**3C. Comparison of District ADA to Enrollment Ratio to the Standard**

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Projected P-2 ADA to enrollment ratio has not exceeded the standard for the budget and two subsequent fiscal years.

Explanation:  
(required if NOT met)

**4. CRITERION: LCFF Revenue**

**STANDARD:** Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

<sup>1</sup>Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

**4A. District's LCFF Revenue Standard**

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

**4A1. Calculating the District's LCFF Revenue Standard**

**DATA ENTRY:** Enter LCFF Target amounts for the budget and two subsequent fiscal years.  
Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated.  
Enter data for Steps 2a through 2d. All other data is calculated.

**Projected LCFF Revenue**

Has the District reached its LCFF target funding level?

If Yes, then COLA amount in Line 2b2 is used in Line 2e Total calculation.  
If No, then Gap Funding in Line 2c is used in Line 2e Total calculation.

**5. CRITERION: Salaries and Benefits**

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

DISCUSSION/ACTION ITEM

**DATE:** June 9, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Debbie Vásquez, Manager, Transportation Services

**SUBJECT:** **ADOPT RESOLUTION #14/15-17 AUTHORIZATION TO APPLY FOR AND SECURE GRANT FUNDING FROM THE SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT (SCAQMD) AND REQUEST FOR MATCHING FUNDS FOR THE PURCHASE OF NEW SCHOOL BUSES**

Background: The District is in need of replacing many of its older school buses. The District previously utilized a grant available through the South Coast Air Quality Management District (SCAQMD) to replace sixteen buses. The SCAQMD has renewed funding for the grant and is again accepting applications. The District still has nine buses (of its 39-bus fleet) to be replaced.

This grant is for replacement of up to nine pre-1994 model year school buses (greater than 14,000 pounds of gross vehicle weight) with alternative fuel school buses. The grant application process for these SCAQMD grant funds requires that the Board commit in advance, through the resolution, to providing matching funds for the buses awarded. The District would also be required to pay for any additional options above the grant amount, such as required special-needs equipment. By approval of this resolution, the Board is showing that it is fully committed to the requirements of this grant program. The District is planning to purchase buses that use propane fuel. This is a much cleaner burning fuel and provides equal or better miles per gallon. The cost of the propane is approximately one-third the cost of diesel fuel. The grant, if approved, also provides funding for a new fueling infrastructure.

Rationale: The Air Resources Board and SCAQMD are requiring that school bus fleets be 100% compliant with lower emission standards by 2016. This requires replacing pre-1994 model year school buses with new alternative fuel school buses and retrofitting 1994-2006 model year diesel school buses with exhaust trap filters. The Fullerton School District has already trapped as many school buses as we can under the rules of the SCAQMD. The SCAQMD is providing grant funds to help school districts meet these requirements.

Funding: Fullerton School District's portion would be \$5,000 per bus up to \$45,000. SCAQMD would fund the remainder if the grant is approved.

Recommendation: Adopt Resolution #14/15-17 authorization to apply for and secure grant funding from the South Coast Air Quality Management District (SCAQMD) and request for matching funds for the purchase of new school buses.

**RESOLUTION NO: #14/15-17**

**Authorization to Apply For and Secure Grant Funding  
From the  
South Coast AQMD #PA2015-06 AB 923 School Bus Replacement Program**

WHEREAS, the Board of Trustees of the Fullerton School District of Orange County, State of California, has determined the District’s Transportation needs; and

WHEREAS, the District is in need of replacing nine school bus(es) under #PA2015-06, released by the South Coast AQMD at the March 6, 2015, SCAQMD Board Meeting, and said program to be administered by the South Coast AQMD when awards are announced at the SCAQMD Board meeting on October 2, 2015,

WHEREAS, this grant is for replacement of pre-1994 model year school buses with a mandatory District match portion, the grant application process for these South Coast AQMD AB 923 funds requires that the Board of Trustees commit in advance through this Resolution to providing the match funds for all of the buses awarded, in addition to committing to pay for any additional options above the grant amount, such as required special needs equipment, that might also be on the bus granted and ordered from the bus vendor, the Board of Trustees, by this Resolution, is also showing that they are fully committed to obtaining these grants and following through with all of the requirements of this grant program,

Whereas, the District match requirements and the cost of the additional options required for nine buses is \$10,000 per bus for a total of \$90,000 to be paid by the Fullerton School District,

Now, Therefore, Be It Resolved that the Board of Trustees of the Fullerton School District does hereby authorize the District’s representative, Robert Pletka, Ed.D., District Superintendent, to Apply for and Secure all possible funding for the replacement of nine school bus(es) with a commitment by the Board of Trustees through this Resolution to pay all District match money required, and additional option costs, on any buses granted through the South Coast AQMD AB 923 Program #PA2015-06.

DISCUSSION/ACTION ITEM

**DATE:** June 9, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **INITIATE DISCUSSION WITH CITY OF FULLERTON TO ENTER INTO A JOINT USE AGREEMENT FOR SCHOOL DAY USE OF ORANGETHORPE SCHOOL PARK AND PACIFIC DRIVE PARK**

Background: The District is interested in exploring with the City of Fullerton the possibility of designating both the Orangethorpe School Park and the Pacific Drive School Park for school use only during the school day. This would come about through a joint use agreement with the parks' owner, the City of Fullerton.

Rationale: The City has informed us that a request from the District would initiate this discussion. Upon approval of this agenda item, District staff would enter into a formal discussion with City representatives.

Funding: There would be no cost to explore an agreement. There may be maintenance costs associated with converting the parks to school use only during the school day.

Recommendation: Initiate discussion with the City of Fullerton to enter into a joint use agreement for school day use of Orangethorpe School Park and Pacific Drive School Park.

CONSENT ITEM

**DATE:** June 23, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** APPROVE ORGANIZATIONAL MEMBERSHIPS FOR 2015/2016

Background: Each year the Board approves organizational memberships. These memberships provide opportunities for staff development and literature related to specific responsibility areas. Staff is requesting approval of the 2015/2016 organizational memberships listed on the attachment.

The Board will note that the annual membership costs are listed as “estimated.” Any unknown costs were increased by approximately 10% over the 2014/2015 expenditure level, even though staff does not expect the increases to be that high for the 2015/2016 year.

Rationale: Participation in organizational memberships provides additional opportunities for staff to increase knowledge and skills in specific job-related areas.

Funding: Costs will be paid from General Fund and Categorical Funds.

Recommendation: Approve organizational memberships for 2015/2016.

Background: In order to meet the requirements of the Affordable Care Act (ACA), the District is in need of services related to the tracking, monitoring, and reporting of hours worked by District employees. This expertise is beyond the capacity of current District employees.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

The term of a SOW shall begin on the commencement date stated in that SOW and continue in effect for the agreed term stated in that SOW, unless earlier terminated as herein permitted.

**3. Fees and Records.** In consideration of Services performed, Client agrees to pay Consultant in accordance with each SOW. Unless otherwise expressly set forth in any given SOW, Client shall be responsible for actual out-of-pocket expenses (e.g., overnight charges, extensive reproduction costs) and travel costs incurred by Consultant in connection with its provision of the Services. Client shall also be responsible for all sales taxes and other similar tax obligations in connection with its receipt of the Services from Consultant. Such expenses, taxes, and other obligations shall be owed above and beyond any professional fees. If Client is exempt from paying sales tax, a tax exemption certificate shall be provided to Consultant. Until such certificate is received, Consultant will charge applicable sales tax on the invoices.

**4. Invoicing and Payment.** Consultant will deliver an invoice to Client for fees and expenses each month unless otherwise specified in the SOW. Payment of the amounts indicated on the invoice is due upon receipt of the invoice. Payment will be made within per annum thirty (30) days of receipt of an invoice ("Due Date"). Interest in the amount of 5% per annum, or the maximum amount allowable under the law, will be charged on all amounts due and owing after the Due Date.

**5. Client Resources and Data.** In addition to any responsibilities imposed on Client as specifically set forth in a SOW, Client agrees that Consultant shall have ready access to Client's staff and resources as necessary to perform the Services pursuant to a SOW. In addition, Client will provide to Consultant all data necessary to complete the Services specified in a SOW, in a format agreed to by both parties. In the performance of the Services, Consultant may rely upon, and will have no obligation to independently verify the accuracy, completeness, or authenticity of, any written instructions or information provided to Consultant by the Client or its designated representatives and reasonably believed by Consultant to be genuine and authorized by the Client. In addition, if Consultant receives inaccurate, incomplete, or improperly formatted information, any additional time and expense required to correct the information will be billed to Client as additional Services.

**6. Relationship of Parties.**

**a.** Consultant is, and shall at all times remain, an independent contractor with respect to the Client. Consultant and each of Consultant's employees, principals, and subcontractors shall not be deemed for any purpose to be Client's employees; and they shall not be entitled to any claims, rights, benefits and privileges to which an employee of Client or any of its respective affiliates may be entitled under any retirement, pension, insurance, medical or other plans which may now be in effect or which may hereafter be adopted. Client is not responsible to any governing body or to Consultant for paying or withholding payroll taxes and other employee expenses related to payments made to Consultant. Notwithstanding anything to the contrary, this Master Agreement does not, and shall not be deemed to, constitute a partnership or joint venture between the parties and neither party nor any of their respective directors, officers, employees or agents shall, by virtue of the performance of their obligations under this Master Agreement, be deemed to be an agent or employee of the other. No party has the authority to bind another party except to the extent approved in writing by the party to be bound.

**b.** Notwithstanding any provision in this Master Agreement to the contrary, the Client agrees and acknowledges that (i) this Master Agreement, any SOW executed pursuant to this Master Agreement or the performance by the Consultant hereunder are not intended in any way to impose on Consultant or any of its affiliates a fiduciary status under the Employee Retirement Income Security Act of 1974, as amended ("ERISA") or any other applicable law; and (ii) this Master Agreement does not provide Consultant, and the Client will not cause or permit Consultant to assume, without prior written consent of Consultant, any (A) discretionary authority or discretionary control respecting management of any "employee benefit plan" within the meaning of Section 3(3) of ERISA (an "ERISA Plan"), (B) authority or control respecting management or disposition of the assets of any ERISA Plan, or (C) discretionary authority or discretionary responsibility in the administration of any ERISA Plan.

