**PREPARED BY:** Marilee Cosgrove, Director, Child Development Services

**SUBJECT:** APPROVE OUT-OF-STATE CONFERENCE FOR STEVE SPANGLER SCIENCE IN THE ROCKIES ON JULY 7-9, 2015, IN LAKEWOOD, COLORADO

Background: Steve Spangler is nationally known as a teacher's teacher that shares his passion for learning in the classroom, on the platform, and through the airwaves. Over the last 19 years, Steve Spangler has made hundreds of television appearances as an authority on hands-on science and inquiry-based learning. His science demonstrations and creative insights earned him an Emmy as the host of NBC television's News for Kids.

Rationale: Fullerton School District's After School Programs provide before and after school care for over 2,000 students per day. The conference provides an opportunity to engage in hands-on science that can be replicated in after school programs, in addition to supporting the mission of STEM (Science, Technology, Engineering, and Mathematics), as identified in the California Department of Education After School Division's strategic plan. Registration includes \$300 toward science materials. The workshop features numerous activities that cover the following scientific concepts: air, density, light, sound, color, electricity and magnetism, polymers, force and motion, weather, and states of matter. Child Development Services Supervisor and three After School Program Site Leads will share and utilize information with After School Program staff.

Funding: Cost not to exceed \$7,800 and is to be paid from Child Development budget #085.

Recommendation: Approve out-of-state conference for Steve Spangler Science in the Rockies on July 7-9, 2015, in Lakewood, Colorado.

**DATE:** November 18, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Mark L. Douglas, Assistant Superintendent, Personnel Services

**PREPARED BY:** Craig Bertsch, Ed.D., Director of Administrative Services

**SUBJECT:** APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND LINDA FREDRICKSON FOR FACILITATION OF TRUANCY INTERVENTION GROUPS EFFECTIVE NOVEMBER 19, 2014 THROUGH JUNE 30, 2015

Background: On August 23, 2012, the California State Senate passed AB 2616, which requires school districts to individually address the truancy issues of individual students. Students who are habitually truant have long-term costs not only for themselves, but also for their family, and school district. Truancy is clearly identified as one of the early warning signs that students potentially are headed for delinquent activity, social isolation, and educational failure.

Fullerton School District is implementing a Truancy Prevention Program in which Linda Fredrickson (Retired Juvenile Probation Officer and Certified Facilitator with The Parent Project) would facilitate three group sessions for students who are identified as chronic or habitual truants. Program objectives include identifying factors and resources to help truant students finish school and understand that success in school transfers to success at work and in life. There would be up to ten (10) participants per group at each of the following three school sites – Ladera Vista Junior High School, Nicolas Junior High School, and Orangethorpe School. Participating students would be referred by the Child Welfare and Attendance Department and/or already be involved in the School Attendance Review Board (SARB) process and participation would be mandatory as part of compliance with the SARB behavior contracts. The truancy groups would be held after school on campus during the school year.

Rationale: Entering into this Independent Contractor Agreement would enable Truancy Intervention Groups to be established as part of the District's Truancy Intervention Program targeting chronic truants to reduce truancy behavior as part of compliance with AB 2616.

Funding: Cost not to exceed \$2,550 from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Linda Fredrickson for facilitation of Truancy Intervention Groups effective November 19, 2014 through June 30, 2015.

Background: Due to increased technology usage, the District needs to expand and upgrade technology wiring. This project specifically benefits Districtwide communications by extending/improving service from the District's main technology center to outlying buildings at the District Office. The cost of such a project will exceed State bid limits. Therefore, the District needs to go out to bid for the contract.

Rationale: Pursuant to Public Contract Code Section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The total estimated cost of the project, including soft costs and contingency, is \$80,000. The estimated cost of the project is in excess of the current bid limit.

Funding: The project will be financed from District 48—CFD No. 2001-1 (Amerige Heights).

Background: On August 28, 2001, the Board of Trustees approved the use of a procurement card program, the CAL-Card program. CAL-Card is a way to purchase what you need, when you need it. With the ease of a widely accepted VISA bank card, individuals make walk-in purchases, place telephone or Internet orders, and receive and confirm purchases of up to their assigned delegated dollar limits. To date, thirty-two CAL-Cards have been dispensed to District staff. The term of the new Participating Addendum ends December 31, 2018, or upon termination, whichever occurs first.

Rationale: The CAL-Card streamlines procurement methods, effectively manages expenses, and cuts program costs. It offers districts effective control and monitoring of purchases while reducing the time and paperwork associated with the use of purchase orders.

Funding: Purchases by CAL-Cards will be funded from various programs and site budgets as appropriate.

Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and

DISCUSSION/ACTION ITEM

**DATE:** November 18, 2014  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Mark Douglas, Assistant Superintendent, Personnel Services  
**SUBJECT:** APPROVE AMENDMENTS TO ASSISTANT SUPERINTENDENTS' CONTRACTS FOR 2014/2015

Background: Assistant Superintendents are limited to a maximum of a three-year employment contract. The contracts for each Assistant Superintendent were revised in November 2013 to align contract dates and ensure consistency per legal counsel. All three contracts have been modified to include a cost of living increase of 4% retroactive to July 1, 2014 and a 2% one-time bonus based upon employees' 2014/2015 base salary. An additional 1% salary adjustment effective July 1, 2015 is contingent upon adoption of the State budget for 2015/2016 if the Local Control Funding Formula is increased by a minimum of 15%.

These salary compensations also apply to the two new Assistant Superintendents for Educational Services and Personnel Services, whose contracts become effective January 1, 2015. The contract for Assistant Superintendent of Business Service has been revised to align with the two new Assistant Superintendents' contract term to reflect consistency.

All salary adjustments are in alignment with the District's represented employees. A copy of each contract and contract amendment is available in the Superintendent's Office for review.

Rationale: Any amendments or adjustments to contracts require Board approval.

Funding: General Fund.

Recommendation: Approve amendments to Assistant Superintendents' contracts for 2014/2015.

DISCUSSION/ACTION ITEM

**DATE:** November 18, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ADOPT RESOLUTION #14/15-13 CALLING UPON THE GOVERNOR AND LEGISLATURE TO REPEAL THE LANGUAGE CONTAINED IN SECTION 27 OF SB 858/CALIFORNIA EDUCATION CODE 42127.01**

Background: SB 858 was a trailer bill to the 2014/15 State budget containing numerous provisions related to public education. Section 27 of that bill added Education Code Section 42127.01, stating that in the fiscal year following a year in which the State transfers money into the Public School Stabilization Account, known as the Prop 98 reserve, school districts will be required to spend their assigned and unassigned ending balances down to no more than twice the level of their minimum recommended reserve for economic uncertainties. This Resolution calls upon the Governor and Legislature to repeal the language contained in Section 27 of SB 858/Education Code 42172.01.

Rationale: By setting a mandatory maximum limit on school district reserves, Section 27 of SB 858 takes budget and decision making authority away from the local school board. The Board of Trustees of the Fullerton School District is responsible for maintaining a prudent reserve to provide for both planned and unplanned future expenditures. Requiring the District to spend down its reserves to 6% based upon an arbitrary action at the State level is both unnecessary and imprudent. The Board of Trustees believes that it is not only appropriate and judicious for reserve levels to be determined by the local educational agency, but in fact, it is the responsibility of the Board of Trustees to its constituents.

Funding: There is no cost to the District to adopt the Resolution.

Recommendation: Adopt Resolution #14/15-13 calling upon the Governor and Legislature to repeal the language contained in Section 27 of SB 858/California Education Code 42127.01.

**RESOLUTION CALLING UPON THE GOVERNOR AND LEGISLATURE TO REPEAL THE LANGUAGE CONTAINED IN SB 858, SECTION 27/CALIFORNIA EDUCATION CODE 42127.01**

WHEREAS, school district governing boards have the obligation to provide a quality education that is essential for an informed citizenry, a competitive economy, a fulfilling life for all students, and the foundation of our democratic society; and

WHEREAS, school district governing boards are responsible for maintaining fiscal solvency of the school systems they govern; and

WHEREAS, the Local Control Funding Formula (LCFF), based on the principle of subsidiarity, provides governing boards working with interested stakeholders with the authority to prioritize funds in order to provide quality education for all students, especially those who are English learners, from low income households, and who are Foster Youth; and

WHEREAS, funds for crucial services for school operations such as payroll, classroom materials, school construction projects, technology, home-to-school transportation, deferred maintenance, etc., often require successful ongoing cash-flow management and disciplined planning, including the creation and maintenance of prudent financial reserves; and

WHEREAS, school district reserve levels, as well as their fund balances, are determined by governing boards to meet local priorities and allow districts to save for potential future expected and unexpected expenditures and for eventual economic downturns; and

WHEREAS, the statutory minimum for school district reserves for economic uncertainties ranges from 1 to 5 percent, depending on district enrollment, and covers between one to five weeks of payroll, or less than twenty days of total cash flow; and

WHEREAS, prudent budgeting raises expectations for school districts to establish and maintain reserves above the statutory minimum; and

WHEREAS, the Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures; and

WHEREAS, the Board of Trustees of the Fullerton School District also maintains a prudent reserve which provides for unplanned or emergency expenditures that might occur in the future; and

WHEREAS, the Board of Trustees of the Fullerton School District further maintains a prudent reserve to guard against downturns in the State economy which could negatively affect the District's budget in the future; and

WHEREAS, the Board of Trustees of the Fullerton School District also maintains a prudent reserve to mitigate the costs to the District of declining enrollment; and

WHEREAS, On June 20, 2014, the Governor signed into law SB 858 (Committee on Budget and Fiscal Review, Chapter 32, Statutes of 2014), now embodied in California Education Code 42127.10; and

CONSENT ITEM

**DATE:** December 9, 2014  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** **APPROVE/RATIFY 2014/2015 INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND HOWARD TARAS, M.D., FOR SERVICES EFFECTIVE OCTOBER 28, 2014 THROUGH MAY 30, 2015**

The independent evaluation must comply with all the requirements that apply to school district evaluations. The District, at this time, finds it necessary to utilize the services of an independent contractor in order to remain compliant with IDEA 2004 and not pursue a due process hearing.

Rationale: Parents may request an Independent Educational Evaluation (IEE) when they are in disagreement with a district's evaluation and the district does not choose to move forward to a due process hearing.

This Agreement is hereby entered into between the Fullerton School District, hereinafter referred to as "District," and **Howard Taras, M.D., Professor of Pediatrics, located at University of San Diego**, hereinafter referred to as "Contractor."

WHEREAS, District is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained and experienced and competent to perform the special services required;

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: **Board-Certified Pediatrician to review medical records of students, interact with students' physicians and other health care providers, advise the district on resources required for safe inclusion in the least restrictive educational environmental environment, and participate in IEP or other team meetings**, hereinafter referred to as "Services".

2. Term. Contractor shall commence providing services under this Agreement on **October 28, 2014** and will diligently perform as required and complete performance by **May 30, 2015**.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **Four Thousand Eight Hundred dollars (\$4,800.00)**. **The payment shall be made at Two Hundred Forty dollars (\$240.00) per hour for services, IEP attendance, and travel time.** Contractor shall submit a detailed invoice to District. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this

Agreement. Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to

this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing services.)

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**SUBJECT:** **DECLARE LISTED ITEMS AS SURPLUS, NOT SUITABLE FOR SCHOOL PURPOSES, AND AUTHORIZE DISTRICT STAFF TO DISPOSE OF ITEMS AT A PUBLIC AUCTION, OR BY OTHER MEANS, AS ALLOWED IN EDUCATION CODE SECTIONS 17545-17555**

Background: Over a period of time, the various sites accumulate instructional materials, supplies, and equipment which have become obsolete, unserviceable, unrepairable, or otherwise not suitable for school use. Some of these items may be salvaged or sold, thus providing the District with some recovery of residual value.

The Business Services Department is requesting that obsolete items which have been collected from District sites be declared as surplus property and “not suitable for school purposes.” These surplus items were collected from all sites at the direction of site managers. All items have been made available to District employees to claim for school use prior to holding a public auction. The remaining items are designated as “not suitable for school purposes” and offered for sale. For those items that do not sell, the Assistant Superintendent of Business Services requests Board authorization to declare the property is of insufficient value to defray the costs of arranging for another sale and to dispose of said property by other means as allowed by Education Code Sections 17545-17555.

Rationale: The surplus holding areas are at capacity and need to be cleared.

Funding: Not applicable.

Recommendation: Declare listed items as surplus, not suitable for school purposes, and authorize District staff to dispose of items at a public auction, or by other means, as allowed in Education Code Sections 17545-17555.

Background: The District plans to enter into various construction projects. The services of the Division of the State Architect (DSA) certified inspectors are necessary to interface with the Division of the State Architect and Office of Public School Construction, provide supervision of contractors, and other tasks related to the completion of construction projects.

Rationale: School construction projects are governed by the Division of the State Architect (DSA). DSA reviews and approves school construction plans for projects that meet specific criteria. In the field, school districts are required to have a licensed DSA inspector as the Division's on-site representative. The DSA inspector is responsible for verifying certain aspects of a construction project conform to project documents and building codes.

District staff recommends entering into an agreement with MA Construction Services, Inc., for these services. MA Construction Services, Inc., is a full-service inspection firm specializing in school projects.

Funding: Services will be utilized on an as-needed basis. Total projected cost for services for each project will be approved in advance by the Assistant Superintendent, Business Services, before any work commences. Costs are set at professional hourly rates as detailed in Exhibit A of the contract. Costs will be paid from the District's Capital Projects Funds.

Recommendation: Approve/Ratify agreement with MA Construction Services, Inc., for inspection services.

# Team Inspections

**Team Inspections** was established in 1989 to fill the growing need for reasonable and competent inspection services. We have been successfully inspecting projects in the Southern California area for (25) twenty-five years.

Our approach is to unite the District, Architect, Project Management Company, Contractor, and the Inspector as a **Team** to complete a quality-building product; in fact, we have an excellent track record for job completion.

Our inspectors are proactive in their approach to inspection, keeping an eye on the progress of the project as it develops. They study the contract documents and are proactive to potential concerns before they become costly problems. They are frequently able to catch little problems before they become large problems.

While onsite, we attend all scheduled meetings. We coordinate work of the certified lab and any specialty inspectors to minimize the financial burden to the owner. In short, we are on site-advocates for the District. We also have an excellent rapport with the DSA Field Engineers.

Our Inspectors carry a digital camera, cell phone and computer. They maintain a daily record of the progress of the project and each trade individually.

