CONSENT ITEM

**DATE:** July 29, 2014  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** **APPROVE/RATIFY CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND FAST DEER BUS CHARTER, INC., TO PROVIDE TRANSPORTATION FOR FIELD TRIPS, EFFECTIVE JULY 30, 2014 THROUGH JUNE 30, 2015**

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Fast Deer Bus Charter, Inc., to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective upon Board approval through June 30, 2015, with Fast Deer Bus Charter, Inc., to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips that the District's drivers cannot accomplish with the least expensive carrier that can perform the requested work.

Fast Deer Bus Charter, Inc., has met the District's insurance liability requirements. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Recommendation: Approve/Ratify contract with Fast Deer Bus Charter, Inc., to provide transportation for field trips, effective July 30, 2014 through June 30, 2015.

**SUBJECT:** **APPROVE/RATIFY CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND PACIFIC COACHWAYS CHARTER SERVICES TO PROVIDE TRANSPORTATION FOR FIELD TRIPS, EFFECTIVE JULY 30, 2014 THROUGH JUNE 30, 2015**

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Pacific Coachways Charter Services to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective July 30, 2014, through June 30, 2015, with Pacific Coachways Charter Services to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips that the District's drivers cannot accomplish with the least expensive carrier that can perform the requested work.

Pacific Coachways Charter Services has met the District's insurance liability requirements. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

**SUBJECT:** **APPROVE MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN FULLERTON SCHOOL DISTRICT AND THE COTSEN FOUNDATION FOR IMPLEMENTATION OF *THE ART OF TEACHING* MENTORING AND FELLOWSHIP PROGRAM DURING THE 2014/2015 AND 2015/2016 SCHOOL YEARS**

Background: The Cotsen Foundation for the *Art of Teaching's* mission, established in 2001, is the development of gifted teachers. Mentoring is the strategy that successfully promotes gifted teaching in many individuals and high quality teaching in others. Gifted teachers change the lives of children. These consummate professionals spark a passion for learning in the hearts and minds of young people. Cotsen's *Art of Teaching* vision is that every child experiences the magical touch of gifted teachers and for a lifetime they remember those who helped them become exuberant, lifelong learners. To achieve this end, the Cotsen Foundation for the *Art of Teaching* funds individual teaching mentorships, fellowships, and grants to select elementary schools in California to implement the *Art of Teaching* mentoring program.

Rationale: Fullerton School District (FSD) actively seeks ways to improve instructional practice in order to provide the very best education to our students. The Cotsen Foundation has selected FSD as the 21<sup>st</sup> California district and only the 2<sup>nd</sup> in Orange County, to grant mentorships and fellowships to Acacia School and Valencia Park School for 2014-2016. Each of these schools will have one mentor teacher released full time for two years and up to seven fellowship teachers funded to train and collaborate with the Cotsen mentor teacher.

Funding: There is no cost to the District. The Cotsen Foundation fully funds the cost of releasing the Mentor teacher and provides up to \$500.00 to release Fellowship teachers for trainings throughout the two years.

Recommendation: Approve Memorandum of Understanding (MOU) between Fullerton School District and the Cotsen Foundation for implementation of the *Art of Teaching* mentoring and fellowship program during the 2014/2015 and 2015/2016 school years.

**FROM:** Janet Morey, Assistant Superintendent, Educational Services

**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND SARAH LANDIS TO PROVIDE PROFESSIONAL DEVELOPMENT TRAINING ON AUGUST 29, 2014 FOR BEECHWOOD AND ACACIA SCHOOLS**

Background: In the 2014/2015 school year, the California Common Core State Standards will be fully implemented and assessed. Understanding how the standards differ from previous standards and the necessary shifts they call for is essential to implementing the standards well. In the Common Core and Smarter Balanced Assessment Consortium (SBAC) testing, there is a greater emphasis on argument, information, and narrative writing. Two schools, Acacia and Beechwood, have piloted Columbia University's Readers and Writers Workshop (Lucy Calkins), which provides systematic, research based K-8 writing progressions that are aligned to the Common Core.

Rationale: Sarah Landis has presented and provided training in several school districts around the State. She has been trained in the Lucy Calkins Readers and Writers Workshop and uses technology strategies to expand and enrich content in student writing. Beechwood and Acacia Schools are developing writing literacy programs in grades 1-8, which will provide a model writing literacy plan for the District.

Funding: Cost is not to exceed \$1,500.00 to be paid from District (302) funds.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Sarah Landis to provide professional development training on August 29, 2014 for Beechwood and Acacia Schools.

this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. **SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT (FSD) AND RUBEN R. PUENTEDURA, Ph.D., TO PROVIDE PROFESSIONAL DEVELOPMENT TRAINING ON AUGUST 29, 2014**

Background: Several years ago, Fullerton School District (FSD) began analyzing the use of technology integration into classrooms. The Substitution, Augmentation, Modification, Redefinition (SAMR) model provides a framework for transforming educational technology in the classroom to its highest application level. Teachers will be shown how using technology (application, program, website, etc.) within the SAMR model can help them further personalize their teaching of the ELA Capacities and Mathematical Practices as required in the Common Core State Standards (CCSS).

Over the past six years, Fullerton School District has established an active and collaborative professional partnership with California State University, Fullerton (CSUF). Both FSD and CSUF faculty and administrators will attend this training day to further strengthen and update the teacher education and credentialing program offerings and the District's instructional practice in CCSS and educational technology. CSUF has agreed to host the August 29, 2014 staff development day on their campus.

Rationale: Dr. Ruben R. Puentedura is the Founder and President of Hippasus, an educational consulting firm focusing on transformative applications of information technologies to education. For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

7. AIR OR WATER POLLUTION VIOLATION: Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued

pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

8. PAYEE DATA RECORD FORM STD. 204: This form must be completed by all contractors that are not another state agency or other governmental entity.

**SUBJECT:** **APPROVE RESOLUTION #14/15-05 AUTHORIZING THE ISSUANCE OF THE FULLERTON SCHOOL DISTRICT (ORANGE COUNTY, CALIFORNIA) 2014 GENERAL OBLIGATION REFUNDING BONDS**

Background:

An Election was held in the Fullerton School District (the "District") on March 5, 2002, for the issuance and sale of general obligation bonds of the District for various purposes in the maximum principal amount of \$49,700,000 (the "2002 Authorization"). The District has previously caused the issuance of general obligation bonds under the 2002 Authorization, including \$9,699,542.05 original principal amount of its General Obligation Bonds, 2002 Election, Series B (the "Prior Bonds").

The District now desires to refinance all or a portion of the outstanding Prior Bonds (so refunded, the "Refunded Bonds") through the issuance of general obligation refunding bonds (the "Refunding Bonds") in an aggregate principal amount of not-to-exceed \$7,500,000. All benefits from the refunding will be delivered to the property owners in the District. The final maturity of the Refunding Bonds will not be later than the final maturity date of the Refunded Bonds.

- (a) Resolution. This Resolution authorizes the issuance of the Refunding Bonds, in one or more series of federally taxable or federally tax-exempt bonds, specifies the basic terms, parameters and forms of the Refunding Bonds, and approves the form of Purchase Contract, Continuing Disclosure Certificate, Escrow Agreement and Preliminary Official Statement described below. In particular, Section 1 of the Resolution establishes the maximum aggregate principal amount of the Refunding Bonds to be issued (\$7,500,000). Section 4 of the Resolution states the maximum underwriting discount (0.5%) with respect to the Refunding Bonds, and authorizes the Refunding Bonds to be sold at a negotiated sale to an underwriter (the "Underwriter") to be determined and selected in consultation with the District's financial advisor, Piper Jaffray & Co. The Resolution authorizes the issuance of current interest bonds only.
- (b) Form of Purchase Contract. Pursuant to the Purchase Contract, the Underwriter will agree to buy the Refunding Bonds from the District. All of the conditions of closing the transaction are set forth in this document, including the documentation to be provided at the closing by various parties. Upon the pricing of the Refunding Bonds, the final execution copy of the Purchase Contract will be prepared following this form.
- (c) Form of Preliminary Official Statement. The Preliminary Official Statement ("POS") is the offering document describing the Refunding Bonds which may be distributed to prospective purchasers of the Refunding Bonds. The POS discloses information with respect to, among other things, (i) the

proposed uses of proceeds of the Refunding Bonds, (ii) the terms of the Refunding Bonds (interest rate, transfer terms, etc.), (iii) the bond insurance policy for the Refunding Bonds, if any, (iv) the security for repayment of the Refunding Bonds (the tax levy), (v) information with respect to the District's tax base (upon which such *ad valorem* property taxes may be levied), (vi) District financial and operating data, (vii) continuing disclosure with respect to the Refunding Bonds and the District, and (viii) absence of litigation and other miscellaneous matters expected to be of interest to prospective purchasers of the Refunding Bonds. Following the pricing of the Refunding Bonds, a final Official Statement for the Refunding Bonds will be prepared, substantially in the form of the POS.

- (d) Form of the Continuing Disclosure Certificate. The form of the Continuing Disclosure Certificate can be found in Appendix C to the POS. All underwriters of municipal bonds, are obligated to procure from the issuer or obligor of such bonds a covenant that such public agency will annually file "material financial information and operating data" and file notices of certain specified events through the web-based Electronic Municipal Market Access ("EMMA") system maintained by the Municipal Securities Rulemaking Board (which is the agency that regulates "broker-dealers," including investment bank firms that underwrite municipal bond issues). This requirement is expected to be satisfied by the filing of the District's audited financial statements and other operating information about the District, in the same manner the District has filed in connection with prior bond issuances. The purpose of the law is to provide secondary market investors in municipal bonds with current information regarding such bonds and the entities repaying them.
- (e) Escrow Agreement. Pursuant to the Escrow Agreement, proceeds from the sale of the Refunding Bonds in an amount sufficient to redeem the Refunded Bonds will be deposited in an escrow fund (the "Escrow Fund") held by U.S. Bank National Association (acting as "Escrow Agent"). The monies in the Escrow Fund will be used by the Escrow Agent to refund the Refunded Bonds on the first optional redemption date thereof following the issuance of the Refunding Bonds. As a result of the deposit and application of funds so provided in the Escrow Agreement, the Refunded Bonds will be defeased and the obligation of Orange County to levy *ad valorem* property taxes for payment of the Refunded Bonds will cease, being replaced by an obligation to levy such taxes for payment of the Refunding Bonds.