**c.** The Client acknowledges and agrees that the Services do not and shall not constitute the practice of law, accountancy or any other profession by the Consultant and that the Consultant has recommended to Client that all work performed by Consultant be reviewed by Client's independent tax and legal counsel. All compliance assistance work performed by Consultant will relate to compliance with federal laws imposing obligations

with respect to Client's Plans. The parties agree that Consultant will not consider any State laws or regulations unless specifically set forth in a SOW. Finally, any Federal tax information provided in writing pursuant to this Master Agreement is not intended or written, and cannot be used, for the purpose of (i) avoiding penalties imposed by the Internal Revenue Code, or (ii) promoting, marketing, or recommending to another party any transaction or matter that is contained in our written work products. Consultant shall rely upon information provided by Client and will not have a duty to verify accuracy of such information.

## **7. Intellectual Property.**

**a.** Any patented or otherwise legally protectable invention, process, discovery, technique, know-how, proprietary method or copyrightable expression (1) belonging to and used by Consultant or its contractors for the benefit of Client in connection with this Agreement, or (2) made or developed by Consultant during the course of providing the Services hereunder, shall remain and be the property of Consultant. However, Consultant shall not receive any royalty related to the use of such invention in providing the Services to Client.

**b.** All documents produced by Consultant in any form, including the electronic versions thereof ("Deliverables"), are instruments of service of Consultant. The copyright and other intellectual property rights in all documents and expressions (including without limitation any memoranda, spreadsheets, drawings, maps or computer programs) prepared or compiled by Consultant hereunder shall remain vested in Consultant; however, Client shall have a free, non-transferable license to use such of those documents as are supplied hereunder for those purposes specified in and subject to the terms of the SOW and for Client's internal use only. Without limiting the foregoing, Client shall not provide such Deliverables to any third person without the written consent of the Consultant. Any liability arising out of use of Deliverables by Client for purposes other than for which they were created or out of use by any third party shall be the responsibility of Client, who shall indemnify Consultant against all claims, costs, damages, expenses or losses arising out of such unauthorized use.

**8. Confidential Information.** In connection with the Services, each party will have access to confidential information including, but not limited to trade secrets, data, business plans, customer information, marketing information, and financial matters which are made available by the other party or the other party's clients (collectively, "Confidential Information"). Each party shall protect Confidential Information in the same manner as it protects its own Confidential Information of like kind, but in no event less than a reasonable degree of care. The receiving party will only use the Confidential Information to exercise its rights or carry out its obligations under this Master Agreement. The receiving party will restrict access to Confidential Information to only its employees or consultants who require such access in the course of their assigned duties and responsibilities and who have been informed of the receiving party's obligations of confidence and have agreed in writing to preserve the confidentiality of such information under terms and conditions no less restrictive than those set forth herein. In the event that any Confidential Information is required to be disclosed pursuant to any law, code or regulation, if permitted by law, the

receiving party will give the disclosing party immediate notice thereof and will use its efforts to seek or to cooperate with the disclosing party in seeking a protective order with respect thereto. Upon termination of this Master Agreement, Confidential Information shall be returned to the disclosing party or certified as destroyed at the disclosing party's option.

## **9. Performance of Services.**

**a.** Consultant shall, subject to the provisions of this Master Agreement, including without limitation the obligations of the Client to provide accurate information and to pay the Consultant's compensation hereunder, and upon timely receipt of all data, information, approvals, site access or other information or assistance to be provided by Client, carry out and complete the Services specifically agreed upon in this Master Agreement or in a SOW.

**b.** Consultant has the full power and authority to enter into and perform this Master Agreement.

**c.** Consultant agrees that the Services will be performed in a professional and timely manner in accordance with accepted industry standards.

## **10. HIPAA Compliance.**

**a.** The parties agree that their respective actions pursuant to the terms of this Master Agreement shall be in full compliance with all applicable law including without limitation the Health Insurance Portability and Accountability Act of 1996 as amended ("HIPAA") and all regulations promulgated thereunder. Without limiting the foregoing, if and to the extent any of the Services involve disclosures or transmissions to or the creation or use of Protected Health Information by Consultant related to Client's Plans, the parties shall enter into a Business Associate Agreement prior to any such transmission, disclosure, creation or use. Client agrees to (i) notify Consultant prior to any transmission or other disclosure of Protected Health Information to Consultant and request Consultant to enter into the Business Associate Agreement, and (ii) cause any third person who may transmit or otherwise disclose Protected Health Information to Consultant on behalf of Client to abide by the terms of this paragraph. As used herein, Protected Health Information means any and all information considered "protected health information" under 45 C.F.R. 160.103 limited to the information created, received or transmitted by Consultant from or on behalf of Client pursuant to this Agreement as hereafter amended.

## **11. Termination.**

a. Each party (“Terminating Party”) may terminate this Master Agreement if the other party breaches any material term or condition of this Master Agreement provided that the Terminating Party gave written notice to the other party of the need to correct a breach of a material obligation under this Master Agreement, which notice included sufficient detail to allow the other party to identify and correct the breach, and the other party failed to take reasonable steps to remedy the breach within thirty (30) days of receipt of Terminating Party’s written notice. Each of the parties hereto may also terminate for convenience by providing sixty (60) days prior written notice of the same to the other party.

b. Such termination shall not relieve Client of the payment of any and all amounts owing to Consultant under this Master Agreement through the date of termination and any reasonable de-mobilization cost.

## **12. Disputes, Limitation of Liability and Indemnification.**

a. **Dispute Resolution.** In the event of a dispute, Client agrees to inform Consultant of such dispute and the parties agree to make a good faith attempt to reach a mutually acceptable resolution. If they are unable to reach agreement, then each party is free to seek legal recourse.

b. **Disclaimer. OTHER THAN AS PROVIDED HEREIN NO OTHER WARRANTY, EXPRESS OR IMPLIED, IS MADE OR INTENDED RELATED TO THE SERVICES PROVIDED. ANY AND ALL CLAIMS SHALL BE MADE WITHIN TWO (2) YEARS FROM THE DATE OF ANY ALLEGED FAULT OR ERROR OR SHALL BE FOREVER BARRED.**

c. **Limit of Liability. IN RECOGNITION OF THE RELATIVE RISKS RELATED TO THE SERVICES PROVIDED AND THE CONSIDERATION TO BE RECEIVED BY THE CONSULTANT FOR SUCH SERVICES, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, CONSULTANT’S MAXIMUM LIABILITY FOR ANY AND ALL CLAIMS UNDER ANY THEORY FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH ANY OF THE SERVICES PROVIDED TO CLIENT PURSUANT TO THIS AGREEMENT INCLUDING WITHOUT LIMITATION, ANY LIABILITY FOR NEGLIGENCE SHALL NOT EXCEED THE AMOUNT OF FEES ACTUALLY PAID TO CONSULTANT BY CLIENT IN THE THREE (3) MONTH PERIOD PRIOR TO THE DATE OF LOSS WITH RESPECT TO THE SERVICES DIRECTLY RELATING TO AND FORMING THE BASIS OF SUCH CLAIM. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL CONSULTANT BE LIABLE TO CLIENT OR ANY THIRD PERSON FOR ANY TAX, PENALTY OR FEE IMPOSED ON CLIENT OR ANY THIRD PERSON BY ANY GOVERNMENTAL AUTHORITY EVEN IF THE SOURCE OF SUCH TAX, PENALTY OR FEE IS THE SERVICES OR/AND DELIVERABLES OR ANY DEFECT IN EITHER OF THEM.**

**d. Indemnification.** To the fullest extent permissible by law, Client will indemnify and hold Consultant and its personnel, contractors and third-party suppliers of services and tools (including computer software) harmless from any and all claims, liabilities, and expenses relating to negligent actions or omissions, or breach of contract by Client or its personnel. This section shall survive termination of this Master Agreement.

### **13. Miscellaneous.**

**a. Notices.** All notices hereunder shall be in writing and shall be sent by certified mail, return receipt requested, or by overnight courier service, to the notice address set forth below each party's signature, or to such other addresses as may be stipulated in writing by the parties. Unless otherwise provided, notice shall be effective on the date it is officially recorded as delivered by return receipt or equivalent.

**b. Entire Agreement; Amendment.** This Master Agreement, incorporated agreements and each properly executed SOW supersede all prior agreements, arrangements and undertakings between the parties and constitutes the entire agreement between the parties relating to the subject matter hereof. This Master Agreement may not be amended except by written instrument executed by both parties. In the event of a conflict between the terms of any given SOW and this Master Agreement, the terms of this Master Agreement shall control, unless such SOW expressly states that it is amending the terms of the Master Agreement with respect to such SOW. The invalidity or unenforceability of any provision of this Master Agreement shall in no way affect the validity or enforceability of any other provision of this Master Agreement.

**c. Assignment and Sub-Contracting.** Consultant may sub-contract the Services hereunder. Consultant may also, for the benefit of Client, retain any necessary independent third-party actuarial experts, in connection with performance of the Services hereunder. Client may not assign the Services or any other rights hereunder or under a SOW without Consultant's written consent.

**d. Force Majeure.** If either party is prevented from performing any of its duties and obligations hereunder (other than duties or obligations with respect to payment) in a timely manner by reason of any act of God, strike, labor dispute, flood, public disaster, equipment or technical malfunctions or failures, power failures or interruptions or any other reason beyond its reasonable control, such condition shall be deemed to be a valid excuse for delay of performance or for nonperformance of any such duty or obligation for the period during which such conditions exist.

**e. No Waiver.** The waiver of any breach or failure of a term or condition of this Master Agreement by any party shall not be construed as a waiver of any subsequent breach or failure of the same term or condition, or a waiver of any other breach or failure of a term or condition of this Master Agreement.

**f. Governing Law.** This Master Agreement and all SOW's shall be governed by, and construed in accordance with, the laws of the State of Oklahoma applicable to contracts made and performed in Oklahoma without regard to conflict of laws principles.

