable efforts to verify the completeness and accuracy of information underlying the claims it submits on Client’s behalf. Due to the volume of data being processed from manual data entry forms and the necessity of correlating student records from several databases maintained by Paradigm, it is inevitable that some requests for reimbursement (or categories of requests or patients) will be denied due to incorrect or incomplete supporting data or healthcare insurance information. Paradigm will make reasonable efforts to minimize such denials. Client acknowledges that such denials are normal, and will not constitute a breach of Paradigm’s obligations under this Agreement. Client’s sole and exclusive remedy for any such reimbursement denial is to request that Paradigm re-bill any denied claims. Paradigm will determine in its sole and absolute discretion if such rebilling is reasonable and cost effective. Except as set forth in this paragraph, Paradigm shall not be liable, and Client shall have no remedy, for any reimbursement denial for healthcare or administrative services that are not reimbursable under state or federal law.

(2) Paradigm shall make reasonable efforts to submit all operational plans and claims made thereunder in a timely manner. However, Paradigm shall not be responsible in any way in the event that any operational plan or any claim made thereunder is submitted late or incomplete directly or indirectly because of the failure or delay by Client or its employees, students, agents or independent contractors in making all necessary information available to Paradigm, or any third party’s failure or delay in submitting documentation to the DHCS.

(3) Client acknowledges that Paradigm is not providing Client with legal, medical, or healthcare information or services and that any forms, software, and other materials supplied to Client hereunder are not intended to provide legal, medical, or healthcare advice.

## ***13. Limitation of Liability.***

In no event shall Paradigm be liable to Client for any incidental, indirect, consequential, special, or punitive damages arising out of or relating to this Agreement, including without limitation damages for lost reimbursements, lost healthcare services, or lost data, regardless of whether Paradigm has been advised of the possibility of such damages, and regardless of whether the claim for damages sounds in contract, tort, or other form of action. In the event Client elects not to utilize Paradigm’s services to prepare its annual CRCS Workbook, or fails to make available information necessary to timely complete the Workbook, Paradigm will not be liable in any manner for resulting termination of Client from participation in the LEA Billing Option or for any resulting disallowance of Client claims. In no event shall Paradigm’s total liability for damages to Client arising out of or related to this Agreement exceed the net fees paid to Paradigm hereunder during the one (1) year period

preceding the date on which the first claim alleged to give rise to damages occurs, regardless of the number of claims, causes of action, or amount of the alleged losses.

#### **14. Licenses and Permits.**

Client represents and warrants that: (a) it has all licenses and permits necessary or appropriate to render the medical services it currently provides to its students, and to be eligible for reimbursement from Medi-Cal; (b) Client will maintain such licenses in full force and effect during the Term of this Agreement; and (c) Client has all necessary authority, including approval by the Board of Education if necessary, to enter into this Agreement and to perform all of its obligations hereunder.

#### **15. Indemnification.**

**a. Client's Indemnification Obligations.** Client shall indemnify and hold harmless Paradigm, its managing members, employees, and agents against and from any and all liabilities, claims, demands, losses, damages, and expenses, including reasonable attorneys' fees and costs (collectively "**Claims**"), to the extent arising from Client's negligence, gross negligence, or intentional misconduct in the course of Client's discharge of its obligations under this Agreement, including without limitation: (i) breach of any provisions of this Agreement by Client; (ii) failure of Client or its health care providers, to provide any service for which reimbursement is sought; (iii) failure of Client or its health care providers to perform health care or related services in accordance with any professional standards applicable thereto; (iv) failure of the Client to provide accurate Confidential Information; or (v) failure of Client or its health care providers to obtain or maintain in good standing any licenses, permits, or registrations required to render the healthcare and related services for which reimbursement is sought. Notwithstanding the foregoing, Client shall not be required to indemnify Paradigm hereunder to the extent that Paradigm is obligated to indemnify Client pursuant to the following paragraph, "Paradigm's Indemnification Obligations."

**b. Paradigm's Indemnification Obligations.** Paradigm shall indemnify and hold harmless Client, its school board, officers, directors, employees, and agents against and from any and all Claims to the extent such claims arise from Paradigm's negligence, gross negligence, or intentional misconduct in the course of performing services under this Agreement. Notwithstanding the foregoing, Paradigm shall not be required to indemnify Client hereunder to the extent that Client is obligated to indemnify Paradigm pursuant to the preceding paragraph, "Client's Indemnification Obligations."

**c.** The indemnification rights set forth in this Section, "Indemnification," are conditional on the following: (i) the party seeking indemnification (each an "**Indemnified Party**") shall provide prompt written notice of any Claim as to which indemnification is sought to the party from whom indemnification is sought (the "**Indemnifying Party**"), provided, however, that failure to give such notice shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that it is materially prejudiced thereby; (ii) all Indemnified Parties shall reasonably cooperate with the Indemnifying Party in the defense and settlement of the underlying Claim at no cost to the Indemnified Party; and (iii) the Indemnifying Party shall have full and exclusive authority to defend or settle the underlying Claim, provided that the Indemnifying Party shall not enter into any settlement that includes an admission of liability by the Indemnified Party or injunction against any Indemnified Party without the consent of such Indemnified Party, such consent not to be unreasonably withheld or delayed, and provided further that each Indemnified Party shall have the right to participate in such Claim with counsel of its own selection at its own expense.

#### **16. Termination.**

**a. Background: In the 2014/2015 school year, the California Common Core State Standards will be fully implemented and assessed. Understanding how the standards differ from previous standards and the necessary shifts they call for is essential to implementing the standards well. 5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. 7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to

this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. (c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. 15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

21. Attorney Fees/Costs. Should litigation be necessary to enforce any terms or provisions of this Agreement, then each party shall bear its own litigation and collection expenses, witness fees, court costs, and attorneys' fees.

~~To prevent the spread of head lice infestations, school employees shall report all suspected cases of head lice to the school nurse or designee as soon as possible. The nurse or designee shall examine the student and any siblings of affected students or members of the same household. If nits or lice are found, the student shall be excluded from attendance and parents/guardians informed about recommended treatment procedures and sources of further information.~~

~~The Superintendent or designee shall send home the notification required by law for excluded students.~~

~~If there are two or more students affected in any class, all students in the class shall be examined, and information about head lice shall be sent home to all parents/guardians of those students.~~

~~Staff shall maintain the privacy of students identified as having head lice and excluded from attendance.~~

~~Excluded students may return to school when (1) they bring a note from the parent/guardian verifying treatment, and (2) re-examination by the nurse or designee shows that all nits and lice have been removed.~~

The Governing Board recognizes that head lice infestations among students require treatment but do not pose a risk of transmitting disease. The Superintendent or designee shall encourage early detection and treatment in a manner that minimizes disruption to the educational program, maintains confidentiality, and reduces student absences.

The Superintendent or designee may distribute information to parents/guardians of all Fullerton School District students regarding screening, symptoms, accurate diagnosis, and proper treatment of head lice infestations. The Superintendent or designee also may provide related information to school staff.

School employees shall report all suspected cases of head lice to the school nurse or designee as soon as possible. The school nurse or designee shall examine the student.

If a student is found with active adult head lice, he/she will be excluded from school. The parent/guardian of any such student shall be given information about the treatment of head lice and encouraged to begin treatment of the student immediately and to check all members of the family. The parent/guardian shall also be informed that the student shall be checked upon return to school the next day and allowed to remain in school if no active adult head lice are detected.

Upon the student's return to school, the school nurse or designee shall check the student for active adult head lice. If it is determined that the student remains infected with active adult head lice, the student will be sent home for continued treatment. As needed, the school nurse or designee may provide additional resources and/or referral to the local health department, health care providers, or other agencies.

If a student is found consistently infested with head lice, he/she may be referred to a multidisciplinary team, which may consist of the school nurse, representatives from the local health department and social services, and other appropriate individuals, to determine the best approach for identifying and resolving problems contributing to the student's head lice infestations.

Staff shall maintain the privacy of students identified as having head lice.

CONSENT ITEM

**DATE:** June 9, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

The City has now asked us, via a letter dated April 1, 2015, to formally notify them if the District has an interest in purchasing or leasing the property.

April 1, 2015

Dr. Robert Pletka  
Fullerton School District  
1401 W. Valencia Drive  
Fullerton, CA 92833

Dear Dr. Pletka,

As we have discussed in the past, the City of Fullerton is initiating the process of selling the property next to Beechwood School, known as APN: 2913-241-07. It is a 2.4 acre vacant parcel located on the north side of E. Bastanchury Road (800 block), approximately 110' west of Puente Street.

I am writing to follow-up on our informal discussions to determine if the District has had the opportunity to discuss the property, and if the district has any interest in entering in to an agreement with the City to purchase or lease the property for District purposes.

The City would like to proceed in a timely manner, and would appreciate your response by May 1, 2015. Please do not hesitate to call if you have any questions or if you would like to discuss the matter further, (714) 738-6310.