Rationale: Staff recommends approval of Resolution #14/15-05 authorizing the issuance of the Fullerton School District (Orange County, California) 2014 General Obligation Refunding Bonds.

Funding: There is no fiscal impact to the General Fund resulting from the issuance of the Refunding Bonds.

Recommendation: Approve Resolution #14/15-05 authorizing the issuance of the Fullerton School District (Orange County, California) 2014 General Obligation Refunding Bonds.

#### SECTION 6. Terms of the Refunding Bonds.

(a) Denomination, Interest, Dated Dates. The Refunding Bonds shall be issued as bonds registered as to both principal and interest, in the denominations of \$5,000 or any integral multiple thereof. The Refunding Bonds will be initially registered to “Cede & Co.,” the nominee of the DTC.

Each Refunding Bond shall be dated the date of delivery of the Refunding Bonds or such other date as shall appear in the Purchase Contract or the Official Statement (the “Date of Delivery”), and shall bear interest at the rates set forth in the Purchase Contract from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before the first Record Date, in which event it shall bear interest from the Date of Delivery. Interest with respect to the Refunding Bonds shall be payable on the respective Bond Payment Dates and shall be computed on the basis of a 360-day year of twelve 30-day months.

No Refunding Bond of any series shall mature later than the final maturity date of the Refunded Bonds to be refunded from proceeds of such Refunding Bonds.

(b) Redemption.

(i) Optional Redemption. The Refunding Bonds shall be subject to optional redemption prior to maturity as provided in the Purchase Contract or the Official Statement.

(ii) Mandatory Redemption. Any Refunding Bonds issued as Term Bonds shall be subject to mandatory sinking fund redemption as provided in the Purchase Contract or the Official Statement.

In the event that a portion of any Term Bond is optionally redeemed pursuant to Section 6(b)(i) hereof, the remaining sinking fund payments shall be reduced proportionately, in integral multiples of \$5,000, in respect to the portion of such Term Bond optionally redeemed.

(iii) Selection of Refunding Bonds for Redemption. Whenever provision is made in this Resolution for the redemption of Refunding Bonds and less than all outstanding Refunding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select Refunding Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Refunding Bonds for redemption by lot; provided, however, the Purchase Contract may provide that, within a maturity, Refunding Bonds shall be selected for redemption on a “Pro Rata Pass-Through Distribution of Principal” basis in accordance with DTC procedures, provided further that, such pro-rata redemption is made in accordance with the operational arrangements of DTC then in effect.

Redemption by lot shall be in such manner as the Paying Agent shall determine; provided however, that the portion of any Refunding Bond to be redeemed in part shall be in the principal amount of \$5,000 or any integral multiple thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to Section 6(b)(i) hereof, the Paying Agent, upon written instruction from the District, shall give notice (a "Redemption Notice") of the redemption of the Refunding Bonds. Such Redemption Notice shall specify: the Refunding Bonds or designated portions thereof (in the case of redemption of the Refunding Bonds in part but not in whole) which are to be redeemed; the date of redemption; the place or places where the redemption will be made, including the name and address of the Paying Agent; the redemption price; the CUSIP numbers (if any) assigned to the Refunding Bonds to be redeemed, the Refunding Bond numbers of the Refunding Bonds to be redeemed in whole or in part and, in the case of any Refunding Bond to be redeemed in part only, the principal amount of such Refunding Bond to be redeemed; and the original issue date, interest rate and stated maturity date of each Refunding Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Refunding Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued to the redemption date thereon, and that from and after such date, interest with respect thereto shall cease to accrue.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(A) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Refunding Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(B) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service to the Securities Depository.

(C) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service to one of the Information Services.

A certificate of the Paying Agent or the District that a notice of redemption has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Refunding Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Refunding Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Refunding Bonds being redeemed with the proceeds of such check or other transfer. Such redemption notices may state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Refunding Bonds.

With respect to any notice of optional redemption of Refunding Bonds (or portions thereof) pursuant to Section 6(b)(i) hereof, unless upon the giving of such notice such Refunding Bonds (or portions thereof) shall be deemed to have been defeased pursuant to Section 19 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the Paying Agent (or an independent escrow agent selected by the District) on or prior to the date fixed for

such redemption of the moneys necessary and sufficient to pay the principal of, and premium, if any, and interest on, such Refunding Bonds (or portions thereof) to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, no portion of the Refunding Bonds shall be subject to redemption on such date and such Refunding Bonds (or portions thereof) shall not be required to be redeemed on such date. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, to the persons to whom and in the manner in which the notice of redemption was given, that such moneys were not so received. In addition, the District shall have the right to rescind any notice of redemption, by written notice to the Paying Agent on or prior to the date fixed for redemption. The Paying Agent shall distribute notice of rescission of such notice in the same manner that the notice was originally provided.

(v) Partial Redemption of Refunding Bonds. Upon the surrender of any Refunding Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Refunding Bond or Refunding Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Refunding Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Refunding Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Refunding Bonds to be redeemed as provided in Section 6(b)(i) hereof, together with interest accrued to such redemption date, shall be held by the Paying Agent (or an independent escrow agent selected by the District), as provided in Section 19 hereof, so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Refunding Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent (or an independent escrow agent selected by the District) for the redemption of Refunding Bonds shall be held in trust for the account of the Owners of the Refunding Bonds so to be redeemed.

All Refunding Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Refunding Bond purchased by the District shall be cancelled by the Paying Agent.

(vii) Refunding Bonds No Longer Outstanding. When any Refunding Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Refunding Bonds or portions thereof, and, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Refunding Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Refunding Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Refunding Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register (as defined below) maintained by the Paying Agent in the name of the Nominee, as nominee of the Depository and ownership of the Refunding Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

The District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such the Refunding Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Refunding Bonds; (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to the Refunding Bonds, including any notice of redemption; (iii) the selection by the Depository and its Participants of the beneficial interests in the Refunding Bonds to be prepaid in the event the District redeems the Refunding Bonds in part; (iv) or the payment by the Depository or any Participant or any other person, of any amount with respect to principal, premium, if any, or interest on the Refunding Bonds. The District and the Paying Agent may treat and consider the person in whose name each the Refunding Bond is registered in the Bond Register as the absolute owner (the “Registered Owner” or “Owner”) of such the Refunding Bond for the purpose of payment of principal of and premium and interest on and to such Refunding Bond, for the purpose of giving notices of redemption and other matters with respect to such Refunding Bond, for the purpose of registering transfers with respect to such Refunding Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Refunding Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal of, and premium, if any, and interest on the Refunding Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal of, and premium, if any, and interest on the Refunding Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word “Nominee” in this Resolution shall refer to such nominee of the Depository.

(1) Delivery of Letter of Representations. In order to qualify the Refunding Bonds for the Depository’s book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in the Refunding Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Refunding Bonds for the Depository’s book-entry program.

(2) Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for the Refunding Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Refunding Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such the Refunding Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Refunding Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Refunding Bonds shall designate, in accordance with the provisions of this Section 6(c).

(3) Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Refunding Bonds are held in book-entry and registered in the name of the Nominee, all payments by the District or Paying Agent with respect to principal of and premium, if any, or interest on the Refunding Bonds and all notices with respect to such Refunding Bonds shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

(4) Transfer of Refunding Bonds to Substitute Depository.

(A) The Refunding Bonds shall be initially issued as described in the Official Statement. Registered ownership of such Refunding Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its Nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Refunding Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Refunding Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt

of all outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Refunding Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Refunding Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption of any Refunding Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Refunding Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Refunding Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Refunding Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Refunding Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Refunding Bonds.

SECTION 7. Execution of Refunding Bonds. The Refunding Bonds shall be signed by the President of the Board of Trustees of the District, or a designee thereof, by his or her manual or facsimile signature and countersigned by the manual or facsimile signature of the Clerk of the Board or Secretary to the Board, or a designee thereof, all in their official capacities. No Refunding Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Refunding Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Refunding Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution. There shall be attached to each Refunding Bond the legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, and, immediately preceding such legal opinion, a certificate executed with the facsimile signature of the Secretary to the Board of Trustees, said certificate to be in substantially the following form:

The following is a true copy of the opinion rendered by Stradling Yocca Carlson & Rauth, a Professional Corporation in connection with the issuance of, and dated as of the date of the original delivery of, the bonds. A signed copy is on file in my office.

SECTION 8. Paying Agent; Transfer and Exchange. So long as any of the Refunding Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its designated office all books and records necessary for the registration, exchange and transfer of the Refunding Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Refunding Bond is registered on the Bond Register shall be regarded as the absolute Owner of that

Refunding Bond for all purposes of this Resolution. Payment of or on account of the principal or premium, if any, of and interest on any Refunding Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Refunding Bonds, including interest, to the extent of the amount or amounts so paid.

Any Refunding Bond may be exchanged for Refunding Bonds of like tenor, maturity and transfer amount upon presentation and surrender at the designated office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Refunding Bond may be transferred on the Bond Register only upon presentation and surrender of the Refunding Bond at the designated office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Refunding Bond or Refunding Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the transfer amount of the Refunding Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Refunding Bonds only after the new Refunding Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Refunding Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Refunding Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Refunding Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Refunding Bonds surrendered upon that exchange or transfer.

Any Refunding Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Refunding Bonds that the District may have acquired in any manner whatsoever, and those Refunding Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Refunding Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Refunding Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Refunding Bonds during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Refunding Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Refunding Bonds which have been selected or called for redemption in whole or in part.

**SECTION 9. Payment.** Payment of interest on any Refunding Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate principal of \$1,000,000 or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on

file with the Paying Agent as of the Record Date. The principal, and redemption price, if any, shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The interest, principal and premiums, if any, on the Refunding Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Refunding Bonds when duly presented for payment at maturity, and to cancel all Refunding Bonds upon payment thereof. The Refunding Bonds are general obligations of the District, payable without limit as to rate or amount solely from the levy of *ad valorem* property taxes upon all property subject to taxation within the District.