The parties hereto submit to the exclusive jurisdiction of the appropriate court in Oklahoma City, for the purpose of resolving any dispute relating to the subject matter of this Master Agreement or the relationship between the parties pursuant to this Master Agreement.

**g. Counterparts.** This Master Agreement and any SOW may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same agreement. The parties may utilize electronic means (including facsimile) to execute and transmit this Master Agreement and SOWs and all such electronically executed and/or transmitted copies shall be deemed as valid as originals.

**h. Severability.** If any term of this Master Agreement or a SOW is held invalid or unenforceable for any reason, the parties agree that such invalidity will not affect the validity of the remaining provisions of this Agreement, and further agree to substitute for the invalid provision a valid provision that most closely approximates the intent and economic effect of the invalid provision.

WHEREFORE, for the purpose of being bound, the parties execute this Master Agreement by their duly authorized representatives as of the date first set forth above.

**PROJECT: Time and Eligibility Services**

**A. TERMS AND CONDITIONS:** This SOW is subject to the terms and conditions of the Master Agreement identified above.

**B. SERVICE DATES:** Subject to the Termination provision Article F. below, this SOW will continue for a period of twelve (12) months from the Effective Date (“Initial Term”). At the end of the Initial Term this SOW will renew automatically for additional periods (“Renewal Terms”) of one (1) year each until either party gives written notice to terminate this Agreement, by method provided for by this Agreement. Such notice must be given not more than ninety (90) days or less than fifteen (15) days before the end of the Initial Term or any Renewal Term.

**C. SERVICES AND DELIVERABLES**

**1. WORXTIME SERVICE**

- a.** Consultant has made arrangements for Client to access a service ( the "WorxTime Service") and related documentation (the "Documentation") provided by a third person (the "Provider") for tracking, monitoring and reporting hours worked by employees. The WorxTime Service utilizes certain computer programming (the "WorxTime Program").
- b.** Consultant hereby permits Client to use the WorxTime Service and Documentation in accordance with the terms, conditions and limitations of this SOW during the Term or Terms, as defined herein. Any use of the WorxTime Service that is inconsistent with the terms, conditions and limitations of this Agreement is prohibited. Client’s permission to use the WorxTime Service is subject to Client’s payment in full of all fees and Client’s compliance with all other terms and conditions of this Agreement. The right to use the WorxTime Service granted to Client by Consultant is a limited, personal, non-exclusive, non-transferable and non-assignable (except as this SOW otherwise provides).

**2. CONSULTANT SERVICE**

- a.** If prior to the Effective Date of this SOW Client has entered into a Master Agreement which relates to services other than the Services described in this SOW, Client shall be considered to be an existing client (“Existing Client”) under this SOW; and Consultant will provide a one (1) hour discussion with the Client to help Client understand the application of Section 4980H of the Internal Revenue Code of 1986 as amended, which is referred to as the Employer Mandate Penalty rules and then gather the information needed to implement WorxTime Service.
- b.** If Client is not an Existing Client, Consultant shall provide two (2) hours of consultation with Client.

- c. Travel expenses will be billed to the Client following the final consultation if Client requests the consultation described above to be in person.

#### **D. RESTRICTIONS AND RESPONSIBILITIES CONCERNING THE WORXTIME SERVICE**

1. Without implying that Client will have access in the WorxTime Program by accepting the rights granted by Consultant, Client agrees that Client will not, without the prior written consent of Consultant; (a) sell, license, sublicense, grant rights to, distribute, lease or otherwise transfer or allow the transfer of the WorxTime Program, or any backup copy, to third parties; (b) use the WorxTime Program in any manner inconsistent with the rights granted herein; (c) use the WorxTime Program in any manner for the purpose of monitoring or evaluating a greater number of employees than such number of employees anticipated by the agreed to pricing, herein; (d) modify or create derivative works of the WorxTime Program or Documentation or separate the WorxTime Program's component parts; or (e) unless specifically permitted under applicable law without the possibility of contractual waiver, attempt to decompile, disassemble or reverse engineer the WorxTime Program, or otherwise attempt to (i) derive source code or underlying ideas, algorithms, structure or organization from the WorxTime Program or (ii) defeat, avoid, bypass, remove, deactivate or otherwise circumvent any software protection mechanisms in the WorxTime Program, including without limitation any such mechanism used to restrict or control the functionality of the WorxTime Program.
2. Client may not transfer the Documentation, or assign any rights granted hereunder prior to receiving written authorization from Consultant.
3. Client agrees that Client will not use the WorxTime Service in any manner that could damage, disable, overburden, or impair such services or interfere with any other party's use and enjoyment of them.
4. Client acknowledges and agrees that Client is solely responsible for the accuracy and completeness of all data required to be input into the WorxTime Service and that Consultant has no responsibility or obligation to determine if such information is accurate or complete.
5. By written notification to Consultant, Client shall identify the person or persons who will be authorized to access the WorxTime Service on Client's behalf. The persons identified by Client are referred to as "Authorized Users". Client shall be responsible for insuring that access codes needed to access the WorxTime Service are only provided to Authorized Users and that access to the WorxTime Service is in accordance with procedures established by Consultant. Client further agrees that Client is solely responsible for access to Client's data in violation of such procedures and Consultant shall have no responsibility, obligations or liability for any unauthorized access to the Client's data resulting from a failure to follow Consultant's procedures.

#### **E. FEES (Identified in Exhibit A attached hereto)**

- a. Setup Fee. In order to initiate the WorxTime Service, Client agrees to pay setup fee in the amount of \$995, which is due and payable for the Initial Term as of the Effective Date. This setup fee includes ten (10) hours of client support to set up their group data in the WorxTime system. If Client requires more than ten (10)

hours of support in connection with establishing the WorxTime Service, Client shall pay an additional fee at the rate of \$350 per hour. An Existing Client as defined in Section (2.a.) will receive a \$300 discount on the setup fee if services were rendered in the past twelve (12) months for any service other than a “Bronze” package.

- b. Per Employee Fees. Client agrees to pay \$0.45 per month for each employee whose hours are monitored through the Worxtime Service. A fee of \$0.45 per employee per month of the initial measurement period that has already lapsed, if any, will also apply. Monitoring will begin on \_\_\_\_\_. This fee is contingent on the combined school districts of the Alliant Employer Groups exceeding 4,000 employees each month whose hours are monitored through the Worxtime Service. Should the combined employee count whose hours are monitored through the Worxtime Service for all Alliant Employer Groups members fall below 4,000 for any given month then the fee will be adjusted based on the schedule in Exhibit A. Monitoring will begin with the earliest of the start of the client’s Measurement Period or the earliest month of the hours uploaded into the WorxTime system. All per employee fees will be invoiced on or about the 10th day of each month. Payment of per employee fees is due within thirty (30) days of receipt of such invoice. Consultant reserves the right to increase the amount of the Per Employee Fees in future years.
- c. Out-of-Pocket Expenses. Client will pay out-of-pocket travel expenses incurred by the Consultant for in-person meetings, if any.

## **F. TERMINATION OF SOW**

If either party materially breaches any provision of this SOW, the other party may terminate this SOW with thirty (30) days’ written notice, provided, however that the party in breach shall have thirty (30) days from receipt of notice of breach to cure the breach (“Cure Period”). In the event the breaching party fails to cure the breach during the Cure Period, the SOW shall be deemed to have been terminated as of date of notice of breach. Either party may terminate all or part of this SOW for any reason effective no earlier than thirty (30) days after written notice is provided to the other party. This SOW will automatically terminate on the earliest of the following dates:

1. If the reason for termination is the failure by Client to pay a fee by the due date (including any grace period), termination of this SOW will be retroactively effective as of the last day of the period for which a fee was properly made in accordance with this SOW, except as otherwise provided in writing by Consultant.
2. The date that this SOW or the Client violates applicable law.

Termination of this SOW shall not terminate the rights or obligations of either party arising prior to the effective date of such termination.

In the event the Client terminates this SOW prior to paying one (1) full month of per employee fees, all data entered into the WorxTime Service by or for Client, all databases of information related to the WorxTime Service and reports generated by the WorxTime Service will be the property of Consultant. Consultant shall make reasonable efforts to keep such data confidential and in the alternative may elect to destroy all such data.

## **G. COPYRIGHT AND PROPRIETARY INFORMATION**

Consultant and its Provider reserve all of the intellectual property rights with respect to the WorxTime Program, the WorxTime Service and Documentation and any copies under all applicable national and international laws and treaties for the protection of Intellectual Property Rights, including, but not limited to, trade secrets, copyrights, trademarks and patents. Any rights not expressly granted to Client in this SOW are retained by Consultant and the Provider.

Except as otherwise provided in this SOW, Client shall not cause or permit unauthorized copying, reproduction or disclosure of any portion of the WorxTime Program or Documentation, or the delivery or distribution of any part thereof to any third party, for any purpose, without the prior written permission of Consultant. This restriction shall continue beyond the termination of this SOW. In the event Client becomes aware of any unauthorized use, copying, reproduction or disclosure of the WorxTime Program or Documentation, Customer shall notify Consultant, in writing, immediately.