Sincerely,

**SUBJECT:** **AWARD A CONTRACT TO TROXELL COMMUNICATIONS, INC., PURSUANT TO THE STATE OF CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS), CONTRACT NUMBER 4-15-75-0056A, FOR THE PURCHASE AND WARRANTY OF OFFICE SUPPLIES AND EQUIPMENT AS NEEDED THROUGHOUT THE DISTRICT**

Background: During the course of a school year it is typical for school sites and various District Offices to purchase office supplies and equipment. The routine acquisition of office supplies and equipment are approaching and will exceed the bid threshold limits allowed by Public Contract Code Section 20111. Program timelines do not allow for the time necessary to conduct a formal bid for office supplies and equipment. High quality and competitively priced office supplies and equipment are available through an existing California Multiple Award Schedules (CMAS) contract awarded by the California Department of General Services (DGS) to Troxell Communications, Inc. The recommended CMAS contract is based on some or all of the products and/or services and prices from General Services Administration (GSA) Schedule No. GS-02F-0225X (COMPUTECH INTERNATIONAL, INC.) with a CMAS term of March 17, 2015 through November 30, 2016. Public Contract Code Section 10298 specifically authorizes local agencies to contract with suppliers who are awarded CMAS contracts without further competitive bidding. District staff has determined that it is in the best interest of the District to award a contract to Troxell Communications, Inc., based upon staff's determination that the pricing for office supplies and equipment required by the District is fair, reasonable, and competitive and meets all the needs of the District.

Rationale: When required by school sites and other departments, office supplies and equipment can be purchased under the terms and conditions of CMAS Contract Number 4-15-75-0056A

Funding: Multiple funding sources may be used throughout the life of this contract.

Recommendation: Award a contract to Troxell Communications, Inc., pursuant to the State of California Multiple Award Schedules (CMAS), Contract Number 4-15-75-0056A, for the purchase and warranty of office supplies and equipment as needed throughout the District.

Background: Over a period of time, the various sites accumulate instructional materials, supplies, and equipment which have become obsolete, unserviceable, unrepairable, or otherwise not suitable for school use. Some of these items may be salvaged or sold, thus providing the District with some recovery of residual value.

The Business Services Department is requesting that obsolete items which have been collected from District sites be declared as surplus property and “not suitable for school purposes.” These surplus items were collected from all sites at the direction of site managers. All items have been made available to District employees to claim for school use prior to holding a public auction. The remaining items are designated as “not suitable for school purposes” and offered for sale. For those items that do not sell, the Assistant Superintendent of Business Services requests Board authorization to declare the property is of insufficient value to defray the costs of arranging for another sale and to dispose of said property by other means as allowed by Education Code Sections 17545-17555.

Rationale: The surplus holding areas are at capacity and need to be cleared.

Funding: Not applicable.

Recommendation: Declare listed items as surplus not suitable for school purposes, and authorize District staff to dispose of items at a public auction or by other means as allowed in Education Code Sections 17545-17555.

THIS AGREEMENT (the "Agreement"), dated the 9th day of June, 2015, in the County of Los Angeles, State of California, by and between the Fullerton School District, hereinafter referred to as "DISTRICT" or "OWNER" and DBMC, Inc., hereinafter referred to as "CONTRACTOR."

**WITNESSETH:**

That DISTRICT and CONTRACTOR, for the consideration stated herein, agree as follows:

**1. Contract**

The complete Contract includes all of the contract documents, including the (1) Notice to Contractors Calling for Bids, (2) Information for Bidders, (3) Scope of Work Summary, (4) Bid Form, (5) Non-collusion Declaration, (6) Site Visit Certification, (7) Designation of Subcontractors, (8) Bid Bond, (9) Information Required of Bidder, if applicable, (10) Contractor Prequalification Documents, if applicable, (11) DVBE Participation Goal Compliance, if applicable, (12) Bidder's Acknowledgement of Project Schedule, (13) Storm Water Pollution Prevention Certification, (14) DVBE Compliance Forms, if applicable, (15) this Agreement, (16) Performance Bond, (17) Payment Bond, (18) Workers' Compensation Certification, (19) Drug-Free Workplace Certification, (20) Conduct Rules for Contractor(s), (21) Asbestos and Other Hazardous Materials Certification, (22) Lead Based Paint Certification, (23) Criminal Records Check Certification, (24) Escrow Agreement for Security Deposits in Lieu of Retention, if applicable, (25) Shop Drawing Transmittal Form, (26) Change Order Form, (27) Guarantee, (28) General Conditions, (29) Special Conditions, if any, (30) Project Schedule, (31) Plans, (32) Drawings, (33) Specifications, (34) Insurance Policies, and all modifications and amendments thereto, and by this reference are incorporated herein (the "Contract Documents"). The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all.

**2. Statement of Work**

CONTRACTOR shall perform that work designated in CONTRACTOR's Bid Form which constitutes at least 15% of the total Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. CONTRACTOR shall perform within the time set forth in Paragraph 4 of this Agreement everything required to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete Contract and required for the Work described as follows:

**Richman Elementary School Shade Structure  
Bid No.: FSD-14-15-CD-01**

in accordance with Drawings and Specifications prepared by **Architecture 9 PLLP, dated November 20, 2014**. All of said Work to be performed and materials to be furnished shall be completed in a good workmanlike manner in strict accordance with the Plans, Drawings, Specifications and provisions of the complete Contract. CONTRACTOR shall be liable to DISTRICT for any damages arising as a result of a failure to fully comply with this obligation, and CONTRACTOR shall not be excused with respect to any failure to so comply by any act or omission of ARCHITECT, Engineer,

Inspector, Division of the State Architect, or representative of any of them, unless such act or omission actually prevents CONTRACTOR from fully complying with the requirements of the documents, and unless CONTRACTOR protests at the time of such alleged prevention that the act or omission is preventing CONTRACTOR from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with DISTRICT OFFICE within three (3) working days of the date of occurrence of the act or omission preventing CONTRACTOR from fully complying with the Contract Documents.

The Work required to be performed by this Agreement shall be subject to the payment of prevailing wages, as described in the Labor Code, by CONTRACTOR and each Subcontractor on the Project. The Work shall further be subject to the fulfillment of the requirements related to the payment of prevailing wages, including, but not limited to, the obligation to furnish certified payroll records to the Labor Commissioner as required by the Labor Commissioner. Payments to CONTRACTOR shall not be made when payroll records are delinquent or inadequate. The prevailing rate of per diem wages and a description of employer payments are on file at DISTRICT's Facilities office and are available to any interested party upon request. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language:

This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc) as well as the name of the employer, the public entity which awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at [www.dir.ca.gov/dlse/PublicWorks.html](http://www.dir.ca.gov/dlse/PublicWorks.html).

### **3. Compensation**

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of **Fifty-nine Thousand, Four Hundred Ninety-four and 80/100** Dollars (**\$59,494.80**) said sum being the total amount stipulated in the proposal.

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change in Work without an agreement between DISTRICT and CONTRACTOR regarding

the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

**4. Commencement of Work and Time for Completion**

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work within three (3) Days from the date of said Notice. Commencement of Work shall include reasonable and evident efforts on the Project site.

**Time for completion of the Project shall be within Thirty (30) consecutive calendar days.** The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

**5. Claims**

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

**6. Liquidated Damages**

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN (a) AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED **(\$500.00)** FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION, AND (b) AS COMPENSATION FOR THE ACTUAL ADDITIONAL OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY IN COMPLETION, THERE SHALL ALSO BE ASSESSED AGAINST CONTRACTOR

THE ACTUAL AND VERIFIABLE OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY (SUCH AS, FOR EXAMPLE, ADDITIONAL COMPENSATION PAID TO DISTRICT'S ARCHITECT AND OTHER CONSULTANT(S) AND AGENTS AND THE LEGAL FEES AND EXPENSES INCURRED BY DISTRICT IN CONNECTION WITH THE DELAY). IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN (a) ABOVE OF THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME AND SUCH LIQUIDATED DAMAGES DO NOT CONSTITUTE A PENALTY NOR ARE THEY INTENDED TO COMPENSATE DISTRICT FOR (OR COVER) THE ACTUAL OUT-OF-POCKET DAMAGES INCURRED BY DISTRICT IN CONNECTION WITH ANY SUCH DELAY (WHICH ACTUAL OUT-OF-POCKET DAMAGES SHALL BE SEPARATELY RECOVERABLE BY DISTRICT PURSUANT TO PARAGRAPH 6(b)). THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6(a) AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. THE PARTIES EXPRESSLY AGREE THAT DISTRICT SHALL BE PERMITTED TO RECOVER ITS ACTUAL OUT-OF-POCKET DAMAGES INCURRED AS A RESULT OF ANY DELAY IN COMPLETION (IN ADDITION TO THE LIQUIDATED DAMAGES THAT MAY BE RECOVERED FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY), AND THAT SUCH ACTUAL OUT-OF-POCKET DELAY DAMAGES ARE NOT LIQUIDATED HEREUNDER, BECAUSE UNLIKE THE DAMAGES RESULTING FROM THE LOSS OF THE BENEFICIAL USE OF THE PROJECT, SUCH ACTUAL OUT-OF-POCKET DAMAGES ARE NOT IMPRACTICABLE OR DIFFICULT TO FIX.