SECTION 10. Form of Refunding Bonds. The Refunding Bonds shall be in substantially the following form, allowing those officials executing the Refunding Bonds to make the insertions and deletions necessary to conform the Refunding Bonds to this Resolution, the Purchase Contract and the Official Statement:

This bond and the issue of which this bond is one are general obligation bonds of the District payable as to both principal and interest solely from the proceeds of the levy of *ad valorem* taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount.

SECTION 11. Delivery of Refunding Bonds. The proper officials of the District shall cause the Refunding Bonds to be prepared and, following their sale, shall have the Refunding Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Refunding Bonds, to the Underwriter upon payment of the purchase price therefor.

SECTION 12. Deposit of Proceeds of Refunding Bonds; Escrow Agreement. An amount of the proceeds from the sale of the Refunding Bonds necessary to purchase Federal Securities, or to otherwise refund the Refunded Bonds, shall be transferred to the Escrow Agent for deposit in the escrow fund (the "Escrow Fund") established under the Escrow Agreement, which amount, together with an amount or amounts of cash held uninvested therein, shall be sufficient to refund the Refunded Bonds all as set forth in a certificate of an Authorized Officer. Proceeds received from the sale of the Refunding Bonds desired to pay all or a portion of the costs of issuing the Refunding Bonds may be deposited in the fund of the District held by a fiscal agent selected thereby and known as the "Fullerton School District 2014 General Obligation Refunding Bonds Cost of Issuance Fund" (the "Cost of Issuance Fund") and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying costs of issuance of the Refunding Bonds.

Any accrued interest received by the District from the sale of the Refunding Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the "Fullerton School District 2014 General Obligation Refunding Bonds Debt Service Fund" (the "Debt Service Fund") for the Refunding Bonds and used only for payments of Principal of and interest on the Refunding Bonds. The Debt Service Fund shall be held by the County. Money on deposit in the debt service fund established for the Refunded Bonds collected to make the payments on the Refunded Bonds due on and after February 1, 2015, as applicable (i) may be used to pay the debt service due on and after February 1, 2015, as applicable on any Prior Bonds not to be refunded from proceeds of the Refunding Bonds, (ii) may be transferred to the Escrow Fund and applied as set forth in the Escrow Agreement or (iii) may be used to pay principal of and interest due, if any, on the Refunding Bonds. Any premium received by the District from the sale of the Refunding Bonds may be transferred to the Debt Service Fund or applied to the payment of the costs of issuance of the Refunding Bonds, or some combination of deposits. Any excess proceeds of the Refunding Bonds not needed for the authorized purposes set forth herein for which the Refunding Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of the Principal of and interest on the Refunding Bonds. If, after payment in full of the Refunding Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District. Notwithstanding any of the foregoing, the provisions of this Section 12 as they relate to the dispersal and allocation of moneys on deposit in the debt service funds established for the Refunded Bonds collected to pay the interest and principal due on and after February 1, 2015, as applicable on the Refunded Bonds and the provisions of this Section 12 as they relate to the application of any premium received by the District from the sale of the Refunding Bonds may be amended by the Purchase Contract so long as the transactions contemplated by such amendment are in compliance with the provisions of the Act.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Refunding Bonds as the same become due and payable, shall be transferred by the County to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest on the Refunding Bonds. DTC will thereupon make payments of principal and interest on the Refunding Bonds to the DTC Participants who will thereupon make payments of principal and interest to the beneficial owners of the Refunding Bonds. Any moneys remaining in the Debt Service Fund after the Refunding Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the general fund of the District.

Except as required below to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay Principal and interest on the Refunding Bonds when due.

SECTION 13. Rebate Fund.

(a) General. If necessary, there shall be created and established a special fund designated the “Fullerton School District 2014 General Obligation Refunding Bonds Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Rebate Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and Section 14 of this Resolution and by the Tax Certificate concerning certain matters pertaining to the use and investment of proceeds of the Refunding Bonds, executed and delivered to the District on the date of issuance of the Refunding Bonds, including any and all exhibits attached thereto (the “Tax Certificate”).

(b) Deposits.

(i) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate) (1) the District shall calculate or cause to be calculated with respect to the Refunding Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Rebate Regulations, using as the “computation date” for this purpose the end of such five Bond Years, and (2) the District shall deposit to the Rebate Fund from deposits from the District or from amounts available therefor on deposit in the other funds established hereunder, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated.

(ii) The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section.

(iii) The District shall not be required to calculate the “rebate amount” and the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Refunding Bonds (including amounts treated as the proceeds of the Refunding Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148 (f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations or the small issuer exception of Section 148(f)(4)(D) of the Code, whichever is applicable, and otherwise qualify for the exception of the Rebate Requirement pursuant to whichever of said sections is applicable, or (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Withdrawal Following Payment of Refunding Bonds. Any funds remaining in the Rebate Fund after redemption of all the Refunding Bonds and any amounts described in paragraph (ii) of

subsection (d) of this Section, including accrued interest, shall be transferred to the General Fund of the District.

(d) Withdrawal for Payment of Rebate. Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(i) not later than sixty (60) days after the end of (a) the fifth (5th) Bond Year, and (b) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Rebate Regulations; and

(ii) not later than sixty (60) days after the payment of all Refunding Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Rebate Regulations.

(e) Rebate Payments. Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by or on behalf of the District.

(f) Deficiencies in the Rebate Fund. In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(g) Withdrawals of Excess Amount. In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, upon written instructions from the District, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) Record Retention. The District shall retain records of all determinations made hereunder until three years after the retirement of the Refunding Bonds.

(i) Survival of Defeasance. Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Refunding Bonds.

SECTION 14. Security for the Refunding Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Refunding Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Refunding Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal of and interest on the Refunding Bonds when and as the same fall due. The District covenants to cause the County to take all actions necessary to levy such *ad valorem* tax in accordance with this Section 14 and Section 53559 of the Act.

SECTION 15. Arbitrage Covenant. The District will restrict the use of the proceeds of the Refunding Bonds in such manner and to such extent, if any, as may be necessary, so that the Refunding

Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section.

SECTION 16. Legislative Determinations. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Refunding Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Refunding Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Refunding Bonds. Furthermore, the Board finds and determines pursuant to Section 53552 of the Act that the prudent management of the fiscal affairs of the District requires that it issue the Refunding Bonds without submitting the question of the issuance of the Refunding Bonds to a vote of the qualified electors of the District.

SECTION 17. Official Statement. The Preliminary Official Statement relating to the Refunding Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Refunding Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Refunding Bonds and is directed to deliver copies of any final Official Statement to the purchasers of the Refunding Bonds. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

SECTION 18. Insurance. In the event the District purchases bond insurance for the Refunding Bonds, and to the extent that the Bond Insurer makes payment of the principal of or interest on the Refunding Bonds, it shall become the Owner of such Refunding Bonds with the right to payment of principal or interest on the Refunding Bonds, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer’s rights as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Refunding Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon surrender of the Refunding Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the outstanding maturities of the Refunding Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts transferred from the Debt Service Fund, if any, is sufficient to pay and discharge all Refunding Bonds outstanding and designated for defeasance (including all principal and interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys transferred from the Debt Service Fund, if any, together with the interest to accrue thereon, be fully sufficient to pay and discharge all Refunding Bonds outstanding and designated for defeasance (including all principal thereof and interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Refunding Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated outstanding Refunding Bonds shall cease and terminate, except only the obligation of the Paying Agent or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Refunding Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, “Government Obligations” shall mean:

Direct and general obligations of the United States of America, or obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or “prerefunded” municipal obligations rated in the highest rating category by Moody’s Investors Service or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Standard & Poor’s or by Moody’s Investors Service.

#### SECTION 20. Other Actions, Determinations and Approvals.

(a) Officers of the Board, District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Refunding Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby finds and determines that both the total net interest cost to maturity on the Refunding Bonds plus the principal amount of the Refunding Bonds will be less than the total net interest cost to maturity on the Refunded Bonds plus the principal amount of the Refunded Bonds.

(c) The Board anticipates that the Refunded Bonds will be redeemed on or about August 1, 2015, which is the first optional redemption date of such series of Refunded Bonds following the issuance of the Refunding Bonds.

(d) The Board hereby appoints U.S. Bank National Association as escrow agent (the “Escrow Agent”) for the Refunding Bonds and approves the form of Escrow Agreement, by and between the

District and the Escrow Agent on file with the Secretary to the Board. The Authorized Officers, each alone, are hereby authorized to execute the Escrow Agreement with such changes as they shall approve, such approval to be conclusively evidenced by either individual's execution and delivery thereof.

(e) The Board hereby appoints Piper Jaffray & Co., as the Financial Advisor, and Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California, as bond counsel and disclosure counsel with respect to the issuance of the Refunding Bonds.

(f) The provisions of this Resolution may be amended by the Purchase Contract; if the Purchase Contract so provides, the Refunding Bonds may be issued as crossover refunding bonds pursuant to Section 53558(b) of the Government Code.

SECTION 21. Resolution to Treasurer-Tax Collector. The Secretary to this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer-Tax Collector of Orange County immediately following its adoption.

SECTION 22. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Refunding Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Refunding Bonds.

SECTION 23. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

SECTION 24. Effective Date. This Resolution shall take effect immediately upon its passage.

Evaluation System

Mr. Mark Douglas, Assistant Superintendent of Personnel Services, presented information on professional assessment and the District's evaluation system. He reviewed how assessment was conducted prior to 2003, from 2003 to present, and what would be used for 2014-2015. Trustee

Thompson requested a sample (for all Board Members) of a completed teacher evaluation to be able to review and understand what is entailed. Mr. Douglas also indicated he would get a sample of a previous assessment for comparison purposes. President Meyer asked for clarification regarding how often teachers are evaluated. Mr. Douglas indicated that permanent teachers are evaluated every other year; probationary and temporary teachers are evaluated twice per year. President Meyer also asked if there is still a provision for a highly rated teacher to be evaluated every five years. Mr. Douglas answered yes, the teacher and principal can cooperatively agree to evaluate every five years. However, he clarified that the provision can be withdrawn within those five years if there are areas needing improvement.