## **H. LIMITED WARRANTY/DISCLAIMER**

1. Subject to the limitation of liability provisions contained in the Master Agreement and as set forth in this SOW, Consultant warrants that it has sufficient rights to grant Client the rights to access the WorxTime Service pursuant to this Agreement. No warranty is made that the WorxTime Service will be uninterrupted or error-free. Client is solely responsible for all data input. Consultant expressly disclaims any and all liability resulting from inadequate data input, incomplete data input or improper input data. This warranty is limited to the duration for the Initial Term and any Renewal Terms.
2. THE PRECEDING WARRANTY IS THE ONLY WARRANTY RELATED TO THE WORXTIME SERVICE, DOCUMENTATION AND SUPPORT SERVICES AND IS MADE IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. CONSULTANT IS NOT LIABLE FOR ANY DAMAGES, INCLUDING INDIRECT, INCIDENTAL, CONSEQUENTIAL, ATTORNEY'S FEES, PUNITIVE OR SPECIAL DAMAGES RELATING TO LOSS OF DATA, PROFIT, REVENUE OR BUSINESS OR THE LOSS, DAMAGE OR DESTRUCTION OF ANY PROPERTY, WHETHER YOU, CLIENT'S ASSIGNEE OR ANY OTHER TRANSFEREE SUFFER THE LOSS OR DAMAGE AND WHETHER OR NOT CONSULTANT IS INFORMED IN ADVANCE OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE.
3. If an implied warranty or condition is created by Client's state/jurisdiction and federal or state/provincial law prohibits disclaimer of it, Client may also have an implied warranty or condition, BUT ONLY AS TO DEFECTS DISCOVERED DURING THE PERIOD OF THIS LIMITED WARRANTY (90 DAYS). AS TO ANY DEFECTS DISCOVERED AFTER THE NINETY (90) DAY PERIOD, THERE IS NO WARRANTY OR CONDITION OF ANY KIND. Some states/jurisdictions do not allow limitations on how long an implied warranty or condition lasts; so, the above limitation may not apply to you. This limited warranty gives Client specific legal rights. Client may have other rights, which vary from state/jurisdiction to state/jurisdiction.

4. Consultant is acting on behalf of its suppliers for the purpose of disclaiming, excluding, and/or limiting obligations, warranties, and liability as provided in this Agreement, but in no other respects and for no other purpose.
5. Client understands and acknowledges that Client is solely responsible, among other things, for: (a) all uses of the WorxTime Service using user names or passwords assigned to you; (b) input of data into the WorxTime Service; (c) confirmation of the accuracy of the data input into and received from the WorxTime Service; and, (d) compliance with all applicable laws associated with the use of the data.

## **I. LIMITATION OF LIABILITIES**

SUBJECT TO THE LIMITATION OF LIABILITY AND OTHER TERMS CONTAINED IN THE MASTER AGREEMENT, CONSULTANT AND ITS PROVIDER'S ENTIRE LIABILITY AND CLIENT'S EXCLUSIVE REMEDY FOR ANY BREACH OF THIS LIMITED WARRANTY OR FOR ANY OTHER BREACH OF THIS AGREEMENT OR FOR ANY OTHER LIABILITY RELATING TO THE WORXTIME SYSTEM SHALL BE LIMITED TO (A) CORRECTION OF ERRORS IN THE OPERATION OF THE WORXTIME SYSTEM OR (B) REFUND OF FEES. CLIENT WILL RECEIVE ONE OF THE TWO REMEDIES, SELECTED BY CONSULTANT IN ITS SOLE DISCRETION, WITHOUT CHARGE.

IN NO EVENT WILL CONSULTANT, THE PROVIDER OR ANY OF THEIR RESPECTIVE AFFILIATES HAVE ANY OBLIGATION OR LIABILITY (WHETHER IN TORT, CONTRACT, WARRANTY OR OTHERWISE AND NOTWITHSTANDING ANY FAULT, NEGLIGENCE, PRODUCT LIABILITY, OR STRICT LIABILITY), FOR ANY INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, LOST REVENUE, LOSS OF OR DAMAGE TO DATA, PROFITS OR BUSINESS INTERRUPTION LOSSES, SUSTAINED OR ARISING FROM OR RELATED TO THE WORXTIME PROGRAM, THE WORXTIME SERVICE OR THE DOCUMENTATION OR, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. CONSULTANT'S LIABILITY FOR ANY REASON AND UPON ANY CAUSE OF ACTION SHALL AT ALL TIMES AND IN THE AGGREGATE AMOUNT BE LIMITED TO THE AMOUNT ACTUALLY PAID BY CLIENT TO CONSULTANT UNDER THIS AGREEMENT.

This limitation of liability also applies to the Provider. It is the maximum for which the Provider and Consultant are collectively responsible. Some states/jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to Client.

CONSENT ITEM

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Ron Mullins, Supervisor, Purchasing and Stores

**SUBJECT:** **APPROVE AGREEMENT WITH THE LIQUIDATION COMPANY TO PROVIDE PROFESSIONAL AUCTION SERVICES TO THE FULLERTON SCHOOL DISTRICT FOR THE DISPOSAL OF SURPLUS ITEMS FOR THE PERIOD OF JULY 1, 2015 THROUGH JUNE 30, 2016**

Background: Over a period of time, the various District sites accumulate supplies and equipment which have become obsolete, unserviceable, unrepairable, or otherwise not suitable for school use. Some of these items may be salvaged or sold, thus providing the District with some recovery of residual value.

By employing the professional services of a disposal/auction company, the District expects to realize greater interest in its sale items and generate greater revenues than could be generated by disposing of surplus property in other manners allowed by law. Expenses will be paid from proceeds of sale. Additional General Fund revenue is anticipated. Although there is no cost to the District for the services of The Liquidation Company, there could be expenses incurred to dispose of any items not sold at auction.

Rationale: Routine removal of obsolete, unserviceable, and unrepairable furniture and equipment from the surplus storage area is necessary due to limited storage space. Sale of these items at auction may also provide revenue for the General Fund.

Funding: General Fund.

Recommendation: Approve agreement with The Liquidation Company to provide professional auction services to the Fullerton School District for the disposal of surplus items for the period of July 1, 2015 through June 30, 2016.

CONSENT ITEM

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Ron Mullins, Supervisor, Purchasing and Stores

**SUBJECT:** **AWARD A CONTRACT TO GORM, INC., PURSUANT TO THE STATE OF CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS), CONTRACT NUMBER 4-14-75-0053A, FOR THE PURCHASE AND WARRANTY OF OFFICE SUPPLIES AND RESTROOM PRODUCTS AS NEEDED THROUGHOUT THE DISTRICT**

Background: For several years the District has utilized a multi-district cooperative bid to obtain the best pricing for office supplies and restroom products which was awarded to GORM, Inc. The State of California has now awarded that same vendor a California Multiple Award Schedule (CMAS) contract for the purchase and warranty of office supplies and restroom products. The routine acquisition of office supplies and restroom products will exceed the bid threshold limits allowed by Public Contract Code Section 20111. High quality and competitively priced office supplies and restroom products are available through this CMAS contract awarded by the California Department of General Services (DGS) to GORM Inc. The recommended CMAS contract is based on some or all of the products and/or services and prices from General Services Administration (GSA) Schedule No. GS-02F-0004P. The CMAS contract term is November 24, 2014 through January 31, 2019. Public Contract Code Section 10298 specifically authorizes local agencies to contract with suppliers who are awarded CMAS contracts without further competitive bidding. District staff has determined that it is in the best interest of the District to award a contract to GORM, Inc., based upon staff's determination that the pricing for office supplies and restroom products required by the District is fair, reasonable, and competitive and meets all the needs of the District.

Rationale: When required by school sites and other departments, office supplies, and restroom products can be purchased under the terms and conditions of CMAS Contract Number 4-14-75-0053A

Funding: Multiple funding sources may be used throughout the life of this contract.

Recommendation: Award a contract to Gorm, Inc., pursuant to the State of California Multiple Award Schedules (CMAS), Contract Number 4-14-75-0053A, for the purchase and warranty of office supplies and restroom products as needed throughout the District.

The responsible administrators have signed the Destruction Eligibility Reports. The list of records to be destroyed is attached.

Rationale: Destruction of old records allows for better utilization of Warehouse storage facilities and frees up space needed for incoming supplies, instructional materials, and equipment.

Funding: Not applicable.

Recommendation: Authorize the destruction of designated District records in accordance with legal codes and administrative regulations.

CONSENT ITEM

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Kenyatta Turner, Director, Nutrition Services

**SUBJECT:** **APPROVE RENEWAL OF THE USE OF SANTA CLARITA VALLEY SCHOOL FOOD SERVICES AGENCY'S PIGGYBACKABLE RFP NO. 11-12-31012012-01 FOR THE PURCHASE OF FROZEN FOODS FROM GOLD STAR FOODS**

Background: Nutrition Services operates the School Breakfast Program and National School Lunch Program.

Public Contract Code Section 20118 provides authority for the governing board of a school district to purchase from another public agency without going to bid if the board determines it to be in the best interest of said district to utilize a bid from another district. Santa Clarita Valley School Food Services Agency is a joint powers agency (JPA) and is the lead agency in the Super Co-Op purchasing cooperative. Fullerton School District is permitted to piggyback on a JPA's requests for bids and requests for proposals if all legal requirements are met. This RFP satisfies all requirements. Gold Star Foods has been designated as the distributor for Fullerton School District for these items. Gold Star Foods is also the administrator to the Super Co-Op.

This contract was initially approved by the Board on June 5, 2012, for a one-year term of July 1, 2012 through June 30, 2013. The contract was renewed on June 4, 2013, and July 29, 2014, for one-year terms. This will be the third one-year renewal of the four possible one-year renewals. All terms remain unchanged for the term July 1, 2015 through June 30, 2016 school year.

Rationale: Pursuant to Section 20118 of the Public Contract Code, the Board of Trustees of the Fullerton School District determines it is in the best interest of the District to contract for services using the Santa Clarita Valley School Food Services Agency's RFP No. 11-12-31012012-01.

Funding: Nutrition Services Fund (13).

Recommendation: Approve renewal of the use of Santa Clarita Valley School Food Services Agency's piggybackable RFP No. 11-12-31012012-01 for the purchase of frozen foods from Gold Star Foods.

CONSENT ITEM

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D. District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Kenyatta Turner, Director, Nutrition Services

**SUBJECT:** **APPROVE AMENDMENT TO SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND HEARTLAND PAYMENT SYSTEMS (FORMERLY MYSCHOOLBUCKS, LLC)**

Background: Nutrition Services provides meals and snacks on a daily basis to students at all school sites in the District as part of the School Breakfast Program and the National School Lunch Program. Students use their meal accounts to pay for food and beverages purchased using the point-of-sale machines operating at each school site.

This agreement was initially approved by the Board on June 28, 2011, for a one-year term with two successive twelve-month renewal terms.

This amendment agreement is for a period of twelve months. The agreement shall be renewed at the end of each contract period for one additional year upon mutual agreement of parties and can be terminated at any time upon thirty-days' written notice to Heartland Payment Systems.