CONTRACTOR'S INITIALS: \_\_\_\_\_ DISTRICT'S INITIALS: \_\_\_\_\_

DISTRICT may deduct liquidated and/or actual out-of-pocket delay damages described in Paragraph 6 from any unpaid amounts then or thereafter due CONTRACTOR under this Agreement in accordance with Article 64 of the General Conditions. Any liquidated and/or actual out-of-pocket delay damages not so deducted from any unpaid amounts due CONTRACTOR shall be payable to DISTRICT at the demand of DISTRICT, together with interest thereon from the date of demand until paid at a rate equal to ten percent (10%) per annum.

**7. Indemnification**

CONTRACTOR agrees to and does hereby indemnify and hold harmless DISTRICT, ARCHITECT, INSPECTOR OF RECORD, and their respective officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by CONTRACTOR or any person, firm or corporation employed by CONTRACTOR upon or in connection with the Work called for in this Agreement, except for liability resulting from the sole negligence or willful misconduct of DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, employees, agents or independent contractors who are directly employed by DISTRICT, and except for liability resulting from the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(b) Any injury to or death of persons or damage to property caused by any act, neglect, default or omission of CONTRACTOR, or any person, firm, or corporation employed by CONTRACTOR, either directly or by independent contract, including all damages due to loss or theft, sustained by any person, firm or corporation, including DISTRICT, ARCHITECT, or INSPECTOR OF RECORD arising out of, or in any way connected with the Work covered by this Agreement, whether said injury or damage occurs either on or off school district property, if the liability arose from the negligence or willful misconduct of anyone employed by CONTRACTOR, either directly or by independent contract, and not by the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(c) In the event CONTRACTOR is required to access DISTRICT's computer system or network in the performance of the Contract, CONTRACTOR shall provide 48-hours advance notification to DISTRICT. In the event such access infects DISTRICT's computer network, system, or device with a virus, Trojan Horse, worm, or any other computer programming routine that is intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system data or personal information, CONTRACTOR agrees to indemnify DISTRICT and pay for any and all losses, damages and expenses incurred by DISTRICT to remedy any such infection.

(d) Liability for fines, penalties, or other monetary damages incurred by DISTRICT for CONTRACTOR's, or its Subcontractor's, failure to comply with applicable Storm Water Requirements as generally described in the Storm Water Pollution Prevention Certification executed by CONTRACTOR.

CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees, or any such claim, demand or liability, and shall pay or satisfy any judgment that may be rendered against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees in any action, suit or other proceedings as a result thereof.

In accordance with Section 9201 of the Public Contract Code, DISTRICT shall timely notify CONTRACTOR of any third-party claim it receives relating to the Contract. CONTRACTOR shall promptly reimburse DISTRICT for the reasonable costs incurred in providing CONTRACTOR such notification.

The prevailing rate of per diem wages and a description of employer payments are on file at DISTRICT's Facilities office and are available to any interested party upon request. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language:

This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc) as well as the name of the employer, the public entity which awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at [www.dir.ca.gov/dlse/PublicWorks.html](http://www.dir.ca.gov/dlse/PublicWorks.html).

### **3. Compensation**

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of **Three Hundred Thirty-two Thousand, Eight Hundred Thirty-six and 00/100** Dollars (**\$332,836.00**) said sum being the total amount stipulated in the proposal.

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change

in Work without an agreement between DISTRICT and CONTRACTOR regarding the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

**4. Commencement of Work and Time for Completion**

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work within three (3) Days from the date of said Notice. Commencement of Work shall include reasonable and evident efforts on the Project site.

**Time for completion of the Project shall be within Thirty (30) consecutive calendar days.** The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

**5. Claims**

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

**6. Liquidated Damages**

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN (a) AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED **(\$500.00)** FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION, AND (b) AS COMPENSATION FOR THE ACTUAL ADDITIONAL OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE

DELAY IN COMPLETION, THERE SHALL ALSO BE ASSESSED AGAINST CONTRACTOR THE ACTUAL AND VERIFIABLE OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY (SUCH AS, FOR EXAMPLE, ADDITIONAL COMPENSATION PAID TO DISTRICT'S ARCHITECT AND OTHER CONSULTANT(S) AND AGENTS AND THE LEGAL FEES AND EXPENSES INCURRED BY DISTRICT IN CONNECTION WITH THE DELAY). IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN (a) ABOVE OF THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME AND SUCH LIQUIDATED DAMAGES DO NOT CONSTITUTE A PENALTY NOR ARE THEY INTENDED TO COMPENSATE DISTRICT FOR (OR COVER) THE ACTUAL OUT-OF-POCKET DAMAGES INCURRED BY DISTRICT IN CONNECTION WITH ANY SUCH DELAY (WHICH ACTUAL OUT-OF-POCKET DAMAGES SHALL BE SEPARATELY RECOVERABLE BY DISTRICT PURSUANT TO PARAGRAPH 6(b)). THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6(a) AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. THE PARTIES EXPRESSLY AGREE THAT DISTRICT SHALL BE PERMITTED TO RECOVER ITS ACTUAL OUT-OF-POCKET DAMAGES INCURRED AS A RESULT OF ANY DELAY IN COMPLETION (IN ADDITION TO THE LIQUIDATED DAMAGES THAT MAY BE RECOVERED FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY), AND THAT SUCH ACTUAL OUT-OF-POCKET DELAY DAMAGES ARE NOT LIQUIDATED HEREUNDER, BECAUSE UNLIKE THE DAMAGES RESULTING FROM THE LOSS OF THE BENEFICIAL USE OF THE PROJECT, SUCH ACTUAL OUT-OF-POCKET DAMAGES ARE NOT IMPRACTICABLE OR DIFFICULT TO FIX.

CONTRACTOR'S INITIALS: \_\_\_\_\_ DISTRICT'S INITIALS: \_\_\_\_\_

DISTRICT may deduct liquidated and/or actual out-of-pocket delay damages described in Paragraph 6 from any unpaid amounts then or thereafter due CONTRACTOR under this Agreement in accordance with Article 64 of the General Conditions. Any liquidated and/or actual out-of-pocket delay damages not so deducted from any unpaid amounts due CONTRACTOR shall be payable to DISTRICT at the demand of DISTRICT, together with interest

thereon from the date of demand until paid at a rate equal to ten percent (10%) per annum.

**7. Indemnification**

CONTRACTOR agrees to and does hereby indemnify and hold harmless DISTRICT, ARCHITECT, INSPECTOR OF RECORD, and their respective officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by CONTRACTOR or any person, firm or corporation employed by CONTRACTOR upon or in connection with the Work called for in this Agreement, except for liability resulting from the sole negligence or willful misconduct of DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, employees, agents or independent contractors who are directly employed by DISTRICT, and except for liability resulting from the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(b) Any injury to or death of persons or damage to property caused by any act, neglect, default or omission of CONTRACTOR, or any person, firm, or corporation employed by CONTRACTOR, either directly or by independent contract, including all damages due to loss or theft, sustained by any person, firm or corporation, including DISTRICT, ARCHITECT, or INSPECTOR OF RECORD arising out of, or in any way connected with the Work covered by this Agreement, whether said injury or damage occurs either on or off school district property, if the liability arose from the negligence or willful misconduct of anyone employed by CONTRACTOR, either directly or by independent contract, and not by the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(c) In the event CONTRACTOR is required to access DISTRICT's computer system or network in the performance of the Contract, CONTRACTOR shall provide 48-hours advance notification to DISTRICT. In the event such access infects DISTRICT's computer network, system, or device with a virus, Trojan Horse, worm, or any other computer programming routine that is intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system data or personal information, CONTRACTOR agrees to indemnify DISTRICT and pay for any and all losses, damages and expenses incurred by DISTRICT to remedy any such infection.

(d) Liability for fines, penalties, or other monetary damages incurred by DISTRICT for CONTRACTOR's, or its Subcontractor's, failure to comply with applicable Storm Water Requirements as generally described in the Storm Water Pollution Prevention Certification executed by CONTRACTOR.

CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees, or any such claim, demand or liability, and shall pay or satisfy any judgment that may be rendered against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees in any action, suit or other proceedings as a result thereof.

In accordance with Section 9201 of the Public Contract Code, DISTRICT shall timely notify CONTRACTOR of any third-party claim it receives relating to the Contract. CONTRACTOR shall promptly reimburse DISTRICT for the reasonable costs incurred in providing CONTRACTOR such notification.

Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to

this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. (b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**DATE:** June 9, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**PREPARED BY:** Bob Macauley, Director, Maintenance, Operations & Facilities  
**SUBJECT:** APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND HOWARD PRESCOTT FOR CONSULTING SERVICES FOR THE 2015/2016 SCHOOL YEAR

Background: In response to the severe water drought the State is currently experiencing, the State of California issued a state-wide mandate for water savings. As a result, local governmental agencies are being required to develop plans to meet these required savings. Staff recommends the hiring of a consultant in order to ensure we are able to meet these mandates. The consultant will identify and coordinate with the Maintenance and Operations Department, as well as the City of Fullerton, a comprehensive Water Action Plan on behalf of the District. The plan will indicate areas of concern and make recommendations resulting in the conservation of water as required at both the State and local levels.

Rationale: When District employees are unable to provide necessary services, the District enters into an independent contractor agreement with individuals who will provide specialized services to the District and who are specially trained, experienced, and competent to perform the required services.

Funding: Services will be utilized on an as-needed basis. The cost is not to exceed \$35,000, at a rate of \$65.00 per hour, plus \$35.00 per hour for clerical services to be paid from the Unrestricted General Fund.

Recommendation: Approve independent contractor agreement between Fullerton School District and Howard Prescott for consulting services for the 2015/2016 school year.

CONSENT ITEM

**DATE:** June 9, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Kenyatta Turner, Director, Nutrition Services

**SUBJECT:** APPROVE INCREASE IN SCHOOL LUNCH MEAL PRICES FOR THE 2015/2016 FISCAL YEAR

Background: The Nutrition Services Department is a financially self-sustaining operation participating in the National School Lunch Program, School Breakfast Program, Child and Adult Care Food Program, and Seamless Summer Feeding Program.

School program regulations at 7 CFR 210.14(e) require school food authorities participating in the National School Lunch Program to ensure sufficient funds are provided to the non-profit school food service account for meals served to students not eligible for free or reduced price meals.

There are two ways to meet this requirement: (1) through the prices charged for "paid" meals; (2) through other non-federal sources provided to the non-profit school food service account.

Currently, full price school lunch meal prices are \$2.55 for elementary students and \$2.80 for junior high students. These prices do not meet the minimum federal requirement. Therefore, it is recommended that these two prices be increased to \$2.70, and \$2.85, respectively, to meet the federal requirement. All other prices remain unchanged.

The attached chart outlines all current and proposed meal prices. Lunch prices have remain unchanged since the 2008/2009 school year.

Nutrition Services has surveyed surrounding districts to ensure that District prices are reasonable in comparison with other districts.

Rationale: For school year 2015/2016, school food authorities who charged less than \$2.70 (weighted average) for paid lunches in school year 2014/2015 are required to adjust their weighted average lunch price or add non-federal funds to the non-profit school food service account.

State agencies are required to monitor that school food authorities are making accurate calculations and adjusting prices appropriately.

Funding: Not applicable.

Recommendation: Approve increase in school lunch meal prices for the 2015/2016 fiscal year.

**SUBJECT:** **APPROVE 2015/2016 MEMORANDUM OF UNDERSTANDING (MOU) AND AGREEMENT FOR THE PROVISION OF SPECIAL EDUCATION SERVICES BETWEEN FULLERTON SCHOOL DISTRICT, BUENA PARK SCHOOL DISTRICT, LA HABRA CITY SCHOOL DISTRICT, AND LOWELL JOINT SCHOOL DISTRICT**

Background: The Fullerton School District provides the Regionalized Program for the moderate/severe population in the North Orange County SELPA. Students with moderate/severe disabilities are sent to the Fullerton School District from the feeder school districts of La Habra, Buena Park, and Lowell Joint School District when students residing in these districts have educational needs that are severe in nature and the home district does not have an appropriate program to meet the educational needs of these students. Based upon the costs of the programs, each district is required to sign the Memorandum of Understanding (MOU) outlining the program's excess costs and the manner in which those costs are to be distributed to those districts placing students in the Regionalized Program provided by the Fullerton School District.

Rationale: Throughout the State of California, special education programs are organized into separate SELPAs and within the county, SELPA regionalized programs have been established. This structure was implemented years ago due to the fact that small districts did not have the number of students necessary to have their own programs. Based upon the need for regionalized programs, a Memorandum of Understanding (MOU) is necessary to outline the program and any excess costs that are associated with the utilization of the Fullerton School District program for the severely disabled population by other districts.

Funding: Participating districts fund the excess cost amount for each student placed in the Fullerton School District program (no cost to the District).

Recommendation: Approve 2015/2016 Memorandum of Understanding (MOU) and Agreement for the Provision of Special Education Services between Fullerton School District, Buena Park School District, La Habra City School District, and Lowell Joint School District.

*Memorandum of Understanding and Agreement  
for the Provision of Special Education Services*

WHEREAS, California Education Code section 56195 et seq. authorizes school districts to provide special education services to students in other districts by organizing Special Education Local Plan Areas ("SELPA's") and by developing Local Plans;

WHEREAS, these statutory provisions authorize school districts to provide for a governing structure and any necessary administrative support to implement the Local Plans, including a system for determining the responsibility of participating agencies for the education of each special education student;

WHEREAS, California Education Code section 56195.5 authorizes school districts and SELPA's to enter into agreements between and among SELPA member school districts to provide for the education of special education students who may reside in other districts within a multi-district SELPA.

Now, therefore, it is hereby agreed by and between all member school districts of the NOC SELPA and by the NOCSELPA as follows:

I. Purpose

The purpose of this Memorandum of Understanding and Agreement for the Provision of Special Education Services (the "MOU") is to address the enrollment, funding, costs and billing of special education programs and services for students with moderate to severe disabilities, excluding autism specific programs by one or more NOC SELPA member school district(s) (the "Provider District" or "Providing District") on behalf of one or more of the NOCSELPA member districts or districts outside of the NOC SELPA with such special needs students (the "Sender District" or "Sending District").

2. Basis of Agreement

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3 and 56195.5, the Provider District may, in its discretion and subject to reimbursement agreements as to costs incurred, provide for the education of individual students in special education programs who reside in the Sending District(s). Education Code Section 46600 shall apply to interdistrict attendance agreements for programs conducted pursuant to this part.

3. Term of Agreement

This Agreement is effective for the period beginning July 1, 2015 through June 30, 2018 with an annual review.

4. Scope

The Provider District will, consistent with Section 2, provide, maintain, and operate a special education program and services for students attending NOC SELPA member school district schools with moderate to severe disabilities, excluding autism specific programs (the "Provider Special Education Program"). Eligible students may be referred by the Sending District's Individual Education Program ("IEP") Team when it is jointly determined by the Sending District and the Provider District that the student's educational needs as specified in the student's IEP can be appropriately met by the Provider Special Education Program. Local education agencies that are not members of the NOCSELPA may enroll students in the Provider Special Education Program, though priority and preference is to be provided by the Provider District to students from NOCSELPA Sender Districts.

Students from the Sending District will and may be limited during the applicable school year based on the administrative parameters established by the Provider District at the Provider District's sole discretion. Class size ranges and student-teacher ratios shall be determined and maintained at the sole discretion of the Provider District and in a manner that allows the Provider District to meet the programmatic, health, and safety needs of the students enrolled in the Provider Special Education Program. Any Sender District agrees to accept and waive any objections to the administrative parameters, class size ranges, and student-teacher ratios as determined to be appropriate by the Provider District.

The Provider District shall not be required to accept students unless the anticipated costs or additional costs to be incurred by the Provider District are addressed in advance with the Sender District and agreed by the Sender District to be covered to the satisfaction of the Provider District.

5. Annual and Triennial Reviews

For initial placement, triennial review, or a change in services specified on the current IEP of a Sending District's student enrolled or to be enrolled in the Providing District's Special Education program, the Sending District must provide to the Provider District a representative authorized to approve the allocation of specified resources of the Sending District resources necessary for the implementation of their student(s)' IEP(s) to attend the IEP Team meeting, and assure access to and availability of that representative throughout the course of services by the Provider District.

The Sending District shall thereafter be notified by the Providing District of the annual reviews of their student(s)' IEP via certified mail or confidential email and shall provide a representative to participate in the Providing District's IEP Team's review, development and amendment of the IEP for each of the Sending District's student(s) enrolled in the Providing District's Special Education program. If the Sending District chooses not to send a representative to participate in an annual review by the Providing District's IEP Team after receiving notice from the Providing District, the Providing District's IEP Team shall obtain written permission from the Sending District and amend

the IEP of the Sending District's student in order to meet the educational, health and safety needs of the Sending District's student. The Sending District shall continue to be responsible for all services provided by non-public agencies. As provided by state and federal law and regulations, the Sending District shall monitor and participate in their students' educational program under the Provider Special Education Program.

In the event that special education placement of a student is at issue between the Provider District and the Sending District, the Sending and Provider District shall collaborate to provide ongoing educational services to the Sending District's student so as to minimize the potential of an adverse impact to the student's education.