## SUPERVISION:

Our Team of Inspectors regularly meet with Frank Sand, our President and Team Supervisor to address specific concerns and offer recommendations. Frank will visit the project and attend weekly meetings as necessary to ensure you continue to receive the quality service you deserve and expect.

## MULTIPLE PROJECTS:

Our Team is our strength. We provide quality inspection services over multiple projects because we have a Team of Inspectors able to carry out multiple tasks. We spend the amount of time on the project that is warranted for the continuous inspection of the project.

We think we have a great **Team**; we know you will think so too.

Sincerely,

*Frank Sand, Jr.*

Background: Due to the continual rising costs of health and welfare benefits nationwide, the District has taken action to review and assess alternate plans that will allow employees a wide range of options that will best fit their individual and family medical and financial concerns. Association leadership and the District worked closely with the District's third party administrator, Alliant, to replace the District's current 125-plan administrator, ANI, due to performance issues. Discovery Benefits is being recommended to replace ANI as the third party administrator of the District's pre-tax 125 plan. Agreement is available in the Superintendent's Office for review.

Rationale: The District and its labor associations are committed to providing the best and most cost-effective benefits for all employees.

Funding: Unrestricted General Fund.

DISCUSSION/ACTION ITEM

**DATE:** December 9, 2014

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **APPROVE THE DISTRICT'S FIRST INTERIM FINANCIAL REPORT WITH A POSITIVE CERTIFICATION. PER STATE GUIDELINES, A POSITIVE CERTIFICATION INDICATES THAT, BASED UPON CURRENT PROJECTIONS, THE DISTRICT WILL MEET ITS FINANCIAL OBLIGATIONS FOR THE CURRENT AND SUBSEQUENT TWO FISCAL YEARS**

Background: The First Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through October 31 and the projected budget for the fiscal year for all District funds. A three-year projection for the General Fund is also included. The complete First Interim Report in the required State format, along with a descriptive narrative and comparative financial projections, is included for the Board's review.

Rationale: The District is required by Education Code to submit periodic financial reports to its oversight bodies. In order to judge a District's financial stability, these reports also include a three-year projection for the General Fund. The District is required to certify its financial outlook as Positive, Qualified, or Negative.

Funding: The District is showing in excess of the 3% required General Fund Unrestricted Reserve as of June 30, 2017.

Recommendation: Approve the District's First Interim Financial Report with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District will meet its financial obligations for the current and subsequent two fiscal years.

**Subject:** First Interim Report

The District's First Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

### **Background**

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

### **Financial Reports Included—First Interim Report to Board**

The following reports are provided in this document:

- First Interim Budget Projections (showing the Original Adopted Budget and the revised First Interim Budget)
- First Interim State Report (SACS format)
- Multi-year Projections
- State Criteria and Standards

Year-to-date financial statements reflect actual financial results from the District's accounting system which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

### **Current Year Budget**

At First Interim, the District updates its original 2014-15 budget (adopted by the Board of Trustees on June 24, 2014) to reflect current financial projections.

There are three major changes to the budget reflected in the First Interim: an increase in the State Local Control Funding Formula (LCFF), additional mandated cost revenue, and the additional appropriations necessary for negotiated increases in employee compensation.

**LCFF:** The District is in the second year of the State-wide LCFF implementation. Under LCFF, instead of the State allocating funds and requiring school districts to spend money on programs and service the State determines are a priority, local boards have control over how to use funds and resources in a way that improves outcomes and opportunities for their District's students. The new funding model specifically addresses students with greater needs—such as English learners, low-income, and foster youth. Through the Local Control Accountability Plan (LCAP) process, the District solicits input from the community to develop a plan with specific student outcomes in mind.

Statewide, school district leaders have conjectured that LCFF presents an historic opportunity to focus on improving student outcomes, closing achievement gaps, and increasing the level of communication between schools and their communities. Further, the State's shift away from complex categorical funding will require districts to be strategic and collaborative when investing resources and delivering instructional programs to best serve students.

While the main drivers under the prior Revenue Limit funding system were Average Daily Attendance (ADA) and State-funded Cost of Living Adjustment (COLA), LCFF adds two additional factors:

- **Unduplicated Percentages of Underserved Student:** Defined as those students enrolled in the Free and Reduced Lunch program, English Language Learners, and Foster Youth. Due to the widely differing unduplicated count percentages in different school districts, the amounts received in LCFF funding will vary widely by District and will become even more disparate as time goes on.
- **Percentage of Gap Funding during Transition:** Full implementation of the LCFF is beyond the State's current financial means. Therefore, the State intends to fully implement LCFF over an eight-year period. Each year, as part of the budget process, the Legislature and the Governor (with consideration of the COLA and Proposition 98 requirements) will determine the amount of the gap funding to implement in the current budget year.

The District projected its LCFF revenue for the June budget based upon factors published in the Governor's May Revise. Once the final budget was voted on by the Legislature in late June, the implementation percentage had increased for both 2013-14 and 2014-15. This resulted in an increase to total projected LCFF revenues in 2014-15 of \$630,000, which has been reflected in the First Interim budget.

**Mandated Cost Revenues:** In the final adopted budget the Legislature approved a one-time appropriation for a payment to be made to all districts meant to buy down prior year mandated cost claims owed to the districts. This resulted in a one-time increase to State revenues of \$894,000 to be added to the District's 2014-15 budget.

**Negotiated Increase to Employee Compensation:** The District has reached agreement with all bargaining units for a 4% on-going salary increase, retroactive to July 1, 2014, and a 2% one-time, off-schedule payment. The total General Fund cost of approximately \$4.5 million is reflected in the First Interim budget.

**Routine First Interim Budget Adjustments:** In addition to the non-routine items noted above, the District reviews all of its accounts and has adjusted its First Interim budget projections to reflect the following:

- Based upon current enrollment data, the District may adjust its revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially different from budget projections, revenues will be recalculated based upon updated ADA projections. Second-month enrollment totaled 13,686, 147 less than second-month enrollment for the 2013-14 school year. In the case of declining enrollment, the State "holds harmless" a District for the first year, allowing the District to claim the (higher) prior year ADA for apportionment funding. Therefore, the District is still

using a flat (no change in ADA) enrollment projection in the First Interim budget. The effect of the declining enrollment is reflected in the 2015-16 projection. (Discussed further below.)

- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that encroach on the General Fund updated to current projections and encroachment accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

At the original adopted budget, the District projected an Unrestricted General Fund net income for the 2014-15 fiscal year of \$1,099,127. After all of the above adjustments, the 2014-15 updated First Interim budget reflects a net decrease of \$1,201,708.

The revised ending unrestricted fund balance is projected at \$24,008,823, or 19.72% of the General Fund expenditures. This amount is \$20,356,337 above the State-required 3% reserve.

### **Multi-Year Projections**

The most important element of the First Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District's choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District's three-year projection.

The following discusses the most significant items in the three-year projection:

**LCFF:** The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages.

FSD is currently reporting a 52.59% Unduplicated Percentage of enrollment. The same percentage is used for the subsequent two years of the projection.

**ADA:** Based upon the 2014-15 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 150 in 2015-16. There is currently no change projected for 2016-17.

**Employee Compensation:** The 2015-16 projection is adjusted for the elimination of the 2% one-time, off-salary bonus granted and paid in 2014-15. Additionally, the 2015-16 budget includes a 1% compensation increase for all employees. This increase is contingent upon the State budget for 2015-16 (anticipated to be passed before June 30, 2015) including an increase to the Local Control Funding Formula which utilizes an implementation gap funding rate of at least 15%. If this gap funding rate is not achieved, the increase to salaries will not be granted. However, bargaining is not closed for the 2015-16 school year, so further adjustments to employee compensation may occur.

Also in 2015-16, the budget projection includes \$915,000 for projected increases in STRS and PERS rates to be paid by the District. An additional \$1,060,000 is added in 2016-17.

***Increase in Routine Repair and Maintenance (RRM) Encroachment:*** In 2015-16, the District will be required to return to the pre-flexibility standard of spending at least 3% of General Fund expenses on RRM. This will result in the District increasing encroachment to and expenditures from this resource by approximately \$1 million. This has been added to the 2015-16 projection.

### **Ending Fund Balances**

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending fund balance percents are as follows:

June 30, 2015	19.72%
June 30, 2016	17.80%
June 30, 2017	16.33%

### **Certification**

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the school district **will** meet its financial obligations for the current fiscal year and subsequent two fiscal years.

### **Conclusion**

The First Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.

- 1a. STANDARD MET - Enrollment projections have not changed since budget adoption by more than two percent for the current year and two subsequent fiscal years.

Explanation:  
(required if NOT met)

**3. CRITERION: ADA to Enrollment**

**STANDARD:** Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the current fiscal year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

**3A. Calculating the District's ADA to Enrollment Standard**

DATA ENTRY: Unaudited Actuals data that exist will be extracted into the P-2 ADA column for the First Prior Year; otherwise, enter First Prior Year data. P-2 ADA for the second and third prior years are preloaded. Budget Adoption data that exist will be extracted into the Enrollment column; otherwise, enter Enrollment data for all fiscal years.

## CITY OF FULLERTON

City Manager's Office

November 6, 2014

Dr. Robert Pletka  
Fullerton School District  
1401 W. Valencia Drive  
Fullerton, CA 92833

Dr. Pletka, 

The City of Fullerton is initiating the process to potentially sell the property located south of Beechwood School (APN: 2913-241-07). As you know, this is a 2.4 acre vacant parcel located on the north side of E. Bastanchury Road (800 block), approximately 110' west of Puente Street.

In our initial steps involving potential property disposition, the City Council wanted to reach out to you and the Fullerton School District (FSD / District) Board of Trustees to determine if the FSD has any interest in entering into an agreement with the City to purchase or lease the property for District purposes. In the event the District is not interested in the property, the City Council also wants to be sensitive to potential disposition and future uses for that property, given its proximity to Beechwood School.

I'll look forward to our meeting (tentatively scheduled for December 2<sup>nd</sup>). Along with our normal topics, we can discuss any ideas and input you may have regarding this property. Please do not hesitate to call if you have any questions or if you would like to discuss things in advance of our next meeting.

Sincerely,

  
Joe Felz  
City Manager

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

36 this Agreement.  
37

1 **IX. LICENSES AND LAWS**

4. Opportunities to build caring and meaningful relationships with peers and adults; and
5. Opportunities to engage in interesting and relevant skill development activities

### **OCFNLP Staff Will Provide:**

In addition to the requirements listed, advisor(s) must adhere to all school/district policies and code of conduct.

OCFNLP advisors who meet the eligibility requirements and all the general requirements listed have the opportunity to receive an Advisor Stipend. CONSENT ITEM

**DATE:** February 17, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig Choi Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**PREPARED BY:** Kathryn Ikola, Coordinator, Child Welfare and Attendance

**SUBJECT:** APPROVE 2015-2018 DISTRICT AND COUNTY PLAN FOR PROVIDING EDUCATIONAL SERVICES TO ALL EXPELLED STUDENTS

Background: Education Code Section 48916.1 mandates that the governing boards of school districts must ensure the development of an educational program designed to meet the individual needs of expelled students. The law also states that districts must review and, if necessary, revise this Plan for Providing Educational Services to all Expelled Students every three years.

The school districts of Orange County and the Orange County Department of Education worked collaboratively to develop and update a comprehensive plan to provide services to expelled students for 2015 through 2018. Included in this revised plan are: a listing of existing educational alternatives for expelled students, identification of gaps in the available educational services for this population of students, and remedies that have been created to address those gaps or strategies that will be utilized to find ways to fill the gaps in services. The plan also addresses alternate placements for students who, once placed in a community day school program or other alternative setting, fail to meet the terms and conditions of their rehabilitation plan, or who pose a continuing danger to other district students or staff. This plan provides a continuum of alternative educational programs that will equalize the service available to this population of students across the County.

Copies of the District and County Plans are available for review in the Superintendent's Office.

Rationale: As required by Education Code Section 48926, the Orange County Superintendent of Schools has developed an expulsion plan in conjunction with the Superintendents of the School Districts in Orange County. The plan provides for educational services to all expelled students in the County for school years 2015-2018 and must be adopted by the governing board of each school district in Orange County and the Orange County Board of Education.

Funding: Not applicable.

Recommendation: Approve 2015-2018 District and County Plan for Providing Educational Services to all Expelled Students.

Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

(1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and

(2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**SUBJECT:** APPROVE SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND TEACHERMATCH, LLC, EFFECTIVE FEBRUARY 18, 2015 THROUGH JUNE 30, 2016

Background: Fullerton School District implemented a paperless recruiting process two years ago via EdJoin.org. While EdJoin.org has reached a vast market of applicants for the District's teacher recruitments, its limitations lie within its inability to thoroughly screen for highly qualified applicants.

TeacherMatch was founded in 2011 by a group of educators, and has developed both the leading-edge technology and the organizational expertise to help create a more thorough and complete evaluation of teacher candidates. Their Educator's Professional Inventory (EPI) candidate screening instrument uses research-validated predictive analytics to identify high growth teacher candidates and creates a Professional Development Profile for each applicant.

Rationale: A thorough and analytical screening process will allow Fullerton School District to recruit and maintain highly qualified candidates for all teacher recruitments.

Funding: Cost of \$29,900 will be charged to General Fund.

Recommendation: Approve Service Agreement between Fullerton School District and TeacherMatch, LLC, effective February 18, 2015 through June 30, 2016.

## SERVICE AGREEMENT

THIS SERVICE AGREEMENT (“*Agreement*”), dated as of February 18, 2015 (the “*Effective Date*”), is made and entered into by and between TEACHERMATCH, LLC, a Delaware limited liability company (“*Service Provider*”) and Fullerton School District (the “*Customer*”). Service Provider and Customer are collectively referred to as the “*Parties*” and individually as a “*Party*”.