Rationale: The Heartland Payment Systems service offers parents the convenience of making payments by credit or debit card via the Internet while also decreasing time spent by students in the service lines during meal periods. The use of this service has increased every year, and many parents use this service as their sole method of making payments into their students' accounts.

Funding: Not applicable.

Recommendation: Approve amendment to service agreement between Fullerton School District and Heartland Payment Systems (Formerly MySchoolBucks, LLC).

**PREPARED BY:** Kenyatta Turner, Director, Nutrition Services

**SUBJECT:** **APPROVE ANNUAL SOFTWARE SUPPORT MAINTENANCE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND HARRIS SCHOOL SOLUTIONS FOR THE 2015/2016 SCHOOL YEAR**

Background: Nutrition Services operates the School Breakfast Program, National School Lunch Program, and provides food to various child care programs. To manage these programs, staff uses software and hardware from Harris School Solutions. Staff maintains an inventory of food and supplies, performs accounting functions to purchase and pay for food and supplies, serves meals to students using point-of-sales machines, and processes applications for free and reduced-price meals. All of these functions utilize Harris School Solutions software to produce records that are audited locally and by the federal and State governments.

In 2008, additional hardware and software was purchased through Image One which added the capability of scanning applications and supporting documents into the Harris School Solutions back-office software. Harris School Solutions worked with Image One to facilitate the installation and coordinate the integration of the scanning into the Harris School Solutions software. The term of this agreement is from July 1, 2015 through June 30, 2016.

The agreement with Harris School Solutions includes licensing for all software and maintenance and support plans at the Nutrition Center and all school sites. Services include toll-free telephone support; technical troubleshooting including assessment, diagnosis, documentation, and resolution of issues; and email support call logging.

Rationale: Nutrition Services continues to operate programs that require computerized systems to maintain accurate student records, process meal applications, and follow proper accounting procedures and record keeping. Harris School Solutions has provided excellent support of all aspects of the back office and point-of-sales systems and works well with Image One to support processing of applications.

Funding: The annual cost is \$23,694.26 from Nutrition Services Fund.

Recommendation: Approve annual software support maintenance agreement between Fullerton School District and Harris School Solutions for the 2015/2016 school year.

**PREPARED BY:** Laurie Bruneau, Risk Manager

**SUBJECT:** **APPROVE/RATIFY CONTRACT WITH ALL CITY MANAGEMENT SERVICES FOR THE COST OF A CROSSING GUARD FOR THE INTERSECTION OF HETEBRINK STREET AND HUTAIN STREET, EFFECTIVE JULY 1, 2015 THROUGH JUNE 30, 2016.**

Background: The City of Fullerton's traffic engineers perform traffic studies, when requested by the District, for those intersections near schools that may warrant crossing guards.

A study performed in the spring of 2011 for the intersection of Hetebrink Street and Hutain Street showed that the intersection did not meet the City's established criteria for a crossing guard. However, District staff recommended that in the interest of student safety, the District bear the cost of a crossing guard at the intersection until such time as the City performed another traffic study. An additional study might warrant the placement of a crossing guard by the City (in which case the District would split the cost with the City).

The original contract was for a one-year period. Staff recommends extension of the contract for one additional year.

A copy of the contract is available for review in the Superintendent's Office.

Rationale: The agreement between the City of Fullerton and the Fullerton School District requires that the cost of a warranted crossing guard be borne by the City of Fullerton. In this case, as the intersection of Hetebrink and Hutain does not as yet meet the criterion for warrants, the District must bear the cost.

Funding: The current cost is not to exceed \$11,945 per year from General Fund (01).

Recommendation: Approve/Ratify contract with All City Management Services for the cost of a crossing guard for the intersection of Hetebrink Street and Hutain Street, effective July 1, 2015 through June 30, 2016.

**SUBJECT:** **APPROVE SALES ORDER FORM/AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND BLACKBOARD CONNECT INC., FOR THE BLACKBOARD CONNECT K-12 SERVICE WITH ENGAGE SERVICE, EFFECTIVE JULY 1, 2015 THROUGH JUNE 30, 2016**

Background: This is a renewal contract for our Blackboard Connect services used by the schools to provide parent notification and absence verification. This agreement was originally approved by the Board of Trustees on January 17, 2006, and has been in effect since January 18, 2006. The District will continue a one-year extension to this contract, effective July 1, 2015 through June 30, 2016.

Rationale: The Blackboard Connect Inc., parent notification system has provided web-based automated contacts with parents concerning student absences. It has also allowed messages to be sent to remind parents of important dates, changes in schedules, and most importantly, information about emergency situations.

Funding: The annual cost of the Blackboard Connect service, along with the annual support fees, is \$38,400.06 from the General Fund.

Recommendation: Approve Sales Order Form/Agreement between Fullerton School District and Blackboard Connect Inc., for the Blackboard Connect K-12 Service with Engage Service, effective July 1, 2015 through June 30, 2016.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

NOW, THEREFORE, the parties agree as follows:

2. Term. Contractor shall commence providing services under this Agreement on **September 8, 2015**, and will diligently perform as required and complete performance by **November 3, 2015**.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **ten thousand Dollars (\$10,000.00)**. 5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

Any LBLP approved reference to all or any portion of the Materials on the District’s website shall contain a direct link to the LBLP website at: <http://www.lindamoodbell.com>.

4.7 The District acknowledges that LBLP has the right and duty to control the use, quality and implementation of the Materials. Accordingly, the District acknowledges and agrees that it shall in no way utilize all or any portion of the Materials in a manner that would affect the quality or validity of the Materials, along with the goodwill and reputation of LBLP, Nanci Bell, Phyllis Lindamood, Pat Lindamood, and/or any of their programs, copyrighted works, or other proprietary materials, including the Materials. Any such action by the District or its agents in violation of this covenant shall be deemed a material breach of this Agreement by the District and shall provide LBLP the right to immediately terminate this Agreement, in addition to seeking damages and equitable relief.

4.7.1 The District hereby acknowledges the validity of each of the Copyrights and Marks, and neither District nor its agents shall in any way undertake any action or effort, directly or indirectly, to challenge the ownership or validity of the Marks or the Copyrights, or any other intellectual property of LBLP, Nanci Bell, Phyllis Lindamood, and/or Pat Lindamood.

4.7.2 The District hereby agrees to defend, indemnify and hold LBLP harmless from and against any and all suits, actions, claims, judgments, debts, obligations or rights of action, of any nature or description, and any and all costs, including attorneys’ fees incurred by LBLP in connection with, arising out of or relating to the need for LBLP to protect the Copyrights and/or the Marks as a result of any acts, omissions, statements or representations of any employee or agent of the District. The District shall immediately notify LBLP of any known or expected violation of the Copyrights or the Marks, whether by an employee or agent of the District, or by any third party.

5. LBLP Personnel and Expenses. LBLP shall bear all costs and expenses associated with the on-site and off-site personnel utilized to perform the duties of LBLP under

this Agreement, as specified below.

5.1 Neither the District nor its employees or agents shall do anything to interfere with the employer-employee relationship between LBLP and its personnel assigned to provide the District services under this Agreement, including but not limited to the solicitation of any such employee(s) away from the employ of LBLP.

5.2 LBLP's costs and expenses associated with the fulfillment of this Agreement shall include:

5.4 The District recognizes that LBLP personnel may be absent from a school assignment from time to time for unanticipated technical, health or personal reasons. If this occurs during the term of this Agreement and the absence of the LBLP employee or the interruption of live video streaming has a material impact on LBLP's requirements under the Agreement, LBLP will work with the District to make up workdays missed and/or assign replacement personnel or technology.

6. Provision of Services. The District recognizes and agrees that as of the date of this Agreement, LBLP has not reviewed the abilities or performance characteristics of District employees who will be utilized by the District pursuant to the provision of services to the District by LBLP. For example, District employees may or may not follow LBLP's techniques and requirements when LBLP programs are administered to District students. Further, there is no baseline data for the students of the District who will participate in the services to be performed under this Agreement. Because LBLP cannot control all variables of instructional quality and fidelity within the District, it is recognized and agreed that LBLP cannot and will not provide the District with a guarantee of specified gains by District students pursuant to this Agreement. This Agreement is intended to provide professional development to District staff. It is not intended to provide direct services by LBLP to District students or to address individual student needs. The District may have students who independently seek services with a LBLP learning center. Services recommended to students in LBLP learning centers may vary from the instruction recommendations for instruction given to District personnel under this Agreement, based on the individual needs of students and based on the scope of LBLP's services under this Agreement.

7. Data. LBLP will establish a data system to provide comprehensive and timely data for the implementation of the program for the District pursuant to the terms and conditions

of this Agreement. Each of the parties shall have the right to utilize this aggregate data (not individual data) for their respective purposes throughout the term of this Agreement and upon the termination of this Agreement for whatever reason.

7.1 LBLP and its employees understand that all individual student records which are generated by the District are intended to be confidential in nature. LBLP and its employees shall not disclose contents of any of the individual student records generated by the District, its employees, or students, except as required by state or federal law, or with the prior written permission of the District.

8. Partnership. Nothing contained in this Agreement or arising from the services to be performed by the parties under this Agreement shall be construed to place the parties in the relationship of partners or joint ventures, and neither party shall have the right to bind the other in any manner whatsoever concerning the subject matter of this Agreement.

9. Acknowledgment; Publicity. On occasion, the District may contact or be contacted by various representatives of the media to promote, market and advertise the services offered by the District under the terms of this Agreement. The parties acknowledge that LBLP's name recognition in connection with any promotion of the services is essential to the protection of LBLP's intellectual property and associated goodwill. Accordingly, prior to any public reference to the services by the District in any material, the District shall obtain LBLP's prior written consent. In addition, LBLP shall be referenced in all press releases issued by the District involving the services.

10. Authority. Each of the parties to this Agreement represents and warrants that it has the legal authority to enter into this Agreement, and that this Agreement shall be binding upon the applicable party in accordance with its terms and conditions. Each person signing this Agreement on behalf of LBLP and the District has the authority to fully bind the respective party.