6. Student Count/Enrollment

A count of the number of students enrolled in the Provider Special Education Program shall be taken by the Providing District on the fifteenth day of each calendar month of the academic year, which runs from July 1 to June 30 of the following year. A student shall be counted by the Providing District as "enrolled" for the entire month and will be billed accordingly if they are enrolled on the fifteenth day of the month.

Pupils continuing in the Provider Special Education Program from the previous academic year shall be counted as "enrolled" in the Provider Special Education Program on the first school day of the academic year unless written notification of withdrawal is received by the Providing District from either the parent/guardian of the student or the Providing District. If a continuing student has not attended the Provider Special Education Program by the fifth (5th) school day of the first school month, the Provider District shall notify the Sending District of the student's absence and a determination shall be made between the Providing District Special Education Administrator and Sending District Special Education Administrator regarding the continued enrollment of that student in the Provider Special Education Program.

7. Definitions

- a. "Provider Special Education Program" are the special education classes and support services operated by the Provider District as a member local education agency and member of the NOC SELPA.
- b. "Special Education Program Income" shall be defined as the sum of all marginal State and Federal funds generated by or on behalf of students enrolled in the Provider Special Education Program.
- c. "Special Education Program Expenditures" shall include Direct Costs multiplied by an allocation factor, which includes Support Costs and Indirect Costs, attributable to the Provider Special Education Program, as delineated in the approved billing model appended and incorporated by reference as part of this MOU. This allocation and the allocation factor shall be at the sole discretion of the Providing District.

- d. "Average Cost Per Pupil" shall refer to the Special Education Program Expenditures attributable to the Provider Special Education Program divided by the Average Number of Students enrolled in the Provider Special Education Program during the academic year.
- e. "Average Number of Students" shall refer to the total of the number of students counted on the fifteenth (15th) school day of each calendar month divided by the number of calendar months in the period specified.

8. Funding/Billing

In consideration of the enrollment of a Sending District's student(s) in the Provider Special Education Program operated by the Provider District, the Sending District transferring students to the Provider Special Education Program agrees to pay and shall pay the Provider District for Special Education Programs and related services rendered on a per pupil basis as follows:

- a. The Providing District will bill the Sending District for each child from the Sending District who was enrolled in the SH Program on the 15th of the month, with payment due from the Sending District to the Providing District within thirty (30) days of receipt. The form of the bill will be in accordance with the appended approved billing model. A quarterly billing will be sent based upon an estimate of the final bill as follows: September, October and November will be billed by December 31. December, January and February will be billed by March 31st. March and April will be billed by May 31st. May and June will be billed by October 15th based upon the previous financial years audited actuals. The Sending District will thus need to accrue for at least two month's invoices at year-end.

A final accounting, accompanied by completed forms and invoices with all supporting documentation will be sent by the Provider District to the Sending District by October 15 of the ensuing academic year. Any corrections to the costs resulting from adjustments to income or expenditure calculation for a prior year billed by the Provider District related to the Provider Special Education Program, shall be credited or billed to the Sending District affected by the correction or adjustments.

- b. **Special Circumstance Aide:** If the Provider District believes that a moderate/severe or special needs student may need additional support to receive educational benefit from participation in the Provider District program, the Sending District will be notified in writing of the need for a Special Circumstance Aide Evaluation. The Sending District, within sixty (60) days of receipt of the notice, shall request that the Provider District complete this evaluation or the Sending District may have the option to perform the evaluation. Based upon the outcome of this evaluation, the IEP Team, with representation from the Sending

District present, may determine that additional personnel is needed for the student to benefit from his/her educational placement within the Provider District program. This must be documented within the student's IEP. A Special Circumstance Addendum must be mutually agreed upon by the IEP Team and signed off for approval by the Sending District and the Provider District. The Sending District shall be responsible for the total cost of the additional personnel as specified in the student's IEP.

- c. The following documents shall be used as a basis for all Provider Special Education costs and figures reported by the Provider District, and shall constitute sufficient supporting documentation from the Providing District in compliance with Section 8(a):

- Monthly Pupil Count
- Average Daily Attendance Calculation
- Program Cost Report
- Program Summary Report
- In-House Accounting Reports

- d. Income and expenditures shall be listed in accordance with the most recent California School Accounting Manual Standardized Account Code Structure for Special Education.
- e. Any dispute as to a Provider District's invoice by a Sending District must be submitted in writing to the Provider District Special Education Administrator, with a copy to the Provider District Business Official within thirty (30) days of receipt by the Sending District. A failure on the part of the Sending District to timely object and subject objections in writing in compliance with this provision shall be deemed acceptance of the invoice for payment without objection or reduction.

## 9. Transportation

The Sending District transporting students enrolled in the Provider Special Education Program to the Provider District shall ensure that the transportation carriers arrive at the applicable Provider District school site in sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays in the arrival of the transportation carriers requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up by the Provider District may result in additional charges to the Sending District for the resulting costs incurred by the Provider District. At all times the Sending District shall remain solely liable for, and shall defend, indemnify and hold harmless the Provider District, for any claims, losses, damages or liabilities of any kind or description arising out of transportation or the actions or omissions to act of the transportation carriers.

10. Projected Enrollment

In order to assist the Provider District in planning for housing and staffing needs for the Provider Special Education Program, the Sending District shall submit to the Provider District, in writing, on or before January 30 of the preceding year, the number of students reasonably projected to be enrolled by the Sending District in the Provider Special Education Program for the ensuing academic year.

11. Program Cost

By May 30 of each year, the Provider District shall deliver to the Sending District, an estimate of the projected amount to be billed per child for the upcoming year. This estimate will provide the basis for the first three billings as more fully described in Section Sa (Funding and Billing).

12. No Waiver

No provision of this MOU may be waived unless in writing and signed by the parties involved. Waiver of any one provision shall not be deemed to be a waiver of any other provisions. This MOU may be modified or amended only by a subsequent written agreement signed by the parties involved. Further, the failure of the Provider District in any one or more instances to insist upon performance in any one instance or instances of any of the terms of this MOU or to exercise any option at one time or later times herein conferred shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon such terms or option on any future occasion.

13. Hold Harmless

To the extent permitted by law, and except for the acts, omissions to act or intentional conduct of employees, agents and officers of the Sending District or third parties not under the direction or control of the Provider District, the Provider District hereby agrees to hold harmless, indemnify and defend the Sending District and its governing board, officers, agents and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature arising from or reasonably connected to the Provider District's performance of services related to the Provider Special Education Program during the term of this MOU.

To the extent permitted by law, and except for the acts, omissions to act or intentional conduct of employees, agents and officers of the Provider District or third parties not under the direction or control of the Sending District, the Sending District hereby agrees to hold harmless, indemnify and defend the Provider District and its governing board, its officers, agents and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature arising directly or indirectly from or connected with the performance of services related to the Provider Special Education Program during the term of this MOU.

14. Complete Agreement

This document is the complete agreement of the all signatories to this MOU. This MOU contains the sole and entire agreement and understanding of the signatories with respect to the entire subject matter, and any and all prior discussions, negotiations, commitments and understandings related hereto are merged herein. No representations, oral or otherwise, express or implied, other than those contained in this MOU, have been made by any party. No other agreements not specifically referred to herein, oral or otherwise, shall be deemed to exist or to bind any of the parties hereto. Any amendments hereto shall be in a subsequent writing and shall be dated and executed by all signatories to this MOU.

15. Governing Law; Venue, Dispute Resolution

This MOU shall be governed by and construed in accordance with the internal laws of the State of California applicable to the performance and enforcement of contracts made within such state, without giving effect to the law of conflicts of laws applied thereby.

In the event that any dispute shall occur between or among the parties arising out of or resulting from the construction, interpretation, performance, enforcement, or any other aspect of this MOU, it is the intent of the parties that issues be resolved at the lowest possible level. If a member school district disagrees with a decision or practice of another member school district under the terms of this MOU, that member school district has a responsibility to discuss and attempt resolution of the disagreement with the member district involved in a prompt time frame not to exceed sixty (60) days from the disagreement first arising. The parties involved will present the issues to their respective superintendents, or designees, who will attempt to resolve the matter. Either party may request the assistance of the respective SELPA Director or his/her designee. Informal resolution efforts shall commence and be completed within sixty (60) days unless the parties involved, in their sole and separate discretion, agree to extend this time frame and do so in a signed writing.

If this process does not resolve the matter, the parties agree to submit the dispute to formal third party mediation. The parties will make a good faith effort to mutually agree to a mediator with expertise related to the dispute. If the parties cannot agree on a mediator within thirty (30) days, the parties shall, or one of the parties shall submit the dispute to mediation administered by the American Arbitration Association under its Commercial Mediation Rules, which mediation shall be scheduled and completed within ninety (90) days unless the parties involved, in their sole and separate discretion, agree to extend this time frame and do so in a signed writing.