IN CONSIDERATION of the mutual covenants and agreements set forth herein, the Parties agree as follows:

1. **Defined Terms.** Capitalized terms used in this Agreement shall have the meanings ascribed to them in Exhibit A.
2. **Educator’s Professional Inventory (EPI).**

**2.1 Description.** Educator’s Professional Inventory (“*EPI*”) is a web-based software as a service (SaaS) system (as more particularly described in Exhibit B) developed by Service Provider that reviews teacher applicants (each, a “*Teacher Candidate*”) using proprietary analytical processes based in part on Candidate Qualification Data and Candidate Portal Data. EPI will provide analysis and information on Teacher Candidates across the following four dimensions (the “*Candidate Dimensions*”): experience/qualifications; general cognitive ability; teaching skill; and attitudinal factors. Customer acknowledges and agrees that the Candidate Dimensions reflect a means of categorizing various qualifications and performance expectations the Customer has of its teachers. As part of the EPI, Customer will receive various reports and information resulting from the EPI (the “*Customer Reports*”), including, but not limited to, a report which will rank order or group Teacher Candidates for a particular position into one of a number of categories (the “*Grouping Report*”) and a report providing a summary of each Teacher Candidate's strengths and weaknesses (the “*Candidate Report*”). In accordance with the User Materials and the terms and conditions of this Agreement, the Candidate Report may be used by Customer to tailor the Teacher Candidate interview process or as a tool in developing initial professional development plans for newly hired teachers. The EPI together with the Additional Services, as further defined in Section 6 and Exhibit G shall, for the purposes of this Agreement, constitute the “*Services*.”

**2.2 License.** Service Provider grants to Customer a nonexclusive, nontransferable license, during the term of this Agreement, to allow its Teacher Candidates and Authorized Users to access and use the EPI on its behalf solely for Customer’s use and solely for the benefit of Customer. This license is subject to Customer’s and its Authorized Users’ compliance with the terms and conditions set forth in this Agreement.

**2.3 Customer Additions.** The Customer may request to include certain additional Teacher Candidate information requests in the EPI (“*Customer Requested Additions*”) as an Additional Service for the Fee set forth in Exhibit H. The Customer Requested Additions are subject to written approval in advance by Service Provider, which approval may be granted or

withheld in Service Provider's sole discretion. Any approved Customer Requested Additions (as approved, "***Customer Additions***") shall be included in the EPI and responses to Customer Additions by Teacher Candidates shall be included in the Candidate Portal Data; provided, however, in no event shall the Customer Additions affect the proprietary analytical processes performed by the EPI. The Customer Reports shall include the Candidate Portal Data derived from the Customer Additions.

**2.4 Restrictions.** Customer may only use the EPI strictly in accordance with Employment Laws, Data Privacy and Security Laws, the User Materials, and any other restrictions and requirements set forth in this Agreement. Customer acknowledges that while the EPI and the Customer Reports may be used as a factor in Customer's hiring decisions, it is not designed to be nor shall it be utilized as the substantial or sole factor in such hiring decisions, but rather, it shall be used in conjunction with other selection processes, including Teacher Candidate interviews. Furthermore, Customer acknowledges and agrees that the EPI and the Customer Reports are only designed to be used to provide information in connection with the hiring of new teachers and is not designed and shall not be used for evaluating existing Customer employees for new or vacant positions (including those teacher candidates that are seeking a transfer from one school to another within the district), for employee performance evaluations, or for any other purpose relating to existing Customer employees.

**2.5 Service Suspension.** Service Provider reserves the right at any time with 30 days prior notice to Customer to suspend access to the EPI by Customer, Teacher Candidates, or Authorized Users to the extent that Service Provider reasonably believes such party or person is accessing or using the EPI in breach of, or is otherwise not in compliance with, any of the terms or conditions of this Agreement. In no event shall Service Provider be required to monitor or supervise the use of the EPI by Customer, Teacher Candidates or Authorized Users and compliance with the terms of this Agreement by each of Customer, Teacher Candidates and Authorized Users shall at all times be and remain Customer's responsibility.

### **3. Candidate Data.**

**3.1 Provision of Candidate Data.** Customer hereby authorizes Service Provider to obtain and maintain the Candidate Data. Customer also authorizes Service Provider to obtain Teacher Performance Data, if available, from Assessment Vendors. At Customer's sole discretion, Customer may continue to submit and permit Service Provider to obtain the Teacher Performance Data through and including the date which is three (3) years after the date on which this Agreement expires or terminates, provided that Service Provider may only use such data for the review, evaluation, and improvement of the EPI. Furthermore, Customer understands that it may be asked to provide to Service Provider, in limited instances certain Candidate Qualification Data in order to minimize duplicative information requests of the Teacher Candidates through the Candidate Portal.

**3.2 Customer Data Protection and Verification.** Customer shall protect Candidate Qualification Data and Teacher Performance Data from loss by maintaining back-ups of all such

data and routinely updating such back-ups. Service Provider shall not be liable for any losses or damages resulting from the loss or corruption of any Candidate Qualification Data and Teacher Performance Data. Furthermore, Service Provider makes no representations concerning, and shall not be liable for, the accuracy, completeness, authenticity, validity, or utility of any Candidate Data supplied by Customer, Teacher Candidates or Authorized Users or any incorrect Customer Reports resulting from such inaccurate or incomplete Candidate Data. Any verification of the Candidate Qualification Data and Teacher Performance Data shall be the sole and absolute responsibility of Customer, provided, however, Customer acknowledges and agrees that Service Provider may, at Service Provider's sole discretion, independently verify for accuracy the Teacher Performance Data. Customer shall cooperate with Service Provider's efforts to independently verify the Teacher Performance Data.

**3.3 Data Privacy and Security Law Compliance.** Customer represents and affirms to Service Provider that it has a current demonstrable educational or administrative interest in all Candidate Data that Service Provider is authorized to obtain and maintain pursuant to this Agreement, including Candidate Data that will be maintained by Service Provider to permit comparative data analyses for the review, evaluation and improvement of the Services. The Services are institutional services and functions for which Customer would otherwise use its own employees, if not for this Agreement with Service Provider. In performing the Services, Service Provider shall be under the direct control of Customer in accordance with the terms of this Agreement with respect to Service Provider's use and maintenance of education records, as defined in FERPA. Customer considers Service Provider a "school official" as defined in FERPA (34 CFR 99.31(a)(1)), with a legitimate educational interest in improving instruction on behalf of Customer.

#### **4. Access to the EPI and Use of Candidate Data.**

**4.1 Access to and Use by Customer.** Customer Reports will be posted to and accessible to Customer and its Authorized Users through a Customer-specific log-in and web portal (the "**Customer Portal**"). Customer shall designate (a) the individuals that will have access to the Customer Portal (the "**Authorized Users**") and (b) of the Authorized Users, one who has been designated by the Customer's chief executive officer to have primary authority over access to the Customer Portal (the "**Super Administrator**"). The Super Administrator as of the Effective Date is identified in Exhibit D. The Customer may change the designation of the Super Administrator from time to time with notice to Service Provider. The Super Administrator will: (a) control access to the Customer Portal; (b) require the use of secure passwords controlled by the Super Administrator for access to the Customer Portal; and (c) set up, update, and manage secure passwords to ensure access to the Customer Portal only by Authorized Users. Customer will adopt and maintain appropriate security precautions to prevent the disclosure of passwords to, and use by unauthorized persons. Customer will report to Service Provider any known breaches of security and access control protocols.

**4.2 Access to and Use by Teacher Candidates.** Teacher Candidates will enter such information, as specified by Service Provider, through a teacher-specific log-in and web portal (the "**Candidate Portal**"). Customer will follow all procedures included within the User Manual with respect to the Candidate Portal, including the use of the Disclaimer (prepared and provided

by Service Provider), with which all Teacher Candidates must acknowledge agreement prior to entering the Candidate Portal. The Super Administrator will have primary authority and responsibility over access to the Candidate Portal. The Candidate Portal will only be accessible to Teacher Candidates through a secure web portal that requires the use of secure Passwords controlled by the Super Administrator. Customer will adopt and maintain appropriate security precautions to prevent disclosure of Candidate Portal passwords to and use by, any unauthorized person, and appropriate expiration of the access following completion of the application process by the Teacher Candidate. Customer will not identify Service Provider, except with Service Provider's prior written approval. Furthermore, through the Candidate Portal, the Teacher Candidate will be given the option of either (i) agreeing to allow Service Provider to share its respective Candidate Data with other school districts or potential employers ("**Authorized Teacher Candidates**") or (ii) electing not to share its respective Candidate Data with other school districts or potential employers. The terms and conditions regarding the sharing of Candidate Data with other school districts are further described in Section 4.3(b).

#### 4.3 Access to and Use by Service Provider.

(a) Customer authorizes Service Provider to use the Candidate Data, including aggregating such Candidate Data with other data and information, for purposes of performing, evaluating, improving or enhancing the Services. Service Provider will restrict access to Candidate Data to only those Service Provider staff or subcontractors required to access the Candidate Data in order to perform the services set forth in this Agreement and evaluate, improve or enhance the Services (the "**Service Provider Agents**"). Service Provider Agents include, without limitation, any subcontractors engaged by Service Provider to host or obtain Candidate Data pursuant to the terms and conditions of this Agreement, as such subcontractors are identified in Exhibit E, which includes a statement as to each named subcontractor's legitimate interest in hosting, obtaining or accessing Candidate Data pursuant to the terms and conditions of this Agreement and in accordance with FERPA (34 CFR 99.32(b)(1)). Exhibit E may be amended from time to time by Service Provider, with notice to Customer. Service Provider will instruct all Service Provider Agents on the use and confidentiality restrictions set forth in this Agreement, and shall require all Service Provider Agents to comply with applicable provisions of the Data Privacy and Security Laws. Service Provider will not disclose Candidate Data to anyone other than Service Provider Agents except, upon the prior written consent of Customer, to a party authorized to receive the Candidate Data in accordance with Data Privacy and Security Laws.

(b) Customer understands and agrees that Service Provider may share Candidate Qualification Data and Candidate Portal Data relating solely to the Authorized Teacher Candidates ("**Authorized Candidate Data**") with other school districts or other potential employers, provided, however, such Authorized Candidate Data shall not be shared with other school districts or other potential employers until the earlier to occur of: (i) a decision not to hire the Authorized Teacher Candidate or (ii) 30 days after the applicable Authorized Teacher Candidate completes the application process through the Candidate Portal if and only if the Teacher Candidate initiated their first account with Service Provider through the link provided by Customer.

## 5. Support Services; Service Levels.

**5.1 Support Services.** Service Provider will use commercially reasonable efforts to provide the Support Services to Customer as more specifically set forth in Exhibit F attached hereto.

**5.2 EPI Availability.** Customer understands and agrees that the EPI may be inaccessible by Customer during periods of routine scheduled maintenance, the resolution of Errors (as defined in Exhibit F) and unavailability caused by Events of Force Majeure (as defined in Section 13.4), including, without limitation, computer, telecommunications, Internet service provider or hosting facility failures or delays involving hardware, software or power systems not within Service Provider's possession or reasonable control. In the event of a service interruption, Service Provider shall use diligent and commercially reasonable efforts to repair and restore the EPI, provided that no such failure or interruption of the EPI shall entitle Customer to terminate this Agreement or abate any such fees due and owing to Service Provider under this Agreement, except as further provided in Section 12.2.

**6. Additional Services.** Service Provider agrees to provide and Customer agrees to pay for, as part of the Fee, the additional services as set forth on Exhibit G and any such other services as may be agreed upon by Customer and Service Provider during the term of this Agreement (the "**Additional Services**"). Customer may deliver a written services request to Service Provider for any additional services not included on Exhibit G, and Service Provider shall provide Customer with the applicable fees for such additional services within fifteen (15) days of receipt of Customer's request. Service Provider will have no obligation to provide such additional services prior to Customer's and Service Provider's written agreement on the additional services to be provided and the fees associated therewith.

**7. Fees and Payment.** As compensation for the Services, Customer shall pay to Service Provider (i) the fees for the EPI; and (ii) any additional fees agreed to by the Parties for the Additional Services (collectively, the "**Fee**"), as set forth in Exhibit H. Service Provider shall submit invoices for the Fee, pursuant to the Fee payment schedule set forth in Exhibit H to Customer at the address for notice provided in Section 13.6 of this Agreement. Payment will be due within thirty (30) days of the date Customer received the invoice. The Fee or any other amounts payable by Customer to Service Provider under the terms of this Agreement not received within ten (10) days after the due date (the "**Delinquency Date**") thereof shall automatically (and without notice) incur a one time late charge of five percent (5%) of the delinquent amount. Further, in addition to any rights provided to Service Provider in the event of material breach by Customer of any of the terms and conditions of this Agreement set forth in Section 9.2, any Fee or other charges payable by Customer to Service Provider and not paid prior to the Delinquency Date shall bear interest from the Delinquency Date at the "**Delinquency Interest Rate**" of fifteen percent (15%) per annum. Notwithstanding the above, if the Delinquency Interest Rate exceeds the maximum interest rate allowed by law, the Delinquency Interest Rate shall be reduced to the highest rate allowed by law.

## 8. Customer Responsibilities.

**8.1 Authorized Users.** Customer will: (a) remain responsible for all obligations under this Agreement arising in connection with its Authorized Users' use of the Service and Customer Portal, including, without limitation, compliance with Data Privacy and Security Laws (including applicable state laws governing the privacy and security of Personally Identifiable Information); (b) remain responsible for all obligations under this Agreement arising in connection with the Teacher Candidates' use of the Candidate Portal, including, without limitation, compliance with Employment Laws; and (c) be liable for any act or omission by any of its Authorized Users or Teacher Candidates, which if performed or omitted by Customer, would be a breach of this Agreement; and any such act or omission of any Authorized User will be deemed to be a breach of this Agreement by Customer.

**8.2 Customer Systems Integration.** Customer acknowledges that use of the EPI may be enhanced through integration of the EPI, Customer Portal and Candidate Portal with Customer's existing information technology systems ("*Customer Systems Integration*"). Customer will be solely responsible (a) for all activities, costs and expenses associated with Customer Systems Integration, in consultation with Service Provider in the set-up, integration and activation of the EPI, Customer Portal and Candidate Portal for Customer; and (b) to provide and maintain, in good and working order at all times, its own Internet access and all necessary communications equipment, software and other materials necessary for Authorized Users to access and use the EPI and Customer Portal and for the Teacher Candidates to access and use the Candidate Portal. If, as a result of a Customer Systems Integration, sign-on to the Candidate Portal or Customer Portal is through a system other than EPI, then the Customer shall ensure that access to and the security of such system meets the requirements of Sections 4.1 and 4.2 of this Agreement. At Customer's election and as an Additional Service for the additional fee set forth in Exhibit H, Service Provider will be responsible for completing the Customer Systems Integration in cooperation with Customer. Customer is responsible for the security of the computer systems of Customer and its Authorized Users and the security of the access to and connection with the EPI by Customer, its Authorized Users and the Teacher Candidates.