11. Assignability. This Agreement and the rights granted by this Agreement to the District are personal to the District and shall not be assignable by the District or by operation of law. LBLP shall have the right to assign this Agreement on the prior written consent of the District, which consent shall not be unreasonably withheld or delayed.

12. Peer Review. For all manuscripts prepared by the District whose data arises out of or relates to LBLP's provision of the services under this Agreement (collectively, the "Manuscripts"), LBLP must approve the contents of the Manuscripts prior to their submission by the District for publication (the "Submission Date"). The District shall provide LBLP with a complete copy of the final Manuscript no less than forty-five (45) days prior to the Submission Date. The Manuscript may not be submitted or published without the prior written consent of LBLP. Should LBLP's consent be granted on condition that certain revisions are incorporated into the Manuscript, the District shall be required to incorporate those revisions prior to the Manuscript's submission for publication. LBLP may, at its option, withhold consent if it deems the research contained in the Manuscript to be false or to compromise the integrity of the services or the Lindamood-Bell® method. LBLP may, at its option, in writing waive its right to

review and comment upon any Manuscript.

13. Workshops. As an element of implementing program for the District, LBLP shall conduct specified workshops (see Schedule 1) for District employees to teach District students using the LBLP programs. It is recognized and agreed by the District that the receipt of any workshop, mentoring and/or certification of District employees in the LBLP programs shall not entitle the District or any of its employees to provide workshops in any of the LBLP programs to any persons, including other District personnel.

14. Miscellaneous Provisions. The following miscellaneous provisions shall apply to the terms and conditions of this Agreement:

14.1 Pursuit of any one remedy shall not preclude pursuit of any other remedies provided for herein or by law. No waiver of one violation of this Agreement shall be deemed or construed to constitute a waiver of any similar violations subsequently occurring, or any other violations whatsoever.

14.2 This Agreement shall be construed under the laws of California, and the rights and obligations of each of the parties of this Agreement during the term hereof and upon its termination shall be governed exclusively by California law. Venue for purposes of any actions brought in connection with or arising out of this Agreement shall be conclusively presumed to be in San Luis Obispo County, California.

14.3 This instrument contains all of the understandings and agreement of whatsoever kind and nature existing between the parties hereto with respect to this Agreement, and the rights, interests, understandings, agreements and obligations of the respective parties and their prior oral agreements.

14.4 This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

14.5 The performance of this Agreement by either party is subject to acts of God, war, government regulation, any U.S. State Department travel warning or alert, disaster, weather, civil disorder, curtailment of transportation facilities or other emergencies making it illegal or impossible to provide the event, or in the event either party does not reasonably believe it to be safe to provide the event.

14.6 If any one or more of the provisions contained in this Agreement are held to be invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect any other provision hereof, and the intent manifested thereby shall be recognized.

14.7 Nothing expressed or mentioned in the Agreement is intended or shall be construed to give any person, other than the parties hereto and their respective heirs and successors, any legal or equitable rights, remedy or claim under or in respect to this Agreement, or any provisions herein contained.

14.8 This Agreement may not be amended, altered or modified except by a written instrument signed by each of the parties.

14.9 Each individual executing this Agreement on behalf of a corporation, partnership or other entity represents or warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of such entity, and that this Agreement is binding upon such entity in accordance with its terms and in no way stands in contravention of any prior agreement to which such entity is a party. On request, each party shall furnish the other with evidence of authority.

14.10 If any legal proceeding is brought for the enforcement or interpretation of this Agreement, or because of any alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, the prevailing party in any such action will be entitled to recover its reasonable attorneys' fees and additional legal costs incurred, together with any other relief to which he/it may otherwise be entitled.

14.11 Any controversy between the parties involving the construction or application of any of the terms, covenants, or conditions of this Agreement shall be submitted to arbitration in San Luis Obispo, California, on the request of any party, and the arbitration shall comply with and be governed by the provisions of the California Arbitration Act (California Code of Civil Procedure Sections 1280-1294.2).

IN WITNESS WHEREOF, the parties have made this Agreement as of the date last written below.

14.7 The performance of this Agreement by either party is subject to acts of God, war, government regulation, any U.S. State Department travel warning or alert, disaster, weather, civil disorder, curtailment of transportation facilities or other emergencies making it illegal or impossible to provide the service, or in the event either party does not reasonably believe it to be safe to provide the service.

14.8 This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

14.9 If any one or more of the provisions contained in this Agreement are held to be invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect any other provision hereof, and the intent manifested thereby shall be recognized.

14.11 This Agreement may not be amended, altered or modified except by a written instrument signed by each of the parties.

14.12 If any legal proceeding is brought for the enforcement or interpretation of this Agreement, or because of any alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, the prevailing party in any such action will be entitled to recover its reasonable attorneys' fees and additional legal costs incurred, together with any other relief to which it may otherwise be entitled.

In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

nevertheless continue in full force and effect, and shall not be affected, impaired or invalidated in any way.

21. Attorney Fees/Costs. Should litigation be necessary to enforce any terms or provisions of this Agreement, then each party shall bear its own litigation and collection expenses, witness fees, court costs, and attorneys' fees.

**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** ADOPT THE 2015/2016 BUDGET—ALL FUNDS

Background: Education Code section 52062 requires that the Board of Trustees hold a public hearing for the proposed budget at the same meeting as the public hearing for the Local Control Accountability Plan (LCAP). The public hearings were held at the regular Board of Trustees meeting on June 9, 2015. The proposed 2015/2016 budget for all District funds is presented for the Board’s adoption.

The Board members are acting as three different entities when discussing the 2015/2016 budget: (1) as the legislative body of the Fullerton School District identified as District 22; (2) as the legislative body of Community Facilities District No. 2000-01 (Van Daele) identified as District 40; and (3) as the legislative body of Community Facilities District No. 2001-1 (Amerige Heights) identified as District 48.

Rationale: Education Code Section 42127 requires every school district to approve a budget prior to July 1 of each year.

Funding: The District is projecting the following General Fund Unrestricted Fund Balance reserves:

2015/2016	21.50%
2016/2017	20.80%
2017/2018	20.34%

Recommendation: Adopt the 2015/2016 Budget—All Funds.

Assistant Superintendent, Business Services

**SUBJECT:** PROPOSED BUDGET FOR 2015-16 AND MULTI-YEAR FINANCIAL PROJECTIONS

The estimated ending balances for the 2014-15 fiscal year and our initial budget for the 2015-16 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

### **2014-15 Estimated Unaudited Actuals**

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our Orange County Department of Education (OCDE) projection.  
LCFF has increased \$2,403 since Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.  
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals. Carryover balances have been projected in the MediCal Reimbursement, Special Education Mental Health, and Proposition 20 Lottery programs.
- Analysis and revision of General Fund expense accounts.  
Fiscal staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are a few reductions between the budget as presented at Second Interim and the Estimated Actuals. In general, Estimated Actuals represent underspending of previously shown budgeted amounts, resulting in an improvement to the ending fund balance results.
- Projection of Restricted Fund balance carryovers.  
District fiscal staff has analyzed estimated results for each categorical program the District operates.
- All other line item 2014-15 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end April 30, 2015) and the adjustments noted above, the District estimates final unaudited actual results in the General Fund, which reflect an improvement of \$2,833,609 over Second Interim budgeted net income. This consists of an increase of \$1,453,609 in budgeted net income in the Unrestricted Fund and an increase of \$1,380,000 in budgeted net income in the Restricted Fund.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$2,217,854). This consists of a net increase in the Unrestricted Fund of \$502,880 combined with a net decrease in the Restricted Fund of (\$2,720,734). This deficit spending reflects spending down of prior year categorical funds carryovers.

The estimated total ending General Fund balance at June 30, 2015, is \$28,122,521. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$25,713,411, which is 21.74% of total General Fund expenditures. (The state requirement is 3%.)

These projections constitute our best estimate at this time of how the District will finish the 2014-15 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

## **2015-16 Budget**

### ***State Budget Outlook***

On January 9, 2015, Governor Brown introduced his proposed 2015-16 State Budget, beginning the legislative process for the upcoming fiscal year. On May 14, 2015, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

The Governor's original and revised budget proposals reflect tremendous growth in K-14 funding. Thanks to substantial state revenue growth and the proposition 98 guarantee, the Governor's 2015-16 May Revision builds on his January proposal by providing additional increased funding to further implement the LCFF, as well as significant additional one-time discretionary funding. The Governor proposes that remaining increases in state funding primarily go towards paying down state debts and making deposits into the state's Rainy Day Fund.

Overall, the proposed budget provides an additional \$4 billion to the \$2.1 billion allocated for LCFF in January (for a total of \$6.1 billion). This would close the gap rate to 53.08%, and provide an average state-wide increase of 14.13%, or \$1,088 per ADA (Average Daily Attendance). The Governor also proposes an additional \$2.4 billion in discretionary one-time funds addition to the \$1.1 billion from January, for a total of \$3.5 billion for LEAs—\$601 per ADA. Once again, these funds will offset any applicable mandate reimbursement claims.

At the time of this writing, the Legislature and the Governor are still in session, and the final budget had not yet been determined. The District's budget was built on the Governor's January proposal and will be adjusted once the state passes its final budget.

### ***FSD 2015-16 Budget***

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE), and the Orange County Department of Education. The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Therefore, the District will prepare its budget based upon the Governor's January proposal, updated with as current of information as is available. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2014-15 reported P-2 ADA. Since the state budget was still undetermined as of the preparation of the District budget, the District has conservatively estimated state LCFF revenue using the annual gap funding percentages as projected by the Department of Finance for the January Budget revision, with no other COLAs applied to any other state programs, except for Special Education. The District has not added any new state-funded programs to its budget.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2015-16 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

The following provides more details on the budget.

### ***Revenues***

The 2015-16 General Fund budget projects total revenues of \$120.2 million, for a net increase (over 2014-15 estimated revenues) of \$4.2 million. The majority of the net change is due to a projected increase in the LCFF revenue.

LCFF income is projected to increase due to a small COLA increase (1.58%), combined with an increase in the target-gap funding rate from 29.15% to 32.19%. The unduplicated count percent decreased very slightly to 51.98%. This results in a per-ADA increase to LCFF funding of 7.8%.