Any dispute unresolved in mediation, arising from a dispute arising under this MOU, shall be settled by binding arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. If the parties agree, which agreement shall be in the sole discretion of each party, a mediator involved in the parties' mediation may be asked to serve as the arbitrator.

## **MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding (“Agreement”) between the Whittier Area Cooperative Special Education Program (“WACSEP”) and the Fullerton School District (“District”) takes effect July 1, 2015.

### **BACKGROUND**

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3, and 56195.5, WACSEP may provide for the education of individual students in special education programs who reside in other Special Educational Local Plan Areas (“SELPA”), districts, or counties. WACSEP operates programs for Deaf and Hard of Hearing (“DHH”) students who qualify as individuals with exceptional needs requiring intensive educational services under the Individuals with Disabilities Education Act (“IDEA”). The District has, or may have, students that it feels could be served by WACSEP and is seeking placement for those students. The parties therefore agree as follows:

### **AGREEMENT**

#### **1. Definitions**

**A.** “WACSEP” is the Whittier Area Cooperative Special Education Program. WACSEP is a SELPA consisting of seven area school districts: East Whittier City School District, El Rancho Unified School District, Little Lake City School District, Los Nietos School District, South Whittier School District, Whittier City School District, and Whittier Union High School District.

**B.** “DHH Program” refers collectively to the Total Communication Program and the Auditory Oral Program, each of which is defined below.

**C.** “Host District” means the WACSEP member school district that is housing the DHH Program on behalf of the SELPA.

**D.** “Total Communication Program” means classes and services operated by WACSEP for Deaf and Hard of Hearing students who are learning through total communication, utilizing sign language, note-takers, oral speech, and residual hearing. The Host District for the Total Communication Program is Little Lake School District and it is located at the Cresson Elementary School campus.

**E.** “Auditory Oral Program” means classes and services operated by WACSEP for Deaf and Hard of Hearing students who are learning through oral and written communication using oral speech, speech reading, residual hearing, auditory devices, and

cochlear implants. The Host District for the Auditory Oral Program is Whittier City School District and it is located at the Jackson Elementary School campus.

## **2. Term of Agreement**

The term of this Agreement begins on July 1, 2015, and ends at 5:00 p.m. on June 30, 2016. However, this Agreement may be terminated immediately, with or without cause, by either party with written notice. Upon notice of termination, the District must find a new placement for any students in the DHH Program within thirty days.

## **3. DHH Program**

### **A. Scope of Program**

WACSEP operates its DHH Program for its member districts but it may accept eligible students from the District referred by their Individualized Education Program (“IEP”) teams when it is jointly determined by the District and WACSEP that the student’s educational needs as specified in the student’s IEP can be appropriately met by the DHH Program.

WACSEP will maintain the DHH Program during the current academic year in accordance with the parameters established by its Local Plan and the member school district’s board policies and schedule. Class size ranges and student-adult ratios will be maintained in a manner which allows WACSEP to meet the programmatic, health and safety needs of the students.

### **B. Referral Process**

Prior to offering placement in the DHH Program, the District must contact the WACSEP Program Specialist that oversees the DHH Program to discuss a possible referral and the appropriateness of the DHH Program. If the referral seems appropriate, the District must obtain from the student’s parents an authorization to release information to WACSEP and submit a DHH Program Referral Packet to the WACSEP Program Specialist as well as schedule a visitation with the parent. DHH Referral Packets are available from the WACSEP DHH Program Specialist.

Upon review of the referral packet and site visit by parent, the WACSEP Program Specialist and District representative will coordinate an IEP team meeting for purposes of discussing possible placement in the DHH Program.

WACSEP reserves the right to refuse enrollment of any referral with or without cause.

**C. School Calendar and Extended School Year**

The DHH Program’s school calendar, including Extended School Year, will follow that of the Host District.

**D. Integration/Mainstreaming Opportunities**

The Host District where the DHH Program is located may provide opportunities for students enrolled in the DHH Program to integrate with non-disabled typical peers during the school day. These opportunities are typically in non-core curriculum areas such as physical education, art, music, assemblies, recess, and lunch. Some students enrolled in the DHH Program will participate in core curriculum activities for a portion of the school day in a program operated by the Host District, however, such students are supervised by DHH Program staff during such activities.

**E. Assessments**

WACSEP and the District will coordinate and collaborate in conducting assessments for students participating in the DHH Program. In the event DHH Program staff is not available to conduct a requested assessment, WACSEP will notify the District or District's SELPA who will be responsible for conducting the assessment(s). The District is ultimately responsible for conducting all assessments.

**F. Request for Independent Educational Evaluations**

In the event a request is made for an independent educational evaluation (“IEE”), WACSEP will immediately forward such request to the District and the District, in collaboration with WACSEP, will determine how to respond to the request for an IEE. If the District receives a request for assessment or IEE for a student referred to or enrolled in the DHH program, the District will immediately notify WACSEP of the request and collaborate with WACSEP as to how to respond. WACSEP or the District may also schedule an IEP team meeting to further discuss the requested IEE or assessment, however, the party scheduling the IEP will notify the other party so it may send a representative if it so chooses.

**G. Annual and Triennial IEP Meetings**

**i. Meeting Notification and Attendance**

The District will be notified of annual reviews scheduled for its students participating in the DHH Program and may provide a representative who will participate in the development of the annual IEP. For initial placement, triennial review, recommendations for home instruction, or a change in eligibility or services

specified on the current IEP, a District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the student's IEP must attend the IEP team meeting.

**ii. General Education Teacher Attendance**

For students enrolled in the DHH Program who are participating in a general education program on the school site in the school district where the DHH Program is located, WACSEP will work with the Host District to provide a general education teacher at IEP team meetings. In the event the Host District is unable to provide a general education teacher for the IEP team meeting, the District agrees to provide a general education teacher unless otherwise waived in writing by the student's parent in accordance with the IDEA and state law.

For all other students enrolled in the DHH Program, the District agrees to provide a general education teacher at IEP team meetings, unless otherwise waived in writing by student's parent in accordance with the IDEA and state law. Subject to approval by the student's parents, the general education teacher or other IEP team participants may use alternative means of meeting participation, such as video conferences and conference calls.

**iii. Progress Reports**

Progress reports relating to goals and objectives in a student's IEP will be sent by the DHH Program to parents per the student's IEP schedule for progress reporting and to the Director of Special Education of the District upon request. When requested by District or parent, an updated progress report will be provided if there is no current progress report.

**H. Transportation**

The District must provide transportation for its students participating in the DHH Program unless otherwise agreed upon between the District and WACSEP. District must ensure that vehicles arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up may result in charges to the District for additional costs incurred by WACSEP related to such delays.

**I. Home Instruction**

When a student is absent from school for more than ten consecutive school days as

a result of a medical condition and is expected to have an extended health related absence, the student's IEP team will review the IEP and determine appropriate educational services. A District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the student's IEP must participate in the IEP team meeting when considering a placement for home or hospital instruction.

When recommending placement for home or hospital instruction, the IEP team will consider documentation from the student's treating physician indicating the student's condition, verifying that the condition prevents the student from attending school and providing a projected date for the student's return to school. Any in-home instruction, including other related services, must be provided by the District or as otherwise agreed to by WACSEP and the District.

In the event the student is hospitalized in a facility located outside of the District, it is the District's responsibility to inform the parent that instruction will be provided in accordance with Education Code sections 48207 and 48208. In either circumstance, it may be necessary to exit the student from the DHH Program in order for the District to provide the necessary in-home instruction or for the student to receive hospital instruction. In the event WACSEP and the District agree that WACSEP will provide in-home or hospital instruction to the student, WACSEP will separately bill the District for such services.

#### **4. Billing for DHH Program**

##### **A. Student Enrollment**

A student will be counted as "enrolled" in the DHH Program on the first day of attendance in the program or 14 days after the IEP team has met and an approved IEP that has been executed for the student's educational placement in the DHH Program, whichever occurs sooner.

Students continuing in the DHH Program from the previous school year will be counted as "enrolled" on the first school day unless written notification of withdrawal is received from either the parent or the District. If a continuing student has not attended school by the tenth day of school, WACSEP will notify the District and a determination will be made regarding continuing enrollment.

In the event either WACSEP or the District are informed that a student has been withdrawn by the parent from the DHH Program, each agency must immediately notify the other of such withdrawal. Any student withdrawn by the parent from the DHH Program will no longer be counted as "enrolled" or considered a continuing student for the following school year.

## **B. Costs, Individual Services Agreements, and Billing Schedule**

### **i. Costs**

In consideration of the enrollment of students in the DHH program operated by WACSEP and housed by the Host District, the District agrees to pay the daily rate for each student, plus the costs for any non-embedded related services (outlined below) the student receives, which is based on the average costs which are attached to this Agreement as “Appendices A.” Notwithstanding any other provisions in this Agreement, the parties agree that as part of the billing arrangement, the Host District will collect the Average Daily Attendance (“ADA”) rate for the student.