CONSENT ITEM

**DATE:** August 26, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

CONSENT ITEM

**DATE:** August 26, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Kenyatta Turner, Director, Nutrition Services

**SUBJECT:** **APPROVE ROCKETSCAN SOFTWARE AND HARDWARE MAINTENANCE SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND IMAGE ONE TECHNOLOGY SOLUTIONS BEGINNING SEPTEMBER 1, 2014 THROUGH AUGUST 31, 2017**

Background: Nutrition Services participates in the National School Lunch Program (NSLP) and the School Breakfast Program (SBP). State and federal funding received through these programs is based upon the eligibility of free, reduced-price, or full-paid meal counts. Eligibility for free and reduced-price meals is determined by processing meal applications submitted by parents/guardians throughout the school year by using strict guidelines issued by the USDA and the State. State officials conduct on-site audits of the applications and adherence to the guidelines. The District must remain in compliance with all guidelines in order to receive reimbursement for meals and to operate programs.

In 2008, Nutrition Services purchased RocketScan software and hardware from Image One Technology Solutions to electronically process meal applications. The RocketScan software and hardware harvests student data from the meal applications. After scanning, the applications go through a validation process in RocketScan where information is verified and eligibility is determined.

The Agreement with Image One Technology Solutions includes software maintenance support. In the event of a hardware failure, a replacement scanner will be shipped overnight in exchange for the failed machine. The Agreement is for three years and can be terminated by either party with 30-days' written notice.

Rationale: Nutrition Services continues to process applications electronically. The benefits of using RocketScan are increased accuracy of benefit determinations, increased speed of application processing, and a significant reduction in the amount of paperwork necessary to the application process. The immediate service in the event of hardware failure also limits down-time and ensures the District will always be in compliance with application processing timelines.

Funding: Total cost of the three-year Agreement is \$8,147.40 from Nutrition Services Fund (13).

Recommendation: Approve RocketScan Software and Hardware Maintenance Service Agreement between Fullerton School District and Image One Technology Solutions beginning September 1, 2014 through August 31, 2017.

This Agreement is hereby entered into between the Fullerton School District, hereinafter referred to as "District," and **JANICE H. CARTER-LOURENSZ, M.D., M.P.H.**, hereinafter referred to as "Contractor."

WHEREAS, District is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained and experienced and competent to perform the special services required;

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: Assist with serious student health issues that require input/consultation from a pediatrician to enable staff to ensure the child's health needs are appropriately accommodated at school, hereinafter referred to as "Services".

2. Term. Contractor shall commence providing services under this Agreement on **August 27, 2014** and will diligently perform as required and complete performance by **June 30, 2015**.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **Twenty Thousand Dollars (\$20,000.00)**. **Payment shall be made at the rate of Two Hundred Fifty dollars (\$250.00) per hour**. Contractor shall submit a detailed invoice to District. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. The parties acknowledge that the District, in selecting the Contractor to perform the Services hereunder, is relying upon the Contractor's reputation for excellence in the performance of the Services required hereunder. The Contractor shall perform the Services in the manner of one who is a recognized specialist in the types of services to be performed. Time is of the essence in this Agreement. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. 15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**SUBJECT:** **APPROVE/RATIFY 2014/2015 INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ROBIN L. MORRIS, PSY.D., M.F.T., FOR PSYCHOEDUCATIONAL ASSESSMENTS EFFECTIVE JULY 1, 2014 THROUGH MAY 30, 2015**

Background: Under IDEA 2004, after a school district has completed its evaluation of a student and the parent disagrees with the school district's evaluation; the parent has the right to an Independent Educational Evaluation (IEE). If the school district believes that an independent evaluation is not necessary, the school district may request a due process hearing before a hearing officer to dispute the parent's request for an independent evaluation and reimbursement. The independent evaluation must comply with all the requirements that apply to school district evaluations. The District, at this time, finds it necessary to utilize the services of an independent contractor in order to remain compliant with IDEA 2004 and not pursue a due process hearing.

Current rates are as follows:

Psychoeducational Evaluation:	\$ 3,200.00
Functional Behavior Assessment:	\$ 1,600.00-\$1800.00

**SUBJECT:** APPROVE/RATIFY AGREEMENT #40889 BETWEEN FULLERTON SCHOOL DISTRICT AND ORANGE COUNTY SUPERINTENDENT OF SCHOOLS, ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) FOR PROVISION OF POSITIVE BEHAVIORAL INTERVENTION AND SUPPORTS (PBIS) AND VIOLENCE PREVENTION EDUCATION SERVICES EFFECTIVE JULY 1, 2014 THROUGH JUNE 30, 2015

Background: Improving student academic and behavior outcomes is about ensuring all students have access to the most effective and accurately implemented instructional and behavioral practices and interventions possible. Positive Behavioral Intervention and Supports (PBIS) provide an operational framework for achieving these outcomes. More importantly, PBIS is not a curriculum, intervention, or practice, but is a decision-making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students. In general, PBIS emphasizes four integrated elements: (a) data for decision making, (b) measurable outcomes supported and evaluated by data, (c) practices with evidence that these outcomes are achievable, and (d) systems that efficiently and effectively support implementation of these practices.

Rationale: Participating schools are delegated into different tier/cohort groups and will benefit from PBIS trainings. School teams are comprised of teachers, support staff, and site administrator who will participate in the trainings and redesign their student behavior systems. The PBIS tiered behavior system compliments the Response to Intervention (RtI) pyramid, which is already implemented into Fullerton School District schools. The participating schools are as follows:

- |                             |                          |

| Valencia Park Elementary    | <u>Tier 1 Cadre</u>      |

Funding: The cost is not to exceed \$16,612.50 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve/Ratify Agreement #40889 between Fullerton School District and Orange County Superintendent of Schools, Orange County Department of Education (OCDE) for Provision of Positive Behavioral Intervention and Supports (PBIS) and Violence Prevention Education Services effective July 1, 2014 through June 30, 2015.

CONSENT ITEM

**DATE:** August 26, 2014  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** APPROVE REQUEST TO GO OUT TO BID FOR REPLACEMENT  
FLAGPOLES AT FIVE SCHOOLS

Background: All District flagpoles were recently repainted and serviced. After this inspection, our professional contractor recommended the replacement of the flagpoles at Acacia, Hermosa, Orangethorpe, Raymond, and Richman Schools. The flagpoles are corroded and no longer useable. However, there is no immediate danger of the flagpoles toppling over.

The cost to replace five flagpoles will exceed State bid limits. Therefore, the District needs to go out to bid for the contract.

Rationale: Pursuant to Public Contract Code Section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The total estimated cost of the project, including soft costs and contingency, is \$40,000. The estimated cost of the project is in excess of the current bid limit.

Funding: The project will be financed from the Deferred Maintenance Fund.

Recommendation: Approve request to go out to bid for replacement flagpoles at five schools.

**PREPARED BY:** Ron Mullins, Supervisor, Purchasing and Stores

**SUBJECT:** **APPROVE/RATIFY PURCHASE OF INSTRUCTIONAL SUPPLIES BY FULLERTON SCHOOL DISTRICT FROM PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT'S PIGGYBACK BID NO. 214-04 AWARDED TO SOUTHWEST SCHOOL & OFFICE SUPPLY**

Background: The District has piggybacked the Placentia-Yorba Linda Unified School District's instructional supplies bid for several years. In April of 2014, Placentia-Yorba Linda USD prepared and awarded a new competitive bid to Southwest School & Office Supply at their June 17, 2014 Regular Board meeting. The initial term of the contract is for one year with two optional one-year extensions at the District's option. Staff has reviewed the contract and has determined that it is a cost effective means of purchasing instructional supplies for the District.

Public Contract Code Section 20118 provides authority for the governing board of a school district to purchase from another public agency without going to bid if the board determines it to be in the best interest of said district to utilize a bid from another public agency.

Rationale: Pursuant to Section 20118 of the Public Contract Code, the Board of Trustees of the Fullerton School District determines it is in the best interest of the District to purchase instructional supplies from the Placentia-Yorba Linda School District's Bid No. 214-04.

Funding: Purchases will be funded from various programs and site budgets as appropriate.

Recommendation: Approve/Ratify purchase of instructional supplies by Fullerton School District from Placentia-Yorba Linda Unified School District's Piggyback Bid No. 214-04 awarded to Southwest School & Office Supply.

CONSENT ITEM

**DATE:** September 9, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** APPROVE RENEWAL OF BID FOR FULLERTON SCHOOL DISTRICT TO PURCHASE CUSTODIAL SUPPLIES AND SOFTWARE FROM A PIGGYBACK BID OF MORENO VALLEY UNIFIED SCHOOL DISTRICT BID NO. 11-12-06 CO-OP CUSTODIAL SUPPLIES AND SOFTWARE FOR MORENO VALLEY, CHINO VALLEY, AND ORANGE UNIFIED SCHOOL DISTRICTS FOR FISCAL YEAR 2014/2015

Background: The Moreno Valley Unified School District along with Chino Valley and Orange Unified School Districts prepared a cooperative bid to obtain the best available pricing for custodial supplies and software. This process benefits school districts in several different counties with piggybackable pricing on high quality products and rewards the vendor with the potential of very large volume sales.

Public Contract Code Section 20118 provides authority for the Board of Trustees of a school district to purchase from another public agency without going to bid if the board determines it to be in the best interest of said district to utilize a bid from another district.

Rationale: The Board of Trustees of the Fullerton School District determines it is in the best interest of the District to purchase custodial supplies and software from the Moreno Valley Unified School District's Bid No. 11-12-06 Co-op Custodial Supplies and Software.

Funding: Purchases will be funded from various programs and site budgets as appropriate.

Recommendation: Approve renewal of bid for Fullerton School District to purchase custodial supplies and software from a piggyback bid of Moreno Valley Unified School District Bid No. 11-12-06 Co-op Custodial Supplies and Software for Moreno Valley, Chino Valley, and Orange Unified School Districts for fiscal year 2014/2015.

### GENERAL TERMS

1. The District shall provide to State University students teaching experience through practice teaching in schools and classes of the District not to exceed the units of practice teaching set forth in the Special Provisions. Such practice teaching shall be provided in such schools or classes of the District and under the direct supervision and instruction of such employees of the District, as the District and the State through their duly authorized representatives may agree upon.