This increase is offset somewhat by a decline in the District's apportionment earning ADA. For the first time in many years, District P-2 ADA declined in fiscal 2014-15 by 180. The state allows a one-year "hold harmless," so this drop is reflected in 2015-16 LCFF revenue. There is no further projected change in District ADA for the budget.

Federal revenues are projected with no COLA and a projected decrease as a result of the exclusion of carryover balances.

State categorical programs are budgeted with a 0 COLA, except for Special Education. The majority of the increase in state revenues from 2014-15 to 2015-16 reflects one-time monies received in 2015-16 for Mandated Cost reimbursements.

Other revenues are based upon historical trends and estimated actuals.

### ***Interfund Transfers-In***

Interfund transfers-in reflect a \$1.0 million reduction as a result of 2014-15 being the final year of fund balance transfers from Fund 17 Special Reserve Fund-Other Than Capital Outlay, and Fund 20 Special Reserve Fund-Post Employment Benefits. These two funds will be closed at the end of 2014-15.

### ***Expenditures***

For 2015-16, total General Fund expenditures are projected at \$120.3 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. Additionally, due to increases in LCFF funding, the District has been able to add new programs

and expenditures to its budget. Through the LCAP process, the District identified areas of need for new spending. Major increases have been added for increased and/or improved services to targeted pupils, Common Core implementation, site-based programs and expenses, and various program enhancements. See the attached list for more details.

### ***Uncertainties Regarding the State Budget***

As previously noted, due to the requirement for the Board to review and approve both the LCAP and the budget over two meetings, the District was obligated to complete this budget before the Governor released his May Revision. Therefore, this budget is based upon his January budget. However, the Governor's May Revision was significantly improved for K-12 education from his January budget. Although the District has used a "best guess" estimate of its state revenues, it believes that the projected revenues are conservatively estimated and that revised budget amounts, once a final budget is received from the state, will be significantly better than what is projected in this budget.

### ***Change in Fund Balance***

Based upon these assumptions, the estimated total ending General Fund balance for the 2015-16 fiscal year shows a net decrease of (\$37,288). The Restricted (Categorical) General Fund is budgeted to decrease (\$182,345), and the Unrestricted General Fund is budgeted to increase \$145,057.

The estimated total ending General Fund balance for the 2015-16 fiscal year is \$28,085,233. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$25,858,468, which is 21.50% of total General Fund expenditures.

### **Three-Year Projection**

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District's financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District's projected ADA.

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages as of the Governor's January budget proposal. The District is not projecting that its current 51.98% Unduplicated Percentage of enrollment will fluctuate by more than 1% for the subsequent two years of the projection.

ADA: The District is projecting no change to ADA in either the 2016-17 or 2017-18 fiscal years.

The District's three-year projection shows Unrestricted General Fund ending fund balance amounts as follows:

	<u>Percent</u>	<u>Amount Above 3%</u>
June 30, 2016	21.50%	\$22,250,919
June 30, 2017	20.80%	\$21,797,566
June 30, 2018	20.34%	\$21,869,495

As noted above, the District's projections are expected to improve with the final budget approved by the Legislature and the Governor.

**Required Disclosure under Education Code Section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state recommended minimum level**

Education Code Section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs to the District of declining enrollment. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	<u>Assigned</u>	<u>Unassigned</u>	<u>3% Minimum</u>	<u>Amount Above 3% Minimum</u>
June 30, 2016	\$913,429	\$25,858,468	\$3,607,549	\$23,164,348
June 30, 2017	\$913,429	\$25,471,015	\$3,673,449	\$22,710,995
June 30, 2018	\$913,429	\$25,653,762	\$3,784,267	\$22,782,924

## OTHER FUNDS

**Child Development Fund:** The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Cafeteria Fund:** The Cafeteria Fund continues to operate in a strong financial position. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Deferred Maintenance Fund:** The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

**Special Reserve Fund—Other than Capital Outlay:** This Special Reserve Fund accounts for mandated cost revenues previously set aside by the District as a “rainy day” fund. The District is now drawing down on those funds in order to close this fund. Amounts transferred to the Unrestricted General Fund are \$875,000 in the current fiscal year and zero in the budget year. The projected balance at June 30, 2015, is zero.

**Special Reserve Fund—Post Employment Benefits:** This Special Reserve Fund accounts for amounts previously set aside by the District to fund retiree benefits. Amounts transferred to the Unrestricted General Fund are \$127,000 in the current fiscal year and zero in the budget year. The projected balance at June 30, 2015, is zero.

**Bond Building Fund:** This fund accounts for amounts remaining from the District’s former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund.

**Capital Facilities Fund:** The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$1,408,000 in fees was collected in 2014-15. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment.

**Special Reserve Fund—Capital Outlay Projects:** This fund records financial activity related to the Laptop Reserve, and also revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund.

**Capital Projects Fund—Blended Components:** This fund records the financial activity related to the District’s two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bond holders as well as administrative expenses related to the CFDs’ operations. Various capital projects for schools in the CFD areas are financed through this fund.

**Self-Insurance Fund:** The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers’ Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund, Cafeteria Fund, and Child Development Fund. The amounts charged in 2014-15 provided sufficient funding. This transfer will be increased \$100,000 for 2015-16.

Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided more than sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2014-15.

The Dental Self-Insurance Reserve maintains a balance to pay any tail claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.

- 1a. STANDARD MET - Projected P-2 ADA to enrollment ratio has not exceeded the standard for the budget and two subsequent fiscal years.

Explanation:  
(required if NOT met)

**4. CRITERION: LCFF Revenue**

**STANDARD:** Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

<sup>1</sup>Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

**4A. District's LCFF Revenue Standard**

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

**4A1. Calculating the District's LCFF Revenue Standard**

**DATA ENTRY:** Enter LCFF Target amounts for the budget and two subsequent fiscal years.  
Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated.  
Enter data for Steps 2a through 2d. All other data is calculated.

**Projected LCFF Revenue**

Has the District reached its LCFF target funding level?  If Yes, then COLA amount in Line 2b2 is used in Line 2e Total calculation.  
If No, then Gap Funding in Line 2c is used in Line 2e Total calculation.

- 1a. STANDARD MET - Projected change in LCFF revenue has met the standard for the budget and two subsequent fiscal years.

**Explanation:**  
(required if NOT met)

**5. CRITERION: Salaries and Benefits**

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

**5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures**

DATA ENTRY: All data are extracted or calculated.

**5C. Comparison of District Salaries and Benefits Ratio to the Standard**

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Projected ratio(s) of unrestricted salary and benefit costs to total unrestricted expenditures are outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard, a description of the methods and assumptions used in projecting salaries and benefits, and what changes, if any, will be made to bring the projected salary and benefit costs within the standard.

Explanation:  
(required if NOT met)

2015/16 includes an increase to textbooks of \$1.5 million from one-time mandated cost revenue.

**6. CRITERION: Other Revenues and Expenditures**

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained.

DISCUSSION/ACTION ITEM

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Steve Miller, Director, Business Services

**SUBJECT:** **ADOPT RESOLUTION #14/15-18 REGARDING THE EDUCATION PROTECTION ACCOUNT**

Background: Proposition 30 added Article XIII, Section 36, to the California Constitution. The new temporary tax revenues generated from Proposition 30 are deposited into a newly-created State account called the Education Protection Account (EPA). Funds will be distributed by the State to local districts on a quarterly basis in 2015/2016.

Rationale: Article XIII, Section 36, stipulates how the monies are to be spent. The Article also requires each school district to disclose how it will spend its share of the EPA in open session of a public meeting of the governing board.

Funding: The estimated District's share of the Education Protection Account for 2015/2016 is \$15,656,700. This amount offsets revenues previously received through the District's revenue limit. This is not new revenue to the District. The District will spend this funding on instruction (teacher salaries).

Recommendation: Adopt Resolution #14/15-18 the Education Protection Account.

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**PREPARED BY:** Marilee Cosgrove, Director, Child Development Services

**SUBJECT:** **ADOPT RESOLUTION #15/16-01 AND APPROVE 2015/2016 CHILD DEVELOPMENT STATE PRESCHOOL CONTRACT EFFECTIVE JULY 1, 2015 THROUGH JUNE 30, 2016**

Background: Fullerton School District operates a State Preschool Program funded through the State Department of Education Child Care and Development Division. Health services and parent education covering a variety of topics are also provided. The programs are designed for children of low to medium socio-economic families. Resolution #15/16-01 delegates contract authority for the period July 1, 2015 through June 30, 2016 to the District Superintendent and Assistant Superintendent of Business Services.

Funding: Fullerton School District will receive a maximum total reimbursable amount of \$1,456,079 to be allotted to the State Preschool Program and the Prekindergarten Family Literacy Program. Funding is applied to Child Development budgets #206, #207, #310 and #315.

DISCUSSION/ACTION ITEM

**DATE:** June 23, 2015

**TO:** Board of Trustees

**FROM:** Robert Pletka, Ed.D., District Superintendent

**SUBJECT:** **APPROVE SENDING FORMAL REQUEST TO OPEN DISCUSSION WITH THE CITY OF FULLERTON TO ENTER INTO A JOINT USE AGREEMENT FOR SCHOOL DAY USE OF ORANGETHORPE SCHOOL PARK AND PACIFIC DRIVE PARK**

Background: The District is interested in seeking a joint use agreement with the City of Fullerton, which would designate both Pacific Drive School Park and Orangethorpe School Park as being for school use only during the school day. This would come about through a joint use agreement with the parks' owner, the City of Fullerton.

Rationale: The action item is to approve the District sending a formal request to open discussions on the matter as soon as possible, with particular note being made of our desire to accomplish this prior to the beginning of school on August 10, 2015. The District is requesting the City of Fullerton to provide fencing for both of these parks.

Funding: To be determined. It is the District's hope that the City would cover the cost of moving the fences as this is a more economical solution to offering adequate school day protection than alternative methods

Recommendation: Approve sending formal request to open discussion with the City of Fullerton to enter into a joint use agreement for school day use of Orangethorpe School Park and Pacific Drive School Park.