**8.3 Authorization; Noninfringement; Transmission of Candidate Data.**

(a) Customer is responsible for obtaining all authorizations, consents, releases, and permissions necessary or desirable to store the Candidate Data in the EPI, to use the EPI to process and store Candidate Data and to receive the Customer Reports and any other Services to be provided by Service Provider under this Agreement.

(b) Customer and its Authorized Users will not submit any Candidate Data or use the services provided under this Agreement in any way that infringes, misappropriates, or violates any trademark, copyright, patent, trade secret, publicity, privacy or other right of any third party or violates any applicable local, state or federal laws, statutes, ordinances, rules or regulations, including without limitation Data Privacy and Security Laws (including applicable state laws governing the privacy and security of Personally Identifiable Information), or any judicial or administrative orders.

(c) When transmitting Candidate Data and receiving the Customer Reports, Customer and its Authorized Users shall use transmission methods that conform to Service Provider's specifications and requirements as described in this Agreement and User Materials. Customer shall be responsible for acquiring at its own expense all equipment needed for such transmission, and shall bear all costs associated with the method of transmission used.

**8.4 No Interference with Service Operations.** Customer will not take any action, and will prohibit its Authorized Users from taking any action, that: (a) interferes or attempts to interfere with the proper working of the EPI or engage in any activity that disrupts, diminishes the quality of, interferes with the performance of, or impairs the functionality of the EPI; or (b) circumvents, disables, or interferes or attempts to circumvent, disable, or interfere with security-related features of the EPI or features that prevent or restrict use, access to, or copying of any Candidate Data or Service Provider Data, or enforce limitations on use of the EPI, Candidate Data, or Service Provider Data. Further, Customer will take reasonable actions and precautions to prevent the introduction and proliferation of Malicious Code into the Service Provider's environment and the EPI.

**8.5 Customer Hiring Practices.** Customer shall be solely responsible for ensuring that its use of the Services, Candidate Data and any Customer Reports and the hiring of individuals based in part on the Services, Candidate Data and any Customer Reports complies with all applicable Employment Laws. Customer shall be responsible for ensuring that each Teacher Candidate who participates in the EPI and provides requested data, answers or information, does so voluntarily and of their own free will, and that each Teacher Candidate understands and agrees that any information or assessment may be used or disclosed by Customer or a contractor of Customer to evaluate the individual for a teaching position or to evaluate, improve or enhance the Customer's hiring and employment practices. Customer agrees to promptly notify Service Provider of its hiring decision with respect to each Teacher Candidate. Customer shall defend and hold harmless Service Provider from and against any claim asserted by a Teacher Candidate or other third party based on Customer's screening and hiring practices, compliance with Employment Laws, or misuse of the Services.

**8.6 Participation in Research, Frequent Access to Users, and Providing Referrals to Other Potential Pioneer Districts.** Customer is interested in research. As such, Customer agrees to enter into an authentic partnership with Service Provider. This partnership includes allowing the Service Provider to conduct research with existing teachers and district personnel to improve the EPI and to potentially create new tools for other roles. It also includes providing student data tied to the teachers who participate. Customer agrees to encourage existing personnel to participate. This encouragement is provided by district leaders, principals, district partners and others who have access to personnel and access to email lists and other forms of contact information will be provided. This research not only improves the tool overall, but further customizes the tool to the local context. Additionally, Customer agrees to allow Service Provider to reach out to and focus group with users to improve usability.

## **9. Term and Termination.**

**9.1 Term.** This Agreement will be effective for an initial term commencing on the Effective Date and expiring on the one-year anniversary of the Effective Date (“**Initial Term**”). Customer may terminate contract with 60 days written notice to TeacherMatch . Customer will be responsible for pro rata payments of utilized services.

**9.2 Termination.**

(a) Each Party shall have the right to terminate this Agreement upon thirty (30) days’ prior written notice if the other Party is in material breach of this Agreement and the breaching Party fails to remedy such breach within the applicable notice period. Further, if Customer is in material breach of this Agreement beyond the applicable notice and cure period, Service Provider, in addition to its termination right, shall have the right to suspend Customer’s access to and use of the Services, including without limitation, the right to withhold the Customer Reports, without additional notice to Customer, until such breach is cured.

(b) Notwithstanding Section 9.2(a), either Party may terminate this Agreement immediately upon written notice to the other Party if such other Party violates the scope or any restriction on its license under Section 2.2 above or its obligations hereunder with respect to Confidential Information or otherwise uses the Services in violation of this Agreement or the Data Privacy and Security Laws.

**9.3 Effect of Termination; Destruction of Information.**

(a) Upon termination for any reason, all licenses granted hereunder to Customer will automatically terminate, and Service Provider will immediately disable and discontinue Customer’s access to and use of the Services without additional notice to Customer.

(b) The provisions of 3.2, 7, 8.1, 8.3, 8.4, 8.5, 8.6, 9.3, 10, 11, 12 and 13.5 through 13.14 of this Agreement (together with any other provisions of this Agreement that by their sense and context are intended to survive termination) will survive any expiration or termination of this Agreement.

**10. Proprietary Rights.**

**10.1 Candidate Data.** Customer grants to Service Provider a non-exclusive, perpetual license to use the Candidate Data for the purposes set forth in this Agreement, including, without limitation, in order to permit comparative data analyses for the review, evaluation and improvement of the Services. Subject to the foregoing, Customer will retain all ownership and other rights that it may have in the Candidate Data.

**10.2 Feedback.** To the extent that Service Provider receives from Customer or any of its Authorized Users any suggestions, ideas, improvements, modifications, feedback, error identifications or other information related to the Services (“**Feedback**”), Service Provider may use, disclose and exploit such Feedback without restriction, including to improve the Services and to develop, market, offer, sell and provide other products and services.

**10.3 EPI.** Service Provider represents and warrants that it has full right, title and interest in and to the EPI and that it has the requisite power and authority to grant the license to Customer on the terms and conditions set forth in this Agreement. Nothing in this Agreement shall be deemed to grant to Customer any rights in the EPI or any of Service Provider's intellectual property or proprietary rights, other than the limited license set forth in Section 2.2. To the fullest extent permitted by law, Service Provider shall indemnify, defend and hold Customer, its officers, agents, employees, affiliates, subsidiaries, assigns and successors in interest harmless from and against any claims, liabilities, losses, suits, and damages asserted by any third party that the EPI infringes or misappropriates any patent, copyright, trade secret or trademark of a third party.

## **11. Confidential Information.**

**11.1 Release Under Public Disclosure Laws.** The Parties understand that while portions of this Agreement, its attachments, and the Customer Reports may be public documents and may be subject to disclosure under applicable state disclosure laws, other portions may be exempt from disclosure due to their proprietary and/or confidential nature. In the event the Customer receives a request to disclose all or any portion of this Agreement, the Customer Reports, or any other documents relating to the Services under applicable state disclosure laws, Customer will immediately notify Service Provider of such request and allow Service Provider to redact all proprietary and/or confidential information from the requested documents prior to disclosure. To the extent allowed by law, the Customer will only release the redacted version of such documents and the Service Provider will defend, at its own costs, any challenges to such redactions.

**11.2 Obligations.** The Parties acknowledge that the Services require disclosure by each Party ("**Disclosing Party**") to the other Party ("**Receiving Party**") of certain of the Disclosing Party's Confidential Information. With respect to Confidential Information of the Disclosing Party that is disclosed to the Receiving Party, the Receiving Party shall, subject to the exceptions stated herein:

(a) maintain and protect the confidentiality of the information with the same degree of care and measures to avoid unauthorized disclosure or access as the Receiving Party uses with its own Confidential Information, but in no event less than a reasonable standard of care;

(b) use the information solely to carry out the purposes for which the information was disclosed; and

(c) limit access to the information to: (i) employees of the Receiving Party, or of its subsidiaries or affiliates, who have a need to know to facilitate, monitor or review the delivery, receipt or performance of the Services; (ii) employees of the Receiving Party's contractors, suppliers or licensors who have a need to know the information solely for the purpose of facilitating the performance, delivery or use of the Services; and (iii) the Receiving Party's external attorneys and auditors. The Receiving Party shall remain responsible to the Disclosing Party for acts or omissions of such individuals that if committed by the Receiving Party would constitute a violation of the Receiving Party's confidentiality obligations hereunder. Notwithstanding the foregoing, nothing herein

shall be construed to authorize the disclosure of Personally Identifiable Information if such disclosure will violate any Data Privacy and Security Laws, or any other federal or state law or regulation.

**11.3 Exceptions.** The Receiving Party shall not be in violation of this Agreement for:

(a) disclosing Confidential Information of the Disclosing Party that (i) is or becomes publicly available other than as a result of a breach of this Agreement, (ii) is disclosed to the Receiving Party by a third party not subject to any obligation of confidentiality, (iii) was already known by the Receiving Party prior to the date of this Agreement (unless disclosed in connection with negotiations and discussions related to this Agreement or associated transactions), or (iv) was independently developed by the Receiving Party without reference to Confidential Information received from the Disclosing Party; or

(b) subject to provisions of Section 11.1 above, disclosing Confidential Information of the Disclosing Party when required to do so by (i) the Receiving Party's federal or state regulatory agencies, or (ii) a federal or state law or regulation, or a subpoena or court order or agency action that requires disclosure, provided, however, that, if disclosure of Confidential Information is required by any of the foregoing, the Receiving Party shall, unless prohibited by law, regulation or court or agency order, promptly notify the Disclosing Party and, at the Disclosing Party's request and expense, cooperate with the Disclosing Party's efforts, if any, to prevent or limit the disclosure.

**11.4 Remedies and Responsibilities.** The Receiving Party acknowledges that the Disclosing Party has the right to take all reasonable steps to protect the Disclosing Party's Confidential Information, including without limitation, seeking injunctive relief and/or any other remedies that may be available at law or in equity, all of which remedies shall be cumulative and in addition to any rights and remedies available by contract, law, rule, regulation or order. Any requirements for a bond in connection with any such injunctive or other equitable relief are hereby waived by both Parties.

**12. Warranty; Limitations; Disclaimer.**

**12.1 Limited Warranty.** Service Provider warrants that the EPI will perform substantially as described in this Agreement and User Materials, provided that no such limited warranty shall apply in the event Customer makes any additions or alterations to the EPI. Service Provider does not warrant or represent that by using the EPI, Customer will be in compliance with Data Privacy and Security Laws, Employment Laws, or any other federal, state or local law or regulation. Customer's sole and exclusive remedy for breach of warranty shall be for Service Provider to either re-perform the Services or provide Support Services in accordance with Section 5.1. Service Provider does not warrant that its electronic files containing Candidate Data are not susceptible to intrusion, attack, or computer virus infection, but given the confidential nature of much of this Candidate Data, Service Provider will implement reasonable and appropriate measures for the EPI (as determined by Service Provider and consistent with the

Data Privacy and Security Laws) designed to reasonably secure Candidate Data against accidental or unlawful loss, access or disclosure.

**12.2 Service Limitations.** The EPI may be temporarily unavailable from time to time due to Scheduled Maintenance, telecommunications interruptions, or other causes as more fully described in Section 5.2 above. Service Provider will not be responsible for any damages that Customer may suffer arising out of use, or inability to use, the EPI. Service Provider will not be liable for unauthorized access to or alteration, theft or destruction of Candidate Data through accident, fraudulent means or devices, or any other method unless and to the extent attributable to the wrongful actions of Service Provider.

**12.3 Disclaimer of Warranties.** EXCEPT AS SET FORTH IN SECTION 12.1, SERVICE PROVIDER MAKES NO WARRANTIES RELATED TO THE SERVICES PROVIDED BY SERVICE PROVIDER HEREUNDER, AND HEREBY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. SERVICE PROVIDER DOES NOT WARRANT THAT THE SERVICES MEET CUSTOMER'S REQUIREMENTS OR WILL BE UNINTERRUPTED OR ERROR FREE.

**12.4 Limitations of Liability.** IN NO EVENT WILL SERVICE PROVIDER (INCLUDING ITS SUBSIDIARIES, ITS MEMBERS AND SUBSIDIARIES OF ITS MEMBERS, ITS SERVICE PROVIDERS AND LICENSORS, AND THE EMPLOYEES, OFFICERS, DIRECTORS AND AGENTS THEREOF) BE LIABLE FOR ANY CONSEQUENTIAL, COMPENSATORY, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY OR PUNITIVE DAMAGES UNDER THIS AGREEMENT OR IN CONNECTION WITH ANY SERVICES PROVIDED BY SERVICE PROVIDER HEREUNDER ARISING OUT OF THE USE OR INABILITY TO USE THE SERVICES, CUSTOMER DATA OR ANY CUSTOMER REPORT, EVEN IF SERVICE PROVIDER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF AVAILABLE REMEDIES ARE FOUND TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE. THE TOTAL LIABILITY, IF ANY, OF SERVICE PROVIDER (INCLUDING ITS SUBSIDIARIES, ITS MEMBERS AND SUBSIDIARIES OF ITS MEMBERS, ITS SERVICE PROVIDERS AND LICENSORS, AND THE EMPLOYEES, OFFICERS, DIRECTORS AND AGENTS THEREOF) IN THE AGGREGATE OVER THE TERM OF THIS AGREEMENT FOR ALL CLAIMS, CAUSES OF ACTION OR LIABILITY WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE ARISING UNDER OR IN ANY WAY RELATED TO THIS AGREEMENT AND/OR THE SERVICES PROVIDED HEREUNDER (COLLECTIVELY, "CLAIMS"), SHALL BE LIMITED TO THE LESSER OF: (a) CUSTOMER'S DIRECT DAMAGES, ACTUALLY INCURRED; OR (b) THE FEE ACTUALLY RECEIVED BY SERVICE PROVIDER DURING THE TWELVE-MONTH PERIOD IMMEDIATELY

**PRECEDING THE CLAIM; PROVIDED, HOWEVER, SUCH LIMITATION WILL NOT APPLY TO INDEMNIFICATION FOR INTELLECTUAL PROPERTY INFRINGEMENT PURSUANT TO SECTION 10.3 OR WILLFUL MISCONDUCT BY SERVICE PROVIDER. NOTWITHSTANDING THE FOREGOING, SERVICE PROVIDER'S SOLE OBLIGATION IN THE EVENT OF AN ERROR BY SERVICE PROVIDER IN THE PERFORMANCE OF ANY SERVICES UNDER THIS AGREEMENT SHALL BE LIMITED TO REPERFORMING THE SERVICES OR PROVIDING SUPPORT SERVICES. SERVICE PROVIDER (INCLUDING ITS SUBSIDIARIES, ITS MEMBERS AND SUBSIDIARIES OF ITS MEMBERS, ITS SERVICE PROVIDERS AND LICENSORS, AND THE EMPLOYEES, OFFICERS, DIRECTORS AND AGENTS THEREOF) SHALL HAVE NO LIABILITY, EXPRESS OR IMPLIED, WHETHER ARISING UNDER CONTRACT, TORT OR OTHERWISE, FOR ANY CLAIM OR DEMAND: (i) RESULTING DIRECTLY OR INDIRECTLY FROM CUSTOMER'S INTERNAL OPERATIONS, EQUIPMENT, SYSTEMS OR SOFTWARE OWNED OR LICENSED BY CUSTOMER; OR (ii) BY THIRD PARTIES, EVEN IF SERVICE PROVIDER WAS ADVISED OF THE POSSIBILITY OF SUCH CLAIMS OR DEMANDS, EXCEPT AS EXPRESSLY PROVIDED OTHERWISE HEREIN.**

### **13. General.**

**13.1 Assignment, Successors.** Except in the event of a Permitted Transfer, Service Provider may not assign this Agreement, in whole or in part, to a third party. Notwithstanding anything to the contrary in this Section, Service Provider may assign its interest in this Agreement to (a) an affiliate (i.e., a corporation 50% or more of whose capital stock is owned by the same stockholders owning 50% or more of Service Provider's capital stock), a parent or subsidiary entity of Service Provider, or (b) to an entity to which Service Provider sells or assigns all or substantially all of its assets, stock, rights under its agreements with school district customers, or with which Service Provider may be consolidated or merged (each a "***Permitted Transfer***"). In the event of a Permitted Transfer, such transferee or new entity will expressly assume the Service Provider's rights and obligations under this Agreement as of the date of the transfer. No right or license under this Agreement may be assigned or transferred by Customer, nor may any duty be delegated by Customer without Service Provider's prior written consent. Any assignment, transfer or delegation in contradiction of this provision will be null and void. Subject to the foregoing, this Agreement will bind and inure to the benefit of the successors and assigns of Customer and Service Provider.