The District may, for good cause, refuse to accept for practice teaching any student of the State University assigned to practice teaching in the District, and upon request of the District, made for good cause, the State shall terminate the assignment of any student of the State University to practice teaching in the District.

Practice teaching as used herein and elsewhere in this agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of employees of the District holding valid life diplomas or credentials issued by the State Board of Education, other than emergency or provisional credentials, authorizing them to serve as classroom teachers in the schools or classes in which the practice teaching is provided.

2. The State will pay the District for the performance by the District of all services required to be performed under this agreement at the rates set forth in the Special Provisions for each semester or quarter unit of practice teaching.

A semester unit of practice teaching for elementary and secondary schools is approximately twenty (20) minutes of practice teaching daily for five (5) days a week for eighteen (18) weeks. A quarter unit of practice teaching is two-thirds (2/3) of a semester unit. For community colleges and/or adult schools, a semester unit is approximately 20 minutes of practice teaching daily three (3) days a week for eighteen (18) weeks during regular session.

3. An assignment of a student of the State University to practice teaching in schools or classes of the District shall be, at the discretion of the State, either for approximately nine (9) weeks or for approximately eighteen (18) weeks, but a student may be given more than one assignment by the State University to practice teaching in such schools or classes.

The assignment of a student of the State University to practice teaching in the District shall be deemed to be effective for purposes of this agreement as of the date the student presents to the proper authorities of the District the assignment card or other document given the student by the State University effecting such assignment, but not earlier than the date of such assignment as shown on such card or other document.

In the event the assignment of a student of the State University to practice teaching is terminated by the State University for any reason, the District shall

receive payment on account of such student except that if such assignment is terminated before the end of the ninth week of the term of the assignment, the District shall receive payment for an assignment for nine (9) weeks only. If a student is assigned by the State University to another teacher of the District after an assignment has become effective, this shall be considered for payment purposes as an entirely new and separate assignment.

Absences of a student from assigned practice teaching shall not be counted as absences in computing the semester units of practice teaching provided the student by the District.

4. Within a reasonable time following the close of each semester or quarter of the State University, the District shall submit an invoice, in triplicate, to the State University for payment, at the rate provided herein, for all units of practice teaching provided by the District under and in accordance with this agreement during said semester or quarter. The District shall attach to the invoice a certificate, in triplicate, executed by a duly authorized representative of the District certifying that the District expended or became obligated to expend in providing such practice teaching an amount not less than the amount of the invoice. The State will pay the amount of such invoice from moneys made available for such purpose by or pursuant to the laws of the State. All invoices for services for each fiscal year must be received by University Accounts Payable no later than August 31 following the close of that fiscal year. Any invoices received after this date will be returned unprocessed.

5. Notwithstanding any other provisions of this agreement, the State shall not be obligated by this agreement to pay the District any amount in excess of the total sum set forth in the Special Provisions.

6. University and Fieldwork Site each agree to maintain insurance or a program of self insurance throughout the term of this Agreement as follows:

i. General liability coverage, written on an occurrence form, with limits of One Million Dollars (\$1,000,000) per occurrence and Three Million Dollars (\$3,000,000) in the aggregate, and

ii. Professional liability insurance written on a claims-made form or Occurrence form, with limits of One Million Dollars (\$1,000,000) per claim/occurrence and Two Million Dollars (\$2,000,000) in the aggregate. University shall provide coverage for students under school's professional liability policy or shall ensure that all students maintain individual professional liability insurance coverage with limits of not less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) in aggregate, and

iii. University and Fieldwork Site shall maintain statutory Workers' Compensation coverage on their respective employees working at Fieldwork Site pursuant to this Agreement. The parties agree that the students are considered learners who are fulfilling specific requirements for field experiences as part of a degree and/or credential requirement. Therefore, regardless of the nature or extent of the acts performed by them, students are not to be considered employees or agents of either the UNIVERSITY or the FIELDWORK SITE for any purpose including Workers' Compensation or any other employee benefit programs. The students shall not be entitled to any monetary remuneration for services performed by them in the course of their training, and

iv. University and Fieldwork Site shall provide certificates of insurance evidencing all coverage described herein, naming the other party as a Certificate Holder with policy endorsements for Waiver of Subrogation against the other party and naming the other party as an Additional Insured with respect to General Liability coverage. Such evidence will be provided on a basis consistent with the effective date of this Agreement and annually thereafter. Each party shall provide the other party with written notice at least thirty (30) days in advance of any material modification or cancellation of such coverage. With respect to individual policies of insurance maintained by students, such evidence will be provided prior to the date when any new student commences participation in the Program(s).

**SUBJECT:** **ADOPT RESOLUTION #14/15-09 PROCLAIMING OCTOBER 27 - 31, 2014, AS "RED RIBBON WEEK" FOR THE FULLERTON SCHOOL DISTRICT**

Background: "LOVE YOURSELF. BE DRUG FREE" is the message of this year's Red Ribbon Week. The choice of a drug-free lifestyle and respect for the memory of Drug Enforcement Agent Enrique Camarena has been at the heart of Red Ribbon Week since its inception in 1986, resulting in celebrations nationwide. This year, Red Ribbon Week again gives us the opportunity to demonstrate commitment to those values.

Students will receive red wristbands from the Orange County Sheriff's Department. Each school site's P.T.A. can select and purchase goods to reinforce the message, depending on the P.T.A.'s budgets and level of activities they want to provide. Schools usually calendar a week of Red Ribbon Week events and activities for this celebration. With the importance of this celebration in mind, the Board is asked to declare October 27 - 31, 2014, as Red Ribbon Week in the Fullerton School District.

Rationale: The "LOVE YOURSELF. BE DRUG FREE" campaign is designed to inspire parents and other family influencers to connect with their children in ways that persuade them not to use drugs.

Funding: Not applicable.

Recommendation: Adopt Resolution #14/15-09 proclaiming October 27 - 31, 2014, as "Red Ribbon Week" for the Fullerton School District.

PROCLAIMING OCTOBER 27 – 31, 2014, AS “RED RIBBON WEEK”  
FOR THE FULLERTON SCHOOL DISTRICT

WHEREAS, tobacco, alcohol and other substance abuse continue to put lives at risk both in California and throughout the United States; and,

WHEREAS, Californians for Drug-Free Youth, Inc., sponsored the first statewide Red Ribbon Campaign in 1986, and the National Family Partnership (formerly known as National Federation of Parents for Drug-Free Youth, Inc.) sponsored the first nationwide campaign in 1988, with the Red Ribbon symbolizing commitment to a healthy, drug-free lifestyle – no use of any illegal drug and no illegal use of tobacco, alcohol or any other legal drug – and with the goal of the Red Ribbon Celebration being to present a unified and visible commitment toward the creation of a Drug-Free America; and,

WHEREAS, the theme of the Red Ribbon Celebration is “LOVE YOURSELF. BE DRUG FREE”, promoting a strong personal commitment to a drug-free lifestyle; and,

WHEREAS, the Red Ribbon Celebration will be observed by Fullerton School District during Red Ribbon Week, October 27 – 31, 2014; and,

WHEREAS, parents, youth, government, business, law enforcement, schools, religious institutions, service organizations, social services, health services, media and the general public will demonstrate their commitment to drug-free communities by wearing and displaying red ribbons during this week-long celebration; and,

WHEREAS, the Fullerton School District further commits resources to ensure the success of the Red Ribbon Celebration and year-round tobacco, alcohol and other substance abuse prevention efforts.

NOW THEREFORE, BE IT RESOLVED that the Fullerton School District Board of Trustees does hereby support October 27 – 31, 2014, as Red Ribbon Week and encourages all schools to participate in tobacco, alcohol and other substance abuse prevention activities, making a visible statement and commitment to healthy, drug-free communities.

If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

CONSENT ITEM

**DATE:** September 9, 2014  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** APPROVE REQUEST TO GO OUT TO BID FOR PARENT/STUDENT WELCOME AREA MODERNIZATION/REMODEL AT NICOLAS JUNIOR HIGH SCHOOL OFFICE

Background: Nicolas Junior High was built more than 50 years ago. During that time, the front office area, where parents are welcomed, visitor inquiries are handled, students are managed and cared for, attendance is taken, and most of the administrative activities of the school take place, has not undergone any major changes or updates to its layout of rooms, furniture, or fixtures. District administration has been working with the site staff and the District architects to design a suite of reception areas, offices, and work rooms that are functional, modern, and welcoming to our parents, students, and community. The cost of such a project will exceed State bid limits. Therefore, the District needs to go out to bid for the contract.

Rationale: Pursuant to Public Contract Code Section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The total estimated cost of the project, including soft costs and contingency, \$245,000. The estimated cost of the project is in excess of the current bid limit.

Funding: The project will be financed from Redevelopment Funds.

Recommendation: Approve request to go out to bid for parent/student welcome area modernization/remodel at Nicolas Junior High School Office.

**SUBJECT:** **ADOPT RESOLUTION #14/15-08 APPROVING THE RECALCULATION OF THE 2013/2014 APPROPRIATIONS LIMITATION AND ESTABLISHING THE 2014/2015 ESTIMATED APPROPRIATIONS LIMITATION CALCULATIONS**

Background: Since 1979, when Proposition 4 (the Gann Amendment) was approved by the voters of California, all school districts must establish a Gann Limit for the preceding and current fiscal year in accordance with the provision of the Gann Amendment and applicable statutory law.

Rationale: The California Department of Education is requesting these forms in accordance with Government Code section 7906 (f) which states:

*“Each school district shall report to the Superintendent of Public Instruction and to the Director of Finance, at least annually, its appropriation limit, its appropriations subject to limitation, the amount of its state aid apportionments and subventions included within the proceeds of taxes of the school district, and amounts excluded from its appropriations limit, at a time and in a manner prescribed by the Superintendent of Public Instruction and approved by the Director of Finance.”*

Funding: Not applicable.