DISCUSSION/ACTION ITEM

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**SUBJECT:** **ADOPT PROPOSED LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP) FOR THREE SCHOOL YEARS 2015/2016, 2016/2017, 2017/2018**

Background: On or before July 1, 2015, the governing board of each school district is required to adopt a Local Control and Accountability Plan (LCAP) using a template adopted by the State Board of Education. A Local Control and Accountability Plan (LCAP) adopted by a governing board of a school district shall be effective for a period of three years and shall be updated on or before July 1 of each year. A governing board of a school district shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP or annual update to the LCAP. The agenda for the hearing shall be posted at least 72 hours before the public hearing and shall include the location where the LCAP will be available for public inspection. The public hearing shall be held at the same meeting as the public hearing for the adoption of the district's budget for the subsequent fiscal year required under Education Code section 42127(a)(1).

Rationale: A public hearing for the proposed Local Control and Accountability Plan (LCAP) and a public hearing for the adoption of the district's budget were held at a regularly scheduled board meeting on June 9, 2015. In addition to the established postings for a public meeting of the Board of Trustees, a notice was posted at school sites providing the date, time, and location of the LCAP public hearing. The proposed LCAP was posted on the district website and a copy was made available to the public for review in the superintendent's office. No public comments were presented at the June 9, 2015 board meeting during the public hearing or public comment.

Funding: The LCAP provided guidance for developing the district budget.

Recommendation: Adopt proposed Local Control and Accountability Plan (LCAP) for three school years 2015/2016, 2016/2017, 2017/2018.

ADMINISTRATIVE REPORT

**DATE:** June 23, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**SUBJECT:** **FIRST READING OF REVISED BOARD POLICY 4120 – ON-CALL DAY-TO-DAY SUBSTITUTE PERSONNEL**

Background: The California School Boards Association (CSBA) provides up-to-date legal templates of board policies, which are adopted by the majority of school districts in our State. Effective July 1, 2015, Labor Code 245-249 (the Healthy Workplaces, Healthy Families Act of 2014), as added by AB 1522 (Ch. 317, Statutes of 2014), require districts to grant a minimum of one hour of paid sick leave for every 30 hours worked to their employees who work for 30 days within a year of their employment up to a maximum accrual of 24 hours in a fiscal year, including substitute employees. In implementing Labor Code 246, the district must either (1) allow substitute employees to carry over accrued paid sick leave to the following year up to a maximum of 48 hours or six work days, in which case the district must track the amount of sick leave earned by each employee, or (2) grant 24 hours of paid sick leave to each such employee at the beginning of each year, in which case no sick leave carries over to the following year. Districts should select the option below which corresponds to their approach under Labor Code 246.

The purpose of this Administrative Report will be to afford Board members the opportunity to review revisions, ask questions, receive clarification and propose revisions prior to approval of this revised policy at the June 23, 2015 Board of Trustees Meeting.

Rationale: Ongoing revisions ensure that District maintains compliance within State and federal laws and regulations.

#### **Noncustodial Parents**

**Board Adopted: June 10, 2005**

**Board Revised:**

**The Board of Trustees recognizes the right of parents/guardians to be involved in the education of their children and desires to balance that right with the District's need to ensure the safety of students while at school.**

**“Joint custody” is defined in Family Code 3002 as joint legal and joint physical custody. Under a joint legal custody arrangement, both parents/guardians share the right and responsibility to make decisions relating to their child's health, education, and welfare. When one parent/guardian has “sole legal custody,” then, pursuant to Family Code 3006, only that parent has the right to make such decisions for the child.**

**The parent/guardian who enrolls a child in a District school shall be presumed to be the child's custodial parent/guardian and shall be held responsible for the child's welfare.**

**School officials shall presume that both parents/guardians have equal rights regarding their child, including, but not limited to, picking the student up after school or otherwise removing the student from school, accessing student records, participating in school activities, or visiting the school. When a court order restricts access to the child or to his/her student information, a parent/guardian shall provide a copy of the certified court order to the principal or designee upon enrollment or upon a change in circumstances. A court order binds only the parties to the order, not the District or its school staff. However, if school officials have been provided a certified copy of such a court order, then they have a responsibility to abide by any terms of the order applicable to situations arising at school.**

~~Noncustodial parents generally retain the same rights as custodial parents unless a court order restricts the rights of the noncustodial parent. These rights include but are not limited to accessing his/her child's student records, participating in school activities and visiting the child at school. If a completed or pending legal action curtails the noncustodial parent's rights, the parent/guardian with custody shall provide evidence of this action to the Superintendent.~~

~~Upon request, the District shall provide noncustodial parents with regular school announcements and notices that are sent to the custodial parent.~~

~~While both parents may visit the child at school, only the custodial parent has the right to remove the child from school property. Only a verified note or emergency card from the custodial parent will be cause for exception to this provision. No child may be removed from school property without the consent of the principal or designee.~~

**In the event of an attempted violation of a court order that restricts access to a student, staff shall contact the custodial parent and local law enforcement officials and shall make the student available only after one or both of these parties consent.**

No absence due to illness shall be credited as attendance beyond the current school year. Parents of children with chronic illness are required to complete the "Verification of Chronic Illness" form available in the health office at the school in which the student is enrolled. (CCR, Title 5, Section 423)**

**When a student has been absent for more than ten (10) days for illness or injury during a school year, any further absences – beginning with the 11th absence – for illness or injury shall be checked and verified by a physician, school nurse, health assistant, office clerk, or the appropriate school employee. ## **Board Policy**

### **Students**

**BP 5113.1**

#### **Truancy**

**Board Adopted: June 10, 2005**

**Board Revised:**

The Board of Trustees believes that excessive absenteeism, whether caused by excused or unexcused absences, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the State's compulsory education law and take full advantage of educational opportunities provided by the District.

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and administrative regulation, and to identify patterns of absence throughout the District. He/She shall provide the Board with data on school attendance as defined in Education Code 52052. Such data shall be used in the development of annual goals and specific actions for student attendance and engagement and for inclusion in the District's Local Control and Accountability Plan and other applicable school and District plans.

The Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

The Superintendent or designee shall work with students, parents/guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy. He/She also may collaborate with child welfare services, law enforcement, courts public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to ensure that alternative educational programs and nutrition, health care, and other support services are available for students and families and to intervene as necessary when students have serious attendance problems.

Students who are identified as truants shall be subject to the interventions specified in law and administrative regulation.

A student's truancy, tardiness, or other absence from school shall not be the basis for his/her out-of-school suspension or expulsion. Alternative disciplinary strategies and positive reinforcement for attendance shall be used whenever possible.

The Superintendent or designee shall periodically report to the Board regarding the District's progress in improving student attendance rates for all students. Such information shall be used to evaluate the effectiveness of strategies implemented to reduce chronic absence and truancy and to make changes as needed. As appropriate, the Superintendent or designee shall engage school staff in program evaluation and improvement and in identification of how to best allocate available community resources.

**In accordance with law and administrative regulation, habitual truants may be referred to the School Attendance Review Board (SARB).**

**The Board, with help from the Superintendent or designee, shall appoint members of the District's SARB, who may include, but are not limited to, a parent/guardian as well as representatives of the District; County probation department; County welfare department; County office of education; law enforcement agencies; community-based youth service centers; school guidance personnel; child welfare and attendance personnel; school or county health care personnel, school, county, or community mental health personnel; the county district attorney's office; and the county public defender's office. (Education Code 48321)**

**The District's SARB shall operate in accordance with Education Code 48320-48325 and procedures established by the Superintendent or designee.**

~~To improve student attendance, the Superintendent/designee shall implement positive steps to identify the reasons for a student's unexcused absences and to help resolve the problems caused by truancy. Such strategies shall focus on early intervention and may include, but not be limited to: communication with parents/guardians and the use of student study teams.~~

~~In addition, the Superintendent/designee shall cooperate with other agencies within the community to meet the needs of students who have serious school attendance or behavior problems and to maintain the continuing inventory of community resources, including alternative programs.~~

~~Habitually truant students may be referred to a School Attendance Review Board, a truancy mediation program operated in cooperation with local law enforcement, the county's department of education, district attorney or probation officer, social services agency and/or juvenile court in accordance with law.~~

~~For purposes of California's welfare system (CalWORKS), a student shall be determined to be regularly attending school unless he/she has been referred to the school attendance review board, county district attorney or probation officer.~~

#### Work Permits

Board Adopted: June 10, 2005

Board Revised:

The Board of Trustees recognizes that part-time employment can provide students with income as well as job experience that can help them develop appropriate workplace skills and attitudes. Upon obtaining an offer of employment, District students who are minors shall obtain work permits from the Superintendent or designee in accordance with law, regardless of whether the employment will occur when school is in session and/or not in session.

In determining whether to grant or continue a work permit, the Superintendent or designee shall consider whether employment is likely to significantly interfere with the student's schoolwork. Students granted work permits must demonstrate and maintain satisfactory school attendance and academic achievement. On a case-by-case basis, the Superintendent or designee may approve a maximum work hour limit that is lower than the limit specified in law and administrative regulation.

Students with work permits may be exempted from attendance in a full-time day school provided they attend part-time classes.

Work permits shall be limited to part-time employment as defined by law, except when the Superintendent or designee determines that circumstances warrant the granting of a permit for full-time employment.

Any student authorized to work full time when school is in session shall be enrolled in part-time continuation classes.

~~The Board of Trustees recognizes that part time jobs can give students needed supplementary income, valuable work experience, and enhanced self esteem. However, the Board also believes that outside employment should not interfere with students' educational progress nor impairs their health. In accordance with law, students must obtain work permits from school authorities before accepting employment.~~

~~The Superintendent/designee shall issue work permits only as allowed by law and only to the extent that outside employment does not significantly interfere with the student's schoolwork. Students granted work permits must demonstrate and maintain satisfactory grades. Independent work study program will not be authorized by the District. Students may not earn academic credits for activities performed or engaged in as part of or a condition of their off campus employment. This should not be construed to prohibit junior high and middle schools from establishing job skills classes/programs, internships, or office/staff assistant programs and electives.~~