In the event that Service Provider subcontracts any of its duties and obligations, Service Provider agrees that: (i) the third party contractor shall execute an agreement regarding confidentiality

consistent with the terms of this Agreement to the extent that such third party contractor has access to Confidential Information of Customer and an agreement relating to any other obligations of such contractor as required to comply with this Agreement and Data Privacy and Security Laws, and (ii) any such permitted subcontracting shall not release Service Provider from any of its obligations under this Agreement.

**13.4 Force Majeure.** Notwithstanding any other provision of this Agreement, Service Provider shall not be deemed in default or breach of this Agreement or liable for any loss or damages or for any delay or failure in performance due to circumstances beyond Service Provider's reasonable control, including, without limitation, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, strikes or other labor unrest or problems, computer, telecommunications, Internet service provider or hosting facility failures or delays involving hardware, software or power systems not within Service Provider's possession or reasonable control (collectively, "*Events of Force Majeure*").

**13.12 No Third Party Beneficiaries.** Except as expressly provided herein, this Agreement is entered into solely between, and may be enforced only by, Customer and Service Provider. This Agreement will not be deemed to create any rights or causes of action in or on behalf of any third parties, including employees, students, suppliers and customers of a Party, or to create any obligation of a Party to any such third parties.

**13.13 Waiver.** The failure of either Party at any time to require performance by the other Party of any provision of this Agreement shall not affect in any way the full right to require the performance at any subsequent time. The waiver by either Party of a breach of any provision of

this Agreement shall not be taken or held to be a waiver of the provision itself. Any course of performance shall not be deemed to amend or limit any provision of this Agreement.

**EPI Description**

The Educator’s Professional Inventory (EPI) is an assessment that measures the likelihood that a teacher candidate will meet with success if hired. This game-changing tool is built on cutting-edge technology and the most influential, nationally recognized research on education. After teachers submit their applications and résumés, they take the EPI, which uses predictive analytics to evaluate the qualities common to high performing teachers. The EPI significantly narrows the field, ensuring that your time is spent interviewing statistically high-potential candidates rather than sorting through résumés. Once a teacher is hired, our technology platform creates a personalized development plan, setting your new hire up for success.

2014-2015

**CONTRACT NUMBER:**

**LEA: FULLERTON SCHOOL DISTRICT**

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:  
BEACON DAY SCHOOL**

**NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT**

**AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS**

**1. MASTER CONTRACT**

This Master Contract is entered into this 5<sup>th</sup> day of January, 2015, between the FULLERTON SCHOOL DISTRICT (hereinafter referred to as “District” or local educational agency “LEA”) and BEACON DAY SCHOOL (hereinafter referred to as “CONTRACTOR”) for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR’s obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of an LEA student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student’s parent.

**2. CERTIFICATIONS AND LICENSES**

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider’s license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

### **3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS**

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

### **4. TERM OF MASTER CONTRACT**

The term of this Master Contract shall be from January 5, 2015 to June 30, 2015 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2015. In the event a Master Contract is not renegotiated by June 30<sup>th</sup>, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2015.

**5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION**

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

**6. INDIVIDUAL SERVICES AGREEMENT**

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH. CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the District may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When the CONTRACTOR is a nonpublic agency, the CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by the LEA if provided by an individual who was an employee of the LEA within the three hundred and sixty five (365) days prior to executing this Master Contract. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: provide vision assessments and reports for special education students, hereinafter referred to as "Services".
2. Term. Contractor shall commence providing services under this Agreement on January 1, 2015 and will diligently perform as required and complete performance by June 30, 2015.
3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed Two Thousand dollars (\$2,000.00). The payment shall be made at Three Hundred Twenty Five dollars (\$325.00) per assessment. Contractor shall submit a detailed invoice to District. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.
4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: N/A.
5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. The parties acknowledge that the District, in selecting the Contractor to perform the Services hereunder, is relying upon the Contractor's reputation for excellence in the performance of the Services required hereunder. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. 15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. 3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **Ten Thousand Dollars (\$10,000.00)**. 6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. (c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

**PREPARED BY:** Jay McPhail, Chief Technology Officer, Technology and Media Services

**SUBJECT:** **APPROVE CONTRACT AMENDMENT WITH TIME WARNER CABLE TO PROVIDE A 10GBPS FIBER OPTIC CIRCUIT FROM THE FULLERTON SCHOOL DISTRICT OFFICE TO THE ORANGE COUNTY DEPARTMENT OF EDUCATION EFFECTIVE JULY 1, 2015 THROUGH JUNE 30, 2017**

Background: Fullerton School District currently contracts with Time Warner Cable for connectivity between the District Office and the Orange County Department of Education. The current connection is 2Gbps and is shared by all staff and students in order to access the Internet. With the ever-increasing use of technology in the classrooms and more content being offered online this connection will become a bottleneck in the future.

Rationale: The Fullerton School District Office needs to maintain quality Internet connectivity for Districtwide use. This will also support teaching and learning with high-speed access to utilize educational content, with laptops, desktop computers and mobile devices. The District has adopted the Google infrastructure and student created content is almost exclusively online. Currently, the District subscribes to Discovery Streaming, Haiku Learning Management System, 3D GameLab and ExploreLearning. A slow Internet connection will limit access to these recourses.

Funding: The estimated monthly cost before E-Rate and California Teleconnect Fund (CTF) discounts is \$4,950 and will be paid from the Unrestricted General Fund.

Recommendation: Approve Contract Amendment with Time Warner Cable to provide a 10Gbps fiber optic circuit from the Fullerton School District Office to the Orange County Department of Education effective July 1, 2015 through June 30, 2017.

ERATE T&C

With respect to any Services for which Customer will seek any discounts under the E-Rate Program administered by the Schools and Libraries Division of the Universal Administrative Company (USAC) or the California Teleconnect Fund (collectively, the "Discounts"), Customer acknowledges that TWC will not begin installation of any TWC Equipment or otherwise incur costs to provide such Services under a Service Order unless and until Customer notifies TWC that either (i) Customer has received confirmation of applicable Discounts or (ii) Customer elects to pay the Gross Monthly Service Charges set forth on the Service Order in full.

If Customer and any Services purchased under this Master Agreement are eligible for Discounts, then as a courtesy to Customer, TWC will submit invoices to Customer net of Discounts and bill the balance to the government agencies administering the Discounts, all as set forth on the applicable Service Order. Customer shall apply for all applicable Discounts for each year of the Term and provide to TWC satisfactory evidence of the continuation of each Discount for such years. If TWC does not receive such confirmation, then TWC shall have the right to bill the Gross Monthly Service Charges for the applicable Services to Customer.

Notwithstanding anything to the contrary at Section 11 of the Terms and Conditions, if, after the initial award of a Discount and TWC has provisioned a Service, any Discount for a subsequent year is reduced, eliminated, or otherwise not available, then Customer shall promptly notify TWC in writing that it, or the end user school district, is no longer eligible to receive the Discount and that such ineligibility did not result from any act or failure by Customer or the school districts using the Services. This Master Agreement shall remain in full force and effect and Customer shall continue to pay TWC an amount equal to the Service Charges, plus applicable taxes and fees, less an amount equivalent to the Discount. TWC shall continue to provide the Services, but may, in its sole discretion, reduce the bandwidth provided to the Customer, or the end user school district, to account for the decreased amount being paid for the Services. Customer shall, and shall cause the school districts to, use their best efforts to reinstate all applicable Discounts or find another source of funds to ensure that TWC receives the total Service Charges anticipated for the applicable Initial Order Term.

**PREPARED BY:** Jay McPhail, Chief Technology Officer, Technology and Media Services

**SUBJECT:** **APPROVE/RATIFY CONTRACT AMENDMENT WITH TIME WARNER CABLE TO PROVIDE A 1GBPS FIBER OPTIC CIRCUIT TO EACH SCHOOL SITE BEGINNING JULY 1, 2015 THROUGH JUNE 30, 2017**

Background: Fullerton School District contracts with Time Warner Cable to connect the District Office and all school sites. The current connection is a 500Mbps fiber optic link. These data connections are now periodically reaching their limits due to the increase of mobile devices at each site. If the sites reach their limits in capacity, this causes lagging performance in access to education content.

Rationale: The Fullerton School District Office needs to maintain quality Internet connectivity. This will support teaching and learning with high-speed access to utilize educational content, mobile devices, and information from PowerSchool and DataDirector. We will be able to better serve our students by fully utilizing online resources.

Funding: The estimated monthly cost, less the e-Rate and California Teleconnect Fund (CTF) discounts, is \$8,265.

Recommendation: Approve/Ratify Contract Amendment with Time Warner Cable to provide a 1GBPS fiber optic circuit to each school site beginning July 1, 2015 through June 30, 2017.

**Special Terms**

The services, products, prices and terms identified on this Service Order constitute Time Warner Cable's offer to provide such services on such terms. Until Customer has accepted this offer by signing as appropriate below, Time Warner Cable reserves the right to rescind this offer at any time, at its sole discretion.

The Agreement shall be renewable for successive terms unless at least thirty (30) days prior to the expiration of the then current term, either party notifies the other party of such party's intent not to renew this Agreement. Agreement term and corresponding monthly billing will commence on actual service installation date. Cable television and Work-at-home services are subject to annual price change.

The Contract Term of the Service Order dated February 8, 2012 shall remain in place, and the parties shall perform their respective obligations thereunder, through June 30, 2017. This Service Order shall become effective on July 1, 2015 and shall expire on June 30, 2017.

Upgrade from 500Mbps to 1Gbps.

Fullerton USD can upgrade the speeds without changing the term or end date of the contract. Only additional monthly charges will apply to any upgrades.

ERATE T&C

With respect to any Services for which Customer will seek any discounts under the E-Rate Program administered by the Schools and Libraries Division of the Universal Administrative Company (USAC) or the California Teleconnect Fund (collectively, the "Discounts"), Customer acknowledges that TWC will not begin installation of any TWC Equipment or otherwise incur costs to provide such Services under a Service Order unless and until Customer notifies TWC that either (i) Customer has received confirmation of applicable Discounts or (ii) Customer elects to pay the Gross Monthly Service Charges set forth on the Service Order in full.

If Customer and any Services purchased under this Master Agreement are eligible for Discounts, then as a courtesy to Customer, TWC will submit invoices to Customer net of Discounts and bill the balance to the government agencies administering the Discounts, all as set forth on the applicable Service Order. Customer shall apply for all applicable Discounts for each year of the Term and provide to TWC satisfactory evidence of the continuation of each Discount for such years. If TWC does not receive such confirmation, then TWC shall have the right to bill the Gross Monthly Service Charges for the applicable Services to Customer.

Notwithstanding anything to the contrary at Section 11 of the Terms and Conditions, if, after the initial award of a Discount and TWC has provisioned a Service, any Discount for a subsequent year is reduced, eliminated, or otherwise not available, then Customer shall promptly notify TWC in writing that it, or the end user school district, is no longer eligible to receive the Discount and that such ineligibility did not result from any act or failure by Customer or the school districts using the Services. This Master Agreement shall remain in full force and effect and Customer shall continue to pay TWC an amount equal to the Service Charges, plus applicable taxes and fees, less an amount equivalent to the Discount. TWC shall continue to provide the Services, but may, in its sole discretion, reduce the bandwidth provided to the Customer, or the end user school district, to account for the decreased amount being paid for the Services. Customer shall, and shall cause the school districts to, use their best efforts to reinstate all applicable Discounts or find another source of funds to ensure that TWC receives the total Service Charges anticipated for the applicable Initial Order Term.

**SUBJECT:** **APPROVE THE AUTHORIZATION TO ORDER (ATO) TO MOVE FROM THE CURRENT CALNET II CONTRACT EXTENSION FOR BASIC TELEPHONE SERVICE TO THE CALNET III CONTRACT BEGINNING JULY 1, 2015**

Background: Currently the Fullerton School District uses AT&T for its local and long distance telephone system. On March 12, 2013 the Board approved a contract extension between the Fullerton School District and AT&T that would guarantee current CALNET II pricing until June 30 2015. At the time the CALNET II contract was set to expire on January 29, 2014 and the State had not yet declared a winner for CALNET III.

Rationale: Since then the State has declared AT&T the winner of CALNET III as they had the lowest pricing.

Funding: The cost of the contract is paid from the Unrestricted General Fund.

Recommendation: Approve the Authorization To Order (ATO) to move from the current CALNET II Contract extension for basic telephone service to the CALNET III Contract beginning July 1, 2015.