**DATE:** September 9, 2014  
**TO:** Board of Trustees  
Robert Pletka, Ed.D.  
**FROM:** Susan Cross Hume, CPA, CIA  
Assistant Superintendent  
Business Services  
**SUBJECT:** 2013-14 UNAUDITED ACTUALS REPORT

The Unaudited Actuals Report is one of three financial statements school districts are required to report to the State and provide to the public annually. Each report presents the actual results of financial operations for the year-to-date. The report presents information so that the District, County Office of Education, and State can review the District's fiscal viability for the current and two subsequent fiscal years. The three reports and the fiscal period reported are as follows:

<u>Report</u>	<u>Period Covered</u>	<u>Filing Date</u>
First Interim	July 1 – October 31	December 15
Second Interim	July 1 – January 31	March 15
Unaudited Actuals	July 1 – June 30	September 15

The Unaudited Actuals Report presents the final financial results for the fiscal year. The report presents detailed financial statements for each fund and account group of the District. Also included in the report is information concerning attendance, revenue limit, long-term debt, and other accounting and statistical information. The Unaudited Actuals Report provides the financial information that will be audited by our independent auditors, and that will be the basis of our annual Audit Report.

**Report Format:** The format for our annual financial reporting is dictated to us by the State. The State provides each district with a computer program to utilize their mandated format. The required format is very detailed; the actual report is over 100 pages long. For the purpose of this summary report, we have provided a comparative (prior year and current year) Statement of Revenue, Expenditures, and Changes in Fund Balance for each fund. This statement reports actual results of operations for the fiscal years ended June 30, 2013, and 2014.

**District Funds:** All District funds, except for ASBs, are reported on the Unaudited Actuals Report. The District operates the following funds:

**General Fund:** The main operating fund of the District. All activities that are not required to be recorded in another fund are reported here. The majority of the dollar transactions of the District are recorded in the General Fund.

**Child Development Fund:** Reports financial activity related to Federal, State, and parent-funded childcare programs run by the District.

**Cafeteria Fund:** Reports all financial activity from District Nutrition Services operations.

**Deferred Maintenance Fund:** Reports revenues received from the State Deferred Maintenance Program and expenditures made for District facilities major maintenance projects.

**Special Reserve Fund for Other Than Capital Outlay Projects:** Reports revenues received from Mandated Cost reimbursements periodically received from the State.

**Special Reserve Fund for Post-employment Benefits:** Reports resources set aside by the District to fund liabilities for post-employment benefits (as required to be recognized by Governmental Accounting Standards Board Statement No. 45) provided to District retirees.

**Building Fund:** Reports receipts from sales of capital facilities bonds and expenditures for facilities projects.

**Capital Facilities Fund:** Reports revenues received from developer fees and capital expenditures made necessary by growth in student enrollment.

**Special Reserved Fund for Capital Outlay Projects:** Used to record (1) funds reserved by the District to cover potential laptop program debt, and (2) receipt of redevelopment fees.

**Self-Insurance Fund:** The Self-Insurance Fund consists of three sub-funds: Dental, Property and Liability, and Workers' Compensation. These funds account for the financial activities of these self-insurance risks assumed by the District.

**Capital Projects Fund-Blended Component Units:** Reports revenues and expenditures from the District's two Community Facility Districts (CFDs): District No. 2000-1 (Van Daele, District 40) and District No. 2001-1 (Amerige Heights, District 48).

**Bond Interest and Redemption Fund:** Reports taxes collected and repayment of capital improvement bonds.

The District is required to use Governmental Accounting Standards, which means that funds are kept on a modified accrual basis. In general, this means that only current receivables and payables are accrued. Long-term assets and liabilities are accounted for separately in two account groups:

**Long-Term Debt Group of Accounts:** Records debt that entails a multi-year commitment.

**Fixed Assets Group of Accounts:** Records capitalized fixed assets (buildings, land, equipment) and associated depreciation.

**Financial Summary:** The total General Fund experienced a net increase in the ending Fund Balance for the year. Both the Unrestricted Fund and Restricted (Categorical) Fund experienced an excess of revenues over expenditures and other financing sources and uses for the year. Summary results were as follows:

	<u>Unrestricted</u>	<u>Restricted</u>	<u>Total General Fund</u>

**Part I - General Administrative Share of Plant Services Costs**

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

**A. Salaries and Benefits - Other General Administration and Centralized Data Processing**

**Part II - Adjustments for Employment Separation Costs**

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

**A. Normal Separation Costs (optional)**

These costs will be moved in Part III from base costs to the indirect cost pool. \_\_\_\_\_

**Part IV - Carry-forward Adjustment**

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

<b>A. Indirect costs incurred in the current year (Part III, Line A8)</b>	<u>4,737,248.20</u>
<b>B. Carry-forward adjustment from prior year(s)</b>	
1. Carry-forward adjustment from the second prior year	<u>934,924.55</u>
2. Carry-forward adjustment amount deferred from prior year(s), if any	<u>0.00</u>
<b>C. Carry-forward adjustment for under- or over-recovery in the current year</b>	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (5.25%) times Part III, Line B18); zero if negative	<u>0.00</u>
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (5.25%) times Part III, Line B18) or (the highest rate used to recover costs from any program (5.25%) times Part III, Line B18); zero if positive	<u>(5,224.88)</u>
<b>D. Preliminary carry-forward adjustment (Line C1 or C2)</b>	<u>(5,224.88)</u>
<b>E. Optional allocation of negative carry-forward adjustment over more than one year</b>	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	<u>4.38%</u>
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment (\$-2,612.44) is applied to the current year calculation and the remainder (\$-2,612.44) is deferred to one or more future years:	<u>4.38%</u>
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment (\$-1,741.63) is applied to the current year calculation and the remainder (\$-3,483.25) is deferred to one or more future years:	<u>4.38%</u>
LEA request for Option 1, Option 2, or Option 3	<u>1</u>
<b>F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)</b>	<u>(5,224.88)</u>

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2013-14 Expenditures by LEA (LE-CY) and the 2012-13 Expenditures by LEA (LE-PY) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

**After reviewing all sections of this form, please select which of the following methods your LEA chooses to use to meet the 2013-14 MOE requirement.**

Combined state and local expenditures

Local expenditures only

**SECTION 1 Exempt Reduction Under 34 CFR Section 300.204**

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to local only MOE standard, combined state and local MOE standard, or both.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
  - a. Has left the jurisdiction of the agency;
  - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
  - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

List exempt reductions, if any, to be used in the calculation below:	State and Local	Local Only

**SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205(d))**

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

**B. LOCAL EXPENDITURES ONLY METHOD**

	<u>FY 2013-14</u>	<u>FY 2012-13</u>	<u>Difference</u>
1. Last year's local expenditures met MOE requirement:			
a. Expenditures paid from local sources	8,440,098.61	7,120,472.28	
Less: Exempt reduction(s) from SECTION 1	0.00	0.00	
Less: 50% reduction from SECTION 2	0.00	0.00	
Net expenditures paid from local sources	<u>8,440,098.61</u>	<u>7,120,472.28</u>	<u>1,319,626.33</u>
b. Per capita local expenditures (B1a/A4)	<u>5,865.25</u>	<u>4,951.65</u>	<u>913.60</u>

If one or both of the differences in Column C are positive (current year local expenditures, in total or per capita, are greater than prior year's net local expenditures), the MOE requirement is met.

If both of the differences in Column C are negative, the MOE is not met based on local expenditures only.

**After reviewing all sections of this form, please select which of the above methods your LEA chooses to use to meet the 2013-14 MOE requirement and make the selection on Page 1.**

SELPA: North Orange (MM)

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2014-15 Budget by LEA (LB-B) and the 2013-14 Expenditures by LEA (LE-B) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

**After reviewing all sections of this form, please select which of the following methods your LEA chooses to use to meet the 2014-15 MOE requirement.**

Combined state and local expenditures

Local expenditures only

**SECTION 1** Exempt Reduction Under 34 CFR Section 300.204

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to local only MOE standard, combined state and local MOE standard, or both.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
  - a. Has left the jurisdiction of the agency;
  - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or

**SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205(d))**

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

~~Board Revised:~~ \_\_\_\_\_

~~The Board of Trustees recognizes that the Fullerton School District has primary responsibility for ensuring that it complies with State and federal laws and regulations governing educational programs. The District shall investigate and seek to resolve complaints at the local level. The Board encourages the early, informal resolution of complaints at the site level whenever possible. The District shall investigate complaints alleging failure to comply with such laws and/or alleging discrimination and shall seek to resolve those complaints in accordance with the District's Uniform Complaint Procedures. (5 CCR 4620)~~

~~This policy applies to the filing, investigation and resolution of a Uniform Complaint Procedures (UCP) complaint regarding an alleged violation by a local agency of federal or State law or regulations governing educational programs, including allegations of unlawful discrimination, harassment, intimidation, and bullying.~~

~~Uniform complaint procedures shall also be used to address any complaint alleging the District's failure to comply with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities, the requirements for the development and adoption of a school safety plan, and state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs.~~

~~This policy presents information about how the Fullerton School District processes UCP complaints concerning particular programs or activities in which we receive State or federal funding. A complaint is a written and signed Statement by a complainant alleging a violation of federal or State laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation, and bullying. A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging violation of federal or State laws or regulations, including allegations of unlawful discrimination, harassment, intimidation, and bullying in programs and activities funded directly by the State or receiving any financial assistance from the State. If the complainant is unable to put the complaint in writing, due to conditions such as a disability or illiteracy, the public agency shall assist the complainant in the filing of the complaint.~~

~~This policy also applies to the filing of complaints which allege unlawful discrimination, harassment, intimidation, and bullying against any protected group as identified under Education Code section 200 and 220 and Government Code section 11135, including those with actual or perceived characteristics~~

~~such as age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, disability, nationality, race or ethnicity, religion, sex, or sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity conducted by a local agency, which is funded directly by, or that receives or benefits from any State financial assistance.~~

**The Board of Trustees recognizes that the District has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve any complaints alleging failure to comply with such laws and/or alleging unlawful discrimination, harassment, intimidation, or bullying in accordance with the uniform complaint procedures.**

**The District shall use the uniform complaint procedures to resolve any complaint alleging unlawful discrimination, harassment, intimidation, or bullying in district programs and activities based on actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Penal Code 422.55, or Government Code 11135, or based on association with a person or group with one or more of these actual or perceived characteristics.**

**In addition, pursuant to Education Code section 52075, individuals may file a complaint under the District's Uniform Complaint Procedure alleging that the school district has not complied with the LCAP requirements in the Education Code. The complaint may be filed anonymously if the complainant is not satisfied with the decision of the school district, the individual may appeal the decision to the State Superintendent of Public Instruction. The State Superintendent of Public Instruction is required to issue a decision on the appeal within 60 days of the Superintendent of Public Instruction's receipt of the appeal.**

**If the District merit in the complaint or the Superintendent of Public Instruction finds merit in an appeal, the school district will provide a remedy to all affected pupils, parents, and guardians.**

**Uniform complaint procedures shall also be used to address any complaint alleging the District's failure to comply with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities, the requirements for the development and adoption of a school safety plan, and state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs.**

**The Board prohibits any form of retaliation against any complainant in the complaint process. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant.**

**The Board encourages the early, informal resolution of complaints at the site level whenever possible.**

**The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with the uniform complaint procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.**

**In investigating complaints, the confidentiality of the parties involved and the integrity of the**

**process shall be protected. As appropriate for any complaint alleging discrimination, harassment, intimidation, or bullying, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.**

A copy of the UCP complaint policies and procedures document shall be available free of charge.