### **ii. Individual Services Agreement**

In addition, the District must sign an Individual Services Agreement (“ISA”) for each student enrolled in the DHH Program which will outline the services the student is to receive. Execution of the ISA is required before a student can be enrolled in the DHH Program. The ISA is attached to this Agreement as “Appendices B.” However, the student’s IEP will be the controlling document in determining what services will be provided and any changes to the ISA must be made solely on the basis of a revision to the student’s IEP.

An ISA may be terminated by either party, with or without cause, with 30 days written notice. If an ISA is terminated, the District must find an alternate placement for its student. And in the event of conflicting terms, the terms of this Agreement supersede those of an ISA.

### **iii. Billing Schedule**

The District will be billed for each student for every day the student is enrolled in program. WACSEP will provide a billing invoice to the District. Payment will be due within 60 days of receipt of the billing invoice.

### **iv. Related Services**

The following related services are provided by WACSEP as part of its DHH Program: Speech-language pathology services (not to exceed one hour per week per student), audiological services (not to exceed one hour per week per student), aural habilitation, and sign language interpreting.

The following additional related services may be available by WACSEP, but will be billed separately: Speech-language pathology services that exceed one hour per week, audiological services that exceed one hour per week, intensive individual services (one-to-

one aides), physical therapy, occupational therapy, counseling and guidance.

Any other related services necessary for the student to benefit from the DHH Program must be provided by District or as otherwise agreed to by WACSEP and District, including translator services at IEP team meetings or translation of documents.

## **5. Miscellaneous Provisions**

### **A. Responsibility of School District of Residence**

Notwithstanding any other provision of this Agreement, the parties acknowledge that the District, as the student's district of residence, maintains primary responsibility as the local education agency ("LEA") to ensure the student receives a free appropriate public education ("FAPE") in the least restrictive environment ("LRE"). In the event a student participating in the DHH Program moves out of the District, the District must immediately provide WACSEP written notice of the student's change in residence, including the new school district of residence, if known. Similarly, WACSEP will immediately notify District in the event a parent reports a change in residence, including the new school district of residence, if known.

### **B. Due Process and Complaints**

WACSEP and District agree to collaborate and fully cooperate in any due process proceeding involving a student currently attending or formerly enrolled in the DHH Program, including resolution sessions, mediations, and hearings, as well as coordinating witness availability and producing documents regarding the student.

In the event WACSEP or the Host District is named as the sole LEA in a due process complaint, WACSEP and the District agree that the District, as the student's school district of residence, is a necessary party to the due process proceedings.

WACSEP, the Host District, and the District must also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state or federal governmental body or agency.

### **C. Notices**

All notices to be given pursuant to this Agreement, by either party to the other, must be in writing and: (a) delivered in person; (b) deposited in the United States Mail duly certified or registered, return receipt requested with postage prepaid; or (c) sent by Federal Express or other similar overnight delivery service. Notice is deemed to have been duly given and received upon: (a) personal delivery; (b) as of the third business day after deposit

in the United States Mail; or (c) the immediately succeeding business day after deposit with an overnight delivery service.

The failure of WACSEP in any one or more instances to insist upon strict performance of any of the terms of this Agreement or to exercise any option contained in this Agreement must not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon such terms or option on any future occasion.

**E. Indemnifications**

**i. General Indemnification**

To the fullest extent permitted by law, and except for the acts or omissions of employees, agents and officers of the District, WACSEP agrees to hold harmless, indemnify and defend the District and its governing board, officers, agents, and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with WACSEP's performance of services during the term of this Agreement.

CONSENT ITEM

**DATE:** June 9, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services  
**PREPARED BY:** Mathew Barnett, Ph.D., Director, Educational Services  
**SUBJECT:** **APPROVE SCIENCE KIT AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND SCIENCEWORKS CONSORTIUM COMMENCING JULY 1, 2015 AND ENDING JUNE 30, 2016**

Background: Fullerton School District joined ScienceWorks Consortium (a collaboration of the Huntington Beach City School District, Fountain Valley School District and the Westminster School District) to enhance and strengthen science instruction. The Consortium provides opportunities for the District to collaborate with these three districts to access professional development, science resources and curriculum. In addition, the Consortium refurbishes the hands-on science materials kits for the implementation of science lessons.

Rationale: Fullerton School District joined the ScienceWorks Consortium in an effort to be more cost effective in providing science kit refurbishment for science kits delivered to all K-6 classrooms. All K-2 classes receive the science kits two times per year. All 3-6 classes receive the kits three times per year. These science materials support center has the advantage of quantity purchasing discounts. The use of a system-wide science materials center is one of the components of the District's strategic science plan, which is vital to sustain our inquiry-based science program.

Funding: Cost is not to exceed \$150 per kit. Fullerton School District anticipates refurbishment of 1,160 kits during the year. The total will not exceed \$99,750 and will be paid from the donation fund (095).

Recommendation: Approve Science Kit Agreement between Fullerton School District and Science Works Consortium commencing July 1, 2015 and ending June 30, 2016.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. 16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. CONSENT ITEM

**DATE:** June 9, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**SUBJECT:** APPROVE AGREEMENT WITH EMERALD COVE OUTDOOR SCIENCE (ECOS) INSTITUTE FROM JULY 1, 2015 THROUGH JUNE 30, 2016

Background: Emerald Cove Outdoor Science (ECOS) Institute conducts an overnight Outdoor Science and Environmental Education program at its location in the San Bernardino Mountains. It is requested that the Board of Trustees approve the Outdoor Science School Agreement. ASCIP and Risk Management have approved Emerald Cove Outdoor Science (ECOS). Upon receiving this approval, schools will submit Request for Overnight Field Trip forms to participate in the outdoor science school program.

The Outdoor Science School Agreement was developed for the Fullerton School District by Orange County Department of Education Legal Services staff to ensure a consistent agreement for schools requesting participation in independent camps such as ECOS.

Acacia, Fern Drive, and Sunset Lane Schools have scheduled dates in 2015/2016 based upon Board of Trustee approval to participate in activities at ECOS. All requests and related documents are on file in the Superintendent's Office. Once the District has received approval to enter into the contract, other schools may be added to the program.

Rationale: Outdoor Science Schools, such as ECOS, offer an integrated, educational program that provides standards-based learning experiences with an emphasis in science, environmental education and social science concepts. Classroom curriculum lessons and labs will be conducted prior to the trip to prepare the students

Funding: Each participating school conducts fundraising activities to support the event. Fundraising activities are planned so that all students may attend regardless of economic status.

Recommendation: Approve Agreement with Emerald Cove Outdoor Science (ECOS) Institute from July 1, 2015 through June 30, 2016.

12.0 Termination. FSD agrees to deposit \$1,000.00 with the Outdoor Science School to guarantee that the Program and Site are available as agreed to in this Agreement. This deposit is fully refundable if written notice of cancellation by FSD to the Outdoor Science School is provided ninety (90) or more days prior to the scheduled arrival date of FSD at the Site. BOARD AGENDA ITEM

DISCUSSION

**DATE:** June 9, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** PROPOSED 2015/2016 BUDGET AND LOCAL CONTROL  
ACCOUNTABILITY PLAN (LCAP)—ALL FUNDS

Background: Education Code section 52062 requires that the Board of Trustees hold a public hearing for the proposed budget at the same meeting as the public hearing for the Local Control Accountability Plan (LCAP). The public hearing must take place in advance of and at a meeting separate from the Board meeting to adopt the LCAP and the budget. The proposed 2015/2016 budget for all District funds is presented for the Board's review.

The Board members are acting as three different entities when discussing the 2015/2016 budget: (1) as the legislative body of the Fullerton School District identified as District 22; (2) as the legislative body of Community Facilities District No. 2000-01 (Van Daele) identified as District 40; and (3) as the legislative body of Community Facilities District No. 2001-1 (Amerige Heights) identified as District 48.

Rationale: Education Code Sections 42127 and 52062 require every school district to hold a public hearing for the LCAP and the budget prior to adoption.

Funding: The District is projecting the following General Fund Unrestricted Fund Balance reserves:

2015/2016	21.50%
2016/2017	20.80%
2017/2018	20.34%

Recommendation: Not Applicable.