Pursuant to the Contract, which is incorporated herein by reference, any public agency, as defined in Government Code section 11541, is allowed to order services and products ("Services") solely as set forth in the Contract.

A non-State public Entity (herein "Non-State Entity") shall also be required to complete and submit this Authorization to Order (ATO) Under State Contract prior to ordering Services. A description of the Service(s), applicable rates and charges and the specific terms and conditions under which the Service(s) will be provided to a Non-State Entity are fully set forth in the Contract. Access to the Contract is available at <http://marketing.dts.ca.gov/calnet3/>.

**FULLERTON ELEMENTARY SCHOOL DI** ("Non-State Entity") desires to order Service(s), and Contractor agrees to provide such Service(s), as identified in the State of California, Telecommunications Service Request (Form. 20), pursuant to the terms and conditions and rates contained in the Contract.

#### E-Rate Customers

Only complete if applying for E-Rate funding:

**FULLERTON ELEMENTARY SCHOOL** intends to seek Universal Service Funding (E-Rate) for eligible services provided under this ATO.

The Service(s) ordered under this ATO shall commence on **7-1-15** ("Service Date"). Upon the Service Date, this ATO supersedes and replaces any applicable serving arrangements between Contractor and Non-State Agency for the Service(s) being ordered under this ATO.

This ATO shall become effective upon execution by Non-State Entity, Contractor, and the Office of Technology Services, Statewide Telecommunications and Network Division (OTech/STND). No Service(s) shall be ordered by Non-State Entity or provided by Contractor until this ATO has been executed by both parties and approved by OTech/STND.

By executing this ATO, Non-State Entity agrees to subscribe to the selected services, and Contractor agrees to provide selected services, in accordance with the terms and conditions of this ATO and the Contract. Upon execution of this ATO by Non-State Entity and Contractor, Contractor shall deliver this ATO to OTech/STND for review and approval. The State may, at its sole discretion, revoke any applicable previously approved ATO.

The OTech/STND will provide Contract management and oversight, and upon request by the Non-State Entity or Contractor, will advocate resolving any Contract service issues. The ATO, and any resulting Form 20, is a Contract between the Non-State Entity and the Contractor. The State will not represent the Non-State Entity in resolution of litigated disputes between the parties.

Non-State Entity may terminate this ATO, for specific Service(s) or in total, prior to termination of the Contract, by providing the Contractor with thirty (30) calendar days' of written notice of cancellation. This ATO shall not exceed the term of the CALNET 3 Contract.

Non-State Entity, upon execution of this ATO, certifies that Non-State Entity understands that Contractor and the State may, from time to time and without Non-State Entity's consent, amend the terms and conditions of the Contract thereby affecting the terms of service Non-State Entity receives from Contractor.

Non-State Entity, upon execution of this ATO, certifies that it has reviewed the terms and conditions, including the rates and charges, of the Contract.

Non-State Entity, upon execution of this ATO, certifies the Non-State Entity understands that billing invoices for Service(s) subscribed to under the Contract are subject to review and/or audit by the State, pursuant to provisions of the Contract.

All Service(s) ordered under this ATO will be submitted using the Form 20, signed by the Non-State Entity's authorized signatory. Any additions or deletions to Service(s) shall likewise be accomplished by submission of a Form 20, noting changes. The Non-State Entity understands that Form 20s are subject to review by the CALNET 3 CMO to ensure contract compliance.

Non-State Entity, upon execution of this ATO, certifies the Non-State Entity understands that the Contractor shall provide CALNET 3 CMO all data, reports, and access to trouble tickets for Service(s) subscribed to under the Contract, pursuant to provisions of the Contract.

Non-State Entity may, by placing Service orders issued by its duly authorized representative with Contractor, order any of the Service(s) listed in the Contract and selected below. Contractor shall bill Non-State Entity, and Non-State Entity shall pay Contractor according to the terms and conditions and rates set forth in the Contract for such Service(s).

Whenever any notice or demand is given under this Contract to Contractor or Non-State Entity, the notice shall be in writing and addressed to the following:

## E-rate Rider

### ATTACHMENT TO CALNET 3 - Attachment 4- Authorization to Order (ATO) ("Agreement") FOR SERVICES AND/OR PRODUCTS SUBJECT TO UNIVERSAL SERVICES ("E-RATE") FUNDING

This Attachment ("Attachment"), entered into by AT&T Corp ("AT&T") and Fullerton Elementary School District ("Customer") and effective as of the date last signed below ("Effective Date"), is an attachment to the Agreement. This Attachment shall have the same term as the Agreement. If there are any inconsistencies between the Agreement and this Attachment with respect to the Service for which E-rate funding is sought, the terms and conditions of this Attachment shall control.

### TERMS AND CONDITIONS APPLICABLE TO E-RATE FUNDED PRODUCTS AND SERVICES

Customer may seek funding through the Federal Universal Service Fund program known as "E-Rate" for some or all of the Services or Service Components purchased under the Agreement. E-Rate is administered by the Schools and Libraries Division ("SLD") of the Universal Service Fund Administrative Company ("USAC") (Sometimes collectively or individually referred to herein as "USAC/SLD"). The Federal Communications Commission ("FCC") has promulgated regulations that govern the participation in the E-Rate program. Both Parties agree to adhere to FCC regulations as well as the rules established by SLD and USAC regarding participation in the E-Rate program. The Parties further agree:

- 1. Reimbursement of USAC/SLD.** If USAC/SLD seeks reimbursement from AT&T of E-Rate funds as a result of Customer's failure to comply with the E-Rate rules or regulations, including Customer delays in submitting required forms or contracts; or, if USAC/SLD determines that Services which it had previously approved for discounts are not eligible and funds must be returned (a "ComAd") (other than as the result of AT&T's failure to comply with the E-Rate requirements), then Customer shall reimburse AT&T for any such funds AT&T must return to USAC/SLD within ninety (90) days of notice from USAC/SLD seeking reimbursement. In addition, Customer agrees and acknowledges that a determination of ineligibility does not affect the obligations set forth in the Agreement, including those obligations related to payments and early termination fees.
- 2. Eligibility of Products and Services.** The eligibility or ineligibility of products or services for E-Rate funding is solely the responsibility of the USAC/SLD and/or the FCC. AT&T makes no representations or warranties regarding such eligibility.
- 3. Service Substitutions.** Customer acknowledges that USAC/SLD funding commitments are based upon the products, services and locations set forth in the Form 471 and that any modification to the products and services and/or the locations at which the products or services are to be installed and/or provided, requires Customer to file a service substitution with USAC/SLD, seeking permission to receive alternative service or receive the service to an alternative location. If Customer intends to make any such service substitutions, then Customer agrees to pursue them, and file any and all requisite documentation, diligently. AT&T will provide Services and Service Components only as approved by the SLD and may suspend activities pending approval of service substitution requests.
- 4. Requested Information.** If requested, Customer will promptly provide AT&T with final copies of the following E-Rate-related materials (including all attachments) prepared by or for Customer: (i) Form 471 and Item 21 Attachment; if appropriate, (ii) Form 486; (iii) Form 500; (iv) Service Substitution Request; (v) Service Certification Form; and, (vi) Form 472-BEAR. If the Customer issues purchase orders, Customer shall clearly delineate between eligible and non-eligible Services on those orders.
- 5. Representations, Warranties and Indemnities.** Each Party represents and warrants that it has and will comply with all laws and the requirements applicable to the E-Rate Program. In addition to any indemnification obligations set forth in the Agreement and to the extent permitted by law, each Party agrees to indemnify and hold harmless the other Party (its employees, officers, directors and agents, and its parents and affiliates under common control) from and against all third party claims (including FCC or USAC/SLD claims) and related loss, liability, damage and expense (including reasonable attorney's fees) arising out of the indemnifying Party's violation of the E-Rate Requirements or breach of the representations, warranties, and terms contained in this Attachment.

6. **Non-Appropriations.** By executing the Agreement, Customer warrants that Customer has funds appropriated and available to pay all amounts due hereunder through the end of Customer's current fiscal period. Customer further agrees to request all appropriations and funding necessary to pay for the Services for each subsequent fiscal period through the end of the Agreement Term. In the event Customer is unable to obtain the necessary appropriations or funding for the Services provided under this Attachment, Customer may terminate the Services without liability for the termination charges upon the following conditions: (i) Customer has taken all actions necessary to obtain adequate appropriations or funding; (ii) despite Customer's best efforts funds have not been appropriated and are otherwise unavailable to pay for the Services; and (iii) Customer has negotiated in good faith with AT&T to develop revised terms, an alternative payment schedule or a new agreement to accommodate Customer's budget. Customer must provide AT&T thirty (30) days' written notice of its intent to terminate the Services. Termination of the Services for failure to obtain necessary appropriations or funding shall be effective as of the last day for which funds were appropriated or otherwise made available. If Customer terminates the Services under this Attachment, Customer agrees as follows: (i) it will pay all amounts due for Services incurred through date of termination, and reimburse all unrecovered non-recurring charges; and (ii) it will not contract with any other provider for the same or substantially similar services or equipment for a period equal to the original Agreement Term.

### Customer Must Choose A or B

A.)  [OPTION "A" IS AVAILABLE FOR NEW OR EXISTING SERVICES]

**CUSTOMER DIRECTS AT&T TO COMMENCE OR CONTINUE SERVICES EVEN IF FUNDING COMMITMENT DECISION LETTER ("FCDL") HAS NOT BEEN RECEIVED FROM USAC/SLD. CUSTOMER ACKNOWLEDGES ITS OBLIGATION TO PAY FOR THE SERVICE IF FUNDING IS DENIED OR USAC/SLD COMMITMENT IS NOT RECEIVED.**

1. Scope: *Customer desires that Services commence on or about July 1 unless a different date is inserted here INSERT DATE* . Customer intends to seek funding from the USAC/SLD, but acknowledges that it may not receive an FCDL prior to this date and that it is possible that USAC/SLD may not approve funding or may delay its decision.

2. E-rate Funding Delay or Denial; CUSTOMER ACKNOWLEDGES THAT THERE IS NO RIGHT TO TERMINATE THE SERVICES OR SERVICE COMPONENTS THAT ARE PROVIDED UNDER THIS ATTACHMENT IF E-RATE FUNDING IS DELAYED OR DENIED.

Customer should refer to the E-Rate Rules and Regulations regarding USAC/SLD payments for eligible services delivered after the beginning of the E-Rate year (July 1st) but before receipt of an FCDL.

B.)  [OPTION "B" IS APPROPRIATE FOR NEW SERVICES]

**SERVICES WILL NOT COMMENCE AND/OR EQUIPMENT WILL NOT SHIP UNTIL AT&T RECEIVES NOTIFICATION THAT E-RATE FUNDS HAVE BEEN COMMITTED; IF E-RATE FUNDING FOR SERVICES AND/OR EQUIPMENT IS DENIED, AGREEMENT WILL TERMINATE AS TO THOSE SERVICES AND/OR EQUIPMENT UNLESS AND UNTIL A NEW ATTACHMENT (REPLACING THIS ATTACHMENT) IS EXECUTED.**

1. Scope: Customer agrees to use best efforts to obtain funding from the USAC/SLD AT&T will not begin work related to the Services and/or equipment (including, without limitation, construction, installation or activation activities) until after AT&T receives Customer notification to proceed with the order, and verification of funding approval, and, for Internal Connections (IC), a verification of Form 486 approval by the USAC/SLD. AT&T will commence Service(s) as soon as is practical following the receipt of the appropriate documentation.

2. Funding Denial Agreement Termination; if a funding request is denied by the USAC/SLD, the Agreement, with respect to such Service(s) and/or equipment, shall terminate sixty (60) days from the date of the FCDL in which E-Rate funding is denied or on the 30<sup>th</sup> day following the final appeal of such denial, and Customer will not incur termination liability. In the event Services and/or equipment are to be provided

**CONFIDENTIAL INFORMATION**

## E-rate Rider

pursuant to a multi-year arrangement (whether by contract or tariff), this termination right applies only to the first year of the multi-year agreement.

3. IF CUSTOMER WISHES TO CHANGE ITS SELECTION AND WISHES AT&T TO COMMENCE SERVICES REGARDLESS OF FUNDING COMMITMENT FROM THE USAC/SLD, CUSTOMER WILL EXECUTE A NEW (REPLACEMENT) ATTACHMENT, AND AGREE TO THE TERMS SET FORTH IN "A" ABOVE. Upon execution of the Replacement Attachment, the Parties will mutually agree upon a Service Commencement Date.

This provision does not apply to Services that were initially approved for funding and subsequently deemed ineligible by USAC/SLD after commencement of Service

Customer acknowledges its obligation to designate the method by which it will receive E-Rate discounts. With respect to each discount method, Customer agrees as follows:

Billed Entity Application Reimbursement ("BEAR") – Form 472:

Customer agrees to submit to AT&T complete and accurate BEAR – Form 472 requests for certification at least five (5) business days prior to the FCC Invoice Deadline date for the Funding Request Number(s) ("FRN") being submitted on that Form 472. AT&T cannot ensure that the Form 472 will be reviewed prior to the deadline if not received at least five (5) business days prior. Upon receipt of USAC/SLD check in the amount of the certified Form 472, AT&T will remit payment to Customer within twenty (20) business days after receipt of payment from USAC/SLD. It is solely Customer's responsibility to ensure the accuracy of this submission and the amounts sought to be recovered through the E-Rate program.

Service Provider Invoice form - ("SPI") – Form 474:

After AT&T has received notification of approved funding, an approved Form 486, and Customer has confirmed the appropriate Billed Accounts to be discounted per Funding Request Number, AT&T will then provide E-rate program discounts and will file a Form 474 SPI. Customer agrees to promptly submit any AT&T or USAC/SLD Forms needed to support requests for payment of Services rendered. In the event SLD denies payment, Customer will be responsible for repayment of all funds provided to Customer by AT&T associated with this process.

**FCC RULES REQUIRE THAT PRIOR TO SUBMISSION OF A FORM 471 APPLICATION FOR FUNDING THE PARTIES MUST HAVE ENTERED INTO A BINDING CONTRACT FOR THE SERVICES MADE THE SUBJECT OF THE APPLICATION. IT IS THE CUSTOMER'S RESPONSIBILITY TO ENSURE THAT STATE LAW REQUIREMENTS FOR A BINDING CONTRACT HAVE BEEN MET PRIOR TO THE SUBMISSION OF A FORM 471.**

THIS ATTACHMENT REPLACES THE E-RATE RIDER ATTACHMENT BETWEEN THE PARTIES DATED <Date of Original e-Rate Rider Attachment>.