### **Filing a Complaint with the Fullerton School District**

Except for Williams Complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with the District Superintendent or his or her designee alleging a matter which, if true, would constitute a violation by the District of federal or State law or regulation governing a program.

An investigation of alleged unlawful discrimination, harassment, intimidation, and bullying shall be initiated by filing a complaint no later than six months from the date the alleged discrimination, harassment, intimidation, or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying. The time for filing may be extended in writing by the District Superintendent or his or her designee, upon written request by the complainant setting forth the reasons for the extension. The period for filing may be extended by the Superintendent or his or her designee for good cause for a period not to exceed 90 calendar days following the expiration of the six-month time period. The Superintendent shall respond immediately upon a receipt of a request for extension.

The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation, and bullying or by one who believes an individual or any specific class of individuals has been subjected to discrimination, harassment, intimidation, and bullying prohibited by this part.

An investigation of a discrimination, harassment, intimidation, and bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Except for Williams Complaints, within 60 calendar days from the date of the receipt of the complaint, the District shall conduct and complete an investigation of the complaint in accordance with this policy and prepare a written decision; also known as a final report. This time period may be extended by written agreement of the complainant.

The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with State and federal laws and/or regulations.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by Fullerton School District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of

the complainant.

The District shall issue a decision based on the evidence. The decision shall be in writing and sent to the complainant within 60 calendar days from receipt of the complaint by the District. The decision shall contain:

- (i) the findings of fact based on the evidence gathered,
- (ii) conclusion of law,
- (iii) disposition of the complaint,
- (iv) the rationale for such disposition,
- (v) corrective actions, if any are warranted,
- (vi) notice of the complainant's right to appeal the District's decision to the CDE, and
- (vii) procedures to be followed for initiating an appeal to the CDE.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

DISCUSSION/ACTION ITEM

**DATE:** September 9, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Mark L. Douglas, Assistant Superintendent, Personnel Services

**SUBJECT:** APPROVE PROMOTION TO ASSISTANT SUPERINTENDENT OF EDUCATIONAL SERVICES EFFECTIVE JANUARY 1, 2015

Background: The current Assistant Superintendent of Educational Services, Janet Morey, will retire on December 31, 2014. A variety of initiatives, mandated by the State of California, are currently underway for the 2014/2015 school year. These include, but are not limited to, Common Core, Sync Solutions, iPad training, and VIP training. In an effort to keep these initiatives active and prevent downtime due to a change in leadership and with an abundance of highly qualified and talented staff, the District feels it would be prudent to promote within. After detailed conversations and thorough assessment, it is recommended that Ms. Emy Flores, current Director of Instructional Services, be appointed to Assistant Superintendent of Educational Services. A copy of her contract is attached for review.

Rationale: The current Assistant Superintendent will retire at the end of this calendar year. Promoting from within the District allows for continuity in the implementation of many vital programs and initiatives within the division.

Funding: Salary to come from District General Fund.

Recommendation: Approve promotion to Assistant Superintendent of Educational Services effective January 1, 2015.

**AGREEMENT FOR SPECIAL SERVICES**

**I. PARTIES**

This Agreement for Special Services (the “Agreement”) is made this 1st day of July, 2014, between the law firm of ATKINSON, ANDELSON, LOYA, RUUD & ROMO, a Professional Law Corporation, hereinafter referred to as the “Law Firm,” and FULLERTON SCHOOL DISTRICT, hereinafter referred to as “District”.

**II. RECITALS; PURPOSE; MATTERS**

The District desires to retain and engage the Law Firm to perform legal services on the District’s behalf, and the Law Firm is willing to accept said engagement on the terms and conditions contained in this Agreement. The Law Firm agrees to provide legal services to the District, including representation in administrative and court proceedings, as requested by the District. The place and time for such services are to be designated by the Superintendent of the District or designee.

**III. TERMS AND CONDITIONS**

A. The term of this Agreement shall be for three years, commencing July 1, 2014, through June 30, 2017. For the period July 1, 2014, through June 30, 2017, the District hereby agrees to pay the Law Firm in connection with the above-referenced services as authorized at the following hourly rates:

	<u>July 1, 2014- June 30, 2015</u>	<u>July 1, 2015- June 30, 2016</u>	<u>July 1, 2016- June 30, 2017</u>
Senior Partners	\$230.00	\$240.00	\$250.00
Partners/Senior Counsel	\$220.00	\$230.00	\$240.00
Senior Associates	\$215.00	\$225.00	\$235.00
Associates	\$210.00	\$215.00	\$225.00
Electronic Technology Litigation Specialist	\$210.00	\$215.00	\$225.00
Non-Legal Consultants	\$165.00	\$170.00	\$175.00
Senior Paralegals/Law Clerks	\$140.00	\$150.00	\$160.00
Paralegals/Legal Assistants	\$135.00	\$145.00	\$155.00

The Law Firm shall bill in quarter-hour increments.

B. Agreements for legal fees at other than the hourly rates set forth above may be made by written mutual agreement for special projects or particular scopes of work. In the

course of traveling to the District or while providing legal services at the District, it may be necessary for the Law Firm to provide billable services to other clients.

C. The Law Firm shall not be obligated to advance costs on behalf of the District; however, for purposes of convenience and in order to expedite matters, the Law Firm reserves the right to advance costs on behalf of the District with the Superintendent or designee's prior approval in the event a particular cost item exceeds \$2,000.00 in amount, and without the prior approval of the District in the event a particular cost item totals \$2,000.00 or less. Typical cost items include, by way of example and not limitation, document preparation and word processing, long distance telephone charges, fax/telecopy charges, copying charges, messenger fees, travel costs, bonds, witness fees, deposition and court reporter fees, transcript costs, expert witness fees, investigative fees, etc. If the Law Firm retains, with authorization from the District, experts or consultants for the benefit of the District, rather than the District contracting directly with any expert or consultant, it is agreed that the District shall pay a five percent (5%) fee ("consultant processing fee") on such expert and consultant costs paid by the Law Firm in order to offset certain costs to the Law Firm resulting from administering and initially paying such expert and consultant fees on behalf of the District.

D. A detailed description of the attorney work performed and the costs advanced by the Law Firm will be prepared on a monthly basis as of the last day of the month and will be mailed to the District on or about the 15th of the following month. Payment of the full amount due, as reflected on the monthly statements, will be due to the Law Firm from the District by the 10th of each month, unless other arrangements are made. In the event there are retainer funds of the District in the Law Firm's Trust account at the time a monthly billing statement is prepared, funds will be transferred from the Law Firm's Trust Account to the Law Firm's General Account to the extent of the balance due on the monthly statement and a credit therefor will be reflected on the monthly statement. Any balance of fees or costs advanced remaining unpaid for a period of 30 days will be subject to a 1% per month service charge.

E. The District agrees to review the Law Firm's monthly statements promptly upon receipt and to notify the Law Firm, in writing, with respect to any disagreement with the monthly statement. Failure to communicate written disagreement with the Law Firm's monthly statement within thirty (30) days of the District's receipt thereof shall be deemed to signify the District's agreement that the monthly billing statement accurately reflects: (a) the legal services performed; and (b) the proper charge for those legal services.

F. The District agrees to fully cooperate with the Law Firm in connection with the Law Firm's representation of the District including, but not limited to, attending mandatory court hearings and other appearances and providing necessary information and documentation to enable the Law Firm to adequately represent the District.

G. The District has the right, at any time, and either with or without good cause, to discharge the Law Firm as the District's attorneys. CONSENT ITEM

**DATE:** October 14, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT WITH FULLERTON SCHOOL DISTRICT AND PROFESSIONAL TUTORS OF AMERICA TO PROVIDE SUPPLEMENTAL SUPPORT SERVICES FROM OCTOBER 15, 2014 THROUGH MAY 22, 2015**

Background: The No Child Left Behind (NCLB) Act of 2001, Section 1116(e), outlines the provisions relating to supplemental support services. Professional Tutors of America is a State approved supplemental support provider. Professional Tutors of America will provide one-to-one tutoring services to eligible students who attend Nicolas Junior High, Commonwealth, Orangethorpe, Pacific Drive, Raymond and Woodcrest Schools.

**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT WITH FULLERTON SCHOOL DISTRICT AND TUTORING USA, INC., DBA CLUB Z! TO PROVIDE SUPPLEMENTAL SUPPORT SERVICES FROM OCTOBER 15, 2014 THROUGH MAY 22, 2015**

Background: The No Child Left Behind (NCLB) Act of 2001, Section 1116(e), outlines the provisions relating to supplemental support services. Schools that fail to make Adequate Yearly Progress (AYP) for two consecutive years are identified for school improvement. The Orange County Department of Education (OCDE) Legal Counsel and the Fullerton School District (FSD) Risk Services Manager have reviewed this Contractor Agreement.

Rationale: The NCLB law requires districts to enter into agreements with State approved supplemental support providers. Tutoring USA Inc., dba Club Z! is a State approved supplemental support provider. Tutoring USA Inc., dba Club Z! will provide one-to-one tutoring services to eligible students who attend Nicolas Junior High, Commonwealth, Orangethorpe, Pacific Drive, Raymond and Woodcrest Schools.