## ***BUSINESS SERVICES DIVISION***

**DATE:** June 9, 2015

**TO:** Board of Trustees  
Robert Pletka, Ed.D.

**FROM:** Susan Cross Hume, CPA, CIA, CGMA  
Assistant Superintendent, Business Services

**SUBJECT:** PROPOSED BUDGET FOR 2015-16 AND MULTI-YEAR FINANCIAL PROJECTIONS

The estimated ending balances for the 2014-15 fiscal year and our initial budget for the 2015-16 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

### **2014-15 Estimated Unaudited Actuals**

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our Orange County Department of Education (OCDE) projection.  
LCFF has increased \$2,403 since Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.  
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals. Carryover balances have been projected in the MediCal Reimbursement, Special Education Mental Health, and Proposition 20 Lottery programs.
- Analysis and revision of General Fund expense accounts.  
Fiscal staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are a few reductions between the budget as presented at Second Interim and the Estimated Actuals. In general, Estimated Actuals represent underspending of previously shown budgeted amounts, resulting in an improvement to the ending fund balance results.
- Projection of Restricted Fund balance carryovers.  
District fiscal staff has analyzed estimated results for each categorical program the District operates.
- All other line item 2014-15 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end April 30, 2015) and the adjustments noted above, the District estimates final unaudited actual results in the General Fund, which reflect an improvement of \$2,833,609 over Second Interim budgeted net income. This consists of an increase of \$1,453,609 in budgeted net income in the Unrestricted Fund and an increase of \$1,380,000 in budgeted net income in the Restricted Fund.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$2,217,854). This consists of a net increase in the Unrestricted Fund of \$502,880 combined with a net decrease in the Restricted Fund of (\$2,720,734). This deficit spending reflects spending down of prior year categorical funds carryovers.

The estimated total ending General Fund balance at June 30, 2015, is \$28,122,521. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$25,713,411, which is 21.74% of total General Fund expenditures. (The state requirement is 3%.)

These projections constitute our best estimate at this time of how the District will finish the 2014-15 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

## **2015-16 Budget**

### ***State Budget Outlook***

On January 9, 2015, Governor Brown introduced his proposed 2015-16 State Budget, beginning the legislative process for the upcoming fiscal year. On May 14, 2015, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

The Governor's original and revised budget proposals reflect tremendous growth in K-14 funding. Thanks to substantial state revenue growth and the proposition 98 guarantee, the Governor's 2015-16 May Revision builds on his January proposal by providing additional increased funding to further implement the LCFF, as well as significant additional one-time discretionary funding. The Governor proposes that remaining increases in state funding primarily go towards paying down state debts and making deposits into the state's Rainy Day Fund.

Overall, the proposed budget provides an additional \$4 billion to the \$2.1 billion allocated for LCFF in January (for a total of \$6.1 billion). This would close the gap rate to 53.08%, and provide an average state-wide increase of 14.13%, or \$1,088 per ADA (Average Daily Attendance). The Governor also proposes an additional \$2.4 billion in discretionary one-time funds addition to the \$1.1 billion from January, for a total of \$3.5 billion for LEAs—\$601 per ADA. Once again, these funds will offset any applicable mandate reimbursement claims.

At the time of this writing, the Legislature and the Governor are still in session, and the final budget had not yet been determined. The District's budget was built on the Governor's January proposal and will be adjusted once the state passes its final budget.

### ***FSD 2015-16 Budget***

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE), and the Orange County Department of Education. The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Therefore, the District will prepare its budget based upon the Governor's January proposal, updated with as current of information as is available. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2014-15 reported P-2 ADA. Since the state budget was still undetermined as of the preparation of the District budget, the District has conservatively estimated state LCFF revenue using the annual gap funding percentages as projected by the Department of Finance for the January Budget revision, with no other COLAs applied to any other state programs, except for Special Education. The District has not added any new state-funded programs to its budget.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2015-16 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

The following provides more details on the budget.

### ***Revenues***

The 2015-16 General Fund budget projects total revenues of \$120.2 million, for a net increase (over 2014-15 estimated revenues) of \$4.2 million. The majority of the net change is due to a projected increase in the LCFF revenue.

LCFF income is projected to increase due to a small COLA increase (1.58%), combined with an increase in the target-gap funding rate from 29.15% to 32.19%. The unduplicated count percent decreased very slightly to 51.98%. This results in a per-ADA increase to LCFF funding of 7.8%.

This increase is offset somewhat by a decline in the District's apportionment earning ADA. For the first time in many years, District P-2 ADA declined in fiscal 2014-15 by 180. The state allows a one-year "hold harmless," so this drop is reflected in 2015-16 LCFF revenue. There is no further projected change in District ADA for the budget.

Federal revenues are projected with no COLA and a projected decrease as a result of the exclusion of carryover balances.

State categorical programs are budgeted with a Ø COLA, except for Special Education. The majority of the increase in state revenues from 2014-15 to 2015-16 reflects one-time monies received in 2015-16 for Mandated Cost reimbursements.

Other revenues are based upon historical trends and estimated actuals.

### ***Interfund Transfers-In***

Interfund transfers-in reflect a \$1.0 million reduction as a result of 2014-15 being the final year of fund balance transfers from Fund 17 Special Reserve Fund-Other Than Capital Outlay, and Fund 20 Special Reserve Fund-Post Employment Benefits. These two funds will be closed at the end of 2014-15.

### ***Expenditures***

For 2015-16, total General Fund expenditures are projected at \$120.3 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. Additionally, due to increases in LCFF funding, the District has been able to add new programs

and expenditures to its budget. Through the LCAP process, the District identified areas of need for new spending. Major increases have been added for increased and/or improved services to targeted pupils, Common Core implementation, site-based programs and expenses, and various program enhancements. See the attached list for more details.

### ***Uncertainties Regarding the State Budget***

As previously noted, due to the requirement for the Board to review and approve both the LCAP and the budget over two meetings, the District was obligated to complete this budget before the Governor released his May Revision. Therefore, this budget is based upon his January budget. However, the Governor's May Revision was significantly improved for K-12 education from his January budget. Although the District has used a "best guess" estimate of its state revenues, it believes that the projected revenues are conservatively estimated and that revised budget amounts, once a final budget is received from the state, will be significantly better than what is projected in this budget.

### ***Change in Fund Balance***

Based upon these assumptions, the estimated total ending General Fund balance for the 2015-16 fiscal year shows a net decrease of (\$37,288). The Restricted (Categorical) General Fund is budgeted to decrease (\$182,345), and the Unrestricted General Fund is budgeted to increase \$145,057.

The estimated total ending General Fund balance for the 2015-16 fiscal year is \$28,085,233. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$25,858,468, which is 21.50% of total General Fund expenditures.

### **Three-Year Projection**

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District's financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District's projected ADA.

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages as of the Governor's January budget proposal. The District is not projecting that its current 51.98% Unduplicated Percentage of enrollment will fluctuate by more than 1% for the subsequent two years of the projection.

ADA: The District is projecting no change to ADA in either the 2016-17 or 2017-18 fiscal years.

The District's three-year projection shows Unrestricted General Fund ending fund balance amounts as follows:

	<u>Percent</u>	<u>Amount Above 3%</u>
June 30, 2016	21.50%	\$22,250,919
June 30, 2017	20.80%	\$21,797,566
June 30, 2018	20.34%	\$21,869,495

As noted above, the District's projections are expected to improve with the final budget approved by the Legislature and the Governor.

**Required Disclosure under Education Code Section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state recommended minimum level**

Education Code Section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs to the District of declining enrollment. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	<u>Assigned</u>	<u>Unassigned</u>	<u>3% Minimum</u>	<u>Amount Above 3% Minimum</u>
June 30, 2016	\$913,429	\$25,858,468	\$3,607,549	\$23,164,348
June 30, 2017	\$913,429	\$25,471,015	\$3,673,449	\$22,710,995
June 30, 2018	\$913,429	\$25,653,762	\$3,784,267	\$22,782,924

## OTHER FUNDS

**Child Development Fund:** The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Cafeteria Fund:** The Cafeteria Fund continues to operate in a strong financial position. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Deferred Maintenance Fund:** The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

**Special Reserve Fund—Other than Capital Outlay:** This Special Reserve Fund accounts for mandated cost revenues previously set aside by the District as a “rainy day” fund. The District is now drawing down on those funds in order to close this fund. Amounts transferred to the Unrestricted General Fund are \$875,000 in the current fiscal year and zero in the budget year. The projected balance at June 30, 2015, is zero.

**Special Reserve Fund—Post Employment Benefits:** This Special Reserve Fund accounts for amounts previously set aside by the District to fund retiree benefits. Amounts transferred to the Unrestricted General Fund are \$127,000 in the current fiscal year and zero in the budget year. The projected balance at June 30, 2015, is zero.

**Bond Building Fund:** This fund accounts for amounts remaining from the District’s former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund.

**Capital Facilities Fund:** The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$1,408,000 in fees was collected in 2014-15. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment.

**Special Reserve Fund—Capital Outlay Projects:** This fund records financial activity related to the Laptop Reserve, and also revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund.

**Capital Projects Fund—Blended Components:** This fund records the financial activity related to the District’s two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bond holders as well as administrative expenses related to the CFDs’ operations. Various capital projects for schools in the CFD areas are financed through this fund.

**Self-Insurance Fund:** The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers’ Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund, Cafeteria Fund, and Child Development Fund. The amounts charged in 2014-15 provided sufficient funding. This transfer will be increased \$100,000 for 2015-16.

Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided more than sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2014-15.

The Dental Self-Insurance Reserve maintains a balance to pay any tail claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.