SO AGREED by the Parties' respective authorized signatories:

**SUBJECT:** **APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND CARAHSOFT TECHNOLOGY CORP. FOR 2015-2017 MULTI YEAR CONTRACT**

Background: Currently the Fullerton School District uses multiple separate databases and programs that collect and manage critical data. Each system is critical but separate and unique programs that require moving to a native database, i.e., one program, or building a data overlay at the Application Program Interface (API). Carahsoft provides an API overlay that will allow data to flow to and from each database in an effective and efficient manner.

Rationale: The cost of moving to a native system is both time and cost prohibitive. The process and software provided by Carahsoft will enable FSD to populate and manage critical business and student related databases that tie directly to State funding, testing and mandated reporting processes.

Funding: Cost not to exceed \$57,937.88 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Agreement between Fullerton School District and Carahsoft Technology Corp. for 2015-2017 Multi Year Contract.

**SUBJECT:** **APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND RESILIENT COMMUNICATIONS BEGINNING JULY 1, 2015 THROUGH JUNE 30, 2016 FOR THE PURCHASE OF REPLACEMENT END-OF-LIFE NETWORK SWITCHES**

Background: Fullerton School District has CISCO network equipment at the core of all our schools most of which were purchased during modernization. The equipment is out of warranty and no longer supported by CISCO. It provides connectivity from the main distribution frame (MDF) to all of the schools independent distribution frames (IDFs)

Rationale: The equipment is critical to the function of the data network and is where all data from the segments of the school is aggregated before being sent to the District office. All schools will require that this equipment be installed.

Funding: The total cost for this Agreement beginning July 1, 2015 and ending June 30, 2016 is \$345,600, and 60% of the cost will be covered by eRate funding. The District will only be billed for the non-funded portion. The contract is completely dependent on eRate funding approval. If the District is denied funding, the contract is null and void and nothing will be owed by the Fullerton School District. The balance of the non-funded portion will be paid from the Unrestricted General Fund.

Recommendation: Approve Agreement between Fullerton School District and Resilient Communications beginning July 1, 2015 through June 30, 2016 for the purchase of replacement end-of-life network switches.

### **Parent Engagement through Technology (PE+T)**

**for**

### **Fullerton School District**

The Parent Engagement through Technology (PE+T) program squarely addresses the issue regarding the lack of engagement parents have in their child's education. It is our hope that FSD concurs with us in that the goal of PE+T fits well within the priorities of the FULLERTON SCHOOL DISTRICT's goals relative to Parent Engagement. Technology resources are introduced, where parents learn to maximize the use of on-line resources for increased engagement in their child's education and ultimately, improved quality of life.

#### **1. Organizational Background and History**

**Community Union, Inc.**(Established 1993)

**Mission:**Setup, sustain and expand education and economic opportunities in low-income communities via community-based computer and Internet training.

Community Union, Inc. is a corporation based in Los Angeles, California. Community Union (CU) provides training from community technology centers located in low-income neighborhoods throughout California. Current sites include Greater Los Angeles Region, the Silicon Valley (Northern California), and the San Joaquin Valley (Central California). The key to our success is due to the relationships we have built during the last 20 years. Key partnerships in this endeavor include Bassett Unified School District, Raisin City School District, Duarte Unified School District, Literacy Volunteers of America - Huntington Valley , Los Angeles Urban League, Pomona Unified School District , Bassett Unified, Sequoia Union High School District, Rowland Unified School District, El Rancho School District, Ontario-Montclair School District, Montebello Unified and the NIU Coalition which consist of the Asian Pacific Community Fund, Black Business Association, Korean Churches for Community Development, and Soledad Enrichment Action.

Community Union in cooperation with the NIU Coalition have successfully negotiated the opening of community-based technology training centers in over 30 cities, helping more than 25,000 parents, youth and senior citizens improve quality of life through access and training to Internet resources. College students and NIU graduating students will enter and complete the Train the Trainer Program and will become NIU Trainers for new upcoming sessions. Trainers have found the NIU experience to be a great career launching-pad as they moved into their professional endeavors. CU was founded in 1993 by Mr. Larry A. Ortega while he was attending law school at Western State University School of Law, Fullerton, CA.

CU first launched their courses working with children, but quickly realized that training parents in technology was key to impacting the digital divide, student achievement and graduation rates. A year after its inception, CU launched courses to serve parents in English, Korean, and Spanish.

## **2. Why Parent Engagement through Technology**

A majority of low-income parents want their children to go to college, yet they lack the college-relevant knowledge about the prerequisites, paths, processes, and milestones that lead their children to college. Knowledge deficits are more evident among parents with lower incomes and educational attainment, as well as among first generation immigrants who are English Learners. Many bilingual parents are not being told the truth about the consequences of their child's low-academic performance and its impact on their child's future education and employment opportunities.

It has been CU's experience that children and parents lack the information necessary to succeed in school. How that 'lack' occurs takes many forms, known as barriers. There are language barriers, technology barriers, and just simply – interest barriers. Most parents of the low-income community are too busy working and putting food on the table and are less likely to seek-out assistance for their child's education. Not because they never cared and certainly not because they purposely want their child to do poorly, but because there was no one who made a purposeful effort to get them engaged. The Parent Engagement through Technology program presents an opportunity to make a purposeful effort to help parents engage in their child's education via technology. There are a wide array of websites and on-line content in English, Korean and Spanish that help parents positively effect change in their child's education. CU has taught low-income parents how to access and use on-line resources for over 20 years and in our expert opinion significantly increases parent engagement.

## **3. Target Population**

Twenty-five (25) low-income parents who have children attending Commonwealth Elementary School will be enrolled in PE+T (**Exhibit C**), and will attend courses per **Exhibit B**.

## **4. Proposed Methodologies**

Community Union believes it is a moral and economic imperative that we empower parents with college knowledge and training in technology to demystify the Internet's on-line academic and non-academic resources available to them to increase student achievement. We have been successful in our endeavors because we have made technology training fun, relevant and interesting. PE+T is an innovative program designed to teach parents how to navigate on-line education resources for the purposes of developing an Education/Graduation Plan for their child. Simultaneously, parents get technology skills that will greatly assist them in their job search efforts.

Parents will attend twice a week, 2.5 hours each day, for 8 weeks for a total of 40 hours of training for PE+T, see **Exhibit B**.

### **PE+T outcomes for parents:**

- 1) Development of Internet on-line resource navigation skills using 8 key websites, addressing both academic and non-academic needs,
- 2) Development of a full-color multipage Education/Graduation Plan in PowerPoint that contains the following information:
  - a. A through G requirements (UC/CSU college entry requisites),
  - b. On-line education resources that will help children with most subjects in school,

- c. Public Library website resources that help both adults and youth maximize academic success,
  - d. Basic child development resources and drug prevention strategies for youth and parents,
  - e. How to interact safely in Social Media environments,
  - f. Local FSD resources available on-line,
  - g. Increase Internet Safety knowledge for the purpose of improving their child's safety in accessing on-line resources,
- 3) Public speaking and advocacy strategies that will assist them in advocating for a quality education for their child.

The Education/Graduation Plan as developed in PE+T is an extension and enhancement to the work the counselors in the schools are mandated to perform. The challenge for the counselors and teachers is they have capacity issues. They need help and PE+T provides that help. PE+T not only provides the foundational understanding needed by parents such as A-G requirements, education resources, college options, etc., but because the parents will have on-going access to on-line resources, they will be empowered to forever engage and advocate for a quality education for their children. Utilization of the education plan is primary to the project. It is the key measuring metric that will be used in evaluating PE+T effectiveness. For example, if a child is not reading at her grade level the parents will be empowered to refer the child to on-line support systems to get them reading at grade level.

### **5. Project Goals, Operation and Evaluation:**

PE+T's task-list, see **Exhibit C** below, is a list of exercises parents will complete during the 40 hour course. Modules A-1 through A-5 take parents through step by step on how-to use a computer, access the Internet and develop computer and Internet navigation skills while building an Education/Graduation Plan in PowerPoint, using college, school district, library and Internet safety websites. Manuals, exercises and instruction are provided in English, Korean, Spanish and Mandarin Chinese.

#### Modules:

- A-1 – Develop a Vision Statement: Parents develop a 'vision' statement articulating desired goals and outcomes from the course,
- A-2 – Introduction to Windows and Word, parents learn basic functions, typing skills, and development of a formal communication letter,
- A-3 – Beginning Internet/E-mail navigation, parents set up email address and email teachers and other parents,
- A-4 – Introduction to PowerPoint, parents are introduced to the tool to be used to build Education/Graduation Plan,
- A-5 – Intermediate Internet Navigation: Parents perform research projects using on-line resources to obtain information about education, health, financial literacy, and Internet safety.
- **Education/Graduation Plan Completion:** Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their Education/Graduation Plan and will serve as evidence of skills learned and will be used to guide their child through High School graduation and into college.
- Simultaneously, this same portfolio will be used to enhance employment endeavors.

Evaluation:

- Paramount to the proposed project is the evaluation of program effectiveness.
- Quantitative methods such as pre and post surveys will be used. Also, graduating participant's focus group interviews will create feedback that will be used to create qualitative data to fine-tune PE+T,

**In summary, after the completion of the PE+T program the following Major Goals will be accomplished:**

1. parents gain increased Internet navigation knowledge for the purpose of improving their child's academic success,
2. parents will develop an Education/Graduation Plan to ensure that their child is on-track to graduation and will meet CSU/UC admission prerequisites,
3. parent leaders emerge and become sustainable resources for other parents through a parent alumni advocate network that will advocate for quality education for their children.

CONSENT ITEM

**DATE:** March 10, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

#### 2. Statement of Work

CONTRACTOR shall perform that work designated in CONTRACTOR's Bid Form which constitutes at least 15% of the total Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. CONTRACTOR shall perform within the time set forth in Paragraph 4 of this Agreement everything required to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete Contract and required for the Work described as follows:

**Project: Chain Link Fence – Various Sites (Maple and Orangethorpe Elementary Schools)

Such protest shall not be effective unless reduced to writing and filed with DISTRICT OFFICE within three (3) working days of the date of occurrence of the act or omission preventing CONTRACTOR from fully complying with the Contract Documents.

The Work required to be performed by this Agreement shall be subject to the payment of prevailing wages, as described in the Labor Code, by CONTRACTOR and each Subcontractor on the Project. Payments to CONTRACTOR shall not be made when payroll records are delinquent or inadequate. The prevailing rate of per diem wages and a description of employer payments are on file at DISTRICT's Facilities office and are available to any interested party upon request. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language until which time that Title 8 California Code of Regulations section 16451(d) or successor provision is adopted, at which time it shall be the responsibility of Contractor to immediately revise and post the updated language:

This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc) as well as the name of the employer, the public entity which awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at [www.dir.ca.gov/dlse/PublicWorks.html](http://www.dir.ca.gov/dlse/PublicWorks.html).

**3. Compensation**

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of Fifty-Nine Thousand, Nine Hundred Twenty-Five Dollars (\$59,925.) said sum being the total amount stipulated in the proposal:

---

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change in Work without an agreement between DISTRICT and CONTRACTOR regarding the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

**4. Commencement of Work and Time for Completion**

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work within three (3) Days from the date of said Notice. Commencement of Work shall include reasonable and evident efforts on the Project site.

**Time for completion of the Project shall be within Thirty (30) consecutive calendar days.** The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

**5. Claims**

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

**6. Liquidated Damages**

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN (a) AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED DOLLARS (\$500.00) FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION, AND (b) AS COMPENSATION FOR THE ACTUAL ADDITIONAL OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY IN COMPLETION, THERE SHALL ALSO BE ASSESSED AGAINST CONTRACTOR THE ACTUAL AND VERIFIABLE OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY (SUCH AS, FOR EXAMPLE, ADDITIONAL COMPENSATION PAID TO DISTRICT'S ARCHITECT AND OTHER CONSULTANT(S) AND AGENTS AND THE LEGAL FEES AND EXPENSES INCURRED BY DISTRICT IN CONNECTION WITH THE DELAY). IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN (a) ABOVE OF THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME AND SUCH LIQUIDATED DAMAGES DO NOT CONSTITUTE A PENALTY NOR ARE THEY INTENDED TO COMPENSATE DISTRICT FOR (OR COVER) THE ACTUAL OUT-OF-POCKET DAMAGES INCURRED BY DISTRICT IN CONNECTION WITH ANY SUCH DELAY (WHICH ACTUAL OUT-OF-POCKET DAMAGES SHALL BE SEPARATELY RECOVERABLE BY DISTRICT PURSUANT TO PARAGRAPH 6(b)). THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6(a) AS LIQUIDATED DAMAGES IS NOT

INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. THE PARTIES EXPRESSLY AGREE THAT DISTRICT SHALL BE PERMITTED TO RECOVER ITS ACTUAL OUT-OF-POCKET DAMAGES INCURRED AS A RESULT OF ANY DELAY IN COMPLETION (IN ADDITION TO THE LIQUIDATED DAMAGES THAT MAY BE RECOVERED FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY), AND THAT SUCH ACTUAL OUT-OF-POCKET DELAY DAMAGES ARE NOT LIQUIDATED HEREUNDER, BECAUSE UNLIKE THE DAMAGES RESULTING FROM THE LOSS OF THE BENEFICIAL USE OF THE PROJECT, SUCH ACTUAL OUT-OF-POCKET DAMAGES ARE NOT IMPRACTICABLE OR DIFFICULT TO FIX.

The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all.

#### 2. Statement of Work

CONTRACTOR shall perform that work designated in CONTRACTOR's Bid Form which constitutes at least 15% of the total Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. CONTRACTOR shall perform within the time set forth in Paragraph 4 of this Agreement everything required to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete Contract and required for the Work described as follows:

**Project: Woodcrest Elementary School Play Apparatus Resurfacing**  
**Bid No: FSD-14-15-RD-01**

in accordance with Drawings and Specifications prepared by **Architecture 9 PLLLP, dated December 24, 2014**. All of said Work to be performed and materials to be furnished shall be completed in a good workmanlike manner in strict accordance with the Plans, Drawings,

Specifications and provisions of the complete Contract. CONTRACTOR shall be liable to DISTRICT for any damages arising as a result of a failure to fully comply with this obligation, and CONTRACTOR shall not be excused with respect to any failure to so comply by any act or omission of ARCHITECT, Engineer, Inspector, Division of the State Architect, or representative of any of them, unless such act or omission actually prevents CONTRACTOR from fully complying with the requirements of the documents, and unless CONTRACTOR protests at the time of such alleged prevention that the act or omission is preventing CONTRACTOR from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with DISTRICT OFFICE within three (3) working days of the date of occurrence of the act or omission preventing CONTRACTOR from fully complying with the Contract Documents.