Funding: Not to exceed amount established by the California Department of Education at \$688 per qualifying student to be paid through District Title I funds.

Recommendation: Approve Independent Contractor Agreement with Fullerton School District and Tutoring USA Inc., dba Club Z! to provide supplemental support services from October 15, 2014 through May 22, 2015.

Such certificates shall:

(1) Indicate that the District and its Governing Board, officers, and employees

have been endorsed as additional insureds under the coverages referred to under a. and b.; and

- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. 16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful

discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**DATE:** October 14, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Janet Morey, Assistant Superintendent, Educational Services

**PREPARED BY:** Susan Mercado, Principal, Maple School

**SUBJECT:** **APPROVE THE MARSHALL B. KETCHUM UNIVERSITY (MBKU)/SOUTHERN CALIFORNIA COLLEGE OF OPTOMETRY (SCCO) CHILDREN'S VISION PROGRAM GRANT FOR MAPLE AND WOODCREST SCHOOLS BEGINNING OCTOBER 15, 2014 WITH AUTOMATIC RENEWAL FOR AN ADDITIONAL THREE-YEAR PERIOD ENDING OCTOBER 15, 2017**

Background: Marshall B. Ketchum University (MBKU)/Southern California College of Optometry (SCCO) has been a partner with Fullerton School District (FSD) for more than a decade, providing initial vision screenings for our students in grades K-8, overseen by Student Support Services and our FSD Nurses. Recently, MBKU/SCCO received a grant to provide comprehensive eye examinations, frames, lenses, and transportation by FSD school buses to and from the university, at no cost to the parent(s), and have requested to partner with Maple and Woodcrest Schools for the 2014-15 school year, with the opportunity to renew for three years.

Rationale: With the rising cost of ophthalmology and optometry services, we often find students unable to afford vision care, lenses and frames that might be required to correct and improve their vision. This grant would pay for the services required by trained medical professionals, a full comprehensive examination including dilation, and dispensing of glasses for up to 80 students per school per month, on an as needed basis, billing of MediCal or Vision Insurance, and if no insurance is available, the entire cost to be paid for out of the grant.

Funding: The funding would be provided by the Marshall B. Ketchum University (MBKU)/Southern California College of Optometry (SCCO) Children's Vision Program Grant, under the direction of Dr. Lynn Lowell (MBKU/SCCO). There is no cost to the District.

Recommendation: Approve the Marshall B. Ketchum University (MBKU)/Southern California College of Optometry (SCCO) Children's Vision Program Grant for Maple and Woodcrest Schools beginning October 15, 2014 with automatic renewal for an additional three-year period ending October 15, 2017.

This Memorandum of Understanding (“MOU”) is entered into between the Marshall B. Ketchum University home of the Southern California College of Optometry’s University Eye Center at Fullerton (“Provider”) and the Fullerton School District (“District”) to memorialize the terms under which Provider will deliver services to District students.

1. **Term.** This MOU is effective for a one-year period beginning October 15, 2014 and will automatically renew for an additional three-year period on each successive July 1, unless a party notifies the other party in writing before July 1 of its intent not to renew. Additionally, either party may terminate this MOU at any time with 30 days’ written notice of termination to the other party.
2. **Services.** The services to be rendered by Provider (“Services”) are described in the Scope of Work attached to this MOU and incorporated by this reference as though fully set forth. Provider will render the Services to students who are enrolled in District schools or programs (“Students”), who have requested and been given permission to receive the Services, on dates and at times to be mutually agreed upon by Provider and District.

  - f. Provider further represents it has developed and implemented a quality control system to ensure the Services meet or exceed the standard of care in the community.

4. **Applications and Permissions.** Provider will furnish the District and/or school administration, as appropriate, with a sufficient number of applications, consent forms, or similar paperwork for Students and Students' parents or guardians to complete as necessary to authorize the provision of Services. As applicable, Provider will furnish the District with sufficient copies of its Health Insurance Portability and Accountability Act ("HIPAA") Notice of Privacy Practices for distribution to Students and their parents or guardians.
5. **Documentation of Services Provided.** Provider will distribute to each Student who receives Services under this MOU with a receipt, report, or other written description of the Services rendered for the Student to take home to his or her parent(s) or guardian(s), which shall specify the Services provided and include a contact telephone number and/or email address to be used for making inquiries about the Services provided. 6. **District's Obligations.** The District will facilitate delivery of the Services by:

  - f. Cooperating with Provider's management and staff to accomplish the objectives of this MOU.

- g. Referring any student found to have signs of an eye condition or who has failed the visual screening described in the scope of work to the University Eye Center at Fullerton (UECF). The decision of referring any student for further evaluation or treatment to the UECF is autonomously made by the District, using their professional judgment and following legal mandates and district guidelines, including the consideration of local optometrists. The District will obtain consent from parents or guardians before the referral is completed, and the UECF will not be part of this consent process.
7. **Exclusion.** The District will be responsible for the physical safety of the students at all times in transit to and from the UECF as well as during the examination inside the UECF premises. University Eye Center at Fullerton optometrists, interns, staff and volunteers, acting on behalf of Provider will not be liable to District or parents/legal guardians for any claims, demands, injuries, damages, or actions arising out of or in connection with the use by District officials or students of the services and facilities of the UECF, or the premises where the same is located. If District personnel or students, including student's family members, bring any personal property onto the premises of the Clinic, or onto the Clinic parking area, District takes such action at its sole risk, and the UECF will not be responsible in any way for damage to or loss of any personal property which District brings onto the premises of the UECF.
8. **Discretion.** The District reserves the right to refuse entry to its schools or facilities by any agent of the Provider who, in the sole discretion of the District, poses any risk to Students, staff, or property of the District.

Provider will secure and maintain Business Automobile Liability Insurance for automobiles owned, leased or hired by Provider with a combined single limit of not less than \$1,000,000 per occurrence. Provider will deliver a copy of such insurance policies to District upon request. Provider will further provide all required worker's compensation insurance for its employees, if any. All of the insurance policies described in this paragraph will be maintained at Provider's expense. The District shall be listed as an additional named insured on all of the policies described in this paragraph.
11. **Indemnification.** Provider will defend, indemnify, and hold harmless the District and its agents, contractors, employees, and governing board members, from and against all claims, damages, losses, and expenses (including, but not limited to attorney's fees, costs, and fees of other professional consultants) arising out of the negligent acts or omissions

of the Provider or its respective agents, contractors, or employees during or related in any way to the offer or delivery of Services under this MOU, except to the extent arising from the sole negligence or willful misconduct of the District.

12. **Compliance with Law and District Policy.** The parties will adhere to all applicable laws, regulations, and District policies in the performance of their respective responsibilities under this MOU, including but not limited to HIPAA and laws and regulations related to the confidentiality of pupil records, which are incorporated herein by this reference.
13. **Responsibilities.** This MOU describes the mutual agreements and obligations of the District and the Provider for the sole purpose of rendering the Services to District Students. It does not place any additional responsibilities on either party or imply any transfer of responsibility from one to the other or sharing of statutory responsibilities.
14. **No Third Party Beneficiaries.** Nothing in this MOU, express or implied, is intended or shall be construed to confer on any person or entity other than the parties hereto any remedy or claim under or by reason of this MOU or any term, covenant, or condition hereof, as a third party beneficiary or otherwise.
15. **Independent Relationship.** The parties acknowledge and agree that the relationship created between the District and Provider is strictly that of an independent contractor with respect to the Services described. Nothing contained in this MOU shall be construed as creating any other type of relationship between the parties such as that of a principal-agent, master-servant, or employer-employee between Provider and the District. No party to this MOU nor any of its agents shall have any claim hereunder or otherwise against the other party for payment of employment taxes, workers' compensation, vacation, sick leave, retirement benefits, social security benefits, disability benefits, unemployment insurance, or employee compensation or benefits of any kind.
16. **Nondiscrimination.** Neither the District nor the Provider shall discriminate on the basis of race, religion, sex, sexual orientation, national origin, age or disability in employment or in the delivery of Services hereunder.
17. **Non-Assignment.** Neither party shall assign, transfer or subcontract the rights, duties or obligations called for under this MOU without the written consent of the other party.
18. **Entire Agreement.** This MOU constitutes the entire understanding between the parties and supersedes all prior agreements, representations or understandings between the parties relating to the subject matter hereof. It may be changed or modified only by a supplemental written agreement between the parties.

ANAHEIM CITY SCHOOL DISTRICT  
AND  
FULLERTON ELEMENTARY SCHOOL DISTRICT

WHEREAS, Education Code sections 56195 et seq. authorize school districts to provide special education services to students in other districts by organizing Special Education Local Plan Areas (SELPA) and by developing local plans;

WHEREAS, these statutory provisions authorize school districts to provide for a governing structure and any necessary administrative support to implement the local plans, including a system for determining the responsibility of participating agencies for the education of each special education student;

WHEREAS, Education Code section 56195.5 authorizes districts and SELPAs to enter into contracts between school districts to provide for the education of special education students who may reside in other districts;

NOW, THEREFORE, it is hereby agreed by and between the Anaheim City School District (hereinafter referred to as the "Provider District") and the Fullerton Elementary School District (hereinafter referred to as the "Sending District") as follows:

1. Basis of Agreement

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3 and 56195.5, the Provider District may provide for the education of individual pupils in special education programs who reside in other districts or counties. Education Code section 46600 shall apply to inter-district attendance agreements for programs conducted pursuant to this part.

2. Term of Agreement

This Agreement is effective for the period beginning July 1, 2014, through June 30, 2015.

3. Acknowledgment

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a SELPA.

4. Scope

The Provider shall conduct special education program and services for those eligible pupils of the Sending District referred by their Individual Education Program (IEP) Teams when it is jointly determined by the Sending District and the Provider District that the pupils' educational needs as specified in the IEP can be appropriately met by the programs operated by the Provider District. The Provider District shall maintain and provide special education programs for Sending District pupils during the 2014-15 school year within the administrative parameters established by the Provider District's SELPA. **TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.