The Work required to be performed by this Agreement shall be subject to the payment of prevailing wages, as described in the Labor Code, by CONTRACTOR and each Subcontractor on the Project. The Work shall further be subject to the fulfillment of the requirements related to the payment of prevailing wages, including, but not limited to, the obligation to furnish electronic certified payroll records to the Labor Commissioner as required by the Labor Commissioner. Payments to CONTRACTOR shall not be made when payroll records are delinquent or inadequate. The prevailing rate of per diem wages and a description of employer payments are on file at DISTRICT's Facilities office and are available to any interested party upon request. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language until which time that Title 8 California Code of Regulations section 16451(d) or successor provision is adopted, at which time it shall be the responsibility of Contractor to immediately revise and post the updated language:

This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc) as well as the name of the employer, the public entity which awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at [www.dir.ca.gov/dlse/PublicWorks.html](http://www.dir.ca.gov/dlse/PublicWorks.html).

### 3. Compensation

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of Fifty-Two Thousand, Eight Hundred Dollars (\$52,800.) said sum being the total amount stipulated in the proposal:

---

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change in Work without an agreement between DISTRICT and CONTRACTOR regarding the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

### 4. Commencement of Work and Time for Completion

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work within three (3) Days from the date of said Notice. Commencement of Work shall include reasonable and evident efforts on the Project site.

**Time for completion of the Project shall be within Twenty-one (21) consecutive calendar days.** The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

**5. Claims**

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

**6. Liquidated Damages**

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN (a) AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED DOLLARS (\$500.00) FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION, AND (b) AS COMPENSATION FOR THE ACTUAL ADDITIONAL OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY IN COMPLETION, THERE SHALL ALSO BE ASSESSED AGAINST CONTRACTOR THE ACTUAL AND VERIFIABLE OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY (SUCH AS, FOR EXAMPLE, ADDITIONAL COMPENSATION PAID TO DISTRICT'S ARCHITECT AND OTHER CONSULTANT(S) AND AGENTS AND THE LEGAL FEES AND EXPENSES INCURRED BY DISTRICT IN CONNECTION WITH THE DELAY). IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN (a) ABOVE OF THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME AND SUCH LIQUIDATED DAMAGES DO NOT CONSTITUTE A PENALTY NOR ARE THEY INTENDED TO COMPENSATE DISTRICT FOR (OR COVER) THE ACTUAL OUT-OF-POCKET DAMAGES INCURRED BY DISTRICT IN CONNECTION WITH ANY SUCH DELAY (WHICH ACTUAL OUT-OF-POCKET DAMAGES SHALL BE SEPARATELY RECOVERABLE BY DISTRICT PURSUANT TO PARAGRAPH 6(b)). THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6(a) AS LIQUIDATED DAMAGES IS NOT

INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. THE PARTIES EXPRESSLY AGREE THAT DISTRICT SHALL BE PERMITTED TO RECOVER ITS ACTUAL OUT-OF-POCKET DAMAGES INCURRED AS A RESULT OF ANY DELAY IN COMPLETION (IN ADDITION TO THE LIQUIDATED DAMAGES THAT MAY BE RECOVERED FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY), AND THAT SUCH ACTUAL OUT-OF-POCKET DELAY DAMAGES ARE NOT LIQUIDATED HEREUNDER, BECAUSE UNLIKE THE DAMAGES RESULTING FROM THE LOSS OF THE BENEFICIAL USE OF THE PROJECT, SUCH ACTUAL OUT-OF-POCKET DAMAGES ARE NOT IMPRACTICABLE OR DIFFICULT TO FIX.

CONTRACTOR'S INITIALS: \_\_\_\_\_ DISTRICT'S INITIALS: \_\_\_\_\_

DISTRICT may deduct liquidated and/or actual out-of-pocket delay damages described in Paragraph 6 from any unpaid amounts then or thereafter due CONTRACTOR under this Agreement in accordance with Article 64 of the General Conditions. Any liquidated and/or actual out-of-pocket delay damages not so deducted from any unpaid amounts due CONTRACTOR shall be payable to DISTRICT at the demand of DISTRICT, together with interest thereon from the date of demand until paid at a rate equal to ten percent (10%) per annum.

**7. Indemnification**

CONTRACTOR agrees to and does hereby indemnify and hold harmless DISTRICT, ARCHITECT, INSPECTOR OF RECORD, and their respective officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by CONTRACTOR or any person, firm or corporation employed by CONTRACTOR upon or in connection with the Work called for in this Agreement, except for liability resulting from the sole negligence or willful misconduct of DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, employees, agents or independent contractors who are directly employed by DISTRICT, and except for liability resulting from the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(b) Any injury to or death of persons or damage to property caused by any act, neglect, default or omission of CONTRACTOR, or any person, firm, or corporation employed by CONTRACTOR, either directly or by independent contract, including all damages due to loss or theft, sustained by any person, firm or corporation, including DISTRICT, ARCHITECT, or INSPECTOR OF RECORD arising out of, or in any way connected with the Work covered by this Agreement, whether said injury or damage occurs either on or off school district property, if the liability arose from the negligence or willful misconduct of anyone employed by

CONTRACTOR, either directly or by independent contract, and not by the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(c) In the event CONTRACTOR is required to access DISTRICT's computer system or network in the performance of the Contract, CONTRACTOR shall provide 48-hours advance notification to DISTRICT. In the event such access infects DISTRICT's computer network, system, or device with a virus, Trojan Horse, worm, or any other computer programming routine that is intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system data or personal information, CONTRACTOR agrees to indemnify DISTRICT and pay for any and all losses, damages and expenses incurred by DISTRICT to remedy any such infection.

(d) Liability for fines, penalties, or other monetary damages incurred by DISTRICT for CONTRACTOR's, or its Subcontractor's, failure to comply with applicable Storm Water Requirements as generally described in the Storm Water Pollution Prevention Certification executed by CONTRACTOR.

CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees, or any such claim, demand or liability, and shall pay or satisfy any judgment that may be rendered against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees in any action, suit or other proceedings as a result thereof.

In accordance with Section 9201 of the Public Contract Code, DISTRICT shall timely notify CONTRACTOR of any third-party claim it receives relating to the Contract. CONTRACTOR shall promptly reimburse DISTRICT for the reasonable costs incurred in providing CONTRACTOR such notification.

**8. Insurance**

CONTRACTOR shall take out, prior to commencing the Work, and maintain, during the life of the Contract, and shall require all Subcontractors, if any, whether primary or secondary, to take out and maintain the following policies issued by insurance companies authorized to transact business in the State of California and which comply with all requirements of the Department of Insurance for the State of California:

**DATE:** March 10, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Emy Flores, Assistant Superintendent, Educational Services  
**PREPARED BY:** Deanna Scott, Director, Student Support Services  
**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT (ICA) BETWEEN FULLERTON SCHOOL DISTRICT AND LET'S TALK ABOUT IT FOR AUDITORY-VERBAL SERVICES EFFECTIVE MARCH 11, 2015 THROUGH JUNE 30, 2015**

Background: Independent contractors are occasionally utilized to provide specialized services that the District determines are necessary to meet student needs.

Current rates are as follows:

Initial Assesment, Written Report and Presentation of Results	\$650
Annual Assessment, Report with goals	\$300
Auditory-Verbal Therapy	\$135/hour
DH/H Itinerant Services on-site	\$135/hour + mileage
On-site school inservice	\$135/hour

Rationale: Independent contractor services are utilized when the District does not have the ability to have staff in the area of services. While we are working to provide most services withnt the District, it is necessary to contract outside for certain services for children.

Funding: Total cost of contract is not to exceed \$5,000 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement (ICA) between Fullerton School District and Let's Talk About It for auditory-verbal services effective March 11, 2015 through June 30, 2015.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts

and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. 6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease

and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

a. Comprehensive or Commercial Form General Liability Insurance (contractual liability included) with limits as follows: (minimum limits)

(3)	Personal and Advertising Injury	\$1,000,000
(4)	General Aggregate (Not Applicable to the Comprehensive Form)	\$1,000,000

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing services.)

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

13.1 Fingerprinting. Contractor shall comply with the requirements of California Education Code Section 45125.1, and shall provide to District all criminal background clearance(s) through fingerprints for Contractor (and all Contractor employees, if any) as required by the District. The District may require the Contractor and Contractor's employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. Service shall be considered given when received if personally served or if mailed on the third day after deposit in any U.S. Post Office. Rationale: Nonpublic Agency services are utilized when the District does not have the ability to have staff in the area of service. While we are able to provide most services from within, it is sometimes necessary to contract outside for certain specialized services

Funding: Total cost of contract is not to exceed \$5,000 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Nonpublic Agency (NPA) master contract between Fullerton School District and Cornerstone Therapies for contracted services effective March 11, 2015 through June 30, 2015.

2014-2015

**CONTRACT NUMBER:**

**LEA: FULLERTON SCHOOL DISTRICT**

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:  
CORNERSTONE THERAPIES**

**NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT**

**AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS**

**1. MASTER CONTRACT**

This Master Contract is entered into this 11<sup>th</sup> day of March, 2015, between the FULLERTON SCHOOL DISTRICT (hereinafter referred to as “District” or local educational agency “LEA”) and CORNERSTONE THERAPIES (hereinafter referred to as “CONTRACTOR”) for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR’s obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of an LEA student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student’s parent.

**2. CERTIFICATIONS AND LICENSES**

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider’s license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

### **3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS**

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

### **4. TERM OF MASTER CONTRACT**

The term of this Master Contract shall be from March 11, 2015 to June 30, 2015 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2015. In the event a Master Contract is not renegotiated by June 30<sup>th</sup>, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2015.

**5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION**

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

**6. INDIVIDUAL SERVICES AGREEMENT**

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH. CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

CONTRACTOR shall provide to the LEA a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the

CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the District may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When the CONTRACTOR is a nonpublic agency, the CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by the LEA if provided by an individual who was an employee of the LEA within the three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by the LEA.

## **20. NON-DISCRIMINATION**

CONTRACTOR shall not unlawfully discriminate on the basis of race, religion, sex, national origin, age, sexual orientation, disability or any other classification protected by federal or state law, in employment or operation of its programs.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA

student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA and CONTRACTOR agree otherwise in writing.

THIS IS FURTHER SUPPORTED BY SECTION 30 OF THE MASTER CONTRACT. IF THE PREFERENCE IS TO REQUIRE A BCBA, THE REDLINE LANGUAGE NEEDS TO BE REVISED.]** It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

Such requirements will be provided in writing to CONTRACTOR prior to entering into an ISA for a LEA student. Failure to maintain adherence to staff qualification requirements shall constitute sufficient cause for contract termination. CONTRACTOR shall provide the LEA with all training protocols for behavior intervention staff who do not possess a license, credential or recognized certification as part of their Master Contract application. CONTRACTOR shall provide certification that all behavior aides who do not possess a license, credential or recognized certification have completed required training protocols within ten days of the start of providing behavior intervention services to a LEA student. CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the LEA student’s name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. (California Education Code sections 56366(a)(2)(B)(i) and (ii).) If an LEA student is enrolled in the nonpublic school pursuant to a lawfully executed agreement between the LEA and parent, it shall be the responsibility of the LEA to notify CONTRACTOR in writing (1) when or whether an IEP meeting will be held, (2) whether placement in the nonpublic school should be documented as part of an IEP, and (3) the start date and, if known, the end date for services to be provided by CONTRACTOR to LEA student.

The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, the LEA shall not be responsible for the costs of services delivered after the LEA student's change of residence.

**39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM**

CONTRACTOR shall immediately report, by telephone, to the LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn from school and/or services. CONTRACTOR shall confirm such telephone call in writing via e-mail or other written notification to the LEA Director of Special Education and submit to the LEA and the Department of Education, if required, within five (5) business days of the withdrawal. Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between the LEA and parent, the LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent or another adult with educational decision-making rights.

#### **43. STATE MEAL MANDATE**

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. CONSENT ITEM

**DATE:** March 10, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Assistant Superintendent, Educational Services

**PREPARED BY:** Deanna Scott, Director, Student Support Services

**SUBJECT:** **APPROVE NONPUBLIC AGENCY (NPA) MASTER CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND CHILDREN’S THERAPY CENTER FOR CONTRACTED SERVICES EFFECTIVE MARCH 11, 2015 THROUGH JUNE 30, 2015**

Background: Nonpublic agencies support student educational programs through a variety of services not available within the District programs, which may include occupational therapy, speech therapy, physical therapy, behavioral intervention, etc.

The rates for Children’s Therapy Center are as follows:

Treatment Clinic	\$ 84.46/per 50 minutes
Treatment School	\$ 89.61/per 50 minutes
Treatment Clinic	\$101.35/per 60 minutes
Treatment School	\$107.53/per 60 minutes
IEP meetings/Services	\$ 89.61/per 60 minutes
Evaluation @ 6 hours	\$339.90/per evaluation

Rationale: Nonpublic Agency services are utilized when the District does not have the ability to have staff in the area of service. While we are able to provide most services within, it is sometimes necessary to contract outside for certain specialized services.

Funding: Total cost of contract is not to exceed \$5,000 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Nonpublic Agency (NPA) master contract between Fullerton School District and Children’s Therapy Center for contracted services effective March 11, 2015 through June 30, 2015.

2014-2015

**CONTRACT NUMBER:**

**LEA: FULLERTON SCHOOL DISTRICT**

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:  
CHILDREN'S THERAPY CENTER**

**NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT**

**AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS**

**1. MASTER CONTRACT**

This Master Contract is entered into this 11<sup>th</sup> day of March, 2015, between the FULLERTON SCHOOL DISTRICT (hereinafter referred to as "District" or local educational agency "LEA") and CHILDREN'S THERAPY CENTER (hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student's parent.

**2. CERTIFICATIONS AND LICENSES**

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider's license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract, this Master Contract shall terminate as of the date of such action.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

### **3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS**

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

### **4. TERM OF MASTER CONTRACT**

The term of this Master Contract shall be from March 11, 2015 to June 30, 2015 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2015. In the event a Master Contract is not renegotiated by June 30<sup>th</sup>, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2015.

**5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION**

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

**6. INDIVIDUAL SERVICES AGREEMENT**
